The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of Eight Thousand (\$8,000) Dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. When more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 7 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State Banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders are cautioned to examine the plans and specifications for particulars of the work, etc., required before making their estimates, and are cautioned against referring to any specifications other than those furnished by the Department. Such references are cause for rejecting bids whereon they are written, and will in no case govern the action of the Department officers in passing upon tenders.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller in accordance with the terms of the contract. The form of the contract, including specifications, and showing the manner of payment, can be obtained and plans seen at the office of Horgan & Slattery, architects, No. 1 Madison avenue, New York City, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

Bidders must satisfy themselves by personal examination, and by such other means as they may prefer, as to the nature and extent of the work or materials, and shall not, any time after the submission of an estimate, dispute or complain of such statement, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done or materials to be furnished.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of The City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

N. B.—The prices must be written in the estimate and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items for which bids are herein called, or which contain bids for items for which bids are not herewith called for. Permission will not be given for the withdrawal of any bid or estimate. No bid will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The Park Board reserves the right to reject any or all the bids received in response to this advertisement if it should deem it for the interest of the City so to do.

Blank forms for proposals for the contract and information relative thereto can be had at the office of the Park Board, Arsenal, Central Park.

No. 2. FOR FURNISHING, DELIVERING, HOUSING AND TRIMMING 6,000 BARRELS OF No. 1 "MAINE ROCK LIME," AT THE SEVERAL SEWAGE DISPOSAL WORKS IN THE TWENTY-SIXTH AND THIRTY-FIRST WARDS, BOROUGH OF BROOKLYN.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him therein, and if no other person be so interested it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or in the work to which it relates or in any portion of the profits thereof. Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent in writing, of two householders or freeholders in The City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance, and that if he shall refuse or neglect to execute the same they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in a sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of the deposit will be returned to him.

THE COMMISSIONER OF SEWERS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED, IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

Bureau for Collection of Arrears of Personal Taxes.

LAW DEPARTMENT,
BUREAU FOR COLLECTION OF ARREARS OF PERSONAL TAXES,
No. 53 CHAMBERS STREET, ROOM 203,
NEW YORK, May 6, 1898.

Hon. JOHN WHALEN, Corporation Counsel, City of New York:

DEAR SIR—As your Assistant Counsel in charge of the Bureau for the Collection of Arrears of Personal Taxes, and in accordance with your communication of April 23, 1898, I make the following report in relation to suits and proceedings that are pending in this Bureau on the 30th day of April, 1898, in which the present City of New York is interested, and I intend that this report shall briefly show the workings of this Bureau during the time the same has been under my charge, namely, from the first day of February, 1898, to and including the 30th day of April, 1898.

I took the oath of office before his Honor Mayor Van Wyck, on the twenty-sixth day of January, 1898, and made and filed my official bond, approved by you, with the Honorable Comptroller on the thirty-first day of January, 1898, and entered upon the charge of this Bureau on the first day of February, 1898.

My immediate predecessor, Mr. Monroe, vacated the office of Attorney for the Collection of Arrears of Personal Taxes on the thirty-first day of December, 1897. During the month of January, 1898, this Bureau was in charge of Michael J. Dougherty, Clerk, and Henry M. Powell and John W. Martin, Law Clerks. They had collected during the month of January, 1898, an aggregate amount of \$531.58 of the arrears of personal taxes, the details of which appear from Schedule "A," herewith annexed. These moneys were in the custody of Mr. Dougherty, Clerk, and also Bookkeeper of the Bureau, who, under my direction, reported and paid the same to you.

On investigation of the records, books and papers of this Bureau, I ascertained that there was a large amount of unfinished business pending therein relating to the collection of arrears of personal taxes, the greater portion of which was covered by actions and proceedings, the details of which appear from Schedule B herewith attached. The remainder consisted of schedules of arrears of personal taxes sent in by the Marshal of the Honorable Receiver of Taxes for collection by this Bureau.

As soon as practicable, I caused notices to be sent to persons and corporations who were in arrears for personal taxes and to whom no notice had been previously sent, numbering about 736. I attach the form of notice so sent forth as Schedule C.

In case of those persons and corporations who had been served with like notices from this Bureau before I took charge of the same, but who had not responded thereto, I commenced actions in the Supreme Court to recover the amount of the tax. Such actions and the details thereof appear from Schedule D herewith attached.

The time of myself and clerks has been occupied in sending forth these notices, in commencing said actions, and in the hearing of cases of persons applying for a rebate or cancellation of the tax assessed against them, or a dismissal of further action on the part of this Bureau, and in cases where an action had been commenced, for the discontinuance of said action, for reasons appearing in affidavits and examinations under oath. In the cases where no action had been commenced, the affidavits and examinations were submitted and considered by the Honorable Comptroller, and his approval secured before any tax was remitted or cancelled. Those cases where an action had been commenced were heard and decided by me without submitting the same to the Honorable Comptroller and the action discontinued or not, as the conclusions warranted. These cases so heard and decided, and the action taken therein, appear from Schedule E herewith attached.

There are now pending in this Bureau suits and proceedings for the recovery of arrears of personal taxes in which the present City of New York is interested, a complete list of which, and the details thereof, appear from Schedule F.

During the months of February, March and April, there was collected of the arrears of personal taxes by this Bureau the aggregate amount of \$10,095.49. The sum of \$3,772.70 was collected during the month of February; the sum of \$4,265.58 during the month of March, and the sum of \$2,057.21 during the month of April. These sums were reported and paid to you at the end of each of said months, and by you reported and paid to the Receiver of Taxes. The details of these payments, and the parties making the same, appear in Schedule G herewith annexed.

There were four actions in the Supreme Court, which appear in Schedule "H," prepared for trial and placed on the calendar for Monday, April 25, in Part II. of the Trial Term of that Court, and were duly called and answered to by me as ready for trial.

The defendants, by their counsel, applied for a postponement, and, after a hearing, the Court postponed the trial to the second Monday of May, the same holding their respective places on the calendar of the Trial Term for Part II.

At my request, and by the action of yourself and the Honorable Comptroller, the office of this Bureau was removed from Room 41 of the first floor of the Stewart Building to Room 203, fifth floor, same building. All the ancient papers and records of the office were carefully packed in boxes and stored in a room of the County Court-house. The present office is much superior in regard to light, ventilation and sanitation, and the removal of the old papers and records affords an abundance of case-room for the present records and papers of the Bureau, and yields convenience and comfort to its occupants.

All of which is respectfully submitted.

JAMES C. SPENCER, Assistant Corporation Counsel.
