## COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund, at a Meeting Held in Room 16, City Hall, at 11 o'Clock A. M., on Wednesday, April 22, 1914.

Present at Roll Call—John Purroy Mitchel, Mayor; Alexander Brough, Deputy and Acting Comptroller; Henry Bruere, Chamberlain, and George McAneny, President, Board of Aldermen.

Henry H. Curran, Chairman, Finance Committee, Board of Aldermen, arrived later. (See note.)

The Chair called for a hearing in the matter of the request of the Commissioner of Docks, that the Commissioners of the Sinking Fund, by resolution, direct that title to certain wharf property between Jefferson and Montgomery streets, East River, Borough of Manhattan, lying about 48 feet westerly of Clinton street, and wharf properties lying about 88 feet east of Clinton street, including pier old 49, East River, shall vest in The City of New York on the day after the filing in the office of the Clerk of the County where proceedings for the acquisition of properties are pending, of the oaths of the Commissioners of Estimate in such proceedings appointed.

(Affidavit as to the publication and notice of hearing in the CITY RECORD on file with the papers.)

January 3rd, 1914.

Hon. JOHN PURROY MITCHEL, Mayor, and Chairman of the Commissioners of the Sinking Fund:

Sir—I respectfully request that the Commissioners of the Sinking Fund by resolution direct that title to the property described in the annexed memorandum entitled "technical description of wharf properties to be acquired by The City of New York between Jefferson and Montgomery streets, East River, Borough of Manhattan, being more particularly noted as the wharf properties lying about forty-eight (48) feet westerly of Clinton street and the wharf properties lying about eighty-eight (88) feet east of Clinton street, and including Pier Old 49," shall vest in The City of New York on the day after the filing in the office of the Clerk of the County where proceedings for the acquisition of such property are pending, of the oaths of the Commissioners of Estimate in such proceedings appointed.

Yours very truly, R. A. C. SMITH, Commissioner of Docks.

No one appearing for or against the proposition the Deputy and Acting Comptroller presented the following report and offered the following resolution:

March 31st, 1914.

To the Commissioners of the Sinking Fund:

Gentlemen—On January 3, 1914, the Commissioner of Docks requested that a resolution be adopted directing that title to wharf properties to be acquired between Jefferson and Montgomery streets, East River, Borough of Manhattan, lying about 48 feet westerly of Clinton street and the wharf properties lying about 88 feet east of Clinton street, and including Pier (old) No. 49, shall vest in The City of New York on the day after the filing in the office of the Clerk of the County, where proceedings for the acquisition of such property are pending, of the oaths of the Commissioners of Estimate in such proceedings appointed.

The property in question, except about 17 feet of bulkhead, is included in the premises leased to the New York, New Haven and Hartford Railroad Company, pursuant to a resolution adopted by the Commissioners of the Sinking Fund on May 21, 1913.

In the lease it is provided that the railroad company is to acquire the property by private purchase, but in case it may not be acquired by private sale by the company it may be acquired by condemnation proceedings by the City, the railroad company defraying all the expenses of said condemnation proceedings.

On August 12, 1913, Mr. Edward H. Hawke, Jr., on behalf of the railroad company, notified the Commissioner of Docks that it is impossible to agree with the owners to purchase this property at private sale.

The Commissioners of the Sinking Fund, by resolution adopted February 11, 1914, authorized the acquisition of this property by condemnation proceedings.

The railroad company is anxious to obtain possession of this property at as early a date as possible in order to commence the improvement thereon in accordance with the terms and conditions of its lease.

All expenses of the condemnation proceeding being defrayed by the railroad company, the City will be put to no additional expense for interest charges, etc., by vesting title upon the day after the Commissioners of Estimate are appointed.

In order that the improvements may commence as soon as possible, in which the City will be benefited as well as the railroad company, I recommend the adoption of the attached resolution approving the request.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby direct that title to the property hereinafter described, to be acquired for improving the water-front, shall vest in The City of New York on the day after the filing in the office of the Clerk of the County, where proceedings for the acquisition of such property are pending, of the oaths of the Commissioners of Estimate in such proceedings appointed.

The following communication was received from the Commissioner of Docks requesting approval of a lease to the Degnon Contracting Company, of bulkhead and upland between piers 46 and 48, North River, Borough of Manhattan:

Pier A, North River, April 6, 1914.

Hon. JOHN PURROY MITCHEL, Mayor, and Chairman of the Commissioners of the Sinking Fund:

Sir—I beg to recommend that the Commissioners of the Sinking Fund adopt a resolution approving of and consenting to the execution by the Commissioner of Docks of a lease to the Degnon Contracting Company of the following described property:

Beginning at a point in the face of the bulkhead wall between Piers 46 and 48, North River, Borough of Manhattan, at its intersection with the westerly prolongation of the southerly face of the shed occupied by the Southern Pacific Railway Company south of Pier 48, North River, running thence easterly and along the southerly face of said shed 65 feet, thence southerly and parallel with the bulkhead wall 155 feet, thence westerly and at right angles to the bulkhead wall 65 feet to the face of the bulkhead wall, thence northerly and along the face of the bulkhead wall to the point or place of beginning.

The lease to commence on the first day of the month next succeeding the date of approval by the Commissioners of the Sinking Fund and shall be for a term of three years at a rental of \$5,580 per annum.

The lessee shall have the right to erect and maintain during the term of the lease upon the premises demised the necessary hoists and other appliances for handling excavated material.

The remaining terms and conditions of the lease shall be similar to those contained in leases of wharf property now used by this department.

The Degnon Contracting Company is the Contractor for the City of subway sections 2 and 3 of the Seventh Avenue Route, and requires the premises for the purpose of disposing of the excavated material.

Yours very truly,

R. A. C. SMITH, Commissioner of Docks.

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

*To the Commissioners of the Sinking Fund, City of New York:*

Gentlemen—In a communication dated April 6, 1914, the Commissioner of Docks requested the Commissioners of the Sinking Fund to approve of and consent to the execution of a lease by the Commissioner of Docks on behalf of the City to the Degnon Contracting Company of one hundred and fifty-five feet (155') of bulkhead and adjacent upland covering an area of sixty-five feet by one hundred and fifty-five feet (65' x 155') between piers Nos. 46 and 48, North River, Borough of Manhattan, for a term of three years from the first day of the month next succeeding the date of approval by the Commissioners of the Sinking Fund at a rental of \$5,580 per annum.

Under the terms of the said lease lessee is to have the privilege to erect and maintain necessary hoists and other appliances during the term of such lease.

The remaining terms and conditions are to be similar to those usually contained in previous wharf leases.

In my opinion the proposed rental is reasonable and I concur in the other terms and conditions as proposed.

The adoption of the attached resolution granting the request is therefore recommended accordingly. Respectfully submitted,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Docks of a lease to the Degnon Contracting Company of the following described property:

"Beginning at a point in the face of the bulkhead wall between Piers 46 and 48, North River, Borough of Manhattan, at its intersection with the westerly prolongation of the southerly face of the shed occupied by the Southern Pacific Railway Company south of Pier 48, North River, running thence easterly and along the southerly face of said shed 65 feet, thence southerly and parallel with the bulkhead wall 155 feet, thence westerly and at right angles to the bulkhead wall 65 feet to the face of the bulkhead wall, thence northerly and along the face of the bulkhead wall to the point or place of beginning."

The lease to commence on May 1, 1914, for a term of three years at a rental of five thousand five hundred and eighty dollars (\$5,580) per annum.

The said lease to provide that the lessee shall have the right to erect and maintain during the term of the lease upon the premises described, the necessary hoists and other appliances for handling excavated material.

The remaining terms and conditions in the said lease to be similar to those contained in leases of wharf property now used by the Department of Docks and Ferries.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The following communication was received from the Commissioner of Docks recommending a lease to the Bouker Contracting Company of the bulkhead between 94th and 95th streets, East River, Borough of Manhattan, with the right to use the dumping board on said premises:

Pier A, North River, March 30, 1914.

Hon. JOHN PURROY MITCHEL, Mayor, and Chairman of the Commissioners of the Sinking Fund:

Sir—I beg to recommend that a resolution be adopted by the Commissioners of the Sinking Fund approving of and consenting to the execution by the Commissioner of Docks of a lease to the Bouker Contracting Company of the following described property:

Beginning at the point of intersection of the southerly side of East 95th street pier and the bulkhead between East 94th and East 95th streets, extending then southerly along the bulkhead a distance of 219.4 feet; thence westerly and at right angles to the bulkhead a distance of 21.6 feet; thence northerly and parallel with the bulkhead a distance of 106.7 feet; thence easterly at right angles to the last mentioned line a distance of 4.1 feet; thence northerly and parallel with the bulkhead a distance of 113.2 feet; thence easterly at right angles to the last mentioned line a distance of 18.6 feet to the point or place of beginning being the area at present occupied by the dumping board and approach thereto between East 94th and 95th streets, East River, together with the right to use the bulkhead between the northerly side of East 94th street pier and the southerly side of East 95th street pier and the dumping board now erected on said premises, with the existing ramp or approaches thereto.

The lease shall commence on the first day of the month next succeeding the date of approval by the Commissioners of the Sinking Fund, and expire January 15, 1918, at a rental of \$5,200 per annum, and in addition thereto the company shall pay to The City of New York \$250 on the date of the commencement of the lease and during the remaining four years of the lease the sum of \$225 per annum, so that the entire sum of \$1,150 shall be paid before the expiration of the lease.

The remaining terms and conditions of the lease shall be similar to those contained in the indenture made the 18th day of January in the year one thousand nine hundred and thirteen, by and between The City of New York, by the Commissioner of Docks, party of the first part, and the Bouker Contracting Company, of the premises above described, except that the lessee shall not be obligated to erect over the dumping board a corrugated metal shed with steel supports.

Pursuant to advertisement, on December 31, 1912, a lease of the above described premises, together with the right to maintain dumping board thereon, was sold to the Bouker Contracting Company, the highest bidder, at a rental of \$5,200 per annum and a lease duly executed. The lease, among other things, contained a provision that the lessee shall erect over the dumping board a corrugated metal shed with steel supports.

Under date of November 14, 1913, a communication was received from the lessee stating that the dumping board is remote from habitations and that the proposed shed is absolutely unnecessary at that point, for the reason that the material is cellar dirt, etc., from excavations, making very little dust, etc., and is not objectionable to any of the neighbors in that vicinity; that several bids for erecting the shed have been received, the lowest of which is E. B. Jenks Company's, of 143 Liberty street, for \$1,139, and offering in lieu of the erection of the shed an additional rental of \$225 per annum for the balance of the term of the lease.

The Commissioner of Docks, under date of December 11, 1913, in a communication to the Commissioners of the Sinking Fund, stated that an investigation shows that the facts are as stated in the lessee's communication and recommending that the Commissioners of the Sinking Fund approve of a modification of said lease, the company to pay \$250 on the first day of the month next succeeding the date of approval of the Commissioners of the Sinking Fund and for the remaining four years of the lease at the rate of \$225 per annum, in addition to the rental reserved in the lease so that the entire sum of \$1,150 will be paid before the expiration of the lease.

At a meeting of the Commissioners of the Sinking Fund held March 4, 1914, a resolution was adopted approving of and consenting to the execution of a modification of the lease dated January 18, 1913, between The City of New York, by the Commissioner of Docks, and the Bouker Contracting Company, of the premises above described upon the terms recommended by the Commissioner of Docks.

A certified copy of the resolution of the Commissioners of the Sinking Fund was forwarded to the Corporation Counsel requesting the preparation of the necessary form of modified lease. Under date of March 27, 1914, he states, "It appears that the lease which it is desired to modify was sold at public auction to the highest bidder. Authority is apparently lacking in the Commissioners of the Sinking Fund to modify a lease after such letting. I return the papers which accompanied the communication of the Secretary as, in the circumstances, I would be constrained to withhold my approval as to form of a modified lease if presented for that purpose."

In order to overcome the objection of the Corporation Counsel, therefore, the above recommendation is submitted for your consideration, it being understood that the indenture of January 18, 1913, above referred to, shall be surrendered and cancelled as of the date of the commencement of the new lease. Yours respectfully,

R. A. C. SMITH, Commissioner of Docks.

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

April 17, 1914.

*To the Honorable Commissioners of the Sinking Fund, City of New York:*

Gentlemen—In a communication on March 30, 1914, the Commissioner of Docks requested the Commissioners of the Sinking Fund to approve of and consent to the execution of a lease to the Bouker Contracting Company of the bulkhead between 94th and 95th streets, East River, Borough of Manhattan, with the right to use the dumping board on said premises.

Pursuant to advertisement, on December 31, 1912, a lease of these premises, together with the right to maintain a dumping board thereon, was sold to the Bouker Contracting Company, the highest bidder, at a rental of \$5,200 per annum. The lease was duly executed by the Commissioner of Docks on January 18, 1913, and was for a term of five years.

The lease referred to contains the following provision:

"And the said party of the second part covenants and agrees that it will within 120 days from the date of this lease erect over the aforesaid dumping board a corrugated shed, with steel supports, at its own cost and expense."

On account of the character of the neighborhood, consisting principally of gas works, lumber and coal yards, and the material dumped being mostly cellar dirt, etc., from excavations making very little dirt, it is unnecessary to put a shed over this dumping board.

The lessee offers in lieu of erecting the shed to pay the city \$1,139—the amount of the lowest bid received for building the shed. The Commissioner of Docks recommended that the company pay the city \$250 at the commencement of the new lease, and \$225 per annum for the remaining period of the lease, so that the entire sum of \$1,150 shall be paid before the termination of the lease.

The engineers of the Department of Docks and Ferries and this department concur in the estimate fixed as the cost of the shed, and I so reported on January 13, 1914, and recommended a modification of the lease as requested by the Commissioner of Docks on December 11, 1913.

At a meeting of the Commissioners of the Sinking Fund, held on March 4, 1914, a resolution was adopted approving and consenting to the execution of a modification of the lease dated January 18, 1913, between the Bouker Contracting Company and the city of the premises above described.

The Commissioner of Docks forwarded a certified copy of the resolution to the Corporation Counsel and requested him to prepare the modification of the lease.

Under date of March 27, 1914, he stated:

"It appears that the lease which it is desired to modify was sold at public auction to the highest bidder. Authority is apparently lacking in the Commissioners of the Sinking Fund to modify a lease after such letting. I return the papers which accompanied the communication of the Secretary, as in the circumstances, I would be constrained to withhold my approval as to form of a modified lease if presented for that purpose."

In order to overcome the legal objections of the Corporation Counsel, the Commissioner of Docks, presents the same proposition in a different form.

As stated in my report of January 13, 1914, I concur in the proposition, and the adoption of the attached resolution approving the request is hereby recommended accordingly.

Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Docks of a lease to the Bouker Contracting Company of the following described property:

Beginning at the point of intersection of the southerly side of East 95th street pier and the bulkhead between East 94th and East 95th streets, extending then southerly along the bulkhead a distance of 219.4 feet; thence westerly and at right

angles to the bulkhead a distance of 21.6 feet; thence northerly and parallel with the bulkhead a distance of 106.7 feet; thence easterly at right angles to the last mentioned line a distance of 4.1 feet; thence northerly and parallel with the bulkhead a distance of 113.2 feet; thence easterly at right angles to the last mentioned line a distance of 18.6 feet to the point or place of beginning, being the area at present occupied by the dumping board and approach thereto between East 94th and 95th streets, East River, together with the right to use the bulkhead between the northerly side of East 94th street pier and the southerly side of East 95th street pier and the dumping board now erected on said premises, with the existing ramp or approaches thereto.

The lease to commence on May 1, 1914, and expire on January 15, 1918, at a rental of five thousand two hundred dollars (\$5,200) per annum, and in addition thereto the Company shall pay to The City of New York \$250 on May 1, 1914, and during the remaining term of the lease the sum of \$225 per annum, so that the entire sum of \$1,150 shall be paid before the expiration of the said lease. The remaining terms and conditions of the lease shall be similar to those contained in the indenture made January 18, 1913, by and between The City of New York, by the Commissioner of Docks and the Bouker Contracting Company, of the above described premises, except that the lessee shall not be obligated to erect over the dumping board a corrugated metal shed with steel supports.

The said lease to further provide that the lease dated January 18, 1913, made by and between The City of New York by the Commissioner of Docks and the Bouker Contracting Company of the above described premises, shall be canceled as of the date of the commencement of this lease.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The following communication was received from the Commissioner of Docks, requesting that the Commissioners of the Sinking Fund recommend to the Board of Estimate and Apportionment that the resolution authorizing corporate stock to the amount of \$15,000, the proceeds to be used for the extension of Pier 43, North River, Borough of Manhattan, be amended so as to authorize \$35,000 corporate stock:

Pier A, North River, March 23, 1914.

Hon. JOHN PURROY MITCHEL, Mayor, Chairman of the Commissioners of the Sinking Fund:

Sir—At a meeting, held July 17, 1911, a resolution was adopted by the Board of Estimate and Apportionment approving of the issue of corporate stock to an amount not exceeding \$12,000, to provide means for the construction of an extension to Pier 43, North River.

By resolution of the Board of Estimate and Apportionment, dated March 6, 1913, concurred in by the Board of Aldermen March 25, 1913, and approved by the Mayor April 8, 1913, the amount of \$12,000 heretofore authorized for C. C. D.—4D, Construction and Extension to Pier 43, North River, was amended so as to read \$15,000.

The contract for doing this work was printed and bids were received, but owing to the fact that the work of construction, if done during the summer months, would seriously interfere with the business of the Catskill and New York Steamboat Company, the bids were rejected and nothing further was done in the way of extending the pier last year.

Since that time the Secretary of War has modified the pierhead line so as to permit an extension of 222 feet instead of 124 feet.

During the erection of the steel covered dumps on the Canal street pier and the extension of said pier out to the established pierhead line, contracts for which are now in preparation, it is imperative that something should be done to accommodate the occupants of the Canal street pier, who will be compelled to vacate their berths during the construction of the new dumps and the extension.

I request that a resolution be adopted by the Commissioners of the Sinking Fund recommending that the authorization of the Board of Estimate and Apportionment for the extension of Pier 43, North River, be amended so as to read \$35,000, instead of \$15,000, the increased cost being due to the fact that the extension will be built out to the new pierhead line a distance of 222 feet instead of 124 feet, requiring longer piles and stronger and more expensive type of construction.

Yours respectfully,

R. A. C. SMITH, Commissioner of Docks.

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

April 3, 1914.

To the Commissioners of the Sinking Fund:

Gentlemen—On March 23, 1914, the Commissioner of Docks requested that the resolution adopted on February 26, 1913, be amended to authorize \$35,000 instead of \$15,000 for the extension of Pier 43, North River.

As stated by the Commissioner, \$12,000 was authorized for this work in 1911, this being found insufficient for the work then proposed, the amount was increased to \$15,000 by resolution of the Board of Estimate and Apportionment on March 6, 1913, upon recommendation of the Commissioners of the Sinking Fund, dated February 26, 1913.

On March 1, 1913, the Secretary of War modified the pier head line so as to permit an extension of 222 feet instead of 124 feet as originally proposed in 1911.

The increased cost is due not only to the fact that the extension will be increased from 124 to 222 feet but also on account of the increased depth of water for the additional extension, requiring longer piles and stronger and more expensive types of construction.

I concur in the request and recommend the adoption of the attached resolution.

Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by the Commissioners of the Sinking Fund on February 26, 1913, which reads as follows:—

“Resolved, That pursuant to the provisions of Section 47 of the Greater New York Charter as amended, and Section 180 of the said charter, the recommendation of the Commissioners of the Sinking Fund by resolution dated July 12, 1911, the Board of Estimate and Apportionment hereby approves of the issue of corporate stock of the City of New York to an amount not exceeding twelve thousand dollars (\$12,000) to provide means for the construction of extension to Pier 43, North River, under the jurisdiction of the Department of Docks and Ferries, and that when authority therefor shall have been obtained from the Board of Aldermen, the Comptroller be and is hereby authorized to issue said corporate stock of the City of New York in the manner provided by Section 169 of the Greater New York Charter, the proceeds thereof to the amount of the par value of the stocks to be applied to the purposes aforesaid.

—be amended to make the amount authorized fifteen thousand dollars (\$15,000).”—be and the same is hereby further amended to make the amount thirty-five thousand dollars (\$35,000).

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolutions relative to amendment to resolution authorizing a lease of piers 37 and 38, North River, Borough of Manhattan, to the Clyde Steamship Company:

April 18, 1914.

Commissioners of the Sinking Fund, City of New York:

Gentlemen—It appears that a typographical error has been made in a date in the resolution passed on April 1, 1914, amending a resolution adopted on July 17, 1913, approving of and consenting to the execution by the Commissioner of the Department of Docks and Ferries of a lease to the Clyde Steamship Company of extensions to Piers New Nos. 37 and 38, North River, Borough of Manhattan.

The date of the expiration of the lease should have been stated as April 1, 1923, instead of April 1, 1913, in the resolution adopted.

In order to amend this error, the adoption of the attached resolutions are hereby recommended.

Respectfully submitted,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held April 1, 1914, amending resolution adopted July 17, 1913, approving of and consenting to the execution, by the Commissioner of Docks, of a lease to the Clyde Steamship Company, of extensions to pier new 37 and 38, North River, Borough of Manhattan, be and the same is hereby rescinded.

Resolved, That the resolution adopted on July 17, 1913, approving of and consenting to the execution by the Commissioner of Docks of a lease to the Clyde Steamship

Company of extensions to Piers New 37 and 38, North River, Borough of Manhattan, which provides that:

“The lease of said extensions shall commence on the date that the Chief Engineer of the Department of Docks and Ferries shall certify that the extensions are completed, and shall be for a period coterminous with the existing lease of said piers dated December 9, 1912, the term of which commenced April 1, 1913, and expires April 1, 1923, with the privilege of renewal for a further term of ten (10) years, at an annual rental of twenty-seven and one-half (27½) cents per square foot for the area of land under water covered by said extensions and, in addition, five and one-half per cent. on the cost of said extensions, said area and cost to be as shown by the surveys and books of the Department of Docks and Ferries, and for the renewal period from April 1, 1923, to April 1, 1933, at a ten (10) per cent. advance.”

—is hereby amended by striking out the privilege of renewal, and the rental for the renewal term.

The report was accepted, and the resolutions severally adopted, all the members present voting in the affirmative.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Secretary of the Board of Education in a communication to your Board under date of April 9, 1914, states that at a meeting of that Board held April 8, 1914, a resolution was adopted requesting the Commissioners of the Sinking Fund to adopt a resolution approving of and consenting to the execution by the Board of Education of a renewal of the lease of the vacant plot of land at the northeasterly corner of Church avenue and East 48th street, Borough of Brooklyn, used as a site for temporary school buildings, for a period of one year from July 1, 1914, at an annual rental of \$540, and otherwise upon the same terms and conditions as contained in the existing lease.

Deeming the rent reasonable and just under the circumstances and it being the same as heretofore paid, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution approving of and consenting to the execution by the Board of Education of a renewal of the lease of the vacant plot of land at the northeast corner of Church avenue and East 48th street, Borough of Brooklyn, bounded and described as follows:

Beginning at a point formed by the intersection of the northerly line of Church avenue with the easterly line of East 48th street; running thence northerly along the easterly line of East 48th street 93 feet 5½ inches; thence easterly and parallel or nearly so with Church avenue 120 feet; thence southerly and parallel or nearly so with East 48th street 96 feet 6 inches to the northerly line of Church avenue; thence westerly along the northerly line of Church avenue 120 feet to the easterly line of East 48th street, the point or place of beginning, be the said dimensions more or less.

On March 25, 1914, the committee presented its report, dated March 23, 1914, and recommended that the rental of the dumping board at the foot of 96th street, North River, to be fixed at \$30 per day, from January 3, 1914, to March 1, 1914, with the privilege of renewal from day to day from March 1, 1914, for such time as the Department of Street Cleaning might require its use, and that the rental for the dumping board at the foot of 79th street, North River, be fixed at \$30 per day for the period from January 6, 1914, to March 1, 1914, with the privilege of renewal from day to day from March 1, 1914, for such time as the Department of Street Cleaning might require its use.

On March 25, 1914, your Board approved of the recommendations contained in the said report and passed resolutions for the purpose of putting them into effect.

Owing to the fact that the said resolutions did not contain all of the terms and conditions contained in the provisional agreements made between the Department of Street Cleaning and the New York Contracting and Trucking Company for the use of such dumping boards, we respectfully request that the said resolutions of March 25, 1914, be rescinded, and that the attached forms of resolutions be substituted therefor. Yours respectfully,

R. A. C. SMITH, Commissioner of Docks and Ferries; J. T. FETHERSTON, Commissioner of Street Cleaning; FRANK L. POLK, Corporation Counsel.

The Deputy and Acting Comptroller offered the following resolutions:

Resolved, That the resolution adopted by the Commissioners of the Sinking Fund at the meeting held on March 25, 1914, approving of and consenting to the execution by the Commissioner of Street Cleaning of a lease to the City from the New York Contracting and Trucking Company of the dumping board at 79th street, North River, be and the same is hereby rescinded;

The period or term of the lease from the New York Contracting and Trucking Company to the City for the use of the dumping board at the foot of 79th street, North River, for the reception of garbage to commence as and of January 6, 1914, on which date the Department of Street Cleaning began to use the said dumping board, and to continue until the said Department shall hereafter discontinue the use thereof upon giving five days' notice in advance of such discontinuance to the said Company, the said Department to have the right and option to discontinue such use upon such five days' notice in writing addressed to the said company at its office, No. 1 Madison avenue, Borough of Manhattan, City of New York. The refuse carried to the said dumping board in vehicles of the Department of Street Cleaning to be deposited upon the scows furnished by the New York Disposal Corporation, the contractor with the City for the removal of garbage. There is to be no picking or reclaiming of materials deposited upon the scows of the New York Disposal Corporation by the carts of the Street Cleaning Department, except as may be arranged between the said New York Disposal Corporation and the New York Contracting and Trucking Company, and no picked or reclaimed material is to be permitted to be stored under the dumping board, nor any fires at or about the same to be made. The Commissioner of Street Cleaning is hereby authorized and empowered to pay the said amount of rental at the times specified to the New York Contracting and Trucking Company, without the necessity of entering into a formal written lease.

The Commissioners of the Sinking Fund, deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

Resolved, That the resolution adopted by the Commissioners of the Sinking Fund at the meeting held on March 25, 1914, approving of and consenting to the execution by the Commissioner of Street Cleaning of a lease to the City from the New York Contracting and Trucking Company of the dumping board at 96th street, North River, be and the same is hereby rescinded;

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease to the City of premises at No. 85 Kenmare street, Borough of Manhattan, for use of the Department of Street Cleaning:

April 15, 1914.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of February 25, 1914, requests a renewal of the lease of the store premises at 57 Spring street, Manhattan, for a term of three years at an annual rental of \$900.

Upon examination by the Division of Real Estate of this Department, it was found that rental values in the neighborhood of the demised premises have decreased considerably within the last year. Thereupon the Division of Real Estate found other quarters at 85 Kenmare street, Borough of Manhattan, at an annual rental of \$720, which premises were examined by the officials of the Department of Street Cleaning and were approved, and the Commissioner of that Department in a communication to your Board under date of March 23, 1914, made application for the premises at 85 Kenmare street as a substitute for those at 57 Spring street.

The premises on Kenmare street consist of a store 20 feet 9 inches by 47 feet 4 inches and basement 10 feet 8 inches by 24 feet in a six-story fireproof building. The owner is to furnish janitor service, pay taxes and water rates and put the premises in good and tenantable condition before occupancy and to make outside repairs; the City to furnish heat and light and to make such inside repairs as it may deem necessary.

This rental is the same as paid by the previous tenant.

The adjoining store, half as wide, otherwise similar, rents for \$360 a year.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the store 20 feet 9 inches by 47 feet 4 inches and basement 10 feet 8 inches by 24 feet of the premises at 85 Kenmare street, Borough of Manhattan, for use of the Department of Street Cleaning, for a period of two years from May 1, 1914, at an annual rental of \$720, payable quarterly; the lessor to pay taxes and water rates and to furnish janitor service; the lessee to furnish heat and light and to make such inside repairs as it may deem necessary. Lessor, F. Fasanello, 1555 75th street, Borough of Brooklyn.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a lease to the City, of the store 20 feet 9 inches by 47 feet 4 inches, and basement 10 feet 8 inches by 24 feet, of the premises at 85 Kenmare street, Borough of Manhattan, for use of the Department of Street Cleaning for a period of two years from May 1, 1914, at

an annual rental of seven hundred and twenty dollars (\$720), payable quarterly; the lessor to pay taxes and water rates and to furnish janitor service; the lessee to furnish heat and light and to make such inside repairs as it may deem necessary; lessor, F. Fasanello; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease to the City of premises at No. 58 Audubon avenue, Borough of Manhattan, for use of the Department of Street Cleaning:

April 15th, 1914.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Commissioner of the Department of Street Cleaning, in communications to your Board under dates of February 16th and March 2, 1914, requested a lease of the store 18 feet by 30 feet at No. 58 Audubon avenue, Borough of Manhattan, for a term of three years from May 1, 1914, at an annual rental of \$600, payable quarterly, the lessor to make outside repairs, pay taxes and water rates and provide heat and janitor service, the City to make inside repairs and provide light.

The rental named in Commissioner Fetherston's letter is \$600 a year, but this was deemed excessive by the Division of Real Estate of this Department, and as a result of conferences with the owner, John Ranft, he has been induced to accept a rental of \$420 a year, thus effecting a saving of \$540 to the City in the rental of these premises.

The adjoining store, which is narrower and not as deep, rents for \$390 a year.

The premises are for use of Section 53, now occupying a part of Stable S, at 184th street and Amsterdam avenue, which space is required entirely for stable purposes.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the store 18 feet by 30 feet at 58 Audubon avenue, Borough of Manhattan, for use of the Department of Street Cleaning, for a period of three years from May 1, 1914, at an annual rental of \$420, payable quarterly, the lessor to pay taxes and water rates, provide heat and janitor service and make outside repairs, the lessee to provide light and make such interior repairs as it may deem necessary. Lessor, John Ranft, 83 Bleecker street, Borough of Manhattan. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a lease to the City, from John Ranft, of the store 18 feet by 30 feet, at No. 58 Audubon avenue, Borough of Manhattan, for use of the Department of Street Cleaning, for a period of three years from May 1, 1914, at an annual rental of four hundred and twenty dollars (\$420), payable quarterly; the lessor to pay taxes and water rates, provide heat and janitor service and make outside repairs; the lessee to provide light and make such interior repairs as it may deem necessary; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease to the City of premises at No. 9 Bergen street, Borough of Brooklyn, for use of the Department of Street Cleaning:

April 15th, 1914.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of March 4, 1914, requests a lease of the store and cellar at No. 9 Bergen street, Borough of Brooklyn, for use of his Department as a section station, to take the place of the present section station located at 185 Atlantic avenue, Borough of Brooklyn, for a term of three years, beginning May 1, 1914, at an annual rental of \$300, payable quarterly.

The premises in question consist of a store 16 feet by 60 feet and cellar 16 feet by 32 feet in a four-story brick building, to take the place of the section station now located at 185 Atlantic avenue, which is being rented at \$420 a year, the lease of which expires May 1, 1914.

The lessor is to pay taxes and annual water rates, put the premises in tenantable condition and replace the cracked glass in front store window, the lessee to supply heat, light and janitor service, to pay for the water used in the store, if a water meter is installed in connection with the water used in said store, and to make such inside and outside repairs or alterations as it may deem necessary.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of store 16 feet by 60 feet and cellar 16 feet by 32 feet in the four-story brick building at No. 9 Bergen street, Borough of Brooklyn, for use of the Department of Street Cleaning, for a period of three years from May 1, 1914, at an annual rental of \$300, payable quarterly; the lessor to pay taxes and annual water rates, put the premises in tenantable condition and replace cracked glass in front store window with new glass; the lessee to supply heat, light and janitor service, make such inside and outside repairs or alterations as it may deem necessary, and pay for the water used in the store if a water meter is installed in connection with the water used in said store. Lessor, Mrs. Anna M. Sigrist, 458 Chestnut street, Richmond Hill, Borough of Queens. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Street Cleaning, of a lease to the City of the store 16 feet by 60 feet, and cellar 16 feet by 32 feet, in the 4-story brick building at No. 9 Bergen street, Borough of Brooklyn, for use of the Department of Street Cleaning, for a period of three years from May 1, 1914, at an annual rental of three hundred dollars (\$300), payable quarterly; the lessor to pay taxes and annual water rates, put the premises in tenantable condition and replace cracked glass in front store window with new glass; the lessee to supply heat, light and janitor service, make such inside and outside repairs or alterations as it may deem necessary, and pay for the water used in the store if a water meter is installed in connection with the water used in said store; lessor, Mrs. Anna M. The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a renewal of the lease to the City of premises at No. 500 5th avenue, Borough of Manhattan, for use of the Department of Street Cleaning:

April 11th, 1914.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of March 31, 1914, requests a renewal of the lease of an additional room, No. 511, in the Bristol Building, No. 500 5th avenue, Borough of Manhattan, used as a snow office, for a term of one month from April 1, 1914, at an annual rental of \$480, the same as now paid, and otherwise upon the same terms and conditions as contained in the existing lease.

The Comptroller, in a communication to your Board under date of January 21, 1914, recommended this lease for a period of four months from December 1, 1913, at a rental of \$40 a month, and said report was approved and lease authorized at a meeting of your Board held January 21, 1914.

Deeming the rent reasonable and just and it being the same as previously paid, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of Room 511 in the Bristol Building, No. 500 5th avenue, Borough of Manhattan, for use of the Department of Street Cleaning, for a period of one month from April 1, 1914, at a rental of \$40 a month, payable monthly; the lessor to pay taxes and water rates and furnish heat, elevator and janitor service; the lessee to pay for the light used. Lessor, Walter J. Salomon, 17 West 42d street, Manhattan. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Street Cleaning, of a renewal of the lease to the City of Room 511 in the Bristol Building, No. 500 5th avenue, Bor-

ough of Manhattan, for use of the Department of Street Cleaning, for a period of one month from April 1, 1914, at a rental of \$40 a month, payable monthly; the lessor to pay taxes and water rates and furnish heat, elevator and janitor service; the lessee to pay for the light used; lessor, Walter J. Salomon; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a renewal of the lease to the City, of premises on Atlantic avenue and Pacific street, 225 feet east of Utica avenue, in the Borough of Brooklyn, for use of the Department of Street Cleaning:

April 13, 1914.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Commissioner of the Department of Street Cleaning in a communication to your Board under date of March 14, 1914, requests a renewal of the lease of the yard premises located 225 feet east of Utica avenue and fronting 150 feet on Atlantic avenue, and 300 feet on Pacific street, in the Borough of Brooklyn, for use of that Department for storage purposes, for a term of five years from May 1, 1914, at an annual rental of \$2,000, payable quarterly, and otherwise upon the same terms and conditions as contained in the existing lease.

The plot covered by the lease is located 225 feet east of Utica avenue, having a frontage of 150 feet on the south side of Atlantic avenue and a frontage of 300 feet on the north side of Pacific street.

The assessed valuation of the property in the year 1909, at the time of the last renewal, was \$25,450, and the assessed valuation for the year 1914, is \$29,950.

The Commissioner states that not only is the rental the lowest that can be secured in the vicinity, but efforts to procure another suitable stable in this locality have been unsuccessful, and as the present existing lease contains a renewal clause for five years at \$2,000 per annum, he advises that the City take advantage of this privilege and renew the lease for a period of five years at \$2,000 a year.

Deeming the rent reasonable and just under the circumstances, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the yard premises used by the Department of Street Cleaning, located 225 feet east of Utica avenue, fronting 150 feet on Atlantic avenue and 300 feet on Pacific street, Borough of Brooklyn, for a period of five years from May 1, 1914, at an annual rental of \$2,000, payable quarterly, the lessor to pay taxes and ground water taxes, the lessee to pay for the water used on the premises. Lessor, Mrs. Anne Shevlin, care of Peter B. Smith, 44 Court street, Borough of Brooklyn.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Street Cleaning, of a renewal of the lease to the City of the yard premises located 225 feet east of Utica avenue, fronting 150 feet on Atlantic avenue and 300 feet on Pacific street, Borough of Brooklyn, for use of the Department of Street Cleaning, for a period of five years from May 1, 1914, at an annual rental of two thousand dollars (\$2,000), payable quarterly; the lessor to pay taxes and ground water taxes; the lessee to pay for the water used on the premises; lessor, Mrs. Anne Shevlin; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a renewal of the lease to the City, of premises at No. 219 West 77th street, Borough of Manhattan, for use of the Department of Street Cleaning:

April 17, 1914.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of February 16, 1914, requests a renewal of the lease of the premises No. 219 West 77th street, Borough of Manhattan, for use of that Department as Stable "K" annex, for a term of three years from May 1, 1914, at an annual rental of \$3,500, payable quarterly, and otherwise upon the same terms and conditions as contained in the existing lease.

This is a three-story brick building on a lot 25 feet by 102 feet 2 inches, and is used as an annex to the adjoining Stable K.

The rent now paid is \$3,500 a year and is the same as paid for a number of years past.

The property is assessed for the year 1914: Land, \$22,500; building, \$8,500—\$31,000.

Appraisal by division of real estate: Land, \$22,300; building, \$10,900—\$33,200.

The rent of \$3,500 a year is therefore approximately 10½% of the appraised value and 113-10% of the assessed value, and while I consider the rent full value, all efforts to have the owners make a reduction have failed, and there being no other suitable stable property for rent in the locality, and as I have been informed that there is a possibility in the near future of the installation of a motor system of equipment, thereby changing the location of some of the stables, I deem it for the best interests of the City that this renewal for a term of three years be made.

I, therefore, respectfully recommend, the rent being reasonable and just under the circumstances, and the same as previously paid, that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the premises No. 219 West 77th street, Borough of Manhattan, for use of the Department of Street Cleaning, for a period of three years from May 1, 1914, at an annual rental of \$3,500, payable quarterly, the lessor to pay taxes and make outside repairs, the lessee to pay water rates and make such inside repairs as it may deem necessary, and otherwise upon the same terms and conditions as contained in the existing lease. Lessor, Alice Jay, care of H. L. Morris, 32 Liberty street, Manhattan.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a renewal of the lease to the City, of premises No. 219 West 77th street, Borough of Manhattan, for use of the Department of Street Cleaning, for a period of three years from May 1, 1914, at an annual rental of three thousand five hundred dollars (\$3,500), payable quarterly; the lessor to pay taxes and make outside repairs; the lessee to pay water rates and make such inside repairs as it may deem necessary, and otherwise upon the same terms and conditions as contained in the existing lease; lessor, Alice Jay; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a renewal of the lease to the City, of premises No. 221-223 West 77th street, Borough of Manhattan, for use of the Department of Street Cleaning:

April 17, 1914.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of February 16, 1914, requests a renewal of the lease of premises Nos. 221-223 West 77th street, Borough of Manhattan, for use of that Department, as Stable "K," for a term of three years from May 1, 1914, at an annual rental of \$7,000, payable quarterly, and otherwise upon the same terms and conditions as contained in the existing lease.

This is a five-story brick building on a lot 50 feet by 102 feet 2 inches.

The rent now paid is \$7,000 a year, and is the same as paid for a number of years past.

The property is assessed for the year 1914: Land, \$50,000; building, \$35,000—\$85,000.

Appraisal by division of real estate: Land, \$49,500; building, \$33,300—\$82,800.

The rent of \$7,000 a year is therefore approximately 8½% of the appraised value and 8¼% of the assessed value.

There is no other similar property in the locality with which comparison may be made.

Deeming the rent reasonable and just and it being the same as previously paid, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the premises Nos. 221-223 West 77th street, Borough of Manhattan, for use of the Department of Street Cleaning, for a period of three years from May 1, 1914, at an annual rental of \$7,000, payable quarterly, the lessor to pay taxes and make outside repairs; the lessee to pay water rates and make such inside repairs as it may deem necessary, and otherwise upon the same terms and conditions as contained in the existing lease. Lessors, John C. Jay and Henry Lewis Morris, as Trustees, under the last will and testament of Cornelia Jay, deceased, care of H. L. Morris, 32 Liberty street, Manhattan.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Street Cleaning, of a renewal of the lease to the City of premises Nos. 221-223 West 77th street, Borough of Manhattan, for use of the Department of Street Cleaning, for a period of three years from May 1, 1914, at an annual rental of seven thousand dollars (\$7,000), payable quarterly; the lessor to pay taxes and make outside repairs; the lessee to pay water rates and make such inside repairs as it may deem necessary, and otherwise upon the same terms and conditions as contained in the existing lease; lessors, John C. This resolution was amended on March 4, 1914, by substituting as the names of the lessors, George Kindermann, Julius Kindermann and Frank Kindermann, in place of Anton Rinschler. In accordance with the original and amended resolutions, form of renewal was prepared and submitted to the Messrs. Kindermann for execution.

I am in receipt of a communication under date of April 6, 1914, from Messrs. W. E. and W. I. Brown, agents for Messrs. Kindermann, in which they state that while the Kindermanns are willing to renew the lease of these premises for the term of one year from January 15, 1914, at the yearly rental of \$474, they are unwilling at the present time to grant any privilege for a further extension of the lease for an additional year unless the City will at this time agree to pay an additional rental from January 15, 1915, for one year, at \$5 per month, or at the rate of \$534 per year.

I, therefore, respectfully recommend that the two resolutions above mentioned be rescinded, and, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the store premises at No. 1354 Webster avenue, Borough of The Bronx, for use of the Department of Health, for a period of one year from January 15, 1914, at an annual rental of \$474, payable quarterly; the lessors to pay taxes and water rates, furnish heat and light and make outside repairs; the lessee to furnish janitor service and make such interior alterations and repairs as it may deem necessary. Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

As a result of negotiations by the Division of Real Estate of this department, the owners have consented to a reduction to \$1,200 per annum for a term of five years, and will include in the lease at this rate the adjoining property on the southeasterly corner of Richmond Terrace and Tompkins place. The Police Commissioner in a communication under date of April 10, 1914, has agreed to a term of five years instead of one year.

The property in question is a plot on the southeasterly corner of Richmond Terrace and Tompkins place, fronting about 92 feet on Richmond Terrace by about 89 feet on Tompkins place and irregular, and has on it a two-story brick building now used as a police station house, known as No. 1590 Richmond terrace, and a two-story frame building.

designated on the present tax map of The City of New York, Borough of Richmond, as Ward 1, volume 4, block 8A, map 2, plot 1, lots 26 and 27), for use of the Police Department, for a period of five years from May 1, 1914, at an annual rental of \$1,200, payable quarterly, the lessors to pay taxes, and make outside repairs, the lessee to pay water rates and furnish heat, light and janitor service and make such inside alterations and repairs as it may deem necessary, it being understood and agreed that the lessors will not sell the demised premises during the term of this lease without first giving The City of New York the option to purchase the same. Lessors, William J. Burlee and William Wheeler, 19-21 Whitehall street, Manhattan.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from William J. Burlee and William Wheeler of the buildings and premises situated on the southeasterly corner of Richmond terrace and Tompkins place, West New Brighton, Borough of Richmond (said premises being known and designated on the present tax maps of The City of New York, Borough of Richmond, as Ward 1, Volume 4, Block 8A, Map 2, Plot 1, Lots 26 and 27), for use of the Police Department, for a period of five years from May 1, 1914, at an annual rental of one thousand two hundred dollars (\$1,200), payable quarterly; the lessors to pay taxes and make outside repairs; the lessee to pay water rates and furnish heat, light and janitor service and make such inside alterations and repairs as it may deem necessary, it being understood and agreed that the lessors will not sell the demised premises during the term of this lease without first giving The City of New York the option to purchase the same, and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made; the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

*Commissioners of the Sinking Fund:*

Gentlemen—In the matter of the People vs. Morris Fooks and Louis Kaufman, the defendant Fooks appealed to the Court of General Sessions, New York County, from a judgment of conviction in a City Magistrate's Court, Borough of Manhattan, wherein he was adjudged guilty and fined the sum of \$5, which was paid to the Clerk of the Court and later deposited in the Sinking Fund for the Payment of the Interest on the City Debt.

The appeal was argued before the Court of General Sessions, and, by the decision of the Court, the judgment of conviction was reversed, the fine remitted, and it was ordered that the Chamberlain of The City of New York or any other person who received the fine, pay to Morris Fooks the sum of \$5.

A resolution is herewith submitted to carry into effect the order before mentioned. Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That a warrant, payable from the Sinking Fund for the Payment of the Interest on the City Debt, be drawn in favor of Morris Fooks for the sum of five dollars (\$5), refunding him that amount of fine imposed in a City Magistrate's court, paid by him to the Clerk of the Court, and later deposited in the Sinking Fund for the Payment of the Interest on the City Debt.

The following petition was received from Jacob Balz, Jr., and Frederick K. Balz, for a conveyance of the City's interest in certain property on Debevoise avenue, Long Island City, Borough of Queens:

In the matter of the application of Jacob Balz, Jr., and Frederick Balz for a deed to certain property in the First Ward, Borough of Queens, City and State of New York.

The joint petition of Jacob Balz, Jr., and Frederick Balz, respectfully shows to the Sinking Fund Commissioners:

First—That they reside at No. 887 2d avenue, Long Island City, New York, and are the owners of the following described premises: (See "Exhibit A." hereto annexed.)

Second—That said property, together with considerable other property in the immediate vicinity so owned by petitioners, was owned in 1887 by one Emily P. Woolsey, who caused said property to be laid into lots by Robert A. Serrell, City Surveyor, City of New York, and which said map was duly filed in the office of the Clerk of Queens County on May 8, 1888, as map 411. That said map regarding the width of Debevoise (now 2d avenue) was drawn in conformity with the Commissioners' map of Long Island City in Queens County and State of New York, filed in the City Clerk's office of Long Island City the 25th day of April, 1873, and dated April 25, 1873. That according to the map prepared and filed by said Commission Debevoise (now 2d) avenue was laid out with a width of 150 feet.

Third—That on said map drawn by Serrell in 1887, Debevoise (now 2d) avenue, was laid out with a width of 150 feet, and lots were subsequently sold by said Emily P. Woolsey and description taken from said map, leaving the width of said 2d avenue at 150 feet.

Fourth—Upon information and belief, petitioner alleges that in all of said deeds so given by said Emily P. Woolsey of property abutting on Debevoise (now 2d) avenue, was contained the following reservation: "save and excepting therefrom an easement and right of way as a street for travel for all and singular the purchasers, their heirs and assigns of the whole or any part of the real estate laid down on said map in and to that portion of said lot which is embraced in the avenue or street designated and named on said map as Debevoise (now 2d) avenue, but neither the said avenue or street, nor any avenue or street mentioned on said map is hereby dedicated or intended to be dedicated to public use."

That the reference to a map in the preceding paragraph is to the E. P. Woolsey map No. 411, referred to paragraph numbered Second.

Fifth—That thereafter and on or about the 1st day of September, 1892, Edward J. Woolsey as Executor, under the last will and testament of Emily P. Woolsey, deceased, deeded all the property in the bed of said Debevoise (now 2d) avenue, as laid out on said Woolsey map of property herein above referred to Long Island City by deed recorded in the office of the Clerk of Queens County in Liber 946 of deeds, page 33, on October 20th, 1892. In Trust nevertheless, that the same be kept by the party of the second part (Long Island City) as and for a street or avenue. That a copy of said deed, together with a copy of the resolution of the Aldermen of Long Island City accepting said deed, is hereto annexed and marked Exhibit "B."

Sixth—That under and pursuant to chapter 644 of the laws of 1893, a Commission was appointed which was known as the General Improvement Commission of Long Island City. That said body under and by virtue of its powers to open, widen, straighten or alter or change the location or map plan of any street, avenue or public place in Long Island City, did lay out said Debevoise (now 2d) avenue, reducing the width thereof from 150 feet to 100 feet, thus leaving a strip of land 25 feet in width on the east and west sides of said Debevoise (now 2d) avenue, and running from the northerly line of said Woolsey property above referred to, to the southerly line thereof on both sides of said Debevoise (now 2d) avenue, a distance of about 1,500 feet.

Seventh—That thereafter and upon consolidation, The City of New York took over all streets and avenues as they then existed and took and accepted said Debevoise (now 2d) avenue with a width of 100 feet.

Eighth—That thereafter and on or about the 18th day of April, 1900, The City of New York instituted a proceeding for the legal opening of said Debevoise (now 2d) avenue, and the report of the Commissioners in said proceeding was duly confirmed February 11th, 1907.

That in said proceeding The City of New York acquired title to the bed of said Debevoise (now 2d) avenue, from the northerly line of Jackson avenue to the southerly line of property known as the Woolsey Tract, and from the northerly line of property known as the Woolsey Tract to Ditmars avenue. That in said proceeding the width of said Debevoise (now 2d) avenue was laid out with a width of 100 feet.

That the title to property lying in the bed of said Debevoise (now 2d) avenue and contained in what is known as the Woolsey Tract, was omitted from said proceeding on the theory that title to the same had vested in Long Island City both by deed and by dedication, and was subsequently taken over by The City of New York upon consolidation.

That subsequent to the legal opening of 2d avenue, The City of New York has taken physical possession of the same and has curbed, graded, flagged, sewered and paved the bed thereto with asphalt blocks to the width of 100 feet, as laid out and reduced by the said General Improvement Commission of Long Island City, including such part thereto which lies in front and adjacent to the premises of your petitioners herein and heretofore described.

Ninth—That the property owned by your petitioners abuts on 2d avenue and is within what is herein described as the Woolsey Tract.

Tenth—That petitioners contend under the doctrine of Downes vs. Dimock & Fink Company, 75 App. Div., page 513, the title to the said strip of land 25 feet in width on both sides of said Debevoise (now 2d) avenue, and extending from the northerly to the southerly line of said Woolsey Tract, reverted to the heirs of Emily P. Woolsey upon the filing of the map prepared by the General Improvement Commission of Long Island City, and that such reverter was confirmed by the legal opening of said Debevoise (now 2d) avenue by said Commissioners in Street Opening Proceedings and their report duly confirmed, upon the ground that the full width of said Debevoise (now 2d) avenue as deeded in trust by said Edward J. Woolsey as executor under the Last Will and Testament of Emily P. Woolsey, deceased, has never been used nor opened by Long Island City, nor The City of New York, as a street, avenue or part of a street or avenue, and that the same was abandoned upon the filing of the map of the said General Improvement Commission of Long Island City reducing the width of said street to 100 feet.

That the contention of your petitioners is further supported by the provisions of chapter 1006 of the Laws of 1895, section "2," which reads in part as follows:

"The local authorities authorized by law to lay out, open, extend, alter or improve streets, avenues, and roads in any such city or district thereof, and to make and file a map or plan showing the streets, avenues and roads so laid out, opened, altered, extended or improved, shall upon any map or plan so made and filed by them, designate only the streets, avenues and roads which they may determine to so lay out, open, alter, extend or otherwise improve as the permanent streets,

avenues and roads in and for such city, or for the particular district or section thereof shown upon such map or plan, omitting therefrom all such former streets, avenues, roads, highways, alleys, lanes and thoroughfares which they may determine to discontinue or close. They shall also upon said map designate the public parks, parkways, squares, places and other public ways which they may determine to lay out and establish. Upon and after the filing of such map, the streets, avenues and roads shown thereon shall be the only lawful streets, avenues and roads in that section of such city shown upon such map or plan, and all other former streets, avenues, roads, highways, alleys, lanes and thoroughfares theretofore laid out, dedicated or established not shown thereon, and which are not then actually open or in public use, shall from and after the filing of such map or plan cease to be or remain, for any purpose whatever, a street, avenue, highway, road, alley, lane or thoroughfare, and the owner or owners of the fee of the land or soil within the boundaries thereof may thereupon enclose, use and occupy the same as fully as if the same had not been laid out, dedicated, established or used." \* \* \*

"The provisions of this section shall apply to all streets, avenues, roads, highways, alleys, lanes and thoroughfares or parts or portions thereof which have not been retained or shown upon any map or plan heretofore made and filed by or on behalf of the local authorities of such city as part of the permanent system of public streets, avenues, roads, public squares and places in and for that part of such city included within the district laid out upon such map or plan, and which have not been thereafter re-established by law or relaid out or otherwise thereafter lawfully laid out and established."

Eleventh—That thereafter and on or about the 4th day of September, 1903, Jacob Balz, the father of your petitioners and a predecessor in title, obtained from the heirs of Emily P. Woolsey, deceased, a quitclaim deed to the aforesaid strip of land abutting that of your petitioners, a copy of which deed is hereto annexed and marked "Exhibit C."

Twelfth—That upon the examination of the title to the premises owned by the petitioners herein, the question is raised that by reason of the provisions of the deed made and executed and dated September 1, 1892, by Edward J. Woolsey as executor, etc., to Long Island City, of the property within the lines of Debevoise (now 2d) avenue, as shown on the Commissioner's map of Long Island City, dated April 25, 1873, of the width of 150 feet, in trust, however, as and for a street and avenue, and (that thereafter The City of New York) never having opened nor used the said Debevoise (now 2d) avenue to a greater width than 100 feet, thus leaving a strip of land 25 feet in width on the east and west sides of 2d avenue, extending from the south to the north line of said Woolsey tract, that therefore, The City of New York has a color of title to the said strip of land which creates a cloud upon the title thereto.

Wherefore, your petitioners pray that this honorable Board, under its power as designated in section 205 of the Greater Charter of The City of New York as amended, for the purpose of removing a cloud upon title, grant, execute, and deliver a quit claim deed releasing all the right, title or interest which The City of New York may have in and to the property abutting that of your petitioners on the west side of 2d avenue, Long Island City, New York, and bounded and described as follows:

All that certain piece or parcel of land situate, lying and being in that part of the Borough of Queens, City of New York, formerly known as the 5th Ward of Long Island City, County of Queens and State of New York, bounded and described as follows: Beginning at a point on the westerly side of Debevoise avenue distant one hundred (100) feet southerly from the corner formed by the intersection of the southerly side of Potter avenue with the westerly side of Debevoise avenue, as said avenues are laid down on certain map entitled "Map of Property in 5th Ward of Long Island City, Queens County, belonging to E. P. Woolsey, surveyed by Robert A. Serrell, City Surveyor, December, 1887, and filed in Queens County Clerk's office May 8, 1888, No. 411"; running thence easterly parallel with Potter avenue twenty-five (25) feet; thence southerly parallel with the westerly side of Debevoise avenue, fifty (50) feet; thence westerly parallel with said Potter avenue twenty-five (25) feet to the westerly side of Debevoise avenue as laid down on said map, and thence northerly along said westerly side of Debevoise avenue fifty (50) feet to the point or place of beginning.

The premises hereby conveyed lying in front of and adjacent to lots numbers one hundred thirty-five (135) and one hundred thirty-six (136), block C, on said map.

Dated, Long Island City, March 18, 1913.

FREDERICK BALZ, JACOB BALZ, JR., Petitioners.

State of New York, County of Queens, ss:

Frederick Balz, being duly sworn, deposes and says that he is one of the petitioners in this proceeding and that he has read the foregoing petition and knows the contents thereof; that the same is true to the knowledge of deponent, except as to those matters therein stated to be alleged upon information and belief, and as to those matters he believes it to be true.

FREDERICK BALZ.

Sworn to before me this 18th day of March, 1913. EMILE E. RATHGEBER, Commissioner of Deeds, City of New York.

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

April 20, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a petition to the Commissioners of the Sinking Fund from Jacob Balz, Jr., and Frederick Balz, stating that they are the owners of certain property located on the northerly side of Debevoise, or 2d avenue, distant 100 feet westerly from the northwesterly corner of Debevoise or 2d avenue and Potter avenue, Borough of Queens. They state that on a map prepared by Robert A. Serrell, City Surveyor, in 1887, Debevoise (now 2d avenue) was laid out with a width of 150 feet, and lots were subsequently sold by Emily P. Woolsey, who was the owner of considerable property in this neighborhood, and the description thereof was taken from said map, leaving the width of 2d avenue at 150 feet.

All of the deeds given by Emily P. Woolsey of property abutting on Debevoise (now 2d avenue) contained the following reservation: "Save and excepting therefrom an easement and right of way as a street for travel and singular the purchasers, their heirs and assigns of the whole or any part of the real estate laid down on said map in and to that portion of said lot which is embraced in the avenue or street designated and named on said map as Debevoise (now 2d) avenue, but neither the said avenue or street nor any avenue or street mentioned on said map is hereby dedicated or intended to be dedicated to public use."

By the Commissioner's map of Long Island City, dated April 15, 1873, Debevoise avenue was laid out at this location with a width of 150 feet, but title to any portion of this avenue was never acquired until 1907. In the proceeding for the taking, which was confirmed on February 11, 1907, Debevoise avenue was shown as a one hundred foot street instead of a one hundred and fifty foot street, as laid out on the above mentioned Commissioner's map, leaving twenty-five feet on each side, title to which was never in the City of New York.

I, therefore, respectfully recommend that the Commissioners of the Sinking Fund authorize a release to Jacob Balz, Jr., and Frederick Balz, of No. 887 2d avenue, Long Island City, Borough of Queens, City of New York, of the interest of the City in and to certain premises located in the Borough of Queens, City of New York, bounded and described as follows:

All that certain piece or parcel of land situate, lying and being in that part of the Borough of Queens, City of New York, formerly known as the 5th Ward of Long Island City, County of Queens and State of New York, bounded and described as follows:

Beginning at a point on the westerly side of Debevoise avenue distant one hundred (100) feet southerly from the corner formed by the intersection of the southerly side of Potter avenue with the westerly side of Debevoise avenue, as said avenues are laid down on a certain map entitled "Map of Property in 5th Ward of Long Island City, Queens County, belonging to E. P. Woolsey, surveyed by Robert A. Serrell, City Surveyor, December, 1887, and filed in Queens County Clerk's Office May 8, 1888, No. 411"; running thence easterly parallel with Potter avenue twenty-five (25) feet; thence southerly parallel with the westerly side of Debevoise avenue fifty (50) feet; thence westerly parallel with said Potter avenue twenty-five (25) feet to the westerly side of Debevoise avenue as laid down on said map, and thence northerly along said westerly side of Debevoise avenue fifty (50) feet to the point or place of beginning,

—in consideration of the sum of \$101, and the additional charge of \$12.50, for the preparation of the necessary papers. The conveyance from the City to be made subject to the following terms and conditions:

That the grantees waive any and all claims for damages arising out of the closing of the street or avenue.

That the grantees are the owners of the lands fronting on the section of the street or avenue to be conveyed.

That the deed contain the following reservation: Excepting and reserving to the party of the first part all easements and rights of every kind and description which it has in and to Debevoise avenue by reason of its ownership of or interest in the premises hereby conveyed, or otherwise with the same force and effect and to the same extent as though this conveyance had not been made or delivered; and the parties of the second part, in further consideration of this conveyance, does hereby for themselves, their successors and assigns, waive, surrender and release any right to damages which have accrued or may at any time accrue from the use, for any rapid transit, municipal, public or semi-public purpose, of Debevoise avenue by reason of ownership of or interest in the premises hereby conveyed or herein described; without prejudice, however, to any rights or claims which have accrued or may hereafter accrue by virtue of such use to the grantees herein or their successors in interest by reason of their ownership of the premises adjoining those hereby conveyed; provided, however, that none of the foregoing exceptions, reservations, agreements or conditions shall operate to deprive the parties of the second part or their assigns or successors in interest from claims or damages in case said Debevoise avenue should be discontinued, closed or abandoned as a public street or avenue in front of the premises hereby conveyed.

That such conveyance be made in such form as shall be approved by the Corporation Counsel.

The deed not to be delivered until evidence has been produced that all taxes, assessments and liens due the City, which appear against the land in the street or avenue and the petitioners' abutting property have been paid.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, Jacob Balz, Jr., and Frederick Balz, in a petition addressed to the Commissioners of the Sinking Fund request a conveyance of the City's interest in certain property on Debevoise avenue, Long Island City, Borough of Queens.

Resolved, That the Commissioners of the Sinking Fund hereby determine that the land hereinafter described is not needed for any public use:

All that certain piece or parcel of land, situate, lying and being in that part of the Borough of Queens, City of New York, formerly known as the 5th Ward of Long Island City, County of Queens and State of New York, bounded and described as follows:

Beginning at a point on the westerly side of Debevoise avenue distant one hundred (100) feet southerly from the corner formed by the intersection of the southerly side of Potter avenue with the westerly side of Debevoise avenue, as said avenues are laid down on a certain map entitled "Map of Property in 5th Ward of Long Island City, Queens County, belonging to E. P. Woolsey, surveyed by Robert A. Serrell, City Surveyor, December, 1887, and filed in Queens County Clerk's office May 8, 1888, No. 411"; running thence easterly parallel with Potter avenue twenty-five (25) feet; thence southerly parallel with the westerly side of Debevoise avenue fifty (50) feet; thence westerly parallel with said Potter avenue twenty-five (25) feet to the westerly side of Debevoise avenue as laid down on said map, and thence northerly along said westerly side of Debevoise avenue fifty (50) feet to the point or place of beginning.

—and be it further

Resolved, That, pursuant to the provisions of section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby authorize a release to Jacob Balz, Jr., and Frederick Balz, of 887 2d avenue, Long Island City, Borough of Queens, City of New York, of the City's interest in and to the premises hereinabove described in consideration of the sum of \$101, and the additional charge of \$12.50 for the preparation of the necessary papers. The conveyance from the City to be made subject to the following terms and conditions:

That the grantees waive any and all claims for damages arising out of the closing of the street or avenue.

That the grantees are the owners of the lands fronting on the section of the street or avenue to be conveyed.

That the deed contain the following reservation: Excepting and reserving to the party of the first part all easements and rights of every kind and description which it has in and to Debevoise avenue by reason of its ownership of or interest in the premises hereby conveyed, or otherwise with the same force and effect and to the same extent as though this conveyance had not been made or delivered; and the parties of the second part, in further consideration of this conveyance, do hereby for themselves, their successors and assigns, waive, surrender and release any right to damages which have accrued or may at any time accrue from the use, for any rapid transit, municipal, public or semi-public purpose, of Debevoise avenue by reason of ownership of or interest in the premises hereby conveyed or herein described; without prejudice, however, to any rights or claims which have accrued or may hereafter accrue by virtue of such use to the grantees herein or their successors in interest by reason of their ownership of the premises adjoining those hereby conveyed; provided, however, that none of the foregoing exceptions, reservations, agreements or conditions shall operate to deprive the parties of the second part or their assigns or successors in interest from claims or damages in case said Debevoise avenue should be discontinued, closed or abandoned as a public street or avenue in front of the premises hereby conveyed.

That such conveyance be made in such form as shall be approved by the Corporation Counsel.

The deed not to be delivered until evidence has been produced that all taxes, assessments and liens due the City, which appear against the land in the street or avenue and the petitioners' abutting property have been paid.

The report was accepted and the resolution unanimously adopted.

The following petition was received from Ann Crown for a release of the City's interest in a certain strip of land lying within the lines of what was formerly Clarkson street, in the Borough of Brooklyn, County of Kings:

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

April 20, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a petition from Ann Crown to the Commissioners of the Sinking Fund, in which she states that she is the owner of certain lands located on the southeasterly corner of Clarkson avenue and Albany avenue, in the Borough of Brooklyn, and requesting a release of the interest of the City in a certain strip of land fronting thereon and lying within the lines of what was formerly Clarkson street, in said Borough.

The southerly line of Clarkson avenue as now laid out is distant 12 feet 10½ inches northerly from the old line of Clarkson street, between East 40th street and Albany avenue. It is that portion of old Clarkson street lying between the southerly line of Clarkson avenue as now laid out and the southerly line of old Clarkson street abutting the property of the petitioner, which it is requested to be released.

The value thereof has been appraised by the Division of Real Estate at \$1,068.63. Under the rule adopted by the Commissioners of the Sinking Fund the price to be paid by the petitioner will be 50 per cent. of such appraisal, or \$534.32, which to my mind is reasonable and just.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a release to Ann Crown, residing at southeast corner of Clarkson avenue and Albany avenue, in the Borough of Brooklyn, County of Kings, City and State of New York, of the interest of the City in and to all that certain piece or parcel of land, situate, lying and being in the City of New York, Borough of Brooklyn, County of Kings, bounded and described as follows:

All that certain strip, piece or parcel of land, situate, lying and being in the 29th Ward of the Borough of Brooklyn (formerly Town of Flatbush), County of Kings, City and State of New York, and bounded and described as follows:

Beginning at a point formed by the intersection of the southerly side of Clarkson avenue and the easterly side of Albany avenue; running thence southerly along the easterly side of Albany avenue twelve (12) feet ten and one-half (10½) inches to the old line of Clarkson street, and thence easterly and parallel with Clarkson avenue and along the old line of Clarkson street one hundred (100) feet; thence northerly and parallel with Albany avenue twelve (12) feet ten and one-half (10½) inches to the southerly line of Clarkson avenue, and thence westerly along the said southerly line of Clarkson avenue one hundred (100) feet to the point or place of beginning.

—in consideration of the sum of \$534.32, plus the additional charge of \$12.50 for the preparation of the necessary papers. The conveyance from the City to be made subject to the following terms and conditions:

That the grantee waive any and all claims for damages arising out of the closing of the street or avenue.

That the grantee is the owner of the lands fronting on the section of the street or avenue to be conveyed.

There is no similar property in the neighborhood with which comparison may justly be made.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution approving of and consenting to the execution by the Board of Education of a lease of Rooms 47, 48, 49 and 49½ in the Central Union Gas Company's building, No. 529 Courtlandt avenue, Borough of The Bronx, for use of the Bronx Branch of the Building Bureau, for a period of two years from May 1, 1914, with the privilege of renewal for two years additional, at an annual rental of \$1,000, payable quarterly, the lessors to furnish water, light, heat and janitor service, the Board of Education to have the use of the elevator. Lessors, Central Union Gas Company, 529 Courtlandt avenue, Borough of The Bronx.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the hiring by the Municipal Civil Service Commission

of premises in the Grand Central Palace, 46th and 47th streets and Lexington avenue, Borough of Manhattan, on April 1, 1914:

April 18th, 1914.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The President of the Municipal Civil Service Commission, in a communication to your Board under date of April 7, 1914, requests the Commissioners of the Sinking Fund to authorize the leasing of the Grand Central Palace, 46th and 47th streets and Lexington avenue, Manhattan, by the Municipal Civil Service Commission on April 1, 1914, for the purpose of conducting an examination for the position of Patrolman, Police Department, and authorize the Comptroller to pass a voucher in an amount not exceeding \$335 in favor of the Merchants' and Manufacturers Exchange of New York, for use of the Grand Central Palace, including lighting, on April 1, 1914, by the Municipal Civil Service Commission.

The rental of \$200 a day charged for this hall is the lowest rental charged for any purpose, and is the same as paid by the City on several previous occasions.

Besides the \$200 charged for rent, there is an additional charge of \$22.50 an hour for electric lighting, said charge to be only for the exact number of hours that the light is ordered on by the Municipal Civil Service Commission.

Deeming the rent reasonable and just, and it being the same as previously paid, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the hiring of the Grand Central Palace, 46th and 47th streets and Lexington avenue, Borough of Manhattan, by the Municipal Civil Service Commission on April 1, 1914, said hall having been used for the purpose of conducting an examination for the position of Patrolman, Police Department, and authorizing the Comptroller to pass a voucher in the sum of \$335, which includes six hours' electric lighting at the rate of \$22.50 per hour, in favor of the Merchants and Manufacturers Exchange of New York, for use of the Grand Central Palace on April 1, 1914, by the Municipal Civil Service Commission, without the necessity of entering into a lease therefor.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of the hiring by the Municipal Civil Service Commission, of the Grand Central Palace, 46th and 47th streets and Lexington avenue, Borough of Manhattan, on April 1, 1914, said hall having been used for the purpose of conducting an examination for the position of Patrolman, Police Department, and that the Comptroller be and is hereby authorized to pay to the Merchants and Manufacturers Exchange of New York the sum of three hundred and thirty-five dollars (\$335), being the rental of said premises on said April 1, 1914, which rental includes six hours' electric lighting, at the rate of twenty-two dollars and fifty cents (\$22.50) per hour; said payment to be made without the necessity of entering into a lease.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease to the City of premises at No. 355 East 137th street, Borough of The Bronx, for use of the Court of Special Sessions:

April 18, 1914.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Chief Clerk of the Court of Special Sessions, in a communication to your Board under date of April 9, 1914, makes application for the use and purposes of the Children's Court in Bronx County, for two additional rooms on the third floor of the premises at No. 355 East 137th street, Borough of The Bronx, to be used as detention rooms for children while the court is in session.

These rooms are much needed for this court, and can be rented for \$420 a year. For comparison, front room on the same floor, one-half the size of these, rents for \$300 a year.

I, therefore, respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of two rooms on the third floor of the premises No. 355 East 137th street, Borough of The Bronx, for use of the Court of Special Sessions (Children's Court), for a term of four years and eight months from May 1, 1914, at an annual rental of \$420, payable quarterly, the lessee to pay taxes and water rates on the leased premises, furnish heat, light and janitor service, and make such alterations and repairs as it may deem necessary. Lessor, Academy of Mt. St. Ursula, 198th street and Marion avenue, Borough of The Bronx.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from the Academy of Mt. St. Ursula, of two rooms on the third floor of premises No. 355 East 137th street, Borough of The Bronx, for use of the Court of Special Sessions (Children's Court), for a term of four years and eight months from May 1, 1914, at an annual rental of four hundred and twenty dollars (\$420), payable quarterly; the lessee to pay taxes and water rates on the leased premises, furnish heat, light and janitor service and make such alterations and repairs as it may deem necessary; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the sale and removal of encroachments lying within the lines of Lenox road from East 43d street to Utica avenue, in the Borough of Brooklyn, at the request of the President of the Borough:

April 17, 1914.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—A request has been received from the President of the Borough of Brooklyn for the removal of the encroachments lying within the lines of Lenox road, from East 43d street to Utica avenue, in the Borough of Brooklyn, to permit the improvement of the street.

These encroachments consist of buildings and other improvements, some of which are only partly taken in this proceeding, and their estimated removal value apportioned by damage parcels is as follows: Damage parcels Nos. 125-131, \$200; Nos. 138-139, \$200; making a total of \$400, which amount should be realized by their sale.

I, therefore, request that the Commissioners of the Sinking Fund, pursuant to the authority vested in them by sections 205 and 1553 of the Revised Charter, adopt a resolution authorizing and ordering that the said encroachments be offered for sale at the upset or minimum prices named above, and also authorizing and ordering the President of the Borough of Brooklyn to demolish and remove all those encroachments that are not sold at the said upset prices, as encumbrances upon a public street, and such a resolution is herewith transmitted.

Yours respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, The President of the Borough of Brooklyn has requested the removal of the encroachments lying within the lines of Lenox road, from East 43d street to Utica avenue, in the Borough of Brooklyn, and,

Whereas, If these improvements are offered for sale at upset prices some of them would probably realize a fair return in proportion to the awards given, it is therefore,

Resolved, That the Commissioners of the Sinking Fund by virtue of the powers vested in them by law, hereby authorize and order the sale at public auction or by sealed bids, at the following upset or minimum prices: Damage parcels Nos. 125-131, \$200; Nos. 138-139, \$200, making a total of \$400, of all the buildings, parts of buildings, etc., lying within the lines of Lenox road, from East 43d street to Utica avenue, in the Borough of Brooklyn, upon the terms and conditions for the sale of buildings, etc., as authorized by the Commissioners of the Sinking Fund at a meeting held October 4, 1910, and the President of the Borough of Brooklyn is hereby authorized and ordered to demolish and remove all those encroachments that do not realize the said upset prices, as encumbrances upon a public highway, in the manner provided by section 205 of the Revised Charter, as amended by chapter 398 of the Laws of 1909.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Commissioner of Docks, requesting that resolution adopted March 11, 1914, amending resolution adopted March 4, 1914, authorizing a lease to the Baltimore and Ohio Railroad Company of Pier (new) 22, North River, be rescinded:

Pier A, North River, April 15, 1914.

Hon. JOHN PURROY MITCHEL, Mayor, and Chairman of the Commissioners of the Sinking Fund:

Sir—At a meeting of the Commissioners of the Sinking Fund held March 4, 1914, a resolution was adopted approving of and consenting to the execution by the Commissioner of Docks of a lease to the Baltimore and Ohio Railroad Company of Pier (new) 22, North River.

As the result of correspondence and conference between this Department and the Department of State Engineer and Surveyor (Barge Canal Terminals), upon my recommendation, at a meeting of the Commissioners of the Sinking Fund held March 11, 1914, the resolution of March 4 was amended by the insertion of the following provision:

"It being understood and agreed that this resolution shall be of no force or effect unless the State Engineer and Surveyor withdraws his objection to the granting of the lease on account of the premises being required for a barge canal terminal."

Since then further correspondence has been carried on, and under date of April 14, 1914, the State Engineer and Surveyor writes as follows:

" \* \* \* I regret to be again put in the position, so far as the City is concerned, of being considered as objecting to this lease, or that I have filed any objection to the lease. As I stated to you in my communication of the 17th ult. I had not filed any objection, have no authority to file an objection, and therefore cannot see how I can withdraw an objection which was never made."

I therefore recommend that the resolution adopted by the Commissioners of the Sinking Fund March 11, 1914, be amended by striking out the provision respecting the objection of the State Engineer and Surveyor. Yours respectfully,

R. A. C. SMITH, Commissioner of Docks.

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

April 20, 1914.

*To the Commissioners of the Sinking Fund, City of New York:*

Gentlemen—In a communication dated April 15, 1914, the Commissioner of Docks requested the amendment of the resolution adopted on March 11, 1914, which amended the resolution adopted on March 4, 1914, approving of and consenting to the execution by the Commissioner of Docks of a lease to the Baltimore and Ohio Railroad Company of Pier (new) No. 22, North River, and adjacent bulkhead.

The amendment, dated March 11, 1914, added the following clause to the resolution of March 4, 1914:

"It being understood and agreed that this resolution shall be of no force or effect unless the State Engineer and Surveyor withdraws his objection to the granting of the lease on account of the premises being required for a barge canal terminal."

The Commissioner states that further correspondence has been carried on, and under date of April 14, 1914, the State Engineer and Surveyor wrote as follows:

" \* \* \* I regret to be again put in the position, so far as the City is concerned, of being considered as objecting to this lease, or that I have filed any objection to the lease. As I stated to you in my communication of the 17th ult. I had not filed any objection, have no authority to file an objection, and therefore cannot see how I can withdraw an objection which was never made."

Since the resolution of March 11, 1914, was adopted to meet an objection of the State Engineer and Surveyor, which he says he never made nor had authority to file an objection, the adoption of the attached resolution rescinding the resolution referred to, dated March 11, 1914, is hereby recommended. Respectfully submitted,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the resolution adopted on March 11, 1914, which reads as follows:

"Resolved, That the resolution adopted by this Board at meeting held March 4, 1914, approving of and consenting to the execution, by the Commissioner of Docks, of a lease to the Baltimore and Ohio Railroad Company, of Pier (New) No. 22, North River, and all that bulkhead extending from a point 82¼ feet south of the southerly side of said pier to a point 84½ feet north of the northerly line of said pier, for a term of ten years from January 1, 1914, at a rental of sixty-three thousand four hundred and seventy-two dollars and twelve cents (\$63,472.12), together with the right to build an extension to said pier upon land under water therein described.

—be and the same is hereby amended, by adding thereto the following clause:

"it being understood and agreed that this resolution shall be of no force or effect unless the State Engineer and Surveyor withdraws his objection to the granting of the lease, on account of the premises being required for a barge canal terminal."

—be and the same is hereby rescinded.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the payment of rental of rooms at No. 277 Broadway, Borough of Manhattan, occupied by the Bureau of Franchises of the Board of Estimate and Apportionment:

The City of New York, Department of Finance, Comptroller's Office, April 22, 1914.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—I am in receipt of a communication from the Engineer, Chief of Bureau of Franchises, Board of Estimate and Apportionment, to the Commissioners of the Sinking Fund, in which he states that, owing to a change in the assignment of offices for his Bureau in the new Municipal Building, and the necessity for certain alterations in the rooms now assigned to them on the 13th floor of this building, it was impossible for them to move at the same time as the Secretary's office and the Chief Engineer's office. He states that the Bridge Commissioner informs him that before the alterations can be completed it will be necessary for him to negotiate a modification of the contract for the construction of the building, and that the painting of the rooms, which is now under contract, cannot be taken up until the partitions are removed. All of this cannot be completed prior to May 1; in consequence of which, he states, that it will be inexpedient for him to move prior to May 1 to the new building, and that he has been fortunate enough to arrange with the landlord of the building now occupied by him at 277 Broadway to remain for another month, upon the same basis as has existed during the past six months.

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize the Comptroller to pay to Frederick Southack and Allwyn Ball, Jr., rent at the rate of \$386 per month, for a period not exceeding two months from May 1, 1914, for the use of rooms 801 to 807, inclusive, on the 8th floor of the Broadway-Chambers Building, 277 Broadway, Borough of Manhattan, by the Board of Estimate and Apportionment. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay to Frederick Southack and Allwyn Ball, Jr., rent at the rate of three hundred and eighty-six dollars (\$386) per month, for a period not exceeding two months from May 1, 1914, for use of rooms 801 to 807 inclusive on the 8th floor of the Broadway Chambers Building, No. 277 Broadway, Borough of Manhattan, by the Board of Estimate and Apportionment.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolutions relative to premises at the southeast corner of New Dorp lane and 8th street, New Dorp, Borough of Richmond, occupied by the Police Department:

Mr. E. T. Hagerty, Attorney for the Receiver, appeared before the Board and was heard in regard to the matter.

April 22d, 1914.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—At a meeting of your Board held September 23, 1908, a resolution was adopted authorizing a renewal of the lease to the City from B. C. Gaedeke of premises on the southeast corner of New Dorp lane and 8th street, New Dorp, Borough of Richmond, for use of the Police Department, for a period of three years from September 1, 1908, at an annual rental of \$1,350, payable quarterly, which resolution was amended at a meeting of your Board held February 11, 1909, by substituting Gustav A. Mayer as executor of the Last Will and Testament of B. C. Gaedeke, deceased, as the name of the lessor, in place of B. C. Gaedeke.

The Comptroller considered this rental excessive, and a resolution was adopted by your Board on June 14, 1911, authorizing the execution of a renewal of this lease for a term of three years from September 1, 1911, at an annual rental of \$900. The renewal was prepared, but the executor of the Gaedeke estate refused to execute the same.

In the meanwhile a receiver was appointed by the Supreme Court of the County of Richmond in an action to foreclose a mortgage on these premises, and after considerable negotiation an order has been entered by the Hon. Justice Clark whereby he authorizes the receiver to accept the sum of \$2,520, which sum is to be in full payment from September 1, 1911, to March 1, 1914, of all rent that may be due the owners of these premises and also includes the sum of \$270, which amount is to be returned to the City by the receiver to reimburse the City for certain repairs made to the exterior of these premises during the year 1913, and the receiver is further authorized in said order to enter into a lease with The City of New York of the said premises for a period of three years and six months from March 1, 1914, at an annual rental of \$900, payable quarterly; the lessor to pay taxes; the City to pay water rates, supply heat, light and janitor service and make such inside and outside repairs as it may deem necessary.

I therefore recommend that the resolution adopted by your Board on June 14, 1911, be rescinded, and that a further resolution be adopted authorizing the Comptroller to pay to Frank H. Curry, receiver, the sum of \$2,520, without the necessity of entering into a lease therefor, as rental for the premises at the southeast corner of New Dorp lane and 8th street, New Dorp, Borough of Richmond, for use of the Police Department, for a period from September 1, 1911, to March 1, 1914, it being understood that at the time of such payment Frank H. Curry, receiver, shall repay to the City the sum of \$270 which was expended by the City for exterior repairs made upon the said premises during the year 1913, and that a further resolution be adopted authorizing a lease of the said premises at the southeast corner of New Dorp lane and 8th street, New Dorp, Borough of Richmond, from Frank H. Curry, receiver, for use of the Police Department, for a period of three years and six months from March 1, 1914, at an annual rental of \$900, payable quarterly; the lessor to pay taxes; the City to pay water rates, supply heat, light and janitor service and make such inside and outside alterations and repairs as it may deem necessary. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by this Board at meeting held June 14, 1911, authorizing a renewal of the lease to the City, of premises on the southeast corner of New Dorp lane, 8th street, New Dorp, Borough of Richmond, for use of the Police Department, for a term of three years from September 1, 1911, at an annual rental of nine hundred dollars (\$900), payable quarterly, —be and the same is hereby rescinded.

Resolved, That the Comptroller be and is hereby authorized to pay to Frank H. Curry, Receiver, the sum of two thousand five hundred and twenty dollars (\$2,520) as rental for premises occupied by the Police Department at the southeast corner of New Dorp lane and 8th street, New Dorp, Borough of Richmond, for a period from September 1, 1911, to March 1, 1914; it being understood that at the time of said payment, Frank H. Curry, Receiver, shall pay to the City of New York the sum of two hundred and seventy dollars (\$270), which was expended by the City for exterior repairs made upon said premises during the year 1913; said payment of rent to be made without the necessity of entering into a lease.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from Frank H. Curry, Receiver, of premises at the southeast corner of New Dorp lane and 8th street, New Dorp, Borough of Richmond, for use of the Police Department, for a period of three years and six months from March 1, 1914, at an annual rental of nine hundred dollars (\$900), payable quarterly; the lessor to pay taxes; the City to pay water rates, supply heat, light and janitor service and make such inside and outside alterations and repairs as it may deem necessary; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolutions severally unanimously adopted.

## VOUCHERS RECEIVED IN DEPARTMENT OF FINANCE MONDAY, MAY 4, 1914.

A statement is herewith submitted of all vouchers filed in the Department of Finance on this date, in which is shown the Department of Finance voucher number, the date of the invoices or the registered number of the contract, the name of the payee and the amount of the claim. Where two or more bills are embraced in one voucher the date of the earliest is given, excepting that when such vouchers are submitted under a contract the registered number of the contract is shown instead.

If the vouchers are found to be correct and properly payable to the respective claimants it will be my endeavor to have the warrants therefor made ready for payment within the next seven days.

If any claimant within the time stated does not receive his warrant or a written notice in relation thereto then written or verbal inquiry may be made at this office, using the Department of Finance voucher number as a ready means of reference.

The attention of bidders is especially directed to the contract requirements as to an adequate plant, the use of compressed air, the methods of tunneling in soft ground, the contractor's responsibility for damage to property, the order of progress of work, and the damages for non-completion within the time prescribed.

A fuller description of the work and other requirements, provisions, details and specifications are given in the form of contract and in the contract drawings therein referred to. Copies of the forms of contract, bond and contractor's proposal and of the contract drawings may be inspected and purchased at the office of the Commission, No. 154 Nassau Street, Borough of Manhattan, New York City. The forms of contract, bond and contractor's proposal and the contract drawings are to be deemed a part of this invitation.

Partial payments to the contractor will be made as the work proceeds.

The contractor must complete the work within forty-two (42) months from the delivery of the contract.

At the time of delivery of the contract, the contractor must furnish security to the City by depositing a bond, cash or securities in the sum of five hundred thousand (\$500,000) dollars. As further security ten (10) per centum of the amounts certified from time to time to be due to the contractor will be deducted.

**Sealed bids or proposals will be received at the office of the Commission, No. 154 Nassau Street, Borough of Manhattan, New York City, until the 22d day of May, 1914, at twelve-fifteen (12:15) o'clock p. m., at which time, or at a later date to be fixed by the Commission, the proposals will be publicly opened.**

Proposals must be in the form or forms prescribed by the Commission. Proposals are invited in either or both of two forms. In Form "A" the bidder is to state his prices for the work proposed without dependence upon the award of any other contract. In Form "B" the bidder is to state his prices for the work proposed in case he should be awarded the contract, advertised concurrently herewith, for the construction of Section No. 3 of Route No. 48, being that portion of the Park Place, William and Clark Street Rapid Transit Railroad extending from a point under Old Slip near Pearl Street in the Borough of Manhattan to a point under Fulton Street near Clinton Street in the Borough of Brooklyn. Proposals in Form "B" must be accompanied by a proposal or proposals for the construction of said Section No. 3 of Route No. 48.

A statement, based upon the estimate of the Chief Engineer of the Commission, of the quantities of the various classes of the work and of the nature and extent as near as practicable of the work required is to be found in the schedule forming a part of the form or forms of contractor's proposal. The quantities given in such schedule are approximate only, being given as a basis for the uniform comparison of bids, and no claim is to be made against the City for damages or anticipated profit or loss of profit on account of any excess or deficiency, absolute or relative in the same.

Every proposal must, when submitted, be enclosed in a sealed envelope endorsed "Proposal for Constructing Part of Rapid Transit Railroad—Route No. 33, Section No. 2," and must be delivered to the Commission or its Secretary; and in the presence of the person submitting the proposal, it will be deposited in a sealed box in which all proposals will be deposited. Such check must not be enclosed in the envelope containing the proposal. One such check will be sufficient to enable a bidder, to submit proposals in both Forms "A" and "B."

The Unit Prices must not be improperly balanced, and any bid which the Commission considers detrimental to the City's interests may be rejected.

No proposal, after it shall have been deposited with the Commission, will be allowed to be withdrawn.

PUBLIC SERVICE COMMISSION FOR THE FIRST DISTRICT,

#### INVITATION TO CONTRACTORS.

Part of the Broadway-Fourth Avenue Rapid Transit Railroad.

The Public Service Commission for the First District (hereinafter called the "Commission"), acting for and in behalf of the City of New York (hereinafter called the "City"), invites proposals to construct Section No. 2 of Route No. 20, a part of the Broadway-Fourth Avenue Rapid Transit Railroad.

The points within The City of New York between which the said part is to run and the route or routes to be followed are briefly as follows: Section No. 2. Beginning at a point under Canal street, in the Borough of Manhattan, about thirty (30) feet east of the easterly building line of Broadway and extending thence easterly under Canal street to a point about thirty-five (35) feet east of the easterly building line of the Bowery.

The general plan of construction calls for a subsurface railroad having two tracks.

The Contractor will not be required to provide or lay tracks, ties or ballast, nor to do station finish work.

The work under the contract will include the care and support of buildings, vaults, sewers, pipes, railroads and other surface, subsurface and overhead structures, the maintenance of traffic and the restoration of pavements and other surfaces.

Two alternative designs for the Railroad have been prepared, which are known as Alternative S and Alternative T, respectively. The design for Alternative S calls for a steel beam and concrete structure, and the design for Alternative T calls for a structure partly of steel beam and concrete construction and partly of cast iron tunnel construction. The method of construction for Alternative S is by trench excavation under cover, unless otherwise permitted by the Commission, and the method of construction for Alternative T is partly by trench excavation under cover and partly by tunneling, unless otherwise permitted by the Commission, as set forth in the forms of contract. Proposals may be submitted for either or both of such Alternatives.

Partial payments to the Contractor will be made as the work proceeds, as provided in the forms of contract.

The Contractor must complete the work within thirty-two (32) months from the delivery of the contract.

At the time of the delivery of the contract the Contractor must furnish security to the City by depositing a bond, cash or securities in the sum of three hundred thousand dollars (\$300,000). As further security fifteen (15) per centum of the amounts certified from time to time to be due to the Contractor will be deducted until the amounts so deducted and retained shall equal ten (10) per centum of the total estimated amount to be paid to the Contractor under the contract. Thereafter there shall be so deducted and retained for such purpose ten (10) per centum of the amounts certified from time to time to be due to the Contractor.

A fuller description of the work to be done in the case of each Alternative and other requirements, provisions, details and specifications are given in the form of contract for each Alternative and in the contract drawings therein referred to. A separate form of contract has been prepared for each Alternative. Copies of the forms of contract, contract drawings, and forms of bond and contractor's proposal may be inspected and purchased at the office of the Commission, No. 154 Nassau street, Borough of Manhattan, New York City. The forms of contract and the contract drawings and the forms of bond and contractor's proposal are to be deemed a part of this Invitation.

Bidders must examine the forms of contract and the specifications and contract drawings, must visit the location of the work and inform themselves of the conditions along the line of the work and make their own estimates of the facilities and difficulties attending the execution of the work.

Sealed bids or proposals will be received at the office of the Commission at No. 154 Nassau street, Borough of Manhattan, City of New York, until the 12th day of May, 1914, at twelve fifteen (12:15) o'clock p. m., at which time, or at a later date to be fixed by the Commission, the proposals will be publicly opened.

Separate forms of proposal have been prepared for Alternatives S and T. Proposals for each Alternative must be in the form prescribed for such Alternative by the Commission. The Commission may award the contract for either Alternative.

A statement based upon the estimate of the Chief Engineer of the Commission of the quantities of the various classes of the work and

of the nature and extent as near as practicable of the work required in the case of each Alternative is to be found in the Schedule in the form of contractor's proposal for such Alternative. The quantities given in such Schedule are approximate only, being given as a basis for the uniform comparison of bids, and no claim is to be made against the City on account of any excess or deficiency, absolute or relative, in the same, except as provided in the specifications and terms of contract.

Every proposal must when submitted be enclosed in a sealed envelope endorsed "Proposal for Constructing Part of Rapid Transit Railroad—Route No. 20, Section No. 2, Alternative." and must be delivered to the Commission or its Secretary; and in the presence of the person submitting the proposal, it will be deposited in a sealed box in which all proposals will be deposited. If any bidder shall submit proposals for both Alternatives, the proposal for each Alternative shall be in a separate sealed envelope properly endorsed as aforesaid. No proposal will be received unless accompanied by a separate certified check for thirty thousand dollars (\$30,000) payable to the order of the Comptroller of the City and drawn upon a National or State bank or trust company satisfactory to the Commission and having its principal office in New York City. One such certified check for thirty thousand dollars (\$30,000) will be sufficient to enable a bidder to bid upon both alternatives. Such check must not be enclosed in the envelope or envelopes containing the proposal or proposals.

The Unit Prices must not be improperly balanced, and any bid which the Commission considers detrimental to the City's interests may be rejected.

No proposal, after it shall have been deposited with the Commission, will be allowed to be withdrawn for any reason whatever.

The award of the contract will be made by the Commission as soon as practicable after the opening of the proposals.

Deposits made by bidders whose proposals are not accepted will be returned within three (3) days after the contract is executed and delivered and its provisions in respect of the bond or deposit are complied with, unless all proposals shall be rejected, in which event such deposits will be returned within three (3) days after such rejection. The deposit of the successful bidder will be returned when the contract is executed and its provisions in respect of the bond or deposit are complied with.

The right to reject any and all bids is reserved.

#### NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in

the street, and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All turrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam-holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

The Comptroller of The City of New York serves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.
