HASA footnotes and explanatory notes

The HIV/AIDS Services Administration (HASA) provides its homeless clients with access to medically appropriate housing, including same-day placement in emergency and transitional housing. Transitional housing facilities are operated by non-profit agencies and include on-site supportive services. Within 90 days of placement, all clients in emergency and transitional housing receive a referral for a non-emergency housing option that considers the medical, educational and familial needs and circumstances of the client.

***HASA clients enter and exit the emergency housing program during the course of the day. The same client may enter and exit emergency housing within the same month. This report shows a “point in time” as of the last day of the month.
