

# Department of Education Spending Since 1990

## Per Pupil Spending and Total Enrollment

In 2019 dollars

The New York City school district not only has the most students, but also the highest per pupil spending among the 100 largest school systems in the country.\*

\* Please see [May 2019 Census press release](#) for more detail on school district spending per pupil in the U.S.

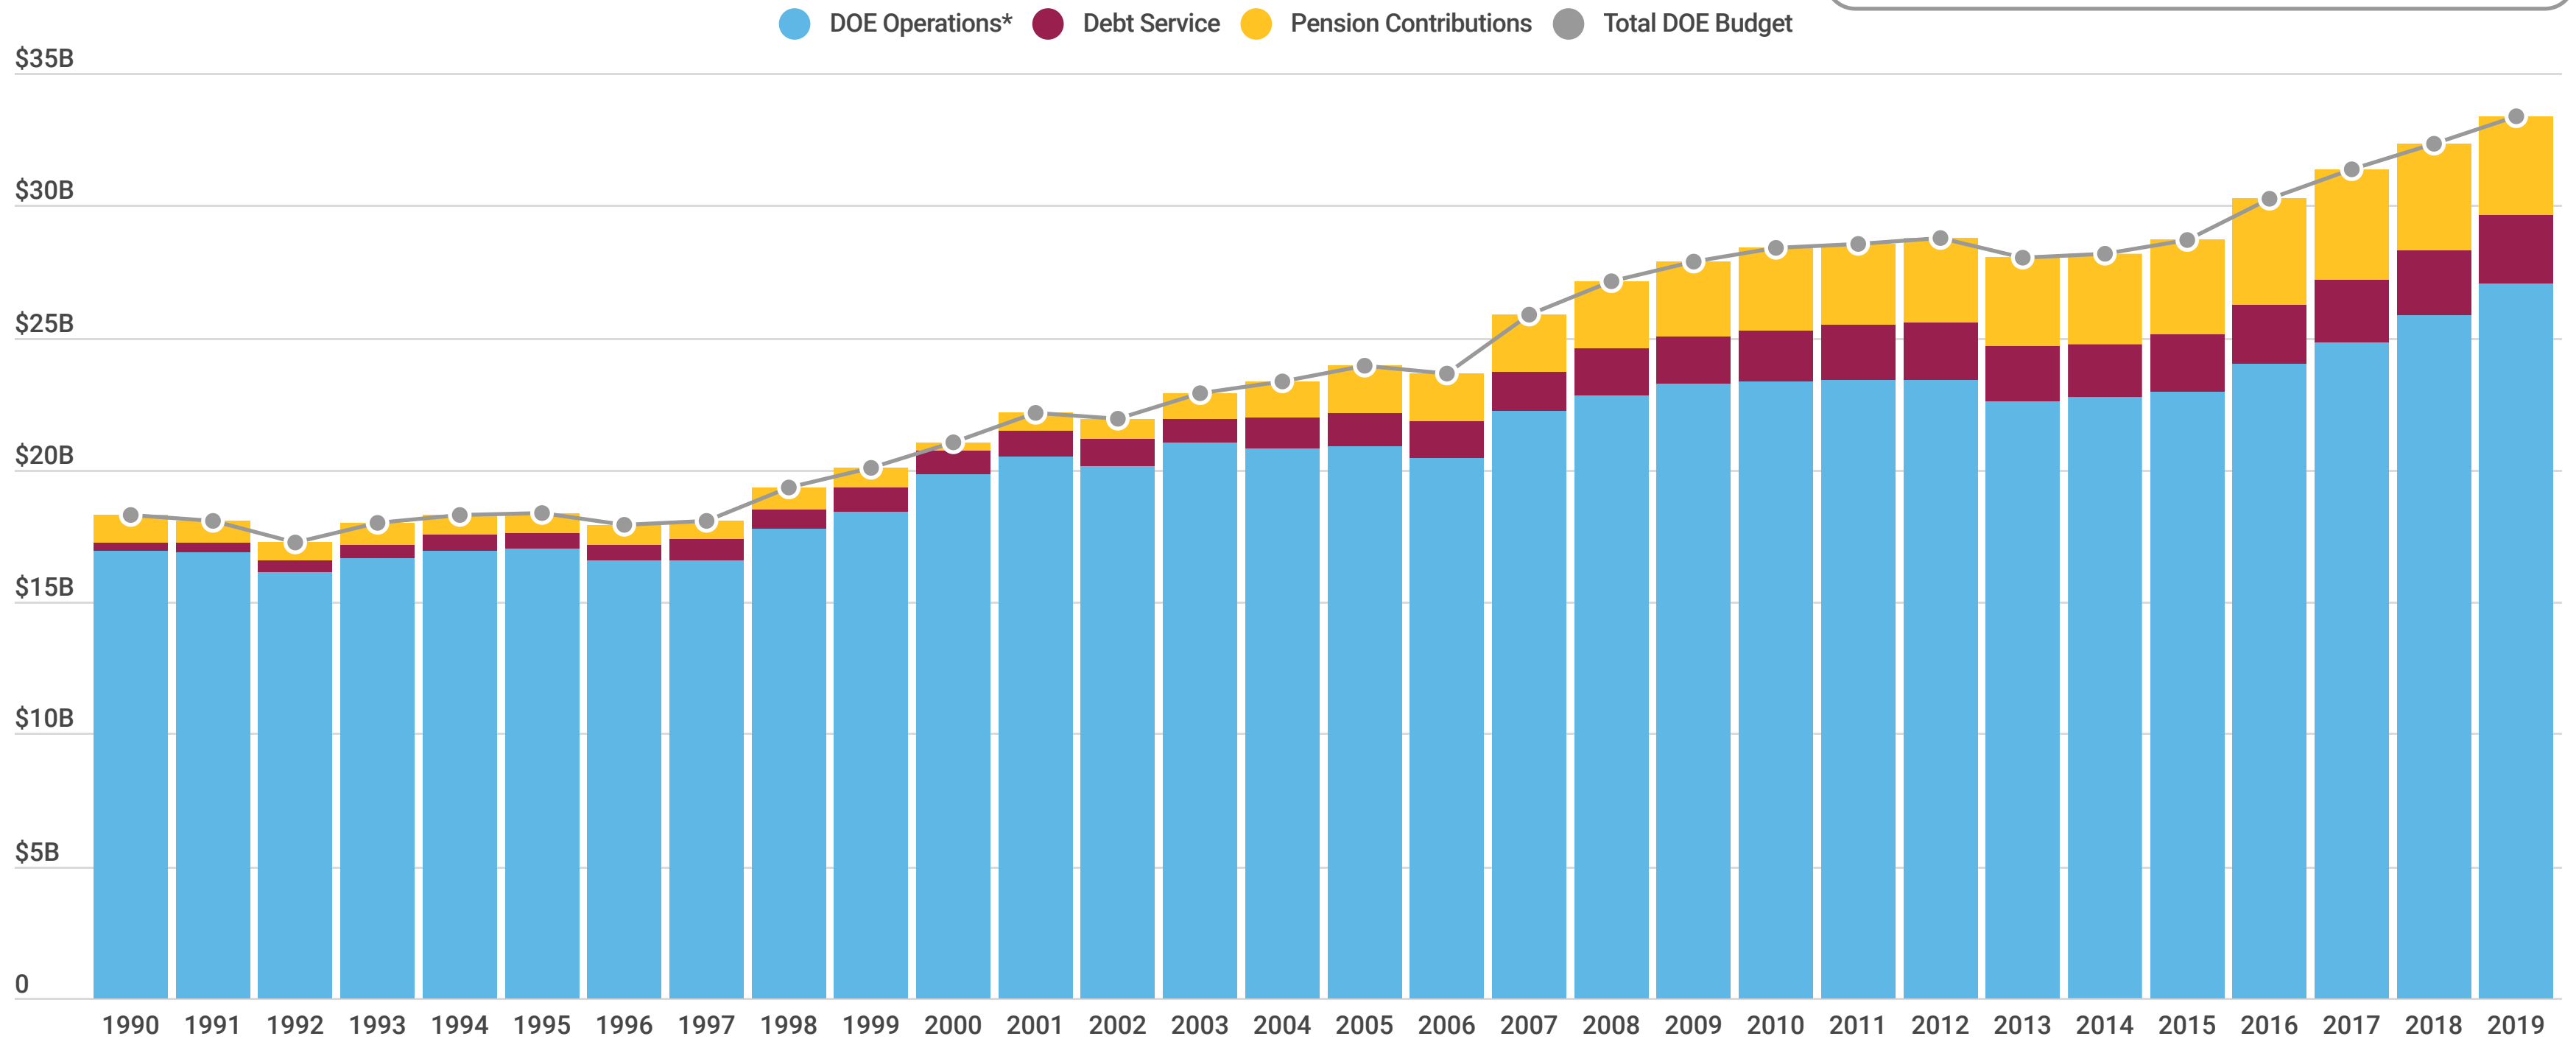

\*\* Total enrollment includes: all general and special education students in DOE facilities; special education pre-k and school-age students in contract schools; 3-k and pre-k students in DOE sites and Early Education Centers; and charter school students. From 1990 through 1998, enrollment numbers come from New York City's Comprehensive Annual Financial Reports; from 1999 on, enrollment numbers come from the Mayor's Management Reports.

## Sources of Funds Committed to DOE

Includes Funding for Debt Service and Pensions

DOE expenditures are funded by a mix of city, state, federal, and private funds.

*In 2019 dollars*

● City Funds ● State Aid ● Federal Aid ● Private Funds ● Total for All Funds

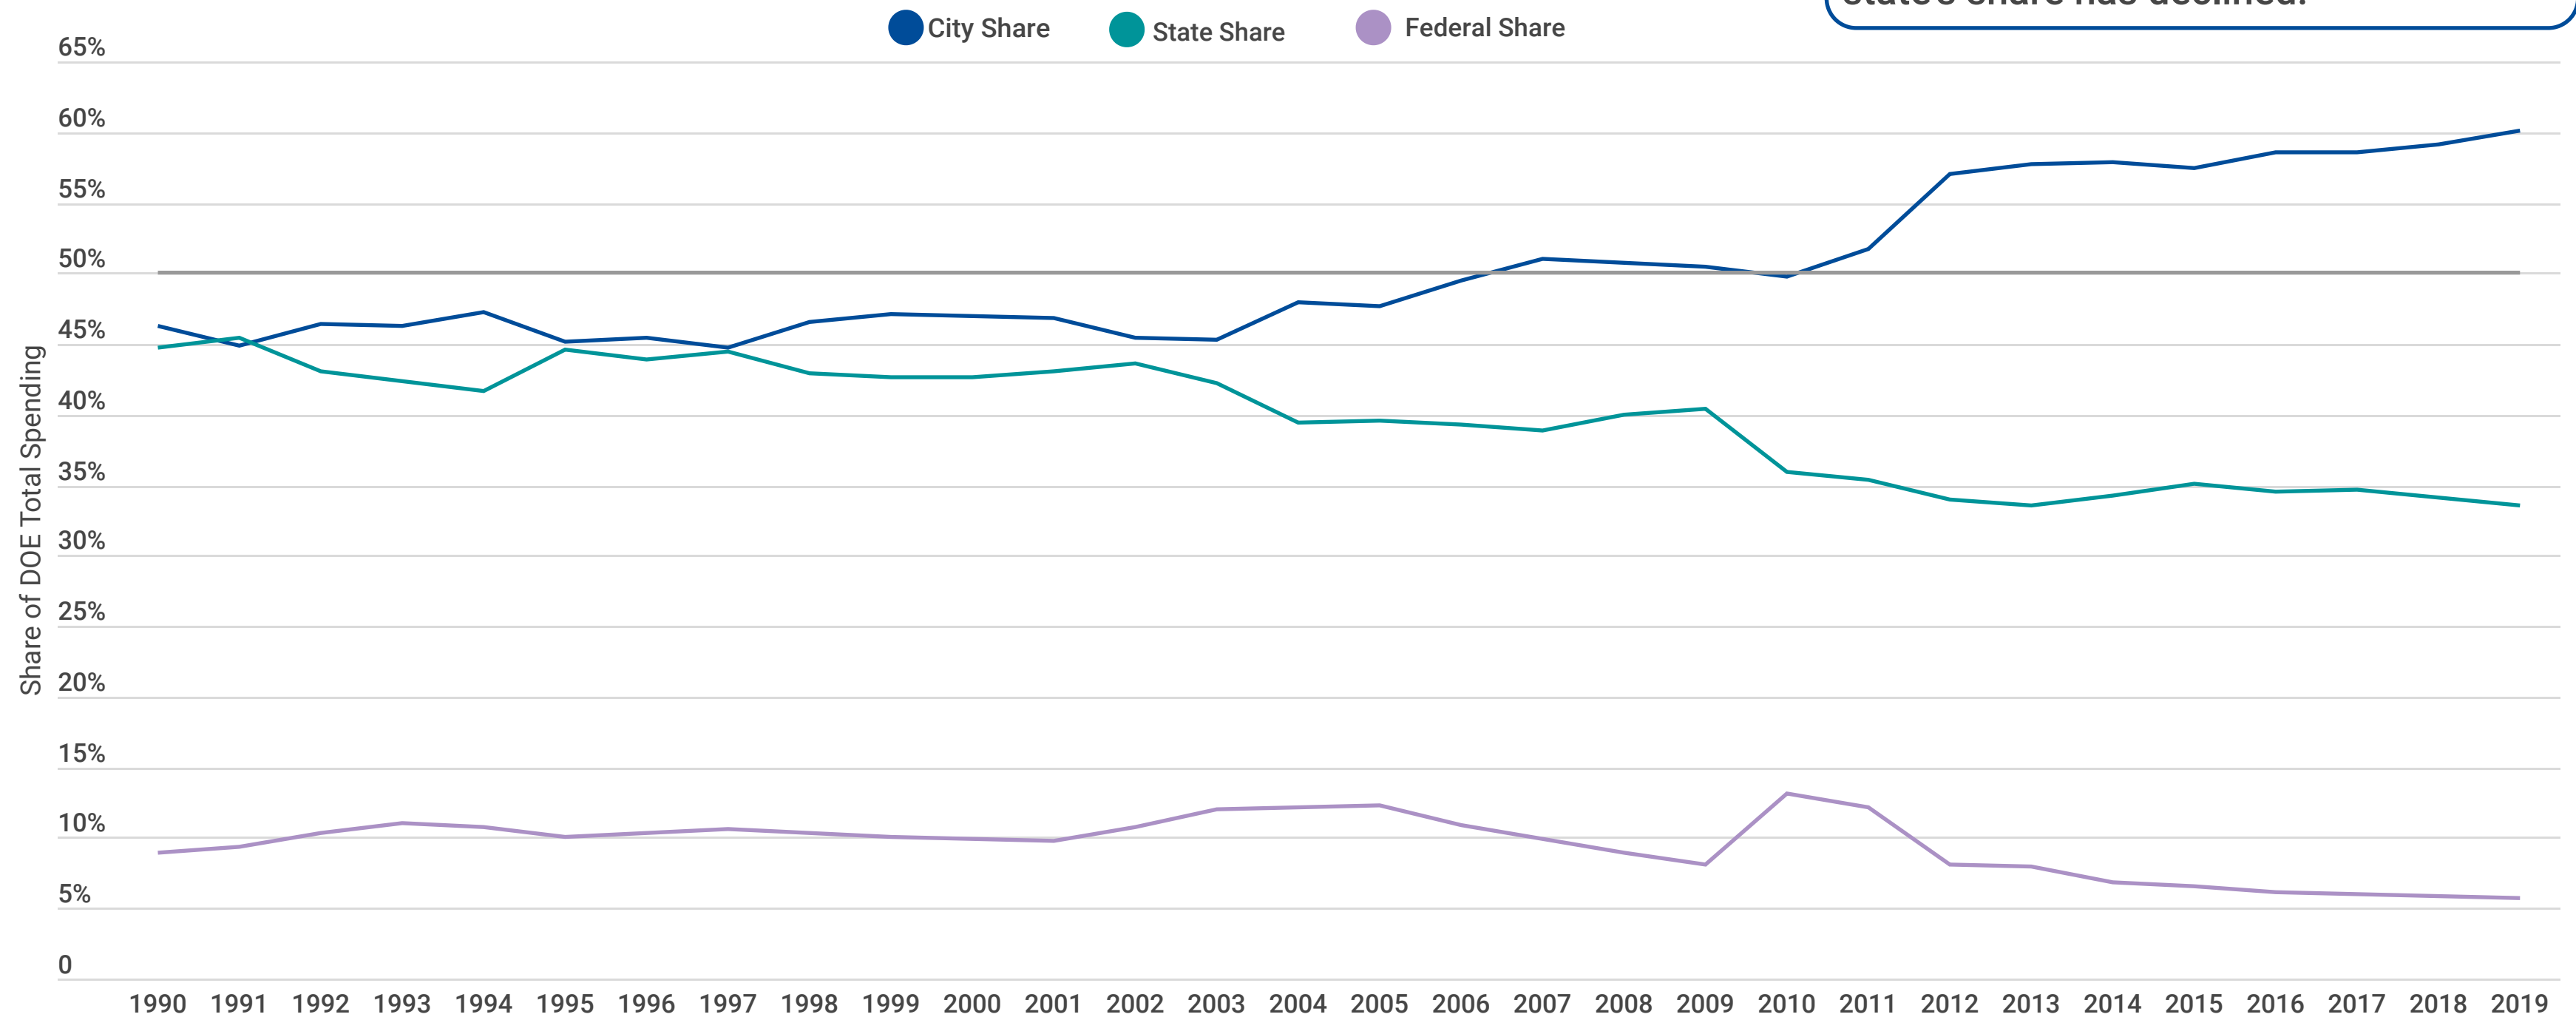

# Department of Education Spending Since 1990

## City, State, and Federal Shares of Total Spending\*

Includes Funding for Debt Service and Pensions

Including debt service and pension costs, city funds now represent almost 60 percent of total spending. As the city's share of spending has risen, the state's share has declined.
