Zoning for Coastal Flood Resiliency

The New York City Department of City Planning (DCP), is proposing a zoning text amendment, Zoning for Coastal Flood Resiliency (ZCFR), to update the Special Regulations Applying in Flood Hazard Areas (Article VI, Chapter 4). ZCFR would improve upon and make permanent the relevant provisions of the current temporary zoning rules, and provide homeowners, business owners, and practitioners who live and work in the City's floodplain the option to design or otherwise retrofit buildings to: (a) reduce damage from future coastal flood events, (b) be resilient in the long-term by accounting for climate change, and (c) potentially save on long-term flood insurance costs. In addition, it would allow resiliency improvements to be more easily incorporated on waterfront sites at the water's edge and in public spaces, as well as provide zoning regulations to help facilitate the City's long-term recovery from the COVID-19 pandemic and other future disasters. ZCFR would mostly affect New York City's current one percent annual and 0.2 percent annual chance floodplains. However, select provisions would be applicable Citywide (affecting all five boroughs and the City's 59 community districts. ZCFR also includes updates to other sections of the New York City Zoning Resolution (ZR), including the Special Regulations Applying in the Waterfront Area (Article VI, Chapter 2) and provisions within various Special Purpose

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- · Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)

Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS)

Department of Probation (DOP)

Department of Small Business Services (SBS)

Department of Youth and Community Development (DYCD)

Housing and Preservation Department (HPD) Human Resources Administration (HRA)

AGENCY RULES

ADMINISTRATIVE TRIALS AND HEARINGS

■ NOTICE

Notice of Adoption of Rule

Pursuant to the authority vested in the Office of Administrative Trials and Hearings by Sections 1048, 1049 and 1049-a of the New York City Charter, and in accordance with the requirements of Section 1043 of the Charter, OATH has adopted amendments to Chapter 6 of Title 48 of the Rules of the City of New York.

The Environmental Control Board voted to approve a proposed version of these amendments on August 20, 2020. A proposed version of these amendments was published in The City Record on September 15, 2020. A public hearing was held on October 15, 2020. No testimony regarding the amendments was given at the public hearing, and OATH did not receive any written comments from the public. The Environmental Control Board voted to approve a final version of these amendments on December 17, 2020.

Statement of Basis and Purpose of Final Rule

The Office of Administrative Trials and Hearings (OATH) is adding a new subdivision (g) to Section 6-23 of Title 48 of the Rules of the City of New York and making corresponding amendments to subdivisions (e) and (f) of the Section. The provisions codified in Chapter 6 of Title 48 of the Rules of the City of New York govern Environmental Control Board adjudicatory proceedings, as well as other proceedings under the jurisdiction of OATH's Hearings Division.

Section 6-23 lists the requirements that an individual must meet in order to serve as a registered representative before OATH's Hearings Division. Subdivision (g) adds an additional requirement: mandating that all registered representatives who appear before OATH's Hearings Division present valid government-issued photo identification in order to file a notice of appearance for an in-person hearing, or to submit any motions in person, including but not limited to, requests to reschedule and motions to vacate a default.

This rule will facilitate the investigation of fraudulent submissions to OATH by ensuring that photo identification illustrating the identity of any person submitting a document to OATH's Hearings Division in person is recorded. This rule will also deter individuals from falsely claiming to be a respondent's representative with authority to act on the respondent's behalf at an in-person OATH hearing. This rule represents one step in OATH's continuing efforts to identify and to stop impersonators, and, thus, protect the integrity of OATH proceedings.

New material is underlined. [Deleted material is in brackets.]

Section 1. Subdivisions e and f of section 6-23 of title 48 of the Rules of the City of New York are amended to read as follows:

- (e) Exercise due diligence in learning and observing Tribunal rules and preparing paperwork; [and]
- (f) Be subject to discipline, including but not limited to suspension or revocation of the representative's right to appear before the Tribunal, for failing to follow the provisions of this subdivision and any other rules of the Tribunal. A list of representatives who have been suspended or barred from appearing may be made public[.]; and

Section 2. Section 6-23 of title 48 of the Rules of the City of New York is amended by adding a new subdivision g to read as follows:

(g) Provide valid government-issued photo identification acceptable to the Tribunal when filing notices of appearance for an in-person hearing or when submitting motions in person, including, but not limited to, reschedule requests and motions to vacate a default.

REQUEST FOR EXPRESSIONS OF INTEREST- FOR EXISTING AND PROPOSED TRANSFER, PROCESSING, BENEFICIAL END-USE AND DISPOSAL FACILITIES RELATED TO COMMERCIAL WASTE ZONES - Request for Information - PIN# 82721AD0001 - Due 3-4-21 at 4:00 P.M.

The prompt and orderly removal, processing, and export of waste and recyclables is critical to public health and quality of life in New York City. While the New York City Department of Sanitation ("DSNY"), collects waste from residents and institutions, commercial establishments must hire a private waste hauling company, or carter, to collect these materials. The City's Commercial Waste Zones program ("CWZ") will transform collection of certain commercial waste materials by the private carting industry into a safer and more efficient collection system that advances the City's zero waste goals and Green New Deal. To start the implementation of this system, DSNY has issued the first part of a request for proposals ("RFP"), seeking submissions from potential awardees to operate under CWZ, explained in more detail below. In subsequent addenda that will be issued as Part II of the RFP, DSNY, will request waste management plans from proposers that outline the carter's proposed practices for commercial waste processing, disposal, recycling, and reuse, including information on potential locations for that processing, transfer, disposal or beneficial end-use.

Through this Request for Expressions of Interest ("RFEI"), DSNY seeks responses from interested parties ("Respondent(s)") that have available existing transfer, processing, beneficial end-use or disposal facilities, or that propose to develop such facilities, for materials collected under the CWZ program. The aim of this RFEI is to aid carters considering an RFP submission in developing a better understanding of the existing and potential network of processing facilities, transfer stations, beneficial end-users, and disposal locations within New York City and the region. Additionally, this RFEI seeks to identify vendors that may seek to either build new facilities or retrofit their current operations in a way that furthers the City's goals of sustainability, such as adding barge or rail transport or advanced processing of recyclables or organics. Respondents may accept one or more types of commercial waste, including refuse, recyclables, and source-separated organics.

Any inquiries concerning this RFEI should be directed by email, under the subject line "CWZ Disposal Q&A" to RFEI@dsny.nyc.gov. The deadline for submission of RFEI inquiries and requests for clarification is April 17, 2020, at 4:00 P.M. EDT.

Final submission must be delivered in electronic format to RFEI@dsny. nyc.gov, with the subject line "CWZ Disposal RFEI Final Submission". Final submissions are due Thursday, March 4, 2021, at 4:00 P.M. EDT.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor prequalification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

Sanitation, 44 Beaver Street, Room 203, New York, NY, 10004. Justin Bland (646) 885-5009; RFEI@dsny.nyc.gov
