**M/WBE CAPACITY BUILDING PROGRAM CONSULTANT CONTRACT FOR WATERFRONT PATHWAYS PROGRAM AND RELATED CONSULTING SERVICES - Request for Proposals - PIN#9734 - Due 1-21-25 at 11:59 P.M.**

NYCEDC seeks a qualified consultant to administer the M/WDBE training program: Waterfront Pathways (the "Program"), including related marketing and vetting activities.

In July 2006, New York City Economic Development Corporation ("NYCEDC") created a business development program, Opportunity M/WDBE, dedicated to providing technical assistance and contracting opportunities to certified minority, women, and disadvantaged businesses ("M/WDBEs"). Opportunity M/WDBE aims to increase, facilitate, and encourage participation by certified M/WDBEs on NYCEDC projects and increase their financial and technical capacity.

Opportunity M/WDBE is launching a program designed to assist minority-owned, women-owned, and disadvantaged business enterprises (MBE, WBE, and DBE, respectively) with interest in NYC's waterfront construction, including in the offshore wind industry, in navigating the current and upcoming opportunities in this space. This Program attempts to help remedy this documented disparity regarding discrimination in construction by specifically targeting the trades related to waterfront construction, which could include offshore wind.

The proposed program will target M/WDBE based in and/or registered with New York City ("NYC") or New York State ("NYS") that are currently operating in or seek to pivot to service the growing waterfront sector. Through this program, the selected consultant will develop and operate an education, networking, and technical assistance program for participating M/WDBE businesses. Business capacity building to be provided will focus on financial management, business infrastructure, waterfront-sector training, and workforce development. The technical assistance provided will assist businesses with project management and operation and provide networking opportunities with waterfront contractors, including offshore wind developers. This support will help M/WDBE companies to establish their business in NYC as the waterfront, including offshore wind, construction sector continues to grow in the region.

NYCEDC plans to select a consultant on the basis of factors stated in the RFP which include, but are not limited to: the quality of the proposal, experience of key staff identified in the proposal, experience and quality in performing services similar to those encompassed in the RFP, approach and methodology, M/WDBE participation, and business plan for financial sustainability.

It is the policy of NYCEDC to comply with all federal, state and city laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category and to take affirmative action in working with contracting parties to ensure certified Minority and Women-owned Business Enterprises (M/WBEs) share in the economic opportunities generated by NYCEDC's projects and initiatives. Please refer to the Equal Employment and Affirmative Compliance for Non-Construction Contracts Addendum in the RFP.

This project has Minority and Women Owned Business Enterprise ("M/WBE") participation goals, and all respondents will be required to submit an M/WBE Participation Proposal with their response. To learn more about NYCEDC's M/WBE program, visit <http://edc.nyc/opportunity-mwdb>. For the list of companies who have been certified with the New York City Department of Small Business Services as M/WBE, please go to [www.nyc.gov/buycertified](http://www.nyc.gov/buycertified).

NYCEDC established the Contract Financing Loan Fund programs for Minority, Women and Disadvantaged Business Enterprise (M/WDBE) interested in working on public construction projects. Contract Financing Loan Fund facilitates financing for short-term mobilization needs such as insurance, labor, supplies and equipment. Bidders/subcontractors are strongly encouraged to visit the NYCEDC website at <http://edc.nyc/opportunity-mwdb> to learn more about the program.

**■ NOTICE**

**EMERGENCY EXECUTIVE ORDER NO. 690**  
November 14, 2024

WHEREAS, on September 2, 2021, the federal monitor in the *Nunez* use-of-force class action stated that steps must be taken immediately to address the conditions in the New York City jails; and

WHEREAS, on June 14, 2022, the federal court in *Nunez* approved the *Nunez* Action Plan, which “represents a way to move forward with concrete measures now to address the ongoing crisis at Rikers Island”; and

WHEREAS, although there has been improvement in excessive staff absenteeism, extraordinarily high rates of attrition due to staff retirements and other departures continue to seriously affect the Department of Correction’s (DOC’s) staffing levels and create a serious risk to DOC’s ability to carry out the safety and security measures required for the maintenance of sanitary conditions; and access to basic services, including showers, meals, visitation, religious services, commissary, and recreation; and

WHEREAS, this Order is given to prioritize compliance with the *Nunez* Action Plan and to address the effects of DOC’s staffing levels, the conditions at DOC facilities, and health operations; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 140 of 2022, Emergency Executive Order No. 579 of 2024, and Emergency Executive Order 623 of 2024; and

WHEREAS, the state of emergency existing within DOC facilities, first declared in Emergency Executive Order No. 241, dated September 15, 2021, and extended by subsequent orders, remains in effect;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct that section 1 of Emergency Executive Order No. 687, dated November 9, 2024, is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

EMERGENCY EXECUTIVE ORDER NO. 691  
November 14, 2024

WHEREAS, it is of utmost importance to protect the health and safety of all persons in the custody of the Department of Correction (“DOC”), and of all officers and persons who work in the City of New York jails and who transport persons in custody to court and other facilities, and the public; and

WHEREAS, over 80 provisions in the various Court Orders entered in *Nunez v. City of New York*, 11 CV 5845 (SDNY), require DOC to consult with, and seek the approval of, the *Nunez* Monitor (“Monitor”) prior to implementing or amending policies on issues, including but not limited to, matters relating to security practices, the use of restraints, escorts, emergency lock-ins, de-escalation, confinement management of incarcerated individuals following serious acts of violence and subsequent housing strategies, and DOC may be held in contempt of court and sanctioned if it fails to appropriately consult with and obtain approval from the Monitor regarding policies in these areas; and

WHEREAS, as fully detailed in Emergency Executive Order 579 of 2024, DOC is already experiencing a significant staffing crisis, which poses a serious risk to the health, safety, and security of all people in custody and to DOC personnel; and

WHEREAS, attempting to comply with many of the provisions of Local Law 42 and the new BOC regulations, such as by transporting individuals to court without restraints, would require a massive increase in staff and other resources, which are not available; and

WHEREAS, even if DOC had such additional staffing and resources, that still would not obviate the direct threat to public safety posed by certain provisions of Local Law 42, nor would it obviate the fact that the Monitor has yet to approve implementation of those provisions as required by the *Nunez* Orders, nor would it obviate the fact that additional time would be needed to safely implement those provisions of Local Law 42 eventually approved by the Monitor, because, as the Monitor has expressly cautioned, the safe implementation of any new requirement or reform in DOC facilities requires planning time to “evaluat[e] the operational impact, update[e] policies and procedures, updat[e] the physical plant, determin[e] the necessary staffing complement, develop[] training materials, and provid[e] training to thousands of staff, all of which must occur before the changes in practice actually go into effect” [11 CV 5845 (SDNY) Dkt No. 758-3 at p. 61]; and

WHEREAS, on July 27, 2024, I issued Emergency Executive Order No. 624, and declared a state of emergency to exist within the correction facilities operated by the DOC, and such declaration remains in effect; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 625, dated July 27, 2024, and Emergency Executive Order 682, dated October 30, 2024; and

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct section 1 of Emergency Executive Order No. 688, dated November 9, 2024 is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

November 14, 2024

WHEREAS, over the past several months, thousands of asylum seekers have been arriving in New York City, from the Southern border, without having any immediate plans for shelter; and

WHEREAS, the City now faces an unprecedented humanitarian crisis that requires it to take extraordinary measures to meet the immediate needs of the asylum seekers while continuing to serve the tens of thousands of people who are currently using the DHS Shelter System; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 224, dated October 7, 2022, and Emergency Executive Order No. 538, dated December 27, 2023; and

WHEREAS, the state of emergency based on the arrival of thousands of individuals and families seeking asylum, first declared in Emergency Executive Order No. 224, dated October 7, 2022, and extended by subsequent orders, remains in effect;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:
