Section 1. Any union society incorporated under the provisions of the third section of chapter sixty of the laws of eighteen hundred and thirteen, entitled "An act to provide for the incorporation of religious societies," and the several acts amendatory thereof or supplemental thereto, are hereby authorized to do as hereinafter provided.

Sec. 2. Any such union society holding property belonging jointly to the several societies com-

posing the same; but the sole right of occupancy being reserved to each of them, and the same to be in proportion to their interest in or the money originally paid by them; and it being provided that the trustees make such division of the time that each may have and enjoy all its rights and privileges.

And should any one or more of the societies composing the same cease to exist and not to be known in any of the ways hereinafter specified, namely: By holding business meetings and having a clerk or secretary, and keeping a list or registry of its members, or holding preaching, prayer or conference meetings, or any other religious services in keeping with the usages of the denomination to which it belongs, provided that at least five years have elapsed since any of these things have been done by either of said societies, the trustees in such case, on notice and a request from any of the remaining societies asking for the redistribution of the time of occupancy, shall meet for that purpose and divide the same among the remaining societies, in proportion to their original contributions, respectively, or if the division has been made, and in keeping with these provisions, then the same is hereby legalized.

Sec. 3. Any one of the societies belonging to said union society that has or may hereafter build a church in the same village or neighborhood in which it holds its religious services shall not thereby lose or forfeit in any way any of its rights or privileges in said union society, and the maintaining of divine worship, or the contributing to its support, will be regarded the same as if the society held its meetings in the church of said union society.

Sec. 4. When any one of the societies has a greater interest in the occupancy than others, the number of trustees shall be odd; and the said trustees shall be elected from each of the societies in proportion to its interest in the same, as near as may be.

Sec. 5. Any notice necessary to be given by said union society, either for the election of trustees or any other purpose, and there being no services at the time in the union church so that said notice may be given, and there being a church, as set forth in section three of this act, the notice may be read from the desk thereof as the law provides, and the same be posted on the outer door of the union church at least fifteen days before the said meeting.

Sec. 6. Sec. 2. When any state tax for the year eighteen hundred and eighty imposed by section three of said chapter five hundred and forty-two of the laws of eighteen hundred and eighty on any corporation mentioned in the first section of this act shall have been paid prior to the passage of this act, to the comptroller of the state, any part whereof shall have been included in the tax upon such corporations so levied by the said local authorities of the city of New York, the sum so paid and so included shall be credited by the comptroller to the corporation making such payment, and be deducted by him from the tax upon such corporation for state purposes imposed by said section three of said chapter five hundred and forty-two or laws amendatory thereof, and to be collected from such corporation for the year eighteen hundred and eighty-one. ## FIRE DEPARTMENT.

**HEADQUARTERS**  
FIRE DEPARTMENT CITY OF NEW YORK,  
155 AND 157 MERCER STREET,  
NEW YORK, June 18, 1881.

SEALED PROPOSALS FOR DOING THE WORK of demolishing and rebuilding of the front and two side or gable walls of the house of Engine Company No. 13, located at No. 69 Wooster street, will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 155 and 157 Mercer street, in the City of New York, until 10 o'clock A. M., Saturday, July 2, 1881, at which time and place they will be publicly opened by the head of said Department and read.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

No estimate will be received or considered after the hour named.

Two responsible sureties will be required with each estimate, who must each justify, prior to its presentation, in a sum not less than one-half the amount of the estimate. For information as to the amount and kind of work to be done, bidders are referred to the specifications and drawings, which form part of these proposals.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at twenty-five dollars per day.

Should the person or persons to whom the contract is awarded neglect or refuse to accept the contract for forty-eight (48) hours after written notice that the same has been awarded to him or their bid or estimate, or if, after acceptance, he or they should refuse or neglect to execute the contract and give proper security within five days after notice that the contract is ready for execution, he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet, and so on until it be accepted and executed.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in

the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made, and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

The form of the agreement, including drawings and specifications, and showing the manner of payment for the work, may be seen at the office of the Department.

N. B.—As the above-mentioned quantities, though

approximate only, bidders are required to submit their  
estimates upon the following express conditions, which  
shall apply to and become part of every estimate received:

1st. Bidders must satisfy themselves by personal exami-  
nation of the location of the proposed work, and by such  
other means as they may prefer, as to the accuracy of the  
foregoing Engineer's estimate, and shall not, at any time  
after the submission of their estimates, dispute or com-  
plain of such Engineer's estimate or statement, nor assert  
that there was any misunderstanding in regard to the  
nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work  
to the satisfaction of the Department of Docks, and in  
substantial accordance with the specifications of the  
contract and the plans therein referred to. No extra  
compensation beyond the amount payable for the work  
before mentioned, which shall be actually performed  
at the price therefor to be specified by the lowest bidder,  
shall be due or payable for the entire work.

The work on all but about 100 feet of the shore end of  
the new pier is to be commenced within five days after  
the date of a notification to be given by the Board of  
Docks that the dredging for the site of this outer portion  
of the new pier has been completed; and the whole of the  
work except about 100 feet of the shore end of the pier,  
which will not be constructed until the bulkhead wall in  
the rear is built, is to be fully completed on or before the  
1st day of November, 1881, or within as many days there-  
after as the site of the new pier may have been occupied,  
after the day of the execution of the contract, by the De-  
partment of Docks for the purpose of dredging for the  
said outer portion of the new pier. And the said about  
100 feet is to be completed within thirty days after notice  
shall be given by said Department of Docks that work on  
the said about 100 feet may be begun, and the damages to  
be paid by the contractor, for each day that the work or  
any part thereof may be uncompleted after the time fixed  
for the completing thereof has expired, Sundays and holi-  
days not to be excepted, are, by a clause in the contract,  
fixed and liquidated at Fifty Dollars per day.

Bidders will state in their estimate the price for the  
whole of the work. By that price the bids will be tested.  
This price is to cover the expenses of furnishing all the  
necessary materials and labor and the performance of all  
the work set forth in the approved form of contract and  
the specifications therein contained.

Bidders will distinctly write out, in their bids, both in  
figures and in words, the amount of their estimates for  
doing this work.

The person or persons to whom the contract may be  
awarded will be required to attend at this office with the  
sureties offered by him or them, and execute the contract  
within five days from the date of the service of a notice to  
that effect; and in case of failure or neglect so to do, he  
or they will be considered as having abandoned it, and as  
in default to the Corporation; and the contract will be re-  
advertised and re-let, and so on until it is accepted and  
executed.

Bidders are required to state in their estimates their  
names and places of residence; the names of all persons  
interested with them therein; and if no other person be so  
interested, the estimate shall distinctly state that fact; also  
that the estimate is made without any connection with any  
other person making an estimate for the same purpose,  
and it is in all respects fair, and without collusion or  
fraud; and also that no member of the Common Council,  
Head of a Department, Chief of a Bureau, Deputy thereof,  
or Clerk therein, or other officer of the Corporation, is  
directly or indirectly interested therein, or in the supplies  
or work to which it relates, or in any portion of the profits  
thereof; which estimate must be verified by the oath, in  
writing, of the party making the estimate, that the several  
matters stated therein are in all respects true. Where  
more than one person is interested, it is requisite that the  
verification be made and subscribed by all the parties  
interested.

Each estimate shall be accompanied by the consent, in  
writing, of two householders or freeholders in the City of  
New York, with their respective places of business or resi-  
dence, to the effect that if the contract be awarded to the  
person or persons making the estimate, they will, on its  
being so awarded, become bound as his or their sureties for  
its faithful performance; and that if said person or persons  
shall omit or refuse to execute the contract, they will pay to  
the Corporation any difference between the sum to which  
said person or persons would be entitled on its completion,  
and that which the Corporation may be obliged to pay to the  
person to whom the contract shall be awarded at any  
subsequent letting; the amount in each case to be calcu-  
lated upon the estimated amount of the work by which  
the bids are tested; the consent above mentioned shall  
be accompanied by the oath or affirmation, in writing,  
of each of the persons signing the same, that he is a  
householder or freeholder in the City of New York, and is  
worth the amount of the security required for the com-  
pletion of the contract, over and above all his debts of every  
nature, and over and above his liabilities as bail, surety,  
and otherwise; and that he has offered himself as surety  
in good faith, and with the intention to execute the bond  
required by law. The adequacy and sufficiency of the  
security offered is to be approved by the Comptroller of  
the City of New York, after the award is made and prior  
to the signing of the contract.

No estimate will be considered unless accompanied by  
either a certified check upon one of the National Banks of  
the City of New York, drawn to the order of the Compt-  
roller, or money to the amount of five per centum of the  
amount of security required for the faithful performance of  
the contract. All such deposits, except that of the success-  
ful bidder, will be returned to the persons making the  
same within three days after the contract is awarded. If  
the successful bidder shall refuse or neglect, within five  
days after notice that the contract has been awarded to  
him, to execute the same, the amount of the deposit made  
by him shall be forfeited to and retained by the City of  
New York as liquidated damages for such neglect or refusal;  
but if he shall execute the contract within the time  
aforesaid, the amount of his deposit will be returned to  
him.

Bidders are informed that no deviation from the speci-  
fications will be allowed, unless under the written instruc-  
tions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded  
to, any person who is in arrears to the Corporation, upon  
debt or contract, or who is a defaulter, as surety or other-  
wise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, if  
deemed for the interest of the Corporation.

Bidders are requested, in making their bids or estimates,  
to use the blank prepared for that purpose by the De-  
partment, a copy of which, together with the form of the  
agreement, including specifications, and showing the  
manner of payment for the work, can be obtained upon  
application therefor at the office of the Department.

N. B.—The above estimated quantities, though stated  
with as much accuracy as is possible in advance, are only  
approximate, and bidders are required to submit their  
estimates upon the following express conditions, which shall  
apply to and become part of every estimate received.

1. Bidders must satisfy themselves by personal examina-  
tion of the location of the proposed work, and by such  
other means as they may prefer, as to the accuracy of the  
foregoing Engineer's estimate, and shall not at any time  
after the submission of an estimate dispute or complain  
of such statement or estimate of the Engineer, nor assert  
that there was any misunderstanding in regard to the  
nature or amount of the work to be done.

2. Bidders will be required to complete the entire work  
to the satisfaction of the Commissioners of the Department  
of Public Parks, and in substantial manner, in accordance  
with the specifications hereunto annexed and the plan  
therein referred to. No extra compensation beyond the  
amount payable for the work before enumerated, which  
shall be actually performed, at the price therefor to be  
specified by the lowest bidder, shall be due or payable for  
the entire work.

Bidders will state a price for each class of the work, as  
above designated, which price is to include the furnishing  
of all the necessary materials and labor, and the performance  
of the whole of the work mentioned in the specifica-  
tions annexed, and shown on the plans for the work.

The bridges are to be located at the following places:

1. One at Williams Bridge.

In case the contract for more than one of the above-

of security required will be the aggregate amount re-  
quired for the several bridges awarded to him.

The time allowed for the completion of each bridge is  
seventy-five days from the date of the contract; but if  
the same person is awarded the contract for more than  
one of the bridges then the first bridge is to be completed  
within seventy-five days, and each succeeding bridge in  
six weeks after the completion of its predecessor.

No estimate will be considered unless accompanied  
by either a certified check upon one of the national banks  
of the City of New York, drawn to the order of the  
Comptroller, or money, to the amount of five per centum  
of the amount of the security required for the faithful  
performance of the contract. All such deposits, except  
those of the successful bidders, will be returned to the per-  
sons making the same within three days after the contract  
or contracts are awarded. If the successful bidders  
shall refuse or neglect, within five days after notice that  
the contracts have been awarded to them, to execute the  
same, the amount of the deposits made by them shall be  
forfeited to and retained by the City of New York, as  
liquidated damages for such neglect or refusal; but, if  
they shall execute the contracts within the time aforesaid,  
the amount of these deposits will be returned to them.

Bidders are informed that no deviation from the specifica-

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, July 1, 1880.

**APPLICATIONS FOR EXEMPTIONS WILL BE**  
heard here, from 9 to 4 daily, from all persons hitherto  
liable or recently serving who have become exempt, and  
all needed information will be given.

Those who have not answered as to their liability, or  
proved permanent exemption, will receive a "jury enroll-  
ment notice," requiring them to appear before me this  
year. Whether liable or not, such notices must be an-  
swered (in person, if possible, and at this office only) under  
severe penalties. If exempt, the party must bring proof of  
exemption; if liable, he must also answer in person, giving  
full and correct name, residence, etc., etc. No attention  
paid to letters.

Persons "enrolled" as liable must serve when called  
or pay their fines. No mere excuse will be allowed or  
interference permitted. The fines, received from those  
who, for business or other reasons, are unable to serve at  
the time selected, pay the expenses of this office, and if  
unpaid will be entered as judgments upon the property of  
the delinquents.

All good citizens will aid the course of justice, and  
secure reliable and respectable juries, and equalize their  
duty by serving promptly when summoned, allowing their  
clerks or subordinates to serve, reporting to me any attempt  
at bribery or evasion, and suggesting names for enrollment.  
Persons between sixty and seventy years of age, summer  
absentees, persons temporarily ill, and United States and  
District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-  
demeanor to give any jury paper to another to answer.  
It is also punishable by fine or imprisonment to give or  
receive any present or bribe, directly or indirectly, in re-  
lation to a jury service, or to withhold any paper or make  
any false statement, and every case will be fully pro-

—or any part thereof, will be received at the office of the  
Department of Public Charities and Correction, in the  
City of New York, until 9:30 o'clock A.M., of Friday,  
the 24th day of June, 1881. The person or persons making  
any bid or estimate shall furnish the same in a sealed en-  
velope, indorsed "Bid or Estimate for Groceries, Hard-  
ware, Oils, etc.," and with his or their name or names,  
and the date of presentation, to the head of said Depart-  
ment, at the said office, on or before the day and hour  
above named, at which time and place the bids or  
estimates received will be publicly opened by the head  
of said Department and read.

The Department of Public Charities and Correction  
reserves the right to decline any and all bids or estimates  
if deemed to be for the public interest, and to accept any  
bid or estimate as a whole, or for any one or more articles  
included therein. No bid or estimate will be accepted  
from, or a contract awarded to, any person who is in arrears  
to the Corporation upon debt or contract, or who is a  
defaulter, as surety or otherwise, upon any obligation to  
the Corporation.

The award of the contract will be made as soon as prac-  
ticable after the opening of the bids.  
Delivery will be required to be made from time to time,  
at such times and in such quantities as may be directed by  
the said Department; but the entire quantity will be re-  
quired to be delivered on or before thirty (30) days after  
the date of the contract.

Any bidder for this contract must be known to be en-  
gaged in and well prepared for the business, and must  
have satisfactory testimonials to that effect; and the

person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no Member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

*The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.*

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

## NOTICE TO TAXPAYERS.

RELATING TO THE PAYMENT OF UNPAID TAXES, ASSESSMENTS, AND CROTON WATER RENTS.

THE COMPTROLLER OF THE CITY OF NEW YORK hereby gives notice to owners of real and personal estate in this city, that all unpaid taxes, assessments, and Croton water rents may now be paid with interest thereon at the rate of seven per cent. per annum, as provided by chapter 33 of the Laws of 1881, which is as follows:

### CHAPTER 33.

AN ACT relative to the collection of taxes and assessments, and of arrears of taxes and assessments, and Croton water rents, in the City of New York.

(Passed March 16, 1881; three-fifths being present.)

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. If any taxes of any year shall remain unpaid on the first day of November after the assessment-rolls and the warrants to collect such taxes have been delivered to the Receiver of Taxes in the City of New York, it shall be the duty of said Receiver to give public notice, by advertisement for at least ten days in two of the daily newspapers, and in the CITY RECORD, printed and published in said city, respectively, that unless the same shall be paid to him at his office on or before the first day of December, in any such year, he will immediately thereafter proceed to collect such unpaid taxes, as provided in the following section of this act:

Section 2. If any such tax shall remain unpaid on the said first day of December, it shall be the duty of the said Receiver of Taxes in said city to charge, receive, and collect upon such tax so remaining unpaid on that day, in addition to the amount of such tax, one per centum on the amount thereof; and to charge, receive, and collect upon such tax so remaining unpaid on the first day of January thereafter, interest upon the amount thereof at the rate of seven per centum per annum, to be calculated from the day on which said assessment-rolls and warrants shall have been delivered to the said Receiver of Taxes to the date of payment.

The same rate of interest shall be so charged and collected upon any tax levied in the year eighteen hundred and eighty, remaining unpaid at the date of the passage of this act.

Section 3. All existing provisions of law which impose a charge and require the collection of interest at the rate of twelve per centum per annum upon arrears of taxes on real and personal estate within the City of New York, upon arrears of assessments for local improvements and street openings in said city, and upon arrears of Croton water rents in said city, are hereby repealed; and in lieu of such charge of interest at the rate of twelve per centum per annum, there shall be charged and collected by the officer authorized to collect and receive any such arrears of taxes and assessments and Croton water rents, interest upon the amount thereof at the rate of seven per centum per annum, to be calculated for the same period as interest at the rate of twelve per centum per annum is now required by law to be calculated thereon. This provision shall apply to taxes, assessments, or Croton water rents remaining unpaid and due, for the non-payment of which the lands and tenements liable therefor shall be hereafter sold at public auction as now provided by law; provided, however, that nothing in this act shall be construed to affect the rights of purchasers at sales for taxes, assessments, or Croton water rents, heretofore made, or to authorize the redemption of lands and tenements from sales heretofore made for any lesser sums than the sums collectible for such redemption under the provisions of existing laws.

Section 4. It shall be the duty of the Comptroller of the City of New York to give public notice, by advertisement, for at least ten days, in the CITY RECORD, printed and published in said city, immediately after the confirmation of any assessment for a local improvement or street opening in said city, that the same has been confirmed specifying the title of such assessment and the date of its confirmation by the Board of Revision and Correction of Assessments in proceedings for local improvements, and by the Supreme Court in proceedings for street openings, and also the date of entry in the record of titles of assessments kept in the Bureau for the Collection of Assessments, and of Arrears of Taxes and Assessments, and of Croton water rents, notifying all persons, owners of property affected by any such assessment, that, unless the amount assessed for benefit on any person or property shall be paid within sixty days after the date of said entry of any such assessment, interest shall thereafter be collected thereon as provided in the following section of this act, and all provisions of law or ordinance requiring any other or different notice of assessments and interest thereon are hereby repealed.

Section 5. If any such assessment shall remain unpaid for the period of sixty days after the date of entry thereof in the said record of titles of assessments, it shall be the

duty of the officer authorized to collect and receive the amount of such assessment, to charge, collect, and receive legal interest thereon, at the rate of seven per centum per annum, to be calculated from the date of such entry to the date of payment.

Section 6. This act shall take effect immediately.
