Mr. Moore, attorney, appeared and requested that action in said matter might be deferred until a decision is rendered in another case, presenting a similar question in regard to the power and authority for making awards for damages.

On motion of the Acting and Assistant Corporation Counsel, the said assessment list was referred back to the Board of Assessors for further consideration, all the members present, voting in the affirmative.

BOROUGH OF THE BRONX.

The Deputy and Acting Comptroller presented the assessment list for rebuilding receiving basins on East One Hundred and Sixty-first street, at the following locations: Melrose avenue, at the northeast, southeast, northwest and southwest corners;

Park avenue, at the northwest and southwest corners; Sherman avenue, at the northeast and northwest corners, opposite Sherman avenue, south side of street; Sheridan avenue, at the northwest and southwest corners, and constructing receiving basins on East One Hundred and Sixty-first street, at the following locations: Grant avenue, at northeast corner; Sheridan avenue, at northeast and southeast corners, and objections of Monika Mayer, Mary E. The Deputy and Acting Comptroller presented the assessment list for receiving-basins and appurtenances on Ogden avenue, at the southeast corner of East One Hundred and Sixty-sixth street, and the northwest corner of East One Hundred and Sixty-fourth street, etc., and objections of Mary A. Kirchner, Peter P. Decker and others, filed by A. C. Hottenroth, attorney, received from the Board of Assessors, under date of July 12, 1904.

Mr. A. C. Hottenroth, attorney, appeared by representative, and requested that the hearing in the above matter be postponed until the next meeting, as he was unable to attend.

After consideration of the objections, on motion of the Assistant and Acting Corporation Counsel, they were overruled, and the assessment list was confirmed, all the members present voting in the affirmative.

At this time, 11.30 o'clock A. M., Hon. Frank A. O'Donnel, President of the Department of Taxes and Assessments, appeared and took his seat in the Board, and having been informed of the action which already had been taken by it in the other cases which had been presented, he requested that his vote in each instance be recorded in the affirmative.

BOROUGH OF BROOKLYN.

The assessment list for sewers in Huron street, from East river to Provost street; in Provost street, between Huron street and Greenpoint avenue; in Greenpoint avenue, between Provost street and Jewel street; in Jewel street, between Greenpoint avenue and Norman avenue; in Norman avenue, between Jewel street and 100 feet east of Humboldt street, and in Meserole avenue, between Jewel and Diamond streets, with connections, in the Borough of Brooklyn, with objections of George Rennert, James Meany and others, filed by Walter B. Hopping, attorney; Daniel J. Leary and others, filed by Albert A. Wray, attorney; J. Sergeant Cram, trustee, etc., filed by George E. Weller, attorney; Henry Steers and others, filed by Joseph A. Flannery, attorney; estate of Wm. Heiperger, filed by Edgar H. Hazelwood, attorney; Daniel J. Leary, heirs of James D. Leary, owners, and the Empire Bridge Company, lessees; C. H. Garms, Louis Wittich, Mrs. M. J. Farrington, Mrs. G. J. Foster; Charles M. Lawless, attorney, for owners of Lots Nos. 12-14, 25, 27 and 52; Charles Thaddeus Terry, attorney, in behalf of executors of estate of Henry Steers, deceased—received from the Board of Assessors under date of June 28, 1904, and laid over at meeting of June 30, 1904, for consideration at the next meeting, on motion was taken up.

Mr. J. N. Buttery, Hon. Albert A. Wray, Mr. Joseph A. Flannery, represented by Mr. Tobias, Mr. Geo. E. Weller and Mr. Alex. A. Lyman, attorneys, were heard in opposition to the assessment upon the ground principally that the property of their clients is not benefited in any way by the construction of these sewers, as they are wholly inadequate to drain the same; that in many instances the property is lower than the bed of the sewers; that other sewers for which the property has been assessed and the cost thereof paid for, were entirely adequate and sufficient for draining the property, and also that the expense of the construction of the present sewers intended to prevent the discharge of sewage into Newtown creek, should be met by the City. After consideration, on motion of the Deputy and Acting Comptroller, the said assessment list, with accompanying papers, was referred back to the Board of Assessors for further consideration, and the attorneys for the objectors be afforded an opportunity to file briefs in support of the objections filed by them, all the members voting in the affirmative.

BOROUGH OF MANHATTAN.

The assessment list for regulating, grading, curbing and flagging One Hundred and Twentieth street, from Morningside Park, West, to Amsterdam avenue, and objections of Mary G. Pinkney, filed by John C. Shaw, attorney; Patrick McMorrow, filed by Joseph H. Fargis, attorney; and D. Willis James, filed by Isidor Grayhead, attorney, were presented by the Deputy and Acting Comptroller, having been received from the Board of Assessors under date of July 12, 1904.

Mr. John C. Shaw, attorney, was heard in opposition to the assessment upon the following grounds: That the charges for curbing and flagging were not authorized by the resolution of the Local Board and adopted by the Board of Estimate and Apportionment.

That the work is a reregulating, regrading, etc., the cost of which has previously been assessed and paid.

That as the object of the improvement was to provide a broad thoroughfare connecting Morningside Park with Riverside drive, a considerable portion of the expense should be made a public charge.

That the area of the assessment should be extended.

Isidor Grayhead, attorney, appeared.

No others appearing in opposition after notice, after consideration, the Deputy and Acting Comptroller moved that in accordance with the action taken by this Board, in the matter of regulating, etc., of Aqueduct avenue, in which a similar question was presented, a pro rata reduction be made in the gross amount of this assessment of 40 per cent. and that the assessment list as so reduced be confirmed, which motion having been seconded by the Assistant and Acting Corporation Counsel, was carried, all the members voting in the affirmative.

At 12.17 o'clock P. M., on motion, the Board adjourned.

HENRY J. STORRS, Chief Clerk.

BOARD OF EXAMINERS.

July 19, 1904.

Present—Messrs. Warren A. Conover, William C. Smith, Charles G. Smith, Edward F. Croker, Charles Brendon and William J. Fryer (Chairman).

Meeting called to order at two p. m.

On motion, minutes approved as read.

Appeal No. 81—96 N. B. of 1904, premises southwest corner of Eighty-ninth street and Central Park West, Borough of Manhattan. Robert T. Lyons, appellant.

"Including pent house, building 12-13 stories and height exceeds 150 feet, so that it should be entirely constructed of non-inflammable material.

"It is the belief of the appellant that the law was not intended to apply to pent houses of reasonable area above the 12th story.

"Will the provisions of section 105 of the Code as to fireproofing for buildings above 12 stories and over 150 feet in height apply in this case.

"The appellant's reasons for desiring a favorable decision on the question to be passed upon are as follows:

"1. All walls at the terminals of pent house will be carried up to the full height.
"2. The floors of pent house will be finished in cement.
"3. Wire glass will be used wherever glass is necessary.
"4. Proper skylights will be provided.
"5. The roof of pent house will not be more than 150 feet 10 inches above the curb level.

"6. All woodwork entering into the construction of the pent house will be fireproofed by the process which is fully accepted and approved by the Bureau of Buildings.

"7. The pent house throughout will be constructed entirely fireproof.

"8. Two stand pipes with hose connections and outlets in the halls of pent house will be provided.

"9. Pent house will not cover more than 50-8-10 per cent. of the roof area.

"10. The floors of all kitchens, pantries and servants' bedrooms throughout will be of granolithic, which is better than the law requires for a 12-story building.

"11. All woodwork of kitchens, pantries and servants' bedrooms will be fireproofed by the process approved by the Bureau of Buildings. This is better than the law requires for a 12-story building."

On motion, laid over for one week.

Appeal No. 83—197 N. B. of 1904, premises Nos. 10 and 12 East Twenty-eighth street, Borough of Manhattan. Charles F. Rogers, appellant.

"Stairway must be continuous.

"This stairway is not required at the first story.

"If he may be allowed to start the stairway at the second story instead of the first story.

"As there are four elevators which pass through the first story and also two stairways starting from the first floor, one of which has been increased in width to equalize the space lost by not running the stairway in question to the first floor.

"On account of stairway coming down half in dining room and half in main hall, it ruins the architectural effect of the first floor, and would form an obstruction in hall and impede egress from building."

Mr. C. P. Rogers appeared before the Board.

On motion, laid over for one week.

Appeal No. 6, of 1903—635 N. B. of 1902, Fire-proof Shutter Case No. 1 of 1903, premises No. 22 Cortlandt street, Borough of Manhattan. A. C. McKenzie, appellant.

On motion, laid over.

Adjourned.

Ordered, That a copy of the following communication this day forwarded to the Comptroller be transmitted to the Commissioners of the Sinking Fund, with the request that the matter be placed on the calendar of the Commissioners of the Sinking Fund for early consideration, viz.:

Hon EDWARD M. GROUT, Comptroller:

Sir—I beg to acknowledge the receipt of a communication from your office dated the 8th inst., with reference to approval by the Commissioners of the Sinking Fund of the lease of premises No. 191 Broadway, Borough of Brooklyn, for the purpose of establishing a new precinct for the Police Force attached to the Williamsburgh Bridge, and saying that the same will be held in abeyance awaiting a communication from me as to the advisability of building a new station-house, instead of leasing these premises.

In reply I beg to state that it is necessary for efficient Police service on the bridge in this precinct to be performed at once; that it would be a loss to the public and the service if we were required to wait until a new station-house could be built, as the building of the same would take many months, probably a year.

The premises in question were selected after a very careful search and recommendation to me by the Inspector of the district. If the lease is not made we will have to continue the present unsatisfactory arrangements for policing the bridge and await the pleasure of the City authorities as to the building of a new station-house, as suggested in the communication sent to me from your office.

I have known of the plan of building a station-house on the property now owned by the City at the bridge, and some time ago ordered that a sketch be made of the proposed building, as I approve of the City owning the new station-house in connection with the bridge, but the matter now before the Commissioners of the Sinking Fund relates to the present demand of the Police service in the public interest, in giving us a place at once for the new precinct. I therefore most respectfully request that this lease be allowed for one year, and in the meantime I will be glad to co-operate with the authorities in arranging for the building of a station-house on the City's ground, on such site as may be deemed best.

PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 490 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately.

The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done.
