"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

• Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies: $\frac{1}{2} \frac{1}{2} \frac$

CASE COORDINATION FOR CLUSTER CONVERSION PROGRAM - Negotiated Acquisition - Judgment required in evaluating proposals - PIN#09619N0009 - Due 2-5-19 at 2:00 P.M.

The New York City Department of Social Services/Human Resources Administration (DSS/HRA) is issuing this Negotiated Acquisition to seek Case Coordination Services to provide services to families who are formerly homeless families. DSS/HRA anticipates a total of 477 households. Although these formerly homeless families are the target population, all tenants residing in conversion buildings may request services. The Case Coordination Services Program would primarily serve households below 200 percent of the federal poverty guideline.

The majority of clients are families with minor children, with most families having more than one minor child. However, family households without children will also be served. DSS/HRA estimates most households are recipients of public benefits.

DSS/HRA reserves the right to expand the target population, as deemed necessary.

Proposers would have experience providing services to formerly homeless households. Proposers may choose to subcontract with other providers with experience serving formerly homeless families. DSS/HRA encourages Proposers to establish partnerships with community-based organizations (CBO) that have expertise serving these households and/or with serving a wider range of populations, to ensure that the program services have the broadest possible reach.

Case Coordination Services are designed to assist clients toward achievement of one or more of the following programs: Housing, Finances, Food Resources/Availability, and/or Referrals to medical/mental health services, ACS, substance use treatment and other supportive serves as needed.

An Information Session will be held on Tuesday, January 22, 2019, at NYC Department of Social Services/Human Resources Administration, Office of Contracts at 150 Greenwich Street, 37th Floor, Bid Room, at 2:00 P.M. Attendance at the Information Session is optional but strongly recommended by the agency.
