## HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

## **Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD)

Notice of Concept Paper

In advance of the release of the RFP, HRA is issuing a concept paper which outlines the program model of the Provision of Supportive Housing for Homeless and At-Risk Persons with Clinical Conditions under the NYC Supportive Housing Initiative RFP.

In November 2015 Mayor Bill de Blasio announced the NYC Supportive Housing Initiative to fund and develop 15,000 new units of supportive housing in New York City over the next 15 years. This far reaching and comprehensive initiative targets the most vulnerable homeless New Yorkers in need of supportive housing. The City's 15,000-unit plan is comprised of 7,500 newly-developed congregate units and 7,500 scattered-site units. Supportive housing combines affordable housing with appropriate social services to help special populations, including individuals and families with serious mental illness, substance use disorders and/or disabling medical conditions, and young adults aging out of foster care, and other special populations as determined by the City in the future that are homeless or at risk of becoming homeless achieve housing stability and independence in the community. It is a proven solution to homelessness for individuals and families with special needs, and less costly and more appropriate than expending resources on institutional and temporary settings such as shelters, hospitals, jails and prisons. HRA will begin the procurement of 500 scattered site units immediately. The populations targeted for this procurement will continue to be categories described in the NY/NY III agreements, as the Mayor's Supportive Housing Task Force is currently developing recommendations which will be incorporated in the procurement of the remaining scattered site units and congregate units subsequently released after this concept and Request for Proposals.

The concept paper has been posted on the Agency's website at www.nyc.gov/hra/contracts.
