WHEREAS, on September 2, 2021, the federal monitor in the *Nunez* use-of-force class action litigation stated steps must be taken immediately to address the conditions in the New York City jails; and

WHEREAS, excessive staff absenteeism among correction officers and supervising officers has contributed to a rise in unrest and disorder, and creates a serious risk to the necessary maintenance and delivery of sanitary conditions; access to basic services including showers, meals, visitation, religious services, commissary, and recreation; and prompt processing at intake; and

WHEREAS, the Department of Correction's (DOC's) staffing shortages are affecting health operations, including the availability of escorts to bring patients to the clinic and of DOC personnel to staff the clinics; and

WHEREAS, this Order is given to address the effects of excessive staff absenteeism and in order to address the conditions at DOC facilities;

WHEREAS, on September 15, 2021, I issued Emergency Executive Order No. 241 and declared a state of emergency to exist within the correction facilities operated by the DOC, and such declaration remains in effect; and

Section 1. I hereby direct that section 1 of Emergency Executive Order No. 245, dated September 19, is extended for five (5) days.

§ 2. I hereby direct that Section 6 of Emergency Executive Order No. 241, and last extended by section 1 of Emergency Executive Order No. 245, is amended to read as follows:

§ 6. During the State of Emergency, and to the extent such laws and rules may be suspended consistent with State law, the following laws and regulations related to procurement are suspended with respect to any procurement of goods, services or construction when the Commissioner of Correction determines in writing that the procurement is necessary to respond to the emergency: Chapter 13 of the New York City
