HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City's PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport. cityofnewyork.us/page.aspx/en/rfp/request_browse_public. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit https://www1.nyc.gov/site/mocs/systems/ about-go-to-passport.page.

NOTICE OF INTENT (NOI) TO RELEASE A REQUEST FOR PROPOSALS FOR LANDSCAPING SERVICES NEW YORK CITY HOUSING AUTHORITY – JANUARY 2022 - Other - PIN#363896 - Due 3-8-22 at 4:00 PM.

SUMMARY

As North America's largest public housing authority, the New York City Housing Authority (NYCHA) owns more than 177,000 housing apartments in over 2,000 buildings across 326 developments throughout New York City's five boroughs. This Notice of Intent is being released to inform proposers of the forthcoming Request for Proposals (RFP) and encourage proposers to partner with other vendors if needed in order to provide employment opportunities for NYCHA residents. NYCHA intends to release a RFP in early 2022 to procure landscaping services for grounds restoration at certain NYCHA developments. Significant portions of existing open spaces at these sites were impacted due to the construction activities associated with FEMA funded scope of work for NYCHA's \$3 billion Sandy Recovery Program and will require tree planting and other landscaping services as construction is completed. The RFP will be of the IDIQ (Indefinite Delivery, Indefinite Quantity) type and will allow NYCHA to select one or more vendors to provide landscaping services on a contract basis for a site or group of sites within New York City.

The following information provides background information for the intended RFP as well as high level view of the Scope of Services. Included within this notice is a timeline to enable appropriate planning by the vendor community. The purpose of this notice is to provide early awareness of this impending RFP in our effort to encourage NYCHA resident employment and fair competition for this procurement. NYCHA will allow sub-contractors to partner with multiple prime contractors responding to the RFP. Scoring for this RFP will place substantial weight on the inclusion of hiring plans and employment opportunities for NYCHA residents. Please note that NYCHA will not entertain questions regarding this RFP until the RFP is released.

SCOPE OF SERVICES

Below are targeted objectives for the landscape services contract for the selected NYCHA developments.
