To the Honorable the Board of Aldermen:

The Committee on Finance, to whom was referred the assessment rolls of the estates, real and personal, subject to taxation, of and within the City and County of New York, for the year 1892, together with a communication from the Comptroller of the City of New York, transmitted to the Board of Aldermen the Final Estimate made and adopted by the Board of Estimate and Apportionment for said year 1892, accompanied by his certificate of the amount of the appropriations authorized by law to be raised by tax in and for the said year 1892, respectfully submits the following

#### REPORT:

The assessed valuation of the real and personal estates subject to taxation within the City and County of New York for the year 1892, as shown by the assessment rolls submitted to the Board of Aldermen by the Commissioners of Taxes and Assessments, and referred on July 6, 1892, amounts to the sum of one thousand eight hundred and twenty-eight million two hundred and sixty-four thousand two hundred and seventy-five dollars (\$1,828,264,275), which sum is a net increase of forty-two million four hundred and six thousand nine hundred and thirty-seven dollars (\$42,406,937) over the amount of the assessed valuation for the preceding year, 1891.

As shown by the Comptroller's certificate, submitted to the Board of Aldermen, and referred on June 8, 1892, the aggregate amount of the appropriations included in the Final Estimate for the year 1892, made and adopted by the Board of Estimate and Apportionment on the 31st day of December, 1891, is thirty-five million eight hundred and eighty-one thousand two hundred and five dollars and nineteen cents (\$35,881,205.19), from which sum is deducted the sum of three million dollars (\$3,000,000), for and on account of the estimated revenues of the general fund available for the reduction of taxation in said year 1892, also certified by the Comptroller, leaving the sum of thirty-two million eight hundred and eighty-one thousand two hundred and five dollars and nineteen cents (\$32,881,205.19), as the amount to be raised by tax, under the Final Estimate as adopted by the Board of Estimate and Apportionment, on December 31, 1891.

By section 830 of the New York City Consolidation Act of 1882, the Board of Aldermen is directed to provide for deficiencies in the actual product of taxes that may arise from insolvencies, discounts or rebates for prompt payment, errors in assessed valuations, etc., as follows:

"Section 830. It shall be the duty of the said Board of Aldermen to include in any and every ordinance or resolution passed by them, imposing and levying taxes for any purpose or purposes authorized by law, such sum in addition to the aggregate amount required for such purposes, as they shall deem necessary, not exceeding three per cent. of said aggregate amount, to provide for deficiencies in the actual product of the amount imposed and levied therefor."

Your Committee has conferred with the Comptroller in regard to the amount that will be required to provide for and meet such deficiencies as may occur in the actual product of the taxes to be imposed and levied in and for the year 1892, and it has concluded to recommend that the sum of eight hundred and forty-four thousand three hundred and fifty dollars and sixty-five cents (\$844,350.65) be added to and included in the sum necessary to be raised by tax for the support of the government of the City and County of New York and for other purposes, as authorized and provided by law, which sum is less than three per centum of the amount so required to be raised by tax, after deducting the estimated amount of the revenues of the General Fund for the reduction of taxation, the addition of which sum makes the total amount of taxes to be imposed and levied upon the real and personal estate subject to taxation within the City and County of New York, in and for the said year 1892, the sum of thirty-three million seven hundred and twenty-five thousand five hundred and fifty-five dollars and eighty-four cents (\$33,725,555.84).

Section 11 of article VIII. of the Constitution of the State of New York provides as follows:

"The amount hereafter to be raised by tax for county or city purposes in any county containing a city of over one hundred thousand inhabitants, or such city of this State, in addition to providing for the principal and interest of existing debt, shall not in the aggregate exceed in any one year two per centum of the assessed valuation of the real and personal estate of such county or city, to be ascertained as prescribed in this section in respect to county or city debt."

As the assessed valuation of the real and personal estate of and within the City and County of New York, for the year 1892, is \$1,828,264,275, and two per centum of this sum is \$36,565,285.50, the total amount of the tax to be raised for city and county purposes for the year 1892, after providing for the principal and interest of existing city and county debt, and deducting also the amount of the State Tax to be raised in said year 1892, is \$24,984,851.63, as shown by the following statement:

Amount of taxes to be raised as per Final Estimate adopted December 31, 1891.....	\$32,881,205 19
Amount added for deficiencies.....	844,350 65
	<u>\$33,725,555 84</u>
Deduct:	
State Taxes.....	\$2,398,504 91
Principal of the City Debt as per Final Estimate for 1892.....	1,190,428 36
Interest on the City Debt as per Final Estimate of 1892.....	5,157,770 94
	<u>8,740,704 21</u>
Remainder.....	<u>\$24,984,851 63</u>

This sum of \$24,984,851.63 is less than two per cent. of the said assessed valuation of the real and personal estate of the City and County of New York, subject to taxation for the year 1892, which percentage amounts, as above stated, to the sum of \$36,565,285.50, leaving a very large margin within the limitation of taxes prescribed by the provision of the State Constitution above cited.

Sections 3 and 8 of chapter 361 of the Laws of 1881 provide as follows:

"Section 3. Every corporation, joint-stock company or association whatever, now or hereafter incorporated or organized under any law of this State, or now or hereafter incorporated or organized by or under the laws of any other State, or county doing business in this State, except savings banks and institutions for savings, life insurance companies, banks and foreign insurance companies, and manufacturing corporations carrying on manufacture within this State, which exception shall not be taken to include gas companies or trust companies, shall be subject to and pay a tax, as a tax upon its corporate franchise or business, into the treasury of the State, annually, etc."

"Section 8. The corporations, joint-stock companies and associations mentioned in this act as taxable shall hereafter be exempt from assessment and taxation for State purposes, except upon their real estate and as herein provided; but they shall in all other respects be liable to assessment and taxation as heretofore."

The total amount of the assessed valuation of the personal estate of corporations, joint-stock companies or associations, doing business in the City of New York, which are found to be exempt under this statute from assessment and taxation on their personal estate for "State purposes" in the year 1892, as appears by a detailed statement thereof on file in the Finance Department, is seventy-one million three hundred and six thousand four hundred and two dollars (\$71,306,402).

The above-cited provision of law requires, therefore, a special rate of tax to be imposed upon the personal estates of corporations which are exempt from taxation for State purposes, differing from and less than the general tax-rate upon real and personal estate subject to taxation for city and county purposes.

The total amount of taxes to be raised in 1892 is thirty-three million seven hundred and twenty-five thousand five hundred and fifty-five dollars and eighty-four cents (\$33,725,555.84), as follows:

Amount as per Final Estimate made by the Board of Estimate and Apportionment, December 31, 1891.....	\$32,881,205 19
Amount to be added for deficiencies, as above stated.....	844,350 65
Total tax.....	<u>\$33,725,555 84</u>

The rates of taxation which will produce this sum are a general rate upon the valuation of real and personal estates, subject to taxation for all city and county purposes, and a special rate upon the valuation of the personal estate of corporations exempt from taxation thereon for State purposes, as follows:

General rate for City and County purposes:	
Valuation, \$1,756,957,873, at 1.85 per cent.....	\$32,503,720 65
Special rate for corporations:	
Valuation, \$71,306,402, at 1.7135 per cent.....	1,221,835 19
Total tax.....	<u>\$33,725,555 84</u>

An ordinance to impose the taxes and fix the rates of taxation which will produce the total amount of taxes required to be raised in and for the year 1892, for the objects and purposes therein set forth, is respectfully submitted herewith for the approval and adoption of the Board of Aldermen.

Committee

Finance.

AN ORDINANCE to provide the necessary means for the support of the government of the City of New York and the Board of Education, and for the payment of the quota of the State Taxes, and for other purposes, pursuant to the provisions of law, in and for the year 1892.

The Mayor, Aldermen and Commonalty of the City of New York do ordain as follows:

"Section 1. There shall be and is hereby imposed and levied upon the estates, real and personal, subject to taxation of and within the City and County of New York, the sum of thirty-two million eight hundred and eighty-one thousand two hundred and five dollars and nineteen cents (\$32,881,205.19), to pay the expenses of conducting the public business of the said city and county, in each department and branch thereof, and of the Board of Education, for the year 1892; also such sum as is necessary to be raised by tax to pay the principal of any bonds and stocks which become due and payable during the said year, which is not otherwise provided for; also the amount to be raised by tax annually, which, with the accumulations of interest thereon, will be sufficient to redeem the stocks and bonds issued to provide for the supply of water, pursuant to the provisions of section 11 of article VIII. of the Constitution of the State of New York, as amended in 1884; and also so much as may be necessary to pay the proportion of the State Tax required to be paid by the City and County of New York in said year, 1892, as provided by the Board of Estimate and Apportionment, which sum of thirty-two million eight hundred and eighty-one thousand two hundred and five dollars and nineteen cents (\$32,881,205.19), so imposed and levied by this ordinance, is the aggregate amount estimated by the Board of Estimate and Apportionment of said city, and appropriated for such objects and purposes in the Final Estimate for said year 1892, made and adopted on the 31st day of December, 1891, less the sum of three million dollars (\$3,000,000)

supplied by the General Fund and deducted from the total amount of appropriations made in the Final Estimate for said year 1892, amounting to the sum of thirty-five million eight hundred and eighty-one thousand two hundred and five dollars and nineteen cents (\$35,881,205.19), as stated by the Comptroller of the City of New York, in a communication dated June 6, 1892, submitted to the Board of Aldermen on June 8, 1892, along with the Comptroller's certificate of the amount of the appropriations made in the Final Estimate for the said year 1892, copies of which communication and certificate, and of the said Final Estimate, are as follows:

CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE,  
June 6, 1892.

To the Honorable the Board of Aldermen of the City of New York:

Section 212 of the New York City Consolidation Act of 1882 provides as follows: "It shall be the duty of the Comptroller of said city to prepare and submit to the Board of Aldermen, at least four weeks before the annual meeting, in each and every year, for the purpose of imposing the annual taxes, a statement setting forth the amounts by law authorized to be raised by tax in that year, on account of the corporation of the City of New York, or for city purposes within said city; and also an estimate of the probable amount of receipts into the city treasury during the then current year, from all sources of revenue of said general fund, including surplus revenues from the sinking fund available in accordance with law, other than the surplus revenues of the sinking fund for the payment of the city debt; and the said Board of Aldermen are hereby authorized and directed to deduct the total amount of such estimated receipts from the aggregate amount of all the various sums which by law they are required to order and cause to be raised by tax in said year for the purposes aforesaid, and to cause to be raised by tax only the balance of said aggregate amount, after making such deduction."

In pursuance of the foregoing provision of law, I have the honor to submit to your Honorable Body a statement setting forth in detail the amount by law authorized and required to be raised by tax in and for the year 1892, on account of the Corporation of the City of New York, or for city purposes within said city, as follows, to wit:

The Final Estimate of the amounts required to pay the expenses of conducting the public business of the City and County of New York, in each department and branch thereof, and of the Board of Education, for the fiscal year 1892, as adopted by the Board of Estimate and Apportionment on Thursday, December 31, 1891, for which appropriations were made, aggregating the sum of thirty-five million eight hundred and eighty-one thousand two hundred and five dollars and nineteen cents (\$35,881,205.19), in which estimate is included such sum as is necessary for the payment of interest on the bonds of the said city and county which becomes due and payable within said year which is not otherwise provided for; also, such sum as is necessary to be raised by tax to pay the principal of any bonds and stocks which become due and payable during the said year which is not otherwise provided for; also, the amount to be raised by tax annually, which, with the accumulations of interest thereon, will be sufficient to redeem the stocks and bonds issued to provide for the supply of water, pursuant to the provisions of section 11 of Article VIII. of the Constitution of the State of New York, as amended in 1884; also, the amount appropriated to charitable institutions required by law, and also so much as may be necessary to pay the proportion of the State tax required to be paid by the City and County of New York in said year 1892.

From the aggregate amount of the Final Estimate for said year 1892 is to be deducted the sum of three million dollars (\$3,000,000), supplied by the General Fund for the reduction of taxation, that sum being the amount of the estimated receipts of said fund payable into the City Treasury during the said year 1892, derived from all sources of revenues applicable to and available for this object, including unexpended balances of appropriations of previous years and surplus moneys in the Excise Fund transferred to the General Fund, less the sum of twenty-three thousand five hundred and ninety-seven dollars and fifty cents (\$23,597.50), not deducted from the appropriations, as follows:

Myers, Comptroller of the City of New York, in compliance with the provisions of section 214 of the New York City Consolidation Act of 1882, do hereby certify to the Board of Aldermen of the City of New York that the aggregate amount estimated by the Board of Estimate and Apportionment of said city in its Final Estimate for the fiscal year 1892, made and adopted on Thursday, December 31, 1891, and herewith submitted, is thirty-five million eight hundred and eighty-one thousand two hundred and five dollars and nineteen cents (\$35,881,205.19), which is the total sum of the appropriations included therein to pay the expenses of conducting the public business of the City and County of New York, in each department and branch thereof, and the Board of Education, for the said fiscal year 1892, including the sums necessary to be raised by tax to pay the principal and interest of stocks and bonds becoming due and payable by said city during said fiscal year, not otherwise provided for; also the amount to be raised by tax annually, which, with the accumulations of interest thereon, will be sufficient to redeem the stocks and bonds issued, as provided by section 11 of article VIII. of the Constitution of the State of New York, as amended in 1884; also the amount required by law to be appropriated to various charitable institutions; and also so much as may be necessary to pay the proportion of the State tax required to be paid by the City and County of New York in said year 1892, a copy of which said Final Estimate, made and adopted by the said Board of Estimate and Apportionment on the 31st day of December, 1891, is hereto annexed.

I further certify that the estimated amount of the revenues derived from all sources of the General Fund, in the year 1892, is three million twenty-three thousand five hundred and ninety-

seven dollars and fifty cents (\$3,023,597.50) as stated in detail in a communication to your Honorable Body herewith submitted, setting forth the amounts by law authorized to be imposed and raised by tax in and for the said year 1892, from which amount is deducted the sum of twenty-three thousand five hundred and ninety-seven dollars and fifty cents (\$23,597.50), leaving three million dollars (\$3,000,000) as the amount of estimated revenues of the General Fund applied to the reduction of taxation by the Board of Estimate and Apportionment.

THEO. W. MYERS, Comptroller.

**HEALTH DEPARTMENT.**

HEALTH DEPARTMENT,  
NO. 301 MOTT STREET.

**TO CONTRACTORS.**

**SEALED BIDS OR ESTIMATES FOR FURNISHING** Two Hundred and Fifty Tons of White Ash Coal, egg size, for the Willard Parker Hospital, under the charge of the Board of Health, will be received at the office of the Health Department, in the City of New York, until 2:30 o'clock P. M. of 16th day of August, 1892. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed, "Bid or Estimate for furnishing Coal for Willard Parker Hospital," and with his or their name or names, and the date of its presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Board and read.

The Board of Health reserves the right to reject all bids or estimates, as provided in section 64, chapter 410, Laws of 1882, if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids. The Coal to be of good quality, and the quantity that will be required will be about Two Hundred and Fifty (250) Tons of White Ash Coal, to be well screened and in good order, each ton to be 2,240 pounds, in accordance with the specification attached to and which forms a part of the contract aforesaid.

Delivery to be made at the Willard Parker Hospital, near the foot of East Sixteenth street, at the time required by the Board of Health; any changes in the time or place of delivery, however, may be made in writing by the Board of Health.

The above quantity is estimated and approximated only, and bidders are notified that the Board of Health reserves the right to increase or diminish said quantities by an amount not exceeding fifteen per cent. of the estimated quantities, and the contractor will be paid therefor only at the rate or price named in the contract, and that in case the above-named quantity shall not be required by the Department, no allowance will be made for any real or supposed damage or loss of profit.

The person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal sum of SEVEN HUNDRED (700) DOLLARS.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters therein stated are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Bidders will be required to furnish testimonials that they are engaged in the coal business in the City of New York, and have the plant necessary to carry out promptly and regularly the contract, if it be awarded, to the entire satisfaction of the Board of Health, and must furnish an undertaking for the faithful performance of all the provisions thereof in the manner provided by law, executed by two householders or freeholders of the City of New York, each justifying in the penal sum of SEVEN HUNDRED (700) DOLLARS, and agreeing that if he shall omit or refuse to execute the said contract they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract shall be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the

amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract is awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or estimate, or if he or they accept, but do not execute, the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet as provided by law.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are cautioned to examine the form of contract and the specifications for particulars before making their estimates. Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment for the Coal will be made by requisition on the Comptroller, and as more specifically and particularly is set forth in the contract form.

Bidders are informed that no deviation from the contract and specifications will be allowed, unless under the written instruction of the Board of Health.

The form of the agreement, including specifications, showing the manner of payment, will be furnished at the office of the Department, No. 301 Mott street.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at Rooms 1, 9 and 15, No. 31 Chambers street.

### TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

**ATTENTION IS CALLED TO THE RECENT** act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property who shall also be the owners of a majority of the property in frontage on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act: When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

THOS. F. GILROY,  
Commissioner of Public Works
