Resolved, That, upon the annexed petition, it is recommended to the Commissioner of Public Buildings, Lighting and Supplies, that twelve gasoline (or park) lamps be placed in the Borough of The Bronx, as indicated upon the diagram hereto attached.

NEW YORK, October 18, 1901.

To the Hon. HENRY GEIGER:

DEAR SIR—The undersigned, property-owners and residents of the section known as Claremont Heights, hereby petition The City of New York to place twelve (12) gasoline (or park) lamps in this locality, a diagram of which is given.

We pay our just share of tax, etc., yet we have no improvements whatever. It is not safe for our wives and daughters to go abroad in this locality at night; women have been insulted on their way home; houses have been burglarized and bad characters infest the hill at night, and it does not seem fair that we cannot enjoy equal rights with other localities, so your petitioners earnestly request a needful necessity—street lights. Eighteen families dwell in this section. We have kept company with Moses in the bullrushes long enough. The territory to be covered with these street lamps is two blocks in extent with about fifty feet of roadway leading up to the first street corner from steps which lead up from Webster avenue. It would not require more than one dozen lamps. A mere bagatelle. We therefore pray you to give this your immediate attention, for it is a case of "must have light" with yours respectfully,

(Signed)
