(Neatness and excellence of form to be considered, but not time of execution.)	
Arithmetic	1

The Secretary was directed to inform the Chief Examiner that the Commission did not think it desirable to eliminate the arithmetic paper, but that it wished the test to be as simple as possible, embracing only addition, subtraction, multiplication and division. In view of the fact that the Commission had not considered the holding of a new examination for Stenographer and Typewriter (female), the Examiner's report regarding the conduct of that examination was laid over.

The action of the Chief Examiner in rejecting the application of James J. Morrissey, of No. 543 Seventh avenue, Mount Vernon, N. Y., for the position of Janitor-Engineer, under the provisions of Rule VII., clause 14, was approved.

A communication was presented from the Secretary of the State Civil Service Commission, dated November 16, stating that the following resolutions of the Municipal Commission of The City of New York had been approved at a meeting held on November 15:

Crosby, Consulting Geologist, who was excepted from examination on January 30, 1907, pursuant to the provisions of Rule XII., clause 6, to be employed by the Board of Water Supply, and substituting therefor a new limit of \$2,500.

4. Amending the classification of exempt positions under the heading "Mayor's Office," by striking therefrom the following:

"Chief Clerk and Bond and Warrant Clerk."

"3 Executive Clerks."

5. Excepting from examination, pursuant to the provisions of Rule XII., paragraph 6, Mr. Francis L. V. Hoppin, Architect, to be employed by the Fire Commissioner to prepare plans, specifications, etc., his compensation to approximate the sum of \$3,000, or five per cent. of the estimated cost of the work.

6. Waiving the limit of compensation fixed by Rule XII., paragraph 6 (\$750), so far as it applies to Mr. Thurlow W. Campbell, who was excepted from examination pursuant to that rule on July 10, 1907, to be employed as an expert Asphalt Mixer in the asphalt repair plant of the President of the Borough of Brooklyn, and fixing the compensation for such service at an amount not to exceed \$1,800.

7. Waiving the limit of compensation fixed by Rule XII., paragraph 6 (\$750), so far as it applies to Dr. Payne B. Parsons, who was excepted from examination to render expert service as an Assistant Engineer-Analyst in the Metropolitan Sewerage Commission, his total compensation not to exceed \$1,500.

8. Waiving the limit of compensation fixed by Rule XII., paragraph 6 (\$750), so far as it applies to the Stenographer supplied by the Fay-Sholes Company to the Department of Finance, to render expert service in connection with the examination of accounts of charitable institutions, and fixing such compensation at an amount not to exceed \$1,500.

9. Amending the classification of non-competitive positions by adding thereto the following:

"Positions in the Municipal Civil Service Commission: Monitor."

The communication was ordered filed.

On motion, it was

Resolved, That the following named persons be and they hereby are appointed a Board of Examiners for the position of Monitor in the Municipal Civil Service Commission:

Mr. F. G. Ireland, Chief Examiner.

Mr. Henry B. Boudinot, Clerk.

Mr. George H. Eberle, Chief Payroll Clerk.

The reassignment to duty of Joseph Driscoll as Marine Engineer in the Department of Street Cleaning (non-competitive class) on November 7, was approved, it appearing from the records of the office that he was suspended on May 20, 1907, for lack of work.

A letter was presented from the President of the Borough of Queens, dated November 16, stating that, in pursuance of an order of the Supreme Court, the name of Myron Anson Finkelstein, Draughtsman in the Topographical Bureau of that Department, had been changed to Myron Anson Finke. The Secretary was directed to note the change on the records of the office.

On motion, it was

Resolved, That, in pursuance of the provisions of Rule XII., paragraph 6, Dr. Samuel Sheldon, of the Polytechnic Institute of Brooklyn, be and he hereby is excepted from examination to consult with the Chief Engineer of the Board of Estimate and Apportionment in the matter of establishing and equipping a new fire alarm system in the Borough of Manhattan; provided, however, that his compensation for such service shall not exceed the sum of \$400.

On motion, it was

Resolved, That, in pursuance of the provisions of Rule XII., paragraph 6, the following named persons be and they hereby are excepted from examination to be employed for a period of three months as Expert Cataloguers in the College of The City of New York, at a compensation not to exceed \$75 each in any one month:

Dr. Festerson.

Joseph Gloetzell.

Harold Mattice.

A letter was presented from the Comptroller, dated November 12, stating that Mr. Alexander J. Beggs, who was excepted from examination by the Commission on October 2, 1907, pursuant to the provisions of Rule XII., paragraph 6, to be employed for a temporary period as an Expert Searcher in the Bureau for the Collection of Assessments and Arrears, had failed to report for duty, and requesting authority to substitute Mr. Louis A. Muldoon of Far Rockaway, Borough of Queens, in place of Mr. Beggs. The request was granted.

A letter was presented from the Secretary of the Department of Public Charities, dated November 18, requesting, by direction of the Commissioner, that the Commission hold an examination for promotion to Superintendent of the Kings County Hospital Training School, the incumbent of that position having signified her intention of resigning on January 15, 1908.

On motion, it was

Resolved, That the Secretary be and he hereby is directed to proceed with an examination for promotion to the position of Superintendent of the Kings County Hospital Training School, Department of Public Charities, such examination to be open to the Deputy Superintendents of the several training schools under the jurisdiction of that Department, and also the Supervising Nurses employed therein.

A letter was presented from the Assistant Secretary of the Board of Education, dated November 14, transmitting a certified copy of a resolution adopted by that Board at its meeting on the 13th inst., requesting an amendment of Part I. of the Competitive Class by including therein the position of Supervisor of Janitors. The Secretary was directed to advertise a public hearing on the proposed amendment in accordance with Rule III.

A letter was presented from the Assistant Secretary of the Fire Department, dated November 12, stating that, pursuant to an opinion of the Acting Corporation Counsel, dated August 8, 1905, the following orders had been made by the Fire Commissioner under dates of October 31 and November 11, 1907, respectively:

I.

"In accordance with the terms of an opinion of the Acting Corporation Counsel, dated August 8, 1905, Special Order No. 82, dated May 18, 1907, reinstating John J. Slyman in the capacity of third grade Fireman in this Department, to take effect at 8 o'clock a. m. on May 19, 1907 (he having been appointed a fourth grade Fireman June 10, 1905, advanced to the third grade June 10, 1906, having resigned as such third grade Fireman to become a Patrolman in the Police Department February 2, 1907, and been reinstated in this Department as third grade Fireman to take effect May 19, 1907), is hereby amended by adding at the end of the first sentence thereof the words 'with service record as third grade Fireman of two hundred and thirty-seven (237) days,' so that the date of entrance into the second grade shall be September 24, 1907, one hundred and twenty-eight (128) days from the date of reinstatement, and the Chief of Department will take the necessary action to give effect thereto; said Slyman, under date of November 1, 1907, having signed a waiver filed in this Department of all claims to arrears of compensation, as the result of his appointment and reinstatement, or which has accrued to him as the result of the action taken conceding his recognition of service as herein stated."

II.

"In accordance with the terms of an opinion of the Acting Corporation Counsel, dated August 8, 1905, Special Order No. 9, dated January 11, 1907, transferring Patrolman sixth grade Thomas Kilbride, Police Department, to this Department in the capacity of fourth grade Fireman, to take effect from 8 o'clock a. m. January 14, 1907 (he having been appointed a fourth grade Fireman August 23, 1905, having resigned as such to become a Patrolman in the Police Department October 20, 1905, and having been transferred back to this Department as fourth grade Fireman, to take effect at 8 o'clock a. m. January 14, 1907, as hereinbefore stated), is hereby amended by adding at the end of the first sentence thereof the words 'with service record as fourth grade Fireman of fifty-eight (58) days,' so that the date of entrance into the third grade shall be November 17, 1907, the same being three hundred and seven (307) days from the date of reinstatement; and the Chief of Department will take the necessary action to give effect thereto."

The Secretary was directed to note the amendments on the records of the office.

A letter was presented from the Tenement House Commissioner, dated November 11, with reference to the case of Jacob Rubenfeld, who was appointed to the position of Office Boy in his Department in April, 1907, and about whom the Commission addressed a communication to him under date of November 6. The letter was ordered filed.

A letter was presented from Mr. Cornelius J. Sullivan, Commissioner of Education, dated November 15, with further reference to the bills of Associate City Superintendent Stevens, dated October 7, and amounting to \$145, for the services of an Office Boy from January 15 to April 13, 1907, and a Stenographer from August 30 to September 28, 1907. After careful consideration of the matter the Secretary was directed to communicate with the Department of Education and state that there was no provision of the Civil Service Law or rules under which the appointment of the Office Boy could be approved, as there was an eligible list in existence at the time from which a temporary appointment should have been made; that the employment of the Stenographer could be approved under the provisions of Rule XII., paragraph 6, the services being of an expert nature, and to request that a separate voucher be prepared covering the services of the latter person and forwarded for certification.

A letter was presented from Dr. J. A. Gillet, Acting President of the Normal College of The City of New York, dated November 15, with further reference to the vouchers in payment of Mary B. James, Eleanor S. Christianson and Ella L. Flynn for temporary services rendered during the vacation period in the absence of the tutors. The Secretary was directed to communicate again with President Gillet and request him to inform the Commission whether the said persons were employed as teachers in the Department of Education.

A letter was presented from the Secretary of the Board of Education, dated November 11, requesting approval of the increase in salary of Messrs. Robert C. Nicholson and John M. Layman, Examiners of Claims employed in the Bureau of Audit and Accounts, from \$1,350 to \$1,500 per annum each, as of December 26, 1906, the date upon which the Board of Education granted the same, in view of the fact that on October 15, 1907, the seven other Examiners employed in that bureau had waived their right to compete with Messrs. Nicholson and Layman for such promotion. The Secretary stated that when the increase in salary had been allowed

by the Board of Education on December 26, 1907, it was informed that Messrs. Nicholson and Layman were not eligible for the same and that it would be necessary for them to compete in a promotion examination with the other persons employed under the same title and at the same salary in the Bureau of Audit and Accounts; and that nothing further was heard of the matter until October 15, when the other competitors waived their right to compete, whereupon a payroll for back pay of Messrs. Nicholson and Layman was forwarded to the office. After careful consideration of the matter the request was denied. The Secretary was directed, however, to communicate with the Board of Education and state that the Commission would approve the increase in salary of Messrs. Nicholson and Layman from \$1,350 to \$1,500 per annum from September 20, 1907, the date upon which the regrading of positions in the clerical service became effective, such increase being within the maximum of the new third grade.

A letter was presented from the Commissioner of Parks, Borough of The Bronx, dated November 16, requesting authority to employ a Blaster under the provisions of section 11 of Rule XIX. of the Civil Service Rules. The Secretary was directed to inform the Commissioner that as the title of Blaster did not appear in the classification an appointment could not be made under that rule, and to advertise a public hearing on the proposed amendment of the classification by including the said title in Part II. of the Labor Class.

A letter was presented from the Deputy Commissioner of Water Supply, Gas and Electricity, dated November 14, requesting authority to reassign Miss Sadie A. Bryan to duty as a Temporary Clerk in that Department in view of the fact that she had worked only six weeks between the date of her appointment to the position and September 18, when her name was dropped from the payroll on account of continued illness and transmitting a doctor's certificate. The request was granted.

A letter was presented from the Deputy Commissioner of Water Supply, Gas and Electricity, dated November 12, requesting approval of the transfer of Mr. John Ashmead from Draughtsman's Helper, at a salary of \$1,200 per annum, to Topographical Draughtsman, at the same salary, on the ground that his name appeared among the first three on the eligible list for the latter position. The Secretary stated that Mr. Ashmead's name would be third for such appointment if restored to the list, as it had been dropped on September 28, 1907, upon his declining an appointment in the Department of Taxes and Assessments.

On motion, it was

Resolved, That the name of John Ashmead be and the same hereby is restored to the eligible list of Topographical Draughtsman, \$1,200, and his transfer from the position of Draughtsman's Helper, in the Department of Water Supply, Gas and Electricity, to that position is hereby approved.

The Secretary called the attention of the Commission to a communication from the Department of Health, dated November 15, stating that, pursuant to a resolution of that Board adopted October 9, 1907, Mr. Shirley W. Wynne, of No. 621 West One Hundred and Thirty-fifth street, Borough of Manhattan, had been appointed a Medical Clerk and assigned to duty in the Bureau of Records, Borough of Brooklyn, with salary at the rate of \$1,050 per annum. The Secretary stated that Mr. Wynne had been certified for appointment at a salary of \$1,000 per annum, but that he would be No. 2 for appointment at \$1,050.

On motion, it was

Resolved, That the appointment of Shirley W. Wynne as Medical Clerk in the Department of Health, at a salary of \$1,050 per annum, be and the same hereby is approved.

A letter was presented from the President of the Borough of Brooklyn, dated November 19, requesting that the examination taken by Mr. John C. Sheridan for promotion to Chief Engineer of the Bureau of Highways, on November 18, be construed by the Commission as a non-competitive examination, pursuant to the provisions of Rule XV., paragraph 9, less than three persons having signified their desire to compete; that his papers be rated at an early date and that, in the event of his qualifying, his name be certified for promotion to the vacant position in that bureau. The request was granted.

A letter was presented from the President of the Borough of Brooklyn, dated November 15, requesting that the examination for promotion to Chief Engineer in the Topographical Bureau of his department, which examination had been set down by the Chief Examiner for December 12, be held on November 25. The request was denied.

On motion, it was

Resolved, That the emergency appointment of the following named persons as Topographical Draughtsmen in the office of the President of the Borough of The Bronx, with salary at the rate of \$1,350 per annum, be and the same hereby is approved for a period of fifteen days, pursuant to the provisions of Rule XII., clause 4:

William H. Rettie, No. 266 East Two Hundred and Thirty-sixth street.

Edward F. Engel, No. 316 East One Hundred and Fifty-fourth street.

Charles Standfast, One Hundred and Ninety-seventh street and Bainbridge avenue.

Henry L. Haffen, No. 308 East One Hundred and Sixty-second street.

Alexander Thompson, No. 419 West Thirty-first street.

B. W. McDowell, No. 2481 Davidson avenue.

Richard M. McDermott, Bedford Park.

On motion, it was

Resolved, That the Secretary be and he hereby is directed to summon the following named persons for a non-competitive examination to qualify them for provisional appointment as Topographical Draughtsmen in the office of the President of the Borough of The Bronx, with salary at the rate of \$1,350 per annum, pursuant to the provisions of Rule XII., paragraph 3:

B. W. McDowell, No. 2481 Davidson avenue.

Richard M. McDermott, Bedford Park.

William H. Rettie, No. 266 East Two Hundred and Thirty-sixth street.

Edward F. Engel, No. 316 East One Hundred and Fifty-fourth street.

On motion, it was

Resolved, That the appointment of Ezra J. Hunter, of Jamaica, N. Y., as Cleaner in the Board of Water Supply, with salary at the rate of \$10 a month, be and the same hereby is approved under the provisions of Rule XII., paragraph 6.

On motion, it was

Resolved, That the appointment of William Rand, of Poughkeepsie, N. Y., as Office Boy in the Board of Water Supply, with salary at the rate of \$300 per annum, be and the same hereby is approved, pursuant to the provisions of Rule XII., paragraph 7.

A letter was presented from the General Medical Superintendent of Bellevue and Allied Hospitals, dated November 15, requesting that Thomas P. Farrell, Stoker, employed in Bellevue Hospital, be granted an examination for promotion to Stationary Engineer to fill a vacancy in Gouverneur Hospital. It appearing that the position of Stoker was in the non-competitive class, the request was denied, and the Secretary was directed to inform the Superintendent that it would be necessary to fill the vacancy from the competitive eligible list of Stationary Engineer.

A letter was presented from the Secretary of the Department of Public Charities, dated November 14, requesting that all Trained Nurses in that Department, whether male or female, be admitted to the forthcoming examination for promotion to Supervising Nurse. The request was granted.

On motion, it was

Resolved, That, pursuant to the provisions of Rule XII., paragraph 6, Messrs. Robert S. Peabody and William Rutherford Mead be and they hereby are excepted from examination to serve as members of a Jury of Architects for the new penitentiary, Riker's Island (Department of Correction); provided, however, that their compensation shall not exceed the sum of \$250 each.

The Secretary called the attention of the Commission to a payroll of the Department of Water Supply, Gas and Electricity, for salary of Louis Sack, as Laborer, from July 26 to October 4, 1906, a period of sixty-three days at \$2 a day (\$126). It appeared that on July 15, 1906, Louis Sack had been appointed a Laborer in the office of the President of the Borough of Brooklyn, but that within a few days he was again certified to the Department of Water Supply, Gas and Electricity, no notice of his appointment in the former department having been received; that when he received the second certification, being ignorant of the Civil Service rules, he left the Department of the President of the Borough of Brooklyn and accepted an ap-

pointment in the Department of Water Supply, Gas and Electricity, for the reason that he would have seven days' work a week and receive better pay; that the Labor Bureau never recognized his appointment in the latter department, where he worked until October 4. After consideration of the matter, the Secretary was directed to attach a special certificate to the payroll, to the effect that, while the said person was not regularly appointed, he was eligible for the employment which he accepted.

The following emergency appointments were approved pursuant to the provisions of Rule XII., paragraph 4:

Process Server, Bureau of Buildings, Brooklyn. (At Omaha, Neb.)
Process Server, Bureau of Buildings, Brooklyn. (At Patchogue, Long Island.)
John J. McShane, Automobile Engineer, Department of Public Works, Brooklyn.
Anna J. Driscoll, Nurse, Bellevue and Allied Hospitals.
Carl Fischer, Brass Band Instructor, Brooklyn Disciplinary Training School.
James C. Marriott, Stenographer, Mayor's office (Bureau of Licenses).
Perry and Foran, Stenographers, Board of Elections.
James McNevin, Cleaner, Police Department.
Joseph Marowitz, Interpreter (Russian), Coroner's office, Manhattan.
Joseph Fahid, Interpreter (Turkish), Board of Coroners, Manhattan.

The following emergency appointment was approved, pursuant to the provisions of Rule XIX., clause 11:

James Snyder, Tin and Sheet Iron Worker, office of the President of the Borough of Richmond.

The reports of the following Boards of Examiners for positions in the Non-Competitive Class were approved upon the recommendation of the Chief Examiner:

Department of Public Charities, November 11, 18.

Department of Correction, November 13, 19.

New York Nautical School, November 16.

Board of Education, November 15, 15.

A letter was presented from the President of the Borough of Queens, dated November 18, with further reference to the employment of Mr. Ignatius Freschi as Stenographer and Typewriter in his office during the months of July and August, at a total compensation of \$200, which matter was laid over by the Commission at its meeting of October 30, pending the receipt of further information from the President of the Borough of Queens. It appeared from President Bermel's letter that Mr. Freschi was employed as a substitute while the Stenographers and Typewriters in his Department were on vacation, and that as his services were required for a short period only, he did not think it would be possible to secure a person from the regular eligible list. The Secretary was directed to certify the voucher for Mr. Freschi's services under the provisions of Rule XII., paragraph 6.

A letter was presented from Mr. Herman K. Endemann, Assistant Engineer-in-Charge of the Topographical Bureau office of the President of the Borough of Queens, dated November 15, stating that Mr. Charles Weinburgh, of No. 223 West Houston street, who was certified to that Department for appointment as Topographical Draughtsman on or about September 1, 1907, had declined such appointment on the score of location. The Secretary stated that it appeared from the first report of the Department that Mr. Weinburgh had failed to answer the notice sent him. The Secretary was directed to note the correction on the eligible list.

The request of Gustav E. Reich for permission to correct the date of birth set forth in his application for Patrolman from June 17, 1883, to June 18, 1884, in order to correspond with the certificate of baptism submitted, was granted.

The request of William F. Sudbrink, No. 43 Halsey street, Astoria, L. I., for permission to correct the date of birth set forth in his application for Patrolman to read "December 28, 1877," was granted upon the affidavit of his father that he was born on that date.

The Secretary presented, for the consideration of the Commission, the following applications for promotion, which were not filed until after the closing date for the receipt of promotion applications, for the reason that the candidates had not been aware that the examinations were to be held, nor of the fact that applications would only be received by the Commission up to November 1:

George G. Carroll, Pile Driving Engineer, Department of Docks and Ferries; candidate for Marine Engineer.

Daniel J. Brennan, Pile Driving Engineer, Department of Docks and Ferries; candidate for Marine Engineer.

William Lewis, Pile Driving Engineer, Department of Docks and Ferries; candidate for Marine Engineer.

B. J. Jennings, Pile Driving Engineer, Department of Docks and Ferries; candidate for Marine Engineer.

William Kern, Stoker, Department of Docks and Ferries; candidate for Marine Engineer.

Christian W. Wentzler, Jr., Stoker, Department of Water Supply, Gas and Electricity; candidate for Stationary Engineer.

Herman A. Martens, Mechanical Draughtsman, Department of Docks and Ferries; candidate for Assistant Engineer.

William F. Brendlin, Mechanical Draughtsman, Department of Docks and Ferries; candidate for Assistant Engineer.

James McCabe, Collector, Department of Docks and Ferries; candidate for Clerk, fourth grade.

William L. Boyle, Clerk, first grade (\$480), Department of Health; candidate for Clerk, second grade.

The applications were accepted.

A letter was presented from William L. Boyle, No. 803 Sterling place, Brooklyn, submitting an application for promotion from first grade Clerk to second grade Clerk in the Department of Health, and stating that prior to the closing date for the receipt of promotion applications he had telephoned the office of the Commission and had been informed by a Clerk that he was not eligible to compete, for which reason he had not filed an application; but that he had since learned, upon inquiry of the Secretary, that he was eligible. The application was accepted.

The request of Joseph Moran, No. 447 West Twenty-first street, for permission to correct the place of birth given in his application for Stationary Engineer, filed in 1905, from Jersey City, N. J., to Ireland, was granted, his explanation of the matter being satisfactory to the Commission, and a certificate of naturalization having been furnished.

A letter was presented from Frank Davis, No. 79 West One Hundred and Twenty-fourth street, requesting that his application for Stationary Engineer and Janitor-Engineer be accepted. It appeared that the candidate had been born in England and brought to New York by his parents shortly thereafter; that his father had been naturalized in New York City in the year 1852, but that he was unable to produce his father's citizenship papers as he had been dead for many years; that he, the candidate, had lived in the same neighborhood for twenty years and had always voted without question. The application was accepted.

A letter was presented from William B. Taylor, a Leveler employed in the Bureau of Sewers, Borough of Manhattan, requesting that the records of the Commission be amended so as to show his employment in the City's service prior to 1888, and transmitting a letter from the Secretary of the Borough of Manhattan to the effect that the records of his office showed that Mr. Taylor was appointed to the position of Axeman in the Department of Public Works on January 10, 1885. The Secretary stated that the Commission had no record of Mr. Taylor's employment prior to December 1, 1888, when he was appointed as a Rodman at a salary of \$1,200 in the Department of Public Works, Borough of Manhattan. After consideration of the matter, the Secretary was directed to note the date of Mr. Taylor's appointment as Axeman as given in the letter of the Secretary of the Borough of Manhattan, namely, January 10, 1885; and also to note that he was removed for lack of work on December 31, 1895, and reappointed as Chairman in the Department of Public Parks on August 7, 1896.

A communication was presented from the Manager of the Columbia Graphophone Company, dated November 12, offering the use of two graphophones in the coming examination for Typewriting Copyist, and stating that the installation of such machines would be without cost other than the charge for delivery. The communication was ordered filed.

A letter was presented from Joseph C. Byrne, No. 1945 Clinton avenue, dated November 12, requesting that his name be restored to the eligible list of Senior Clerk, from which he had been appointed in the Department of Finance as a Temporary Clerk, and stating that the absence without leave which resulted in his dismissal from that position was due to an accident which made it impossible for him to report for duty. The matter was referred to Deputy Comptroller McCooey for a report.

The request of Henry D. Demuth, dated November 14, that his name be transferred from the eligible list of Court Stenographer for the Borough of Brooklyn to the list for the Borough of Manhattan was granted upon his affidavit to the effect that he had resided at No. 5 East Eighth street, Borough of Manhattan, since August 10, 1907.

The following requests for restoration to the eligible lists indicated were granted: William F. Wilbour, No. 161 Madison avenue, Junior Assistant Corporation Counsel (\$1,200). Declined appointment on account of salary on April 29, 1907. Is now willing to accept.

Otto Walko, No. 1486 DeKalb avenue, Brooklyn, first grade Clerk (\$300). Stated that he declined appointment in the Department of Health, Borough of Richmond, on account of location, and that he did not fail to reply to notice, as reported by that Department.

Leopold Leer, No. 1052 Boston road, Rodman. Stated that when he declined appointment in the Aqueduct Commission for assignment at Croton Falls, he did not know that his name would be stricken from the list.

The request of John McKee, No. 173 West street, Manhattan, that his name be restored to the eligible list of Temporary Clerk was denied for laches.

The Commission then adjourned to meet Wednesday, December 4, 1907, at 10 o'clock in the forenoon.

FRANK A. SPENCER, Secretary.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or her name and names and the date of presentation to the President or Board or to the head of the Department, at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done.
