I have today adopted this amendment to the New Plan and respectfully submit it with the request that it be approved by the Commissioners of the Sinking Fund.

Very truly yours,  
R. A. C. SMITH, Commissioner of Docks.

May 26, 1916.

**To the Honorable the Commissioners of the Sinking Fund:**

Gentlemen—In a communication dated May 1st, 1916, the Commissioner of Docks transmitted for approval a plan for the alteration and amendment of the amended New Plan for the improvement of the water-front and harbor of The City of New York between West 38th and West 42nd Streets, North River, Borough of Manhattan.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of the plan for the amendment of the plan, for the improvement of the waterfront and harbor of The City of New York between the northerly side of West 38th Street and the southerly side of West 42nd Street, North River, Borough of Manhattan, adopted by the Commissioner of Docks in accordance with law May 1, 1916.

The Chair then declared the hearing closed.

**Dock Department—Lease to the Western Union Telegraph Company of the Right and Privilege to Keep and Maintain a Cable House on the Outer End of the Pier at the Foot of W. 54th St., Manhattan.**  
Laid over.

**Dock Department—Lease to Henry Steers, Inc., of 200 Feet of the Northerly Side of the Pier Foot of W. 54th St., Manhattan.**

The following was received from the Commissioner of Docks:

Pier A, North River, May 17, 1916.

Hon. JOHN PURROY MITCHEL, Mayor and Chairman of the Commissioners of the Sinking Fund:

Sir—On December 29, 1915, the Commissioners of the Sinking Fund adopted a resolution approving of and consenting to the execution by the Commissioner of Docks of a lease of the pier at the foot of West 55th Street, and adjoining bulkheads, to Furness, Withy & Co., Limited, for a period of ten (10) years at an annual rental of \$60,000 per annum, with the privilege for renewal of two additional terms of ten (10) years. The rental of the renewal terms to be at an advance of 10 per cent. on the rental for the preceding term.

The resolution also provides that the lease shall be of no force or effect unless Henry Steers, Inc., lessee of a portion of the pier at the foot of West 55th Street shall file in the office of the Department of Docks and Ferries a release of all its right, title and interest in and to said pier.

Henry Steers, Inc., is the lessee for a term of ten (10) years from July 1, 1911, of the following described property:

"All that certain wharf property situate on the North River in the Borough of Manhattan, City of New York, County of New York, and known and described as follows, to-wit:

"Two hundred feet of the southerly side of the pier at the foot of West 55th Street, extending from the inner end of said pier outshore a distance of two hundred feet, being the portion of said pier now or formerly occupied by Brown & Fleming, together with the privilege of erecting and maintaining during the term of said lease, or any renewal thereof, a dumping board extending from a line parallel to and about eighteen feet north of the southerly line of said pier foot of West 55th Street to a line eighteen feet south of the southerly side of said pier, in all a distance of about thirty-six feet."

Henry Steers, Inc., have agreed to the cancellation of the lease of the property described in the preceding paragraph provided a new lease is granted of a similar area on the pier foot of West 54th Street with a new dumping board, at the same rental as is now paid and for the balance of the unexpired term of its present lease. Bids have been received from several reputable contractors for building a new dumping board on the pier foot of West 54th Street and the lowest bidder is Allen N. Spooner & Sons, Inc., address Pier 11, North River, New York City, in the sum of \$5,675.

Furness, Withy & Co., Ltd., have agreed to award the contract for building the dumping board to the lowest bidder for \$5,675, and to pay the cost thereof on condition that this amount shall be deducted from the first quarter's rent due under the lease of the pier foot of West 55th Street.

The Board of Estimate and Apportionment upon a recommendation of the Commissioners of the Sinking Fund authorized the Comptroller to issue corporate stock to an amount not exceeding \$351,000 to be used by this Department for the improvement of the pier foot of West 55th Street and the adjoining bulkhead to comply with the requirements of the lease to Furness, Withy & Co., Ltd., and the rental for the pier and bulkhead when improved will be at the rate of \$60,000 per annum. In recommending the rental at this figure this Department took into consideration the fact that some allowance would have to be made for the abandonment of the present dumping board on the pier foot of West 55th Street and the installation of a new dumping board on the pier foot of W. 54th Street, and the difference between the return on the actual cost and the rental reserved in the lease is ample to cover the cost of building the new dumping board.

The revenue derived from the West 55th Street pier for the past five years, including the rental of the dumping board of Henry Steers, Inc., is as follows:

	Wharfage.	Lease.
1911 .....	\$3,334 37	\$1,281 26
1912 .....	3,876 09	1,312 52
1913 .....	1,937 89	1,312 52
1914 .....	34 35	1,914 00
1915 .....	829 08	1,312 52

I, therefore, beg to recommend that the Commissioners of the Sinking Fund approve of and consent to the execution by the Commissioner of Docks of the following lease:

Lessee: Henry Steers, Inc.

Description: Two hundred feet (200') of the northerly side of the pier at the foot of West 54th Street extending from the inner end of said pier outshore a distance of two hundred feet (200').

Rental: One thousand three hundred twelve dollars and fifty cents (\$1,312.50) per annum. (This being the same rent now paid for the dumping board on the West 55th Street pier.)

Term: Commencing from the date the lessee takes possession of the new dumping board, and expiring June 30, 1921. (The date of the expiration of the present lease of the West 55th Street dumping board.)

Dumping Board: The lessee shall have the privilege of maintaining during the term of the lease a dumping board extending from a line parallel to and about eighteen feet south of the northerly line of the pier at the foot of West 54th Street to a line eighteen feet north of the northerly line of said pier, in all a distance of about thirty-six feet.

Surrender of Existing Lease: It is understood and agreed that this lease shall be of no force or effect unless Henry Steers, Inc., shall file in this Department a surrender of the existing lease of a portion of the pier at the foot of West 55th Street dated May 31, 1911, and a release of all the right, title and interest of said corporation in and to said pier, including the present dumping board and the approach appurtenant thereto.

Remaining Terms and Conditions: The remaining terms and conditions of the lease shall be similar to those contained in leases of wharf property now used by this Department. Respectfully yours, R. A. C. SMITH, Commissioner of Docks.

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

**To the Honorable the Commissioners of the Sinking Fund:**

May 26, 1916.

Gentlemen—The resolution of the Commissioners of the Sinking Fund, dated December 29th, 1915, approving of the execution by the Commissioner of Docks of the lease of the West 55th Street pier with adjoining bulkheads, to Furness, Withy & Co., Limited, provided that the lease should be of no force or effect unless Henry Steers, Inc., lessee of a portion of the West 55th Street pier, file in the office of the Department of Docks and Ferries a release of all its right, title and interest in said pier.

The lease of Henry Steers, Inc., is for a term of ten years from July 1st, 1911, and includes that portion of the West 55th Street pier extending from the inner end outshore a distance of 200 feet, "being the portion of said pier now or formerly occupied by Brown and Fleming," with dumping board privilege extending from a line parallel and about 18 feet north of the southerly line of the pier to a line 18 feet south of the southerly line of the pier, in all about 36 feet.

Henry Steers, Inc., have agreed to the cancellation of the lease of the above described property provided it be granted a new lease of a similar area on the West 54th Street pier, with a new dumping board at the same rental as now paid and for the balance of the unexpired term of its present lease.

The Department of Docks and Ferries has received several bids from reputable contractors for building a new dumping board on the 54th Street pier, the lowest bidder being Allen N. Spooner & Sons, Inc., of pier No. 11, North River, New York City, in the sum of \$5,675.00.

Furness, Withy & Co., Limited, have agreed to award the contract for building the dumping board to the lowest bidder for \$5,675.00 and to pay the cost thereof on condition that this amount shall be deducted from the first quarter's rent due under the lease of the West 55th Street pier.

The sum authorized by the Board of Estimate and Apportionment for the improvement of the West 55th Street pier and adjoining bulkhead to comply with the requirements of the Furness, Withy & Co. lease was \$351,000.00.

The rental for the improved pier and bulkhead, \$60,000.00 per annum, is sufficient to allow for the abandonment of the present dumping board and the installation of a new dumping board on the West 54th Street pier; that is to say, the difference between the return on the actual cost and the rental reserved in the lease is ample to cover the cost of building the new dumping board.

The Commissioner submits a schedule showing the revenue derived from the West 55th Street pier, covering both open wharfage and lease, from 1911 to 1915, inclusive, which includes the rental of the Henry Steers dumping board; the return varied from \$1,948.35 to \$5,188.61, averaging \$3,428.92 per annum.

In view of these conditions the Commissioner of Docks requests that the Commissioners of the Sinking Fund approve of and consent to the execution of a lease to Henry Steers, Inc., of two hundred feet of the northerly side of the pier at the foot of West 54th Street, extending from the inner end of said pier outshore a distance of two hundred feet.

The rental to be at the rate of \$1,312.50 per annum (this being the same rent now paid for the dumping board on the West 55th Street pier), commencing from the date the lessee takes possession of the new dumping board and expiring June 30th, 1921 (the date of the expiration of the present lease of the West 55th Street dumping board).

The lessee to have the privilege of maintaining during the term of the lease a dumping board extending from a line parallel to and about eighteen feet south of the northerly line of the pier at the foot of West 54th Street to a line eighteen feet north of the northerly line of said pier, in all a distance of about thirty-six feet.

The lease to be of no force or effect unless the lessee file in the Department of Docks and Ferries a surrender of the existing lease for a portion of the West 55th Street pier, dated May 31st, 1911, and a release of all right, title and interest in said pier, including dumping board and appurtenant approach.

The remaining terms and conditions of the lease are to be similar to those contained in leases of wharf property now used by the Department of Docks and Ferries. Respectfully,  
ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve and consent to the execution by the Commissioner of Docks of a lease to Henry Steers, Inc., of two hundred feet (200') of the northerly side of the pier at the foot of West 54th Street extending from the inner end of said pier outshore, a distance of two hundred feet (200'). The rental to be at the rate of one thousand three hundred twelve dollars and fifty cents (\$1,312.50) per annum. (This being the same rent now paid for the dumping board on the West 55th Street pier.) The lease to commence from the date the lessee takes possession of the new dumping board, and expiring June 30th, 1921. (The date of the expiration of the present lease of the West 55th Street dumping board.) The lessee to have the privilege of maintaining during the term of the lease a dumping board extending from a line parallel to and about eighteen feet south of the northerly line of the pier at the foot of West 54th Street to a line eighteen feet north of the northerly line of said pier, in all a distance of about thirty-six feet. It being understood and agreed that this lease shall be of no force or effect unless Henry Steers, Inc., shall file in the Department of Docks and Ferries a surrender of the existing lease of a portion of the pier at the foot of West 55th Street dated May 31st, 1911, and a release of all the right, title and interest of said corporation in and to said pier, including the present dumping board and the approach appurtenant thereto. The remaining terms and conditions of the lease shall be similar to those contained in leases of wharf property now used by the Department of Docks and Ferries.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

**Street Cleaning Department—Renewal of Lease for, of Premises at No. 590 Amsterdam Ave., Borough of Manhattan.**

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 25, 1916.

**To the Honorable The Commissioners of the Sinking Fund:**

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Board, under date of April 26, 1916, requests a renewal of the lease of the store and cellar of the premises at 590 Amsterdam Avenue, Borough of Manhattan, occupied as a section station for a period of three years from August 1, 1916, at an annual rental of \$1,560.

These premises have been rented by the City for a number of years at \$1,500 and the owner now demands an increase in rental of \$60 a year.

The adjoining similar store, at 592 Amsterdam Avenue, is rented as a restaurant for \$1,800 a year.

Every effort has been made to find another suitable location at less rent, but without success.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the store and cellar premises at No. 590 Amsterdam Avenue, Borough of Manhattan, consisting of store, 20 by 42 feet, and cellar space, 12 by 33 feet, for use of the Department of Street Cleaning, for a term of three years from August 1, 1916, at an annual rental of \$1,560, payable quarterly; the lessors to pay taxes and make outside repairs; the lessee to pay for the water used, furnish heat, light and caretaker and make such inside alterations and repairs as it may deem necessary, otherwise upon the same terms and conditions. Lessors, Dengler Brothers, Incorporated, Green Hill Road and Rochambeau Avenue, The Bronx. Respectfully,  
ALEX. BROUGH, Deputy and Acting Comptroller.

**Health Department—Lease for, of Premises at No. 22 Maspeth Ave., Maspeth, Borough of Queens.**

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 26, 1916.

**To the Honorable the Commissioners of the Sinking Fund:**

Gentlemen—The Secretary of the Department of Health, in a communication to this Department under date of May 3, 1916, states that the owners of premises at 22 Maspeth avenue, Maspeth, Borough of Queens, have signified their willingness to make certain repairs thereat, as required by the Bureau of Fire Prevention, provided the City will enter into a long lease for said premises. The Secretary further states that the Department of Health has experienced difficulty in finding suitable quarters in that part of the city, and requests that the existing lease be cancelled, and a new lease be made for a period of two years from February 1, 1916.

At a meeting of your Board held December 8, 1915, a renewal of the lease of the premises in question was authorized for a period of one year from February 1, 1916, with privilege of renewal for an additional year upon the same terms and conditions, at a rental of \$216 per annum, payable quarterly.

Inasmuch as the Bureau of Fire Prevention has directed the use of these premises as a milk station be discontinued until certain orders have been complied with, I am of the opinion that the request of the Health Department should be granted.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of two rooms on the first floor of the premises No. 22 Maspeth avenue, Maspeth, Borough of Queens, for use of the Department of Health, for a period from May 1, 1916, to February 1, 1918, at a rental of \$216 per annum, payable quarterly; the lessor to pay taxes and water rates and make such alterations and repairs as required by the Commissioner of the Department of Health and the Bureau of Fire Prevention, the lessee to furnish heat, light and janitor service and make such slight interior alterations and repairs as it may deem necessary during occupancy; the lease to contain a clause providing for the cancellation as of May 1, 1916, of the existing lease of the premises in question, occupied by the Department of Health, in accordance with a resolution of the Commissioners of the Sinking Fund adopted on December 8, 1915. Lessors, Paul A. Noller and Karoline Noller. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from Paul A. Noller and Karoline Noller, of two rooms on the first floor of premises No. 22 Maspeth Avenue, Maspeth, Borough of Queens, for use of the Department of Health, for a period from May 1, 1916, to February 1, 1918, at a rental of two hundred and sixteen dollars (\$216) per annum, payable quarterly; the lessor to pay taxes and water rates and make such alterations and repairs as required by the Commissioner of the Department of Health and the Bureau of Fire Prevention; the lessee to furnish heat, light and janitor service and make such slight interior alterations and repairs as it may deem necessary during occupancy; the lease to contain a clause providing for the cancellation as of May 1, 1916, of the existing lease of the premises in question, occupied by the Department of Health, in accordance with a resolution of the Commissioners of the Sinking Fund adopted on December 8, 1915; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by Sections 149 and 217 of the Greater New York Charter.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

**Commissioner of Jurors—Occupation by, of Rooms at No. 280 Broadway, Borough of Manhattan.**

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Commissioner of Jurors is occupying rooms 123 to 129 in the Stewart Building, No. 280 Broadway, Borough of Manhattan. No rent for the same has been paid since November 1, 1915. The Commissioner of Jurors has requested that the rent of these premises be authorized for the period up to and including April 30, 1916, at the rate of \$5,183.64 per annum, which is to my mind fair and reasonable.

I, therefore, respectfully recommend that the Commissioners of the Sinking Fund authorize the Comptroller to pay rent to Edward D. **Armory Board—Issue of \$98,850 of Corporate Stock for the Completion of the New Eighth Coast Defense Command Armory.**

The Deputy and Acting Comptroller presented the following report of the Corporate Stock Budget Committee and offered the following resolution:

May 25, 1916.

*To the Commissioners of the Sinking Fund:*

Gentlemen—On April 12, 1916, you referred to the Committee on Corporate Stock Budget a resolution adopted by the Armory Board on March 23, 1916, submitting to your Board for approval, (1) an application for \$104,250 in corporate stock for the completion of the Eighth Coast Defense Command Armory, and (2) an amendment to a previous application dated November 18, 1913, which reduces the amount of the latter by \$275,750.

The Bureau of Contract Supervision, to which the matter was referred, reports thereon as follows:

"On June 17, 1914, in a report to the Commissioners of the Sinking Fund, the Comptroller recommended that the resolution of the Armory Board adopted on November 18, 1913, be not concurred in, but that \$31,000 be made available by the Board of Estimate and Apportionment from the fund C. F. M. 24 to provide means to complete the plumbing, heating and lighting as set forth in item 5 of the resolution. It was also stated in the report that the other items of work, as set forth in the resolution, might with advantage be left for consideration at a later date, when the completion of the building would permit of a more detailed study of the requirements than was then possible.

"Since that time the armory has been substantially completed.

"The request states that the work remaining to be done, most of which must be completed before the armory can be occupied, and the estimated cost thereof, is as follows:

1. Furniture .....	\$88,000 00
2. Iron grills .....	15,000 00
3. Drill shed lighting .....	10,750 00
4. Lighting fixtures .....	17,500 00
5. Parapet wall around emplacements .....	3,000 00
6. Sand floor .....	4,000 00

Total .....	\$138,250 00
Less unencumbered balance .....	34,000 00

Present request .....

"These items of work and the estimates of cost were reported as necessary to the Armory Board by the Bureau of Contract Supervision on March 16, 1916. The items were determined after a careful examination of plans and specifications and tentative estimates for the work prepared by the architects.

"A discussion of the items in detail follows:

**"Furniture.**

"The amount for this purpose was arrived at after studying the schedule of furniture submitted by the architect, estimated to cost \$110,244.99, including architect's fees.

"It was found, when compared with the equipment furnished by the United States Government for similar purposes at its army posts and also with the equipment of the most recently constructed armories of this state, that the furniture, as scheduled, was in some instances excessive in quantity, too elaborate in design and of too wide variety.

"After conference between the Commanding Officer, the Architects and the Bureau of Contract Supervision, a tentative schedule of allowances reduced the estimate of cost to \$88,000. A further investigation indicates that \$82,600 will be sufficient.

"This sum will provide plain but substantial and comfortable furniture in the company rooms, the library, and in the rooms used as offices; leather upholstered furniture in the Colonel's reception room, Board of Officers' Room, and Veterans' Room; kitchen and mess facilities for the officers and enlisted men; a gymnasium, a bowling alley and suitable floor coverings, hangings and shades.

**"Iron Grills.**

"Iron grills are to be provided for the doors and windows of the basement

and first floor, and railings are to be constructed around areaways. This item also includes two bronze tablets; one giving data concerning the construction of the building and the other the history of the organization.

"The estimated cost of \$15,000 for this work is reasonable.

**"Drill Shed Lighting.**

"A modern system of lighting, consisting of 60 nitrogen, 1,000 watt units, with remote control, is proposed.

"A preliminary study of the scheme indicate that some economies may be effected in the wiring, but as the figures on which the estimate of \$10,750 is based are six months old, the saving in wiring will probably be offset by the increased cost of material.

**"Lighting Fixtures.**

"The amount of \$17,500 requested for lighting fixtures was arrived at by a joint conference of representatives of the architects, the Armory Board, the Department of Water Supply, Gas and Electricity and the Bureau of Contract Supervision. The amount is reasonable.

**"Parapet Wall.**

"It is proposed to build a concrete wall around the two gun emplacements in order to reproduce the conditions existing in a fortification.

"The estimated cost of \$3,000 for this work is reasonable.

**"Sand Floor.**

"The drill shed is to be provided with a dirt floor instead of the ordinary board floor. The covering will consist of a layer of clay over the concrete floor slabs now in place and alternate layers of sand and shavings built up to the required thickness of eighteen inches. This represents the latest and best method of construction for this purpose.

"The amount of \$4,000 requested for this work is reasonable.

"There has been authorized and made available for the construction of this armory the sum of \$1,265,363.62, of which there remains an unencumbered balance of \$34,691.62, which, with an additional amount of \$98,850, will apparently be sufficient to prepare the armory for occupation."

We recommend the adoption of the attached resolution granting the request to the extent of \$98,850. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller; FRANK L. DOWLING, President, Board of Aldermen; LEWIS H. POUNDS, President, Borough of Brooklyn; DOUGLAS MATHEWSON, President, Borough of The Bronx; Corporate Stock Budget Committee.

*To the Honorable the Commissioners of the Sinking Fund:*

May 24, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—A request has been received from the Commissioner of Parks of the Borough of The Bronx for the sale and removal of the two and one-half story frame building on the portion of the property acquired for Crotona Park, about 25 feet north of Crotona Park East, and known as 1785 Southern Boulevard, in the Borough of The Bronx, to permit the improvement of the plot.

I, therefore, request that the Commissioners of the Sinking Fund, pursuant to the authority vested in them by Section 1553 of the Revised Charter, adopt a resolution authorizing the sale of the said building, and such a resolution is herewith transmitted. Yours respectfully,

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 25, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—A request has been received from the President of the Borough of Richmond for the removal of the encroachments lying within the lines of Damage Parcels Nos. 37 to 42, 45 to 50, 54 to 61, 63 to 67 and 70 to 72, inclusive, of the proceedings for the opening of Rosebank Avenue, from Southside Boulevard to Broad Street, in the Borough of Richmond.

Whereas, If these improvements are offered for sale they would probably realize a fair return in proportion to the awards given, it is therefore

Resolved, That the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law, hereby authorize and order the sale at public auction or by sealed bids Damage Parcels No. 39, \$50; No. 47, \$5; No. 50, \$5; No. 56, \$25; No. 57, \$5; No. 63, \$50; No. 64, \$5; No. 65, \$5, and No. 72, \$100, making a total of \$250, of all the buildings, parts of buildings, etc., lying within the lines of Damage Parcels Nos. 37 to 42, 45 to 50, 54 to 61, 63 to 67 and 70 to 72, inclusive, of the proceeding for the opening of Rosebank Avenue, from Southside Boulevard to Broad Street, in the Borough of Richmond, upon the terms and conditions for the sale of buildings, etc., as authorized by the Commissioners of the Sinking Fund at meetings held October 4, 1910, and January 18, 1916, and the President of the Borough of Richmond is hereby authorized and ordered to demolish and remove all those encroachments that do not realize the said upset prices, as encumbrances upon a public highway, in the manner provided by Section 205 of the Revised Charter, as amended by Chapter 398 of the Laws of 1909.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

**Refund to F. P. LaCava of Amount Paid as a Fine in the City Magistrates' Court.**

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 26, 1916.

Hon. Commissioners of the Sinking Fund:

Gentlemen—In the matter of the People of the State of New York, on complaint of James J. Collins against Frank P. La Cava, the defendant appealed at a Term of the Court of General Sessions of the Peace in and for the County of New York, Borough of Manhattan, from a judgment of conviction in the City Magistrate's Court, Second District, in the Borough of Manhattan, wherein he was found guilty of having violated Section 1, Chapter 14 of the Ordinances of the City of New York, and was fined \$5, which was paid and later deposited in the Sinking Fund for the Payment of the Interest on the City Debt.

The appeal was argued at a Term of the Court of General Sessions of the Peace in and for the County of New York on the 13th of April, 1916, and by a decision of

that Court the judgment of conviction was reversed and it was ordered that the Comptroller of the City of New York refund to the defendant, Frank P. La Cava, the sum of \$5.

I attach hereto resolution for adoption to carry into effect the provisions of such order. Yours very truly,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That a warrant payable from the Sinking Fund for the Payment of the Interest on the City Debt be drawn in favor of Frank P. La Cava in the sum of Five Dollars (\$5.00), refunding him that amount paid as a fine in the City Magistrate's Court, Second District, Borough of Manhattan, on the 6th day of March, 1916, pursuant to an order of the Court of General Sessions of the Peace in and for the County of New York.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

**Refund to Irving Binder of Amount Paid in Error for News-stand License.**

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 26, 1916.

Honorable Commissioners of the Sinking Fund:

Gentlemen—Application has been made by Irving Binder of 6811 3rd Avenue, Borough of Brooklyn, for the refund of \$5.42 on newspaper stand license No. 2434B, 1915, Document No. 718B, 1915, issued on November 30th, 1915, in the amount of \$5.42.

It appears that the license was issued by the Department of Licenses in error, as the applicant was the proprietor of a stationery store and his intention was to keep the news-stand in conjunction with the store.

The Inspector of the Department of Licenses in his report did not make mention of the fact that the claimant was proprietor of the stationery store at 6811 3rd Avenue, Borough of Brooklyn, and therefore entitled to a no-fee license.

After an examination by the Bureau of Law and Adjustment of this department it is recommended that the sum of \$5.42 so erroneously paid be refunded.

The amount paid has been deposited in the Sinking Fund for the Redemption of City Debt No. 1.

Attached hereto is a resolution for adoption.

Yours very truly, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That a warrant payable from the Sinking Fund for the Redemption of City Debt No. 1 be drawn in favor of Irving Binder in the sum of \$5.42, refunding him that amount paid in error for news-stand license No. 2434B, 1915, Document No. 718B, 1915.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

**Refunds to Judson G. Wells, Zenophon P. Huddy and Bernstine & Geist and Zenophon P. Huddy of Amounts Erroneously Paid as Jury Fees.**

Wells for the sum of \$3.00; Bernstine & Geist for the sum of \$4.50; and Zenophon P. Huddy for the sum of \$9.00, refunding them the respective amounts paid erroneously as jury fees.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

**Petition of Helen R. Coombs for a Release of the City's Interest in a Strip of Old East Broadway Abutting Premises Owned by Her on Church Ave. and 43rd St., Borough of Brooklyn.**

The following petition was received:  
In the matter of the application of Helen M. Coombs, for a quit claim deed from the City of New York for certain premises in the Borough of Brooklyn, New York City.

To the Honorable Commissioners of the Sinking Fund of The City of New York:

The petition of Helen M. Coombs respectfully shows:  
I, That your petitioner resides at 85 Bainbridge Street, in the Borough of Brooklyn, City of New York, and is the owner in fee of the premises described as follows:

First Parcel: Beginning at the corner formed by the intersection of the easterly side of East Forty-third Street with the northerly line of East Broadway, as shown

on the Map of Rugby, survey for Wood, Harmon & Company by Fred L. Bartlett, C. E., running thence northerly along the easterly side of East Forty-third Street one hundred and two (102) feet and seventy one-hundredths (70/100) of a foot; thence easterly at right angles to East Forty-third Street one hundred (100) feet to the centre line of the block between East Forty-third Street and Troy Avenue; thence southerly along the said centre line of the block one hundred and four (104) feet and one one-hundredth (1/100) of a foot to the northerly side of East Broadway, and thence westerly along the same one hundred (100) feet and one one-hundredth (1/100) of a foot to the point or place of beginning.

Second Parcel: Beginning at the corner formed by the intersection of the westerly side of East Forty-third Street with the northerly side of East Broadway, as shown on the Map of Rugby, surveyed for Wood, Harmon & Company by Fred L. Bartlett, C. E.; running thence northerly along the westerly side of East Forty-third Street one hundred and one (101) feet and ninety-three one-hundredths (93/100) of a foot; thence westerly at right angles to East Forty-third Street one hundred (100) feet to the middle line of the block between East Forty-third Street and East Forty-second Street; thence southerly along the middle line of the block one hundred (100) feet and sixty-three one-hundredths (63/100) of a foot to the northerly side of East Broadway, and thence easterly along the same one hundred (100) feet and one one-hundredth (1/100) of a foot to the point or place of beginning, which premises are more fully shown on a survey made by R. L. Williams, dated May 12, 1916, hereto attached and marked "Exhibit A."

II. That the title of your petitioner to the said premises is derived from the following deed, to wit:

Jennie I. Hall, of the City of New York, to Helen M. Coombs, residing at 85 Bainbridge Street, Brooklyn, New York—Deed Dated Aug. 3, 1914; Ack. August 3, 1914; Rec. August 15, 1914; Lib. 3513, Cp. 90; Sec. 15, Blks. 4879 & 4880; Cons. \$1.

Conveys the premises above described, and also the adjoining property.

III. That said properties are designated on the tax map of the Borough of Brooklyn, City and State of New York, the parcel firstly above described as lot number 39, in Block 4880, Section 15, and the parcel secondly above described as lot number 15, in Block 4879, Section 15, and your petitioner also states that all the taxes and assessments against said premises have been paid to date.

IV. Your petitioner further shows that the line of East Broadway, as shown on the said map of Rugby, was the northerly line of an old road that ran from Flatbush to New Lots, and which is shown on the annexed survey as such line.

V. Your petitioner further shows that when Church Avenue was opened by the City authorities in the year 1911 the lines of the said street did not harmonize with the line of East Broadway as shown on the Rugby map, so that the northerly line of Church Avenue as opened was placed at a distance of about six feet southerly from the said line of East Broadway, which was formerly the line of the old road, and by thus changing the lines of the street there remains a strip of ground of about six feet in width lying between the property of your petitioner and the line of Church Avenue, as it was actually opened and laid out, the title to which, as your petitioner is informed and verily believes, is vested in the City of New York.

VI. That the said premises of your petitioner, as shown on the map of Rugby, were located at the corner or intersection of East Broadway and East Forty-third Street, and by reason of such location had a value as corner property, which value was taken away from the said premises without compensation by the opening of Church Avenue and the changing of the lines of the streets, and your petitioner's property was damaged by such action.

That said strip of ground is of no value to the City of New York for the reason that it is subject to a public easement or right of way as part of the old road, and your petitioner having been damaged by the changing of the lines as aforesaid is without remedy or relief unless the said strip of ground should be released to your petitioner so that her property may again become a corner property located at the intersection of two streets.

Wherefore your petitioner prays that a quit claim deed or release in the form customary in such cases be granted to her of the premises described as follows:

All those certain plots, pieces or parcels of land lying and being in the Borough of Brooklyn, City and State of New York, and as shown on the survey of R. L. Williams, dated May 12, 1916, as lying within the lines of the old road to New Lots, and bounded and described as follows:

First Parcel: Beginning at the corner formed by the intersection of the northerly line of Church Avenue, as opened, with the easterly line of East Forty-third Street, as extended and now in use; running thence northerly along the easterly line of East Forty-third Street five (5) feet and seventy-five one-hundredths (75/100) of a foot to its intersection with the northerly line of East Broadway, as shown on the map of Rugby, surveyed for Wood, Harmon & Company by Fred L. Bartlett, City Surveyor; thence easterly along the northerly line of East Broadway one hundred (100) feet and one one-hundredth (1/100) of a foot to the centre line of the block between East Forty-third Street and Troy Avenue, as shown on the said map of Rugby; thence southerly along the said centre line six (6) feet and fifteen one-hundredths (15/100) of a foot to the northerly line of Church Avenue aforesaid, and thence westerly along the same one hundred (100) feet and one one-hundredth (1/100) of a foot to the corner, the point or place of beginning.

Second Parcel: Beginning at the corner formed by the intersection of the northerly line of Church Avenue, as opened, with the westerly line of East Forty-third Street, as extended and now in use; running thence northerly along the westerly line of East Forty-third Street five (5) feet and fifty-two one-hundredths (52/100) of a foot to its intersection with the northerly line of East Broadway, as shown on the map of Rugby, surveyed for Wood, Harmon & Company by Fred L. Bartlett, City Surveyor; thence westerly along the northerly line of East Broadway one hundred (100) feet and one one-hundredth (1/100) of a foot to the centre line of the block between East Forty-third Street and East Forty-second Street, as shown on the said map of Rugby; thence southerly along the said centre line five (5) feet and twelve one-hundredths (12/100) of a foot to the northerly line of Church Avenue aforesaid, and thence easterly along the same one hundred (100) feet and one one-hundredth (1/100) of a foot to the corner, the point or place of beginning; both parcels containing by estimation eleven hundred and twenty-seven (1,127) square feet;

—upon the payment of the nominal sum of one dollar (\$1) and one hundred dollars (\$100) to cover expenses; and that she may have such other and further relief as may be just and equitable in the premises.

Dated Brooklyn, N. Y., May 16, 1916.

HELEN M. COOMBS.

City and State of New York, Borough of Brooklyn, County of Kings, ss.:

Helen M. Coombs being duly sworn says that she is the petitioner above named; that she has read the foregoing petition subscribed by her and knows the contents thereof; and the same is true of her own knowledge, except as to the matters therein stated to be alleged upon information and belief, and as to those matters she believes it to be true.

HELEN M. COOMBS.

Sworn to before me this 16th day of May, 1916. EDITH H. SMITH, Com. of Deeds, New York City. Residing in Kings County. Certificate filed with: Kings Co. Clerk No. 7A, Kings Co. Register No. 8002, N. Y. Co. Clerk No. 16, N. Y. Co. Register No. 18008, Queens Co. Clerk No. 681. My commission expires Jan. 18, 1918.

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

June 1, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a petition to the Commissioners of the Sinking Fund from Helen R. Coombs, requesting a release of the City's interest in a strip of Old East Broadway, abutting premises owned by her at Church Avenue and East 43rd Street, Borough of Brooklyn.

The property requested to be released was formerly contained within the lines of Old East Broadway, and has been discontinued for street purposes. It consists of two strips, one being 5.12x100.01 and the other 5.75x100.01.

While the City owns the fee to these premises, the use of the same is at all times subject to the easements of abutting owners, and therefore is of no market value to the City. In the past it has been the custom to demand in cases of this kind 50 per cent. of the appraised value of the property requested to be released. This is in my opinion unfair, inasmuch as the property owner invariably is willing to remain quiet and enjoy such use as he is entitled to from such old road until such time as he wishes to sell the same or obtain a loan thereon. The City cannot obtain any benefit therefrom, especially as the strip is taxed in with the abutting property.

I think in justice both to the City and to the property owner, releases should be granted for such consideration as will cover the expense to which the City is put for preparing the necessary papers to complete the same.

I, therefore, respectfully recommend that the Commissioners of the Sinking Fund adopt the attached resolution. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, Helen M. Coombs in a petition addressed to the Commissioners of the Sinking Fund requests a release of the City's interest in a strip of land abutting premises owned by her on Church Avenue and East 43rd Street, Borough of Brooklyn.

Resolved, That the Commissioners of the Sinking Fund hereby determine that the land described as follows is not needed for any public use:

All those certain plots, pieces or parcels of land lying and being in the Borough of Brooklyn, City and State of New York, and as shown on the survey of R. L. Williams, dated May 12, 1916, as lying within the lines of the old road to New Lots, and bounded and described as follows:

First Parcel: Beginning at the corner formed by the intersection of the northerly line of Church Avenue, as opened, with the easterly line of East Forty-third Street, as extended and now in use; running thence northerly along the easterly line of East Forty-third Street five (5) feet and seventy-five one-hundredths (75/100) of a foot to its intersection with the northerly line of East Broadway, as shown on the map of Rugby surveyed for Wood, Harmon & Company by Fred L. Bartlett, City Surveyor; thence easterly along the northerly line of East Broadway one hundred (100) feet and one one-hundredth (1/100) of a foot to the centre line of the block between East 43rd Street and Troy Avenue, as shown on the said map of Rugby; thence southerly along the said centre line six (6) feet and fifteen one-hundredths (15/100) of a foot to the northerly line of Church Avenue aforesaid, and thence westerly along the same one hundred (100) feet and one one-hundredth (1/100) of a foot to the corner, the point or place of beginning.

Second Parcel: Beginning at the corner formed by the intersection of the northerly line of Church Avenue, as opened with the westerly line of East 43rd Street, as extended and now in use; running thence northerly along the westerly line of East Forty-third Street five (5) feet and fifty-two one-hundredths (52/100) of a foot to its intersection with the northerly line of East Broadway, as shown on the map of Rugby, surveyed for Wood, Harmon & Company by Fred L. Bartlett, City Surveyor; thence westerly along the northerly line of East Broadway one hundred (100) feet and one one-hundredth (1/100) of a foot to the centre line of the block between East Forty-third Street and East Forty-second Street, as shown on the said map of Rugby; thence southerly along the said centre line five (5) feet and twelve one-hundredths (12/100) of a foot to the northerly line of Church Avenue aforesaid, and thence easterly along the same one hundred (100) feet and one one-hundredth (1/100) of a foot to the corner, the point or place of beginning; both parcels containing by estimation eleven hundred and twenty-seven (1,127) square feet.

—and be it further

Resolved, That pursuant to the provisions of section 205 of the Greater New York Charter as amended, the Commissioners of the Sinking Fund hereby authorize a release to Helen M. Coombs, residing at 85 Bainbridge Street, Borough of Brooklyn, of the interest of the City of New York in and to the property hereinabove in this resolution bounded and described, in consideration of the sum of one hundred and one dollars (\$101) plus the additional charge of twelve dollars and fifty cents (\$12.50) for the preparation of the necessary papers, it being understood that the City will pay any taxes that are liens against the property to be conveyed.

The release to contain the following terms and conditions:

That the grantee waive any and all claim for damages arising out of the closing of the street or avenue.

That the grantee is the owner of the land fronting on the section of the street or avenue to be conveyed.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Following Matters Not on the Calendar Were Brought up by Unanimous Consent:

**Armory Board—Request of, for Permission to Issue an Open Market Order in the Sum of \$58 for Changing the Location of Two Steam Coils in the Armory of the First Cavalry.**

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 31, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Under date of May 17th, 1916, the Secretary of the Armory Board requested permission to issue an Open Market Order to William C. Ferrer in the sum of \$58.00 for changing the location of two steam coils in the Armory of the 1st Cavalry, Bedford Avenue, Brooklyn.

In connection with a contract now in course of execution, certain changes and alterations are now being made in this Armory. By reason of these alterations it is found necessary to change the location of two steam coils. The contract for the alterations does not provide for changes in the steamheating system.

At present there is a steam coil under the skylight over the swimming pool, which skylight has been removed under the general contract. In order to close the skylight opening, it is necessary to disconnect the steam coil and lower it. In order to accommodate lockers along the walls of the saddle room, it will be necessary to reconstruct the present steam coil and reconnect it at a higher level. The estimate of \$58.00 for this work appears fair and reasonable.

It is proposed to pay the cost of this work from the Corporate Stock Fund entitled "C. A. B.—70A, Troop C, Alterations and Additions."

Against this fund, amounting to \$12,300.00, several contracts and Open Market Orders, aggregating \$9,354.33, have been registered, leaving an unencumbered balance of \$2,945.67.

The charge of \$58.00 being reasonable, I recommend the adoption of the attached resolution approving the request. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve the expenditure and grant permission to the Armory Board to issue an Open Market Order in a sum not to exceed fifty-eight dollars (\$58.00) to change the location of two steam coils in the Armory of the First Cavalry, Bedford Avenue, Brooklyn; the cost to be charged to corporate stock fund entitled, "C. A. B.—70 A, Troop C, Alterations and Additions."

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

**Armory Board—Request of, for Permission to Issue an Open Market Order in the Sum of \$4.35 for Architect's Services in Connection with the Change of Location of Steam Coils in the Armory of the First Cavalry.**

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 31, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Under date of May 17th, 1916, the Secretary of the Armory Board requested permission to issue an Open Market Order to Filcher & Tachau in the sum of \$4.35 for architects' services in connection with the work of changing two steam coils in the Armory of the First Cavalry, Bedford Avenue, Brooklyn.

The architect's services are necessary in connection with the work of changing two steam coils in this Armory. The approval of this work is recommended in another report under even date at a cost of \$58.00. It is proposed to pay 7½ per cent. on the \$58.00, or \$4.35, for the architect's services, which is reasonable for this class of work.

It is proposed to pay the cost of this work from the Corporate Stock fund entitled "C. A. B.—70A, Troop C, Alterations and Additions."

Against this fund, amounting to \$12,300.00, several contracts and Open Market orders, aggregating \$9,354.33, have been registered, leaving an unencumbered balance of \$2,945.67.

As the charge of \$4.35 is reasonable, I recommend the adoption of the attached resolution approving the request.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve the expenditure and grant permission to the Armory Board to issue an Open Market Order in a sum not to exceed four and thirty-five one-hundredths dollars (\$4.35) for architects' services in connection with changing the location of two steam coils in the Armory of the First Cavalry, Bedford Avenue, Brooklyn; the cost to be charged to the Corporate Stock fund entitled, "C. A. B.-70 A, Troop C, Alterations and Additions."

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

**Armory Board—Request of, for Permission to Issue an Open Market Order in the Sum of \$75 for Six Clocks in the New Eighth Coast Defense Command Armory.**

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

June 1, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On May 16th, 1916, the Secretary of the Armory Board requested authority to issue an Open Market Order for the Neuman Clock Co. to furnish and install clocks at six stations at points to be directed, in the new 8th Coast Defense Command Armory, Kingsbridge Road and Jerome Avenue, The Bronx, at an approximate cost of \$75.

The Armory building has been completed and accepted by The City, but is not yet occupied. Watchmen are on duty during the whole day of 24 hours, and the clock stations are required to indicate that the building is being regularly patrolled by the watchmen.

The approximate cost of \$75 is reasonable. It is proposed to pay the cost of this work from the Corporate Stock fund entitled "C. A. B.—2B, Armory Fund, Eighth Coast Artillery District, Erection of Completed Armory, including architects' fees," authorized by the Commissioners of the Sinking Fund, as follows:

December 18, 1911..... \$1,150,000 00  
December 17, 1913..... 29,000 00

Total ..... 1,179,000 00

Several Contracts and Open Market Orders, aggregating \$1,148,191.98, have been registered against this fund (C. A. B.—2B), leaving an unencumbered balance of \$30,808.02.

The charge of \$75 being reasonable I advise the adoption of the attached resolution approving the request. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve the expenditure and grant permission to the Armory Board to issue an Open Market Order in the sum of \$75.00 to furnish and install clocks at six stations at points to be directed, in the new 8th Coast Defense Command Armory, Kingsbridge Road and Jerome Avenue, The Bronx; the cost to be charged to Corporate Stock fund entitled, "C. A. B.-2 B, Armory Fund, Eighth Coast Artillery District, Erection of Completed Armory, including Architects' Fees."

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

**Armory Board—Request of, for Permission to Issue an Open Market Order in the Sum of \$64 for Raising Steam Pipe in Armory of the Second Battalion Naval Militia.**

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

June 1, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Under date of May 22nd, 1916, the Secretary of the Armory Board requested permission to issue an Open Market Order to William J. Olvany for raising a steam pipe in the new Locker and Storage rooms, at the Armory of the 2nd Battalion, Naval Militia, Brooklyn, at a cost of \$64, chargeable to the fund entitled "C. A. B.—52A, Locker Rooms, 2nd Battalion, Naval Militia."

The work which has been completed and which this proposed order is to cover consists in raising a return steam main for a length of about 200 feet, furnishing all labor and material, including pipe covering, placing same above the present fire lines.

This pipe as originally installed was directly in front of the casement windows in the exterior wall of the building and prevented the opening of the windows. The space where these windows are located is now being converted into locker rooms under a contract and the opening of the windows will be necessary for ventilation. No steamfitting is included in the Contract for the Locker Rooms. The pipe has been raised to clear the windows and allow their opening. The work is reasonably worth \$64.

It is proposed to pay the cost of this work from the Corporate Stock fund entitled "C. A. B.—52A, Locker Rooms, 2nd Battalion, Naval Militia." This fund, amounting to \$3,550, has registered against it a contract liability of \$3,373, leaving an unencumbered balance of \$177.

The charge of \$64 being reasonable I advise the adoption of the attached resolution approving the request. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve the expenditure and grant permission to the Armory Board to issue an Open Market Order in a sum not to exceed sixty-four dollars (\$64.00) for furnishing all labor and material necessary to raise a return steam main, including pipe covering, in the new Locker and Storage Rooms, in the Armory of the 2nd Battalion, Naval Militia, Foot of 52nd Street, Brooklyn; the cost to be charged to Corporate Stock fund entitled, "C. A. B.-52 A, Locker Rooms, 2nd Battalion, Naval Militia."

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

**Register of the County of The Bronx—Cancellation of the Lease as of April 1, 1916, of Space in the Cellar of the Bergen Building, Corner of Tremont and Arthur Aves., Borough of The Bronx.**

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 31, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—At a meeting of your Board held April 21, 1915, a resolution was adopted authorizing a lease of 540 square feet of space in the cellar of the Bergen Building, southeast corner of Arthur and Tremont Avenues, Borough of The Bronx, for use of the Register of the County of Bronx as a book bindery, for a period from September 1, 1914, to July 1, 1917, at an annual rental of \$189, payable quarterly.

On March 18, 1916, a resolution was adopted by the Commissioners of the Sinking Fund authorizing the leasing of additional space on the sixth floor of the Bergen Building, for use of the Register from April 1, 1916, to July 1, 1917, which included space for use of the bookbinder.

Inasmuch as other quarters in this building have been provided for the use of said bindery, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the cancellation as of April 1, 1916, of the lease from William C. Bergen of 540 square feet of space in the cellar of the Bergen Building, occupied by the Register of the County of the Bronx, pursuant to resolution adopted by the Commissioners of the Sinking Fund on April 21, 1915.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby authorize the cancellation as of April 1, 1916, of the lease from William C. Bergen of 540 square feet of space in the cellar of the Bergen Building, occupied by the Register of the County of the Bronx, pursuant to resolution adopted by the Commissioners of the Sinking Fund on April 21, 1915.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

**Department of Water Supply, Gas and Electricity—Lease for, of Premises at No. 851 Fourth Ave., Borough of Brooklyn.**

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 31, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Department of Water Supply, Gas and

Electricity, in a communication to your Board under date of May 17, 1916, requests the execution of a lease of the first floor of the premises at 851 Fourth Avenue, Borough of Brooklyn, for use as a photometric station, for a period of one year from June 15, 1916, at an annual rental of \$360.

The premises proposed to be leased are to take the place of those now leased by the City at 217 Sixth Avenue, at \$500 a year, which lease will expire July 1, 1916, and is not to be renewed, and which change will save the City \$140 a year in rent.

The store to be leased is 19 feet 3 inches wide by 35 feet 6 inches deep, area, 665 square feet, with toilet at the rear and storage space in cellar.

The adjoining smaller store at 853 Fourth Avenue rents for \$28 a month, and the owners of the store at No. 851 at first insisted that the lease must begin as of June 15th, but finally agreed that the lease should begin as of July 1, 1916.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the first or store floor, 19 feet 3 inches by 35 feet 6 inches, with toilet and cellar, in the four-story brick store and tenement building at 851 Fourth Avenue, Borough of Brooklyn, for use of the Department of Water Supply, Gas and Electricity, for a period of one year from July 1, 1916, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of \$360, payable quarterly; the lessor to pay taxes, furnish heat and hot and cold water, make inside and outside repairs and put and keep the premises in good and tenable condition; the lessee to furnish light and janitor service. Lessor, Brooklyn Heights Land & Mortgage Company, Inc., 44 Court Street, Brooklyn.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from the Brooklyn Heights Land and Mortgage Company, Inc., of the first or store floor, 19 feet 3 inches by 35 feet 6 inches with toilet and cellar, in the four-story brick store and tenement building at 851 Fourth Avenue, Borough of Brooklyn, for use of the Department of Water Supply, Gas and Electricity, for a period of one year from July 1, 1916, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of three hundred and sixty dollars (\$360), payable quarterly; the lessor to pay taxes, furnish heat and hot and cold water, make inside and outside repairs and put and keep the premises in good and tenable condition; the lessee to furnish light and janitor service; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

Adjourned.

JOHN KORB, Jr., Secretary.

## STATE INDUSTRIAL COMMISSION—DEPARTMENT OF LABOR.

### Public Notices.

Whereas, The Aetna Explosives Company of New York has made application, under sub-section 5 of Section 8-A of the Labor Law, as amended by Chapter 648 of the Laws of 1915, for exemption for certain of its employees in its plant at Barren Island, N. Y., on the ground that such employees are engaged in the work of an industry or manufacturing process necessarily continuous, and that the exemption asked for is desired by the employees themselves, and furnishes said employees as much rest during the average week as does the law itself; and

Whereas, On investigation of the supervising inspector of the district in which said industry is located, it is shown that such exemption is a proper one to be made under the provisions of the law already referred to; therefore be it hereby

Resolved, That said application be granted and said Aetna Explosives Co., Inc., of New York, be and it hereby is granted permission to work in its chamber plant at Barren Island, N. Y., about nine skilled operators eight hours per day throughout the week except when making shifts, then sixteen hours on one shift and then eight hours on, eight hours off and eight hours on, leaving thirty-two continuous hours of rest at end of each period of three weeks; but not to work its said employees more than eight hours on any shift except the sixteen-hour shift above provided for, and that this resolution shall become effective at once.

STATE OF NEW YORK, OFFICE OF THE STATE INDUSTRIAL COMMISSION, ss.:

I, HENRY D. SAYER, Secretary of the State Industrial Commission of the State of New York, DO HEREBY CERTIFY that I have compared the foregoing copy of a resolution with the original thereof, duly adopted by the State Industrial Commission on the 8th day of June, 1916, and duly filed in the office of said Commission, and that the same is a true and correct copy and transcript of said resolution and of the whole thereof.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the seal of the State Industrial Commission this 12th day of June 1916.

H. D. SAYER, Secretary.

Whereas, The Monroe Cheese Company, of Monroe, Orange County, New York, has made application for exemption from the requirements of Section 8-a of the Labor Law, which will permit the working of about thirty (30) male employees in the Company's cheese factory at Monroe, Orange County, New York, not more than three hours on Sunday; and

Whereas, Investigation shows that the request is based on the necessity for the preservation of property in that the process of manufacture carried on by this Company is a peculiar one requiring constant care and watching, and is analogous to the exemption for setting of sponges as set forth in the law itself; and

Whereas, The investigation shows that the exemption, based on the grounds as set forth herein, is a proper one to make; therefore, be it Resolved, That the Monroe Cheese Company, of Monroe, Orange County, New York, be and it hereby is granted permission to work about thirty (30) male employees who have previously worked six days, not more than three (3) hours on Sunday, or, in other words, five days not to exceed nine hours, one day of not to exceed eight and one-half hours, and one day not to exceed three hours—a total of not to exceed fifty-six and one-half (56½) hours per week.

STATE OF NEW YORK, OFFICE OF THE STATE INDUSTRIAL COMMISSION, ss.:

I, HENRY D. Resolved, That the following form of the resolution for the grant of the franchise or right applied for by the City Island Motor Bus Co., Inc., containing the form of proposed contract for the grant of such franchise or right, be hereby

introduced and entered in the minutes of this Board, as follows, to wit:

Resolved, That the Board of Estimate and Apportionment hereby grants to the City Island Motor Bus Co., Inc., the franchise or right fully set out and described in the following form of proposed contract for the grant thereof, embodying all of the terms and conditions, including the provisions as to rates and charges upon and subject to the terms and conditions in said proposed form of contract contained, and that the Mayor of the City of New York be and he hereby is authorized to execute and deliver such contract in the name and on behalf of The City of New York, as follows, to wit:

#### PROPOSED FORM OF CONTRACT.

This contract, made and executed in duplicate this day of June, 1916, by and between The City of New York (hereinafter called the City) party of the first part, by the Mayor of said City, acting for and in the name of said City, under and in pursuance of the authority of the Board of Estimate and Apportionment of said City (hereinafter called the Board), and the City Island Motor Bus Co., Inc. (hereinafter called the Company), party of the second part, witnesses:

In consideration of the mutual covenants and agreements herein contained, the parties hereto do hereby covenant and agree as follows:

SECTION 1. The City hereby grants to the Company, subject to the conditions and provisions hereinafter set forth, the right and privilege to maintain and operate a stage or omnibus route for public use in the Borough of The Bronx, in the City of New York, to wit:

Beginning in City Island Avenue at the southerly end thereof on City Island; thence along City Island Avenue to the bridge connecting City Island with the Pelham Bay Park; thence upon and along said bridge and the approaches thereto to City Island Road in Pelham Bay Park; thence along said City Island Road to Pelham Bridge Road; thence along Pelham Bridge Road and Eastern Boulevard to Fordham Road or to the prolongation of the Bronx and Pelham Parkway in Pelham Bay Park; thence along Fordham Road or the prolongation of the Bronx and Pelham Parkway in Pelham Bay Park to the Bronx and Pelham Parkway to Boston Road; thence along Boston Road to 177th Street.

And to cross such other streets and avenues, named and unnamed, as may be encountered in said route.

SECTION 2. The grant of this privilege is subject to the following conditions:

First—The said right to maintain and operate said stage or omnibus route shall be held and enjoyed by the Company from the date upon which this contract is signed by the Mayor until September 30, 1921, with the privilege of renewal of said contract for the further period of five (5) years upon a fair revaluation of such right and privilege.

If the Company shall determine to exercise its privilege of renewal, it shall make application to the Board, at any time not earlier than two (2) years and not later than one (1) year before the expiration of the original term of this contract. The time within which such application for renewal must be made is of the essence of this contract, and a failure of the Company to present its application within the time fixed shall be considered as an election on the part of the Company not to take advantage of the renewal privilege and as a relinquishment of its right to such renewal, in which event the franchise shall terminate on the last day of the original term of this contract. The determination of the revaluation shall be sufficient if agreed to in writing by the Company and the Board, but in no case shall the annual rate of compensation to the City be fixed at a less amount than the sum required to be paid during the last year prior to the termination of the original term of this contract unless the Board shall, during the original term of this contract, permit another company or an individual to operate stages or omnibuses over all or a portion of the route herein authorized.

If the Company and the Board shall not reach an agreement on or before the day next preceding the expiration of the original term of this contract, then the parties hereby agree that the annual rate for the renewal term shall be determined by three disinterested persons selected in the following manner:

One disinterested person shall be chosen by the Board; one disinterested person shall be chosen by the Company; these two shall choose a third disinterested person, and the three so chosen shall act as appraisers and shall make the revaluation aforesaid. Such appraisers shall be chosen at least six (6) months prior to the expiration of the original term of this contract, and their report shall be filed with the Board within three (3) months after they are chosen. They shall act as appraisers and not as arbitrators. They may base their judgment upon their own experience and upon such information as they may obtain by inquiries and investigations without the presence of either party. They shall have the right to examine any of the books of the Company and its officers under oath. The valuations so ascertained, fixed and determined, shall be conclusive upon both parties, but no annual sum shall, in any event, be less than the sum required to be paid for the last year of the original term of this contract unless the Board shall, during the original term of this contract, permit another company or an individual to operate stages or omnibuses over all or a portion of the route herein authorized. If in any case the annual rate shall not be fixed prior to the termination of the original term of this contract, then the Company shall pay the annual rate thereof prevailing until the new rate day shall be determined, and shall then make up to the City the amount of any excess of the annual rate then determined over the previous annual rate. The entire expense of such appraisal shall be borne jointly by the City and the Company, each paying one-half thereof.

Second—The Company shall pay to the City for the original term of the privilege hereby granted the following sums of money:

(a) The sum of five hundred dollars (\$500) in cash within thirty (30) days after the date on which this contract is signed by the Mayor.

(b) During the first term of two (2) years an annual sum which shall be equal to five (5) per cent of its gross annual receipts, but which sum shall not be less than one hundred dollars (\$100).

During the succeeding term of two (2) years, an annual sum which shall be equal to five (5) per cent of its gross annual receipts, but which sum shall not be less than one hundred and fifty dollars (\$150).

During the remaining term, expiring September 30, 1921, an annual sum which shall be equal to five (5) per cent of its gross annual receipts, but which sum shall not be less than two hundred dollars (\$200).

The gross annual receipts mentioned above shall be the gross annual receipts of the Company from whatever source, derived either directly or indirectly, in any manner, from or in connection with the operation hereby authorized.

The annual charges shall commence on the date upon which this contract is signed by the Mayor.

The annual charges, as above, shall be paid into the Treasury of the City on November 1, of each year and shall be for the amount due to September 30 next preceding. Provided that

the first annual payment shall be only for that proportion of the first annual charge as the time between the date upon which this contract is signed by the Mayor and September 30 following shall bear to the whole of one year.

Any and all payments to be made by the terms of this contract to the City by the Company, whether during the original or renewal term thereof, shall not be considered in any manner in the nature of a tax, but such payments shall be made in addition to any and all taxes of whatsoever kind or description, now or hereafter required to be paid by any ordinance of the City, or resolution of the Board, or any law of the State of New York.

Third—The annual charges or payments shall continue throughout the whole term of this contract, whether original or renewal, notwithstanding any clause in any statute or in the charter of any other company providing for payment for similar rights or franchises at a different rate.

Fourth—Nothing in this contract shall be deemed to affect in any way the right of the City to grant to any individual or other corporation a similar right or privilege upon the same or other terms and conditions, over the same streets and avenues, hereinafter described.

Fifth—At the termination or forfeiture of this grant, the City at the election of the Board, shall have the right to purchase all or any part of the property and plant of the Company used for the purpose of the operation of the stage or omnibus route thereby authorized, at a sum equal to a fair valuation of such property and plant, exclusive of any value which such property and plant may have by reason of this contract. Such property and plant are to be valued as if the Company had not exercised the right and privilege granted by this franchise for the said period of this contract, and no allowance shall be made to the Company in such valuation by reason of such exercise.

If the Company and the City cannot agree upon such valuation of such property and plant, then such valuation thereof shall be determined and fixed by three arbitrators selected in the following manner:

One disinterested person shall be chosen by the Company; one disinterested person shall be chosen by the Board, and the two so chosen shall choose a third disinterested person. The decision under oath of any two of such persons, who shall be so selected, shall be final and conclusive.

If either the Company or the City fails to appoint an arbitrator as herein provided, or should the first two arbitrators fail to agree on the selection of the third arbitrator within thirty (30) days after the first two arbitrators shall be chosen, or if no two arbitrators so selected shall agree upon the valuation of such property within sixty (60) days after the arbitrators shall be so selected, then such valuation may be fixed by a commissioner appointed by the Supreme Court on the application of either party.

Sixth—The rights and privileges hereby granted shall not be assigned, either in whole or in part, or leased or sublet in any manner, nor shall title thereto, or right, interest or property therein, pass to or vest in any other person or corporation whatsoever, either by the act of the Company, or by operation of law, whether under the provisions of the statutes relating to the consolidation or merger of corporations or otherwise, without the consent of the City, acting by the Board, evidenced by an instrument under seal, anything herein contained to the contrary thereof in anywise notwithstanding, and the granting, giving or waiving of any one or more of such consents shall not render unnecessary any subsequent consent or consents; and no assignment, lease or sublease of the rights or privileges hereby granted, or of any part thereof, or the route mentioned herein, or of any purpose unless the said assignment, lease or sublease shall contain a covenant on the part of the assignee or lessee that the same is subject to all the conditions of this contract; and that the assignee or lessee assumes and will be bound by all of said conditions, and especially said conditions as to payments, anything in any statute or in the charter of such assignee or lessee to the contrary notwithstanding, and that the said assignee or lessee waives any more favorable conditions created by such statute or its charter, and that it will not claim by reason thereof or otherwise exemption from liability to perform each and all of the conditions of this contract.

Seventh—The Company shall commence operation within three (3) months from the date on which this contract is signed by the Mayor; provided that such period may be extended by the Board for a period or periods not exceeding in the aggregate six (6) months; and provided, further, that when the commencement of said operation shall be prevented by legal proceedings in any court or by works of public improvement, or from other causes not within the control of the Company, the time for the commencement of such operation may be extended for the period of such prevention, but no delay shall be allowed for unless the court proceedings shall be diligently prosecuted by the Company, and provided further that in no case shall such delay be deemed to begin until the Company shall have given written notice to the Board of any such court proceedings or other occasion of delay, and deliver to the Board copies of any injunction or other orders, and the papers upon which the same shall have been granted, and unless upon the request of the Board the Company shall, in writing, consent that the Board, either in its own name as a party, or in the name of the City as a party, may intervene in any such proceeding.

Eighth—Nothing herein contained shall be construed as permitting the grantee to erect any structures whatever upon City streets, and the Company shall not construct or maintain any fixture or structure in the street unless especially authorized by resolution of the Board.

Ninth—All vehicles which may be operated pursuant to this contract shall comply with the following general requirements:

1. They shall be propelled by power generated or contained within the vehicle itself, but no power shall be used which will in its generation or use produce smoke or noxious odors sufficient in the opinion of the Board or its authorized representatives to constitute a nuisance.
2. The maximum weight, including fuel, water, oil or any other material or any accessories used in operation, shall not exceed six thousand (6,000) pounds.
3. The maximum width shall not exceed seven feet two inches (7'2").
4. The maximum height shall not exceed eleven feet eight inches (11'8").
5. The maximum length shall not exceed twenty-two feet (22').
6. They shall be designed and constructed in a manner which will permit ease and freedom of movement under all conditions.
7. The distribution of weight on axles, length of wheel base and other features of design shall be such as to avoid skidding as far as possible and shall be such as to permit easy steering and control.
8. They shall be fitted with brakes capable of stopping and holding the same under all conditions.
9. They shall be so constructed that the oil or grease cannot drop on the roadway.
10. All parts shall be so constructed that no undue noise or vibration shall result from operation.
11. All wheels shall be equipped with either pneumatic tires or tires which shall be approved by the Board or its authorized representatives but in no event shall solid tires be used.

Tenth—No stage or omnibus shall be operated pursuant to this contract unless there shall be

painted thereon in letters sufficiently large to be clearly visible for a distance of seventy-five feet.

(a) The name of the Company owning and operating such vehicle.

(b) The number of the vehicle which is assigned to it upon receiving the approval of the Board or its authorized representatives.

(c) The number of adults for which the vehicle has seating space.

**Eleventh**—No advertising signs shall appear on the outside of any stage or omnibus.

**Twelfth**—The destination of each stage or omnibus shall be plainly indicated on the front of the vehicle, and shall be illuminated at night.

**Thirteenth**—The number of passengers to be carried in any vehicle shall at no time exceed the seating capacity of the vehicle.

**Fourteenth**—The inclosed portion of all stages or omnibuses which are operated on said route shall be heated during the cold weather, in conformity with such laws and ordinances as are now in force affecting surface railway cars or street cars and ordinances affecting stages or omnibuses, as may hereafter, during the term of this contract, be in force, as may be required by resolution of the Board.

**Fifteenth**—The inclosed portion of all stages or omnibuses operated on said route shall be well lighted as may be required by resolution of the Board.

**Sixteenth**—Before any stage or omnibus is put in service it must be submitted to the Board or its authorized representatives and receive the approval thereof. If any vehicle which may be submitted for approval shall not conform with the requirements herein or should any such vehicle for any reason be considered by the Board or its authorized representatives unfit for public use, then the Board or its authorized representatives may refuse such approval, in which case the Company shall not operate such vehicle. If after a vehicle has been so approved, defects develop which in the opinion of the Board or its authorized representatives render it unsuitable for public service, then the Board or its authorized representatives may require the withdrawal of such vehicle from service.

Upon being approved by the Board or its authorized representatives, each vehicle shall be given a number which shall not be changed so long as such vehicle shall be operated by the Company, unless and until the Company shall notify the Board that it proposes to change the number of the vehicle and of the new number which it is proposed to use.

**Seventeenth**—All vehicles operated pursuant to this grant shall be maintained in good and safe repair and in a manner which will in all ways render the vehicle fit for public service. The Company shall permit the Board or its authorized representatives to inspect at all reasonable times any or all the vehicles used by the Company. If upon inspection any vehicle shall appear in the judgment of said Board or its authorized representatives to be unfit for public service, then the Company shall, upon notice, immediately withdraw such vehicle from service, and shall remedy the defect and notify the Board or its authorized representatives that the defect has been remedied before such vehicle shall be restored to service.

**Eighteenth**—All laws and ordinances affecting the operation of stages or omnibuses now in force or which may be in force during the term of this contract shall be complied with by the Company. The Company shall also comply with and enforce the carrying out of any orders or regulations which may be issued by the Board designed for the protection of persons, of property or of the comfort and health of the public.

**Nineteenth**—The rate of fare for any passenger upon the stage or omnibus route herein authorized shall not exceed twenty-five cents (25c.) and the Company shall not charge any passenger more than twenty-five cents (25c.) for one continuous ride from any point on the stage or omnibus route hereby authorized to any other point on the said route.

**Twentieth**—Stages or omnibuses shall be run on said route each day at intervals of not more than one hour between the hours of 7 o'clock A. M. and 7 o'clock P. M. and as much oftener as reasonable convenience of the public may require, as may be directed by resolution of the Board, and shall be operated on such route and at such intervals between the hours of 7 o'clock P. M. and 7 o'clock A. M. as reasonable convenience of the public may require and as may be directed by resolutions of the Board; provided, however, that during the months of December, January, February and March the Company is hereby required to operate stages or omnibuses on said route only between the hours of 8 o'clock and 10 o'clock A. M. and between 5 o'clock and 7 o'clock P. M., unless the Board shall, by resolution, direct the Company to operate during other periods of the day.

**Twenty-first**—The Company shall, at its own expense, do anything and everything within its power to keep its vehicles in operation on regular schedules during the existence of snow and ice in the streets and avenues upon which the Company is hereby authorized to operate, and if it shall be necessary to remove such snow and ice to the side of the roadway in order to so operate, then such removal shall be done under the supervision and to the satisfaction of the Commissioner of Street Cleaning or the Park Commissioner, but in no event shall snow or ice so removed be allowed by the Company to obstruct the crosswalks of any street.

**Twenty-second**—It is understood that the Company shall operate, pursuant to this contract, only the route herein authorized, but should vehicular traffic be diverted from any portion of the route, the Company is authorized to operate on any other street or avenue upon which the Company is hereby authorized to operate because of fires, parades or because of any other event which will close the street to vehicular traffic temporarily, then the Company may use such other streets or avenues as are necessary to continue the operation. If, however, for any reason any of the streets and avenues in which the operation is hereby authorized shall be closed to vehicular traffic for a longer period than twenty-four hours, then the Company shall communicate with the Board or its authorized representatives and obtain authority for the operation upon other streets and avenues for the period during which said street or avenue may be closed.

**Twenty-third**—Should it be deemed advisable by the Board at any time during the term of this contract to require the Company to operate extensions to the route herein authorized, additional route or routes in substitution for the route herein authorized or any portion thereof, and the Board shall so order, then the Company shall, upon notice by the Board, apply for a franchise or right to operate such extension, additional or substituted routes and accept a franchise therefor upon terms and conditions similar to those contained herein, and for a term expiring not later than the date of the expiration of this contract, provided that the Board shall not hereunder require the Company to extend its route for a distance greater than one mile during any calendar year.

**Twenty-fourth**—The Company shall submit to the Board a report not later than November 1 of each year for the year ending September 30 next preceding, and at any other time, upon request of the Board, which shall state:

1. The amount of stock issued, for cash, for property.
2. The amount paid in as by last report.
3. The total amount of capital stock paid in.
4. The funded debt by last report.

5. The total amount of funded debt.

6. The floating debt as by last report.

7. The total amount of floating debt.

8. The total amount of funded and floating debt.

9. The average rate per annum of interest on funded debt.

10. Statement of dividends paid during the year.

11. The total amount expended for same.

12. The names of the directors elected at the last meeting of the corporation held for such purpose.

13. Location, value and amount paid for real estate owned by the Company as by last report.

14. Location, value and amount paid for real estate now owned by the Company.

15. Number of passengers carried during the year.

16. Total receipts of Company for each class of business.

17. Amounts paid by the Company for damage to persons or property on account of construction and operation.

18. Total expenses for Company, including salaries, and such other information in regard to the business of the Company as may be required by the Board.

**Twenty-fifth**—The Company shall at all times keep accurate books of account of its gross receipts and shall, on or before November 1 of each year, make a verified report to the Comptroller of the City of the business done by the Company, for the year ending September 30 next preceding, in such form as he may prescribe. Such report shall contain a statement of such gross receipts, the total miles in operation within the limits of the City and the miles operated under this contract, and such other information as the Comptroller may require. The Comptroller shall have access to all books and records of the Company for the purpose of ascertaining the correctness of its report, and may examine its officers and employees under oath.

**Twenty-sixth**—The Company shall keep accurate books of the performance of different types of vehicles and the different services rendered and the cost thereof, and shall at any time furnish the Board, or its authorized representatives, such information with respect thereto as shall be required.

**Twenty-seventh**—In case of any violation or breach or failure to comply with any of the provisions herein contained or with any orders of the Board or its authorized representatives, acting under the powers herein reserved, the right or privilege herein granted may be forfeited by resolution of said Board, without proceedings at law or in equity. Provided, however, that such action by the Board shall not be taken until the Company shall give notice to the Company to appear before it on a certain day not less than ten (10) days after the date of such notice, to show cause why such resolutions declaring the contract forfeited should not be adopted. In case the Company fails to appear, action may be taken by the Board forthwith.

Any false entry in the books of the Company or false statement in the reports to the Comptroller as to a material fact, knowingly made by the Company, shall constitute such a violation or breach or failure to comply with the provisions herein contained as to warrant the forfeiture of the franchise.

Nothing herein contained shall affect in any way the right of the Company to apply to a court of competent jurisdiction for review of any action of the Board forfeiting the franchise or consent herein granted.

**Twenty-eighth**—If the Company shall fail to give efficient public service at rates not exceeding those herein fixed, or fail to maintain its equipment as herein provided in good condition throughout the whole term of this contract, the Board may give notice to the Company, specifying any default on the part of the Company, and requiring the Company to remedy the same within a reasonable time; and upon failure of the Company to remedy such default within a reasonable time, the Company shall, for each day thereafter during which the default or defect remains, pay to the City the sum of fifty dollars (\$50) as liquidated damages, or at the option of the Board, this contract may be forfeited upon ten (10) days' notice to the Company.

**Twenty-ninth**—The Company shall assume all liability for damages to persons or property occasioned by reason of the operation or maintenance of the stage or omnibus route hereby authorized, and it is a condition of this contract that the Company shall assume no liability whatsoever to either persons or property on account of the same, and the Company shall repay the City any damage which the City shall be compelled to pay by reason of any act or default of the Company.

**Thirtieth**—This grant is upon the express condition that the Company, within thirty (30) days after the signing of this contract by the Mayor, and before anything is done in exercise of the rights conferred hereby, shall deposit with the Comptroller of the City the sum of five hundred dollars (\$500), either in money or securities, to be approved by him, which fund shall be security for the performance by the Company of all of the terms and conditions of this contract and compliance with all orders of the Board acting under the powers herein reserved, especially those which relate to the payment of the annual charges for the privilege hereby granted, the rendering of efficient public service at the rates herein fixed, and the maintenance of vehicles in good condition throughout the whole term of this contract; and in case of default in the performance by the Company of such terms and conditions or compliance with such orders or either or any of them, the City shall have the right to cause the work to be done which the Company has failed to do, and the performance thereof after due notice, and shall collect the reasonable cost thereof from the said fund without legal proceedings; or after default in the payment of the annual charges, shall collect the same, with interest, from the said fund after ten (10) days' notice to the Company; or in case of failure to observe the said terms and conditions of this contract and orders of the Board acting hereunder, relating to the headway, repair, maintenance or withdrawal from service of vehicles, the Company shall pay to the City as liquidated damages the sum of fifty dollars (\$50) per day for each day of violation, and the further sum of ten dollars (\$10) per day for each vehicle that shall not be properly heated or lighted in case of the violation of the provisions relating to those matters, all of which sums may be deducted from said fund.

The procedure for the imposition and collection of the sums as fixed or liquidated damages in this contract shall be as follows:

The Board, on complaint made, shall give notice to the Company, directing its President or other officer to appear before the Board on a certain day not less than ten (10) days after the date of such notice, to show cause why the Company should not pay such liquidated damages in accordance with the foregoing provisions. If the Company fails to make an appearance, or after a hearing, appears in the judgment of the Board to be in fault, said Board shall forthwith require the payment of said sums herein provided for, or where the damages are not liquidated by the terms of this contract, such amount as appears to the Board to be just, and without legal procedure direct the Comptroller to withdraw such amount from the security fund deposited with him. In case of any drafts made upon the security fund, the Company shall, upon ten (10) days' notice, pay to the City a sum sufficient to restore said security fund to the original amount of five hundred dollars (\$500), and in default thereof, this contract may be cancelled and annulled at the option of the Board, acting in behalf of the City. No action or proceeding or right under the provisions of this contract shall affect any other legal rights, remedies or causes of action belonging to the City. These provisions for the recovery of such damages are in addition to the right to forfeit the franchise conferred by Section 2, Subdivision Twenty-seventh of this contract.

**Thirty-first**—The words "notice" or "direction," wherever used in this contract, shall be deemed to mean a written notice or direction. Every such notice or direction to be served upon the Company shall be delivered at such office in the City as shall have been designated by the Company, or if no such office shall have been designated, or if such designation shall have for any reason become inoperative, shall be mailed in the City, postage prepaid, addressed to the Company at the City. Delivery or mailing of such notice or direction as and when above provided shall be equivalent to direct personal notice or direction, and shall be deemed to have been given at the time of delivery or mailing.

**Thirty-second**—The words "streets or avenues" and "streets and avenues," wherever used in this contract, shall be deemed to mean streets, avenues, highways, parkways, driveways, concourses, boulevards, bridges, viaducts, tunnels, public places or any other property to which the City has title encountered in the route heretofore described and upon or in which authority is hereby given to the Company to operate stages or omnibuses.

**Thirty-third**—If at any time the powers of the Board or any other of the authorities herein mentioned or intended to be mentioned, shall be transferred by law to any other board, authority, officer or officers, then and in such case such other board, authority, officer or officers shall have all the powers, rights and duties herein reserved to or prescribed for the Board or other authorities, officer or officers.

**Section 3.** Nothing in this contract shall be construed as in any way limiting the present or future jurisdiction of the Public Service Commission under the laws of the State of New York.

**Section 4.** The Company promises, covenants and agrees on its part and behalf during the entire term of this contract, whether original or renewal, to conform to and abide by and perform all the terms, conditions and requirements in this contract fixed and contained.

IN WITNESS WHEREOF, the party of the first part, by its Mayor, thereunto duly authorized by the Board of Estimate and Apportionment of said City, has caused the corporate name of said City to be hereunto signed and the corporate seal of said City to be hereunto affixed; and the party of the second part, by its officers, thereunto duly authorized, has caused its corporate name to be hereunto signed and its corporate seal to be hereunto affixed the day and year first above written.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal nor shall he collect any rental or other revenue from the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such buildings by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, tanks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all openings in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances or portions as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding.

The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting bricks, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

No buildings, parts of buildings, fixtures or machinery sold for removal under these terms and conditions shall in any case be re-located or re-erected within the lines of any proposed street or other public improvement, and if any such buildings, parts of buildings, fixtures or machinery, etc., shall be re-located or re-erected within the lines of any proposed street or other public improvement, title thereto shall thereupon become vested in The City of New York and a resale at public or private sale may be made in the same manner as if no prior sale thereof had been made.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and be it further

Resolved, That while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.
