• Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a

global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator Using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

Statement of Basis and Purpose of Proposed Rule

Local Law No. 117 of 2018 amended the Housing Maintenance Code to require, with certain exceptions, that owners of multiple dwellings provide stove knob covers for gas-powered stoves to tenants of units where the owner knows or reasonably should know that a child under six years of age resides. The owner is required to:

- 1) provide an annual notice to tenants regarding the owner's obligation to provide the stove knob covers,
- 2) keep the following records:
 - a) tenant responses to the stove knob cover notice,
 - b) a list of units where the knob covers have been made available, and
 - c) documentation of the owner's attempts to make the covers available.

The proposed rule implements the legislation by detailing recordkeeping requirements, and by providing a form of annual notice that may be used by owners to comply with the new law.

New material is underlined.

Section 1. Title 28 of the Rules of the City of New York is amended by adding a new Chapter 55 to read as follows:

<u>§55-01. Records. An owner must keep a record of the following</u> documents for five years, and produce such documents upon request of the Department:

 written notification of refusal of stove knob covers by tenants;
 documentation of attempts by the owner to make stove knob covers available for apartments where a child under age six resides for which the tenant did not return the annual notice to the owner;
 a list of units for which stove knob covers were made available;
 a list of tenants who requested stove knob covers.
 a list of units where stove knob covers could not be made available for the particular stove in the unit, with documented proof that compatible knob covers for such stove are unavailable or that the stove was not a gas-powered stove.

<u>§55-02. Annual Notice. On or prior to January 5, 2019, an owner of a unit in a multiple dwelling, other than a dwelling unit in a multiple dwelling owned as a condominium or cooperative and used as the primary residence of such owner, must provide an annual notice to each tenant of a unit with a gas-powered stove regarding the owner's obligation to provide stove knob covers pursuant to New York City Administrative Code Section 27-2046.4(a). Such notice may be combined with other annual notices required to be provided to tenants. Such notice must provide the following information:</u>

ENGLISH VERSION: ANNUAL NOTICE REGARDING INSTALLATION OF STOVE KNOB COVERS

Tenants may refuse stove knob covers by marking the appropriate box on this form. Tenants may also request stove knob covers even if they do not have a child under age six residing with them, by marking the appropriate box on this form. The owner must make the stove knob covers available within 30 days of this notice. <u>Please also note that an owner is only required to provide replacement</u> stove knob covers twice within any one-year period. The City selected these locations based on a need for the reconstruction of roadway, sidewalks and curbs as well as the installation of sanitary sewers, storm sewers, water mains and appurtenances. The City has also reviewed all potential alternate locations and has determined that no other sites are feasible for the Project.

The general effect on the neighborhood will be to improve current living conditions. The New York City Department of Design and Construction conducted an environmental review of the proposed property acquisition locations in accordance with New York City Environmental Quality Review process (CEQR No. 15DOT010R). The New York City Department of Transportation as lead agency determined that the proposed project would not have a significant effect on the environment and published a Negative Declaration on April 3, 2015.

Comments and concerns raised by the property owners at the public hearing and through subsequent written submissions have been reviewed by the City. Property owners raised concerns about parking issues due to subsequent reduction of driveway size, accessibility to properties during construction and flooding in the area. Questions were asked about the possibility of relocating a current bus stop and the duration of the project. Concerns were also raised about how compensations are determined, and the acquisition process.

The City will work with all public and private parties involved in the project to minimize the impact of construction activities on the street, residents, and environment, and will work with other involved agencies and the community in order to review and address project-related concerns. The City continues to review its design plans and will make modifications addressing any issues whenever possible. The City has also reviewed all potential alternate locations and has determined that no other sites are feasible for the Project.

DETERMINATION:

Based upon due consideration of the record and the foregoing findings, it is determined that the City of New York should exercise its power of eminent domain to acquire the above-described properties in order to promote and permit the purposes of the Project to be achieved.

NOTICE:

Pursuant to EDPL Section 207, property owners have thirty (30) days from completion of the publication of this "Determination and Findings" to seek judicial review of this determination. This publication will be advertised in the City Record and Staten Island Advance newspapers.

The exclusive venue for the judicial review of this determination, pursuant to EDPL Sections 207 and 208 is the Appellate Division of the Supreme Court in the Judicial Department where any part of the property to be acquired is located.

A copy of this Determination and Findings by the City is available without cost upon written request to:
