APPROVED PAPERS.

Whereas, Proceedings have again been taken to have Commissioners of Estimate and Assessment appointed by the Supreme Court, on Monday, June 28, 1875, in the matter of a Parade Ground in the upper part of this island of about 100 acres of land; and

Whereas, Proceedings previously taken to carry out this project were discontinued by the Department of Public Parks for good and sufficient reasons, and this discontinuance was sustained by a decision of the Court of Appeals against an appeal made by property owners in interest; and

Whereas, The laying out of a Parade Ground in the proposed locality was projected prior to the annexation of a portion of Westchester County to the City of New York, as presenting the most eligible site then available for the purpose; and

Whereas, The present time is one of great financial embarrassment, causing a depression in business bearing heavily upon the resources of all classes of the community, and crippling the means of taxpayers, especially by reduction of rentals and incomes from city property, making it imperative that all unnecessary expenditures by the city and increase of the public debt shall be avoided as far as possible; and

Whereas, The estimated cost of the proposed Parade Ground, for lands taken and laying out the grounds alone, will amount to about one million and a half dollars (\$1,500,000), to be added to the city debt by the issue of bonds, the interest on which, with the expenses of maintenance, will require the sum of at least one hundred and twenty-five thousand dollars (\$125,000) to be raised annually by taxation for this object; and

Whereas, So large an increase of the funded debt and of the taxes, already so oppressive and heavy upon the taxpayers of this city, are not wise and judicious measures at this time of general depression of business; therefore

Resolved, That the Department of Public Parks be respectfully requested to discontinue the proceedings aforesaid, and thereupon the Counsel to the Corporation be respectfully requested to withdraw the pending application for the appointment of Commissioners of Estimate and Assessment for the opening of said proposed Parade Ground, and the Supreme Court be respectfully requested not to appoint Commissioners for such purpose; and be it further

Resolved, That a copy of these resolutions be transmitted to the Department of Public Parks, the Corporation Counsel, and to the Supreme Court.

Adopted by the Board of Aldermen, August 12, 1875.

Approved by the Mayor, August 21, 1875.

Resolved, That gas-mains be laid, lamp-posts erected, and street-lamps lighted in Seventieth street, between Madison and Fourth avenues, under the direction of the Commissioner of Public Works.

Adopted by the Board of Aldermen, August 12, 1875.

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1875.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

When possible and legal, serving jurors will be allowed to select a convenient season—if application be made in time.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of delinquents.

The Commissioner will receive applications for relief from those jurors who have served continuously and promptly for several years, or have done excessive jury service in the State Courts.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted. No fees of any kind exist or are allowed in regard to jury notices, and any one asking, receiving, or giving any such "fee" or "present" will be arrested, and, if possible, punished to the full extent of the law.

THOMAS DUNLAP, Commissioner,
County Court-house (Chambersstreet entrance).

CORPORATION SALE OF FERRY FRANCHISES.

SEALED BIDS WILL BE RECEIVED AND publicly opened at the Comptroller's office, on Thursday, September 23, 1875, at 2 o'clock P. M., for Leases of Franchise or right to maintain and operate several ferries around the City of New York for the terms and on the conditions hereafter set forth.

The leases will be made to conform to the requirements of the laws relative to ferries, and subject to such regulations, ordinances, or by-laws, as now are or hereafter may be made or passed by the Common Council or State Legislature, and the leases will also provide that the lessees shall take and assume at their own costs and charges all or any responsibilities and liabilities of the Corporation of the City of New York to the present lessees of ferries in relation to boats, fixtures, etc., belonging to such lessees at the respective ferries.

The minimum rate for which the ferry franchise or license to operate ferries shall be used or enjoyed, has been appraised and set by the Commissioners of the Sinking Fund at two and one-half per centum of the gross receipts for ferriage that shall hereafter accrue at each separate ferry, to be paid quarterly-yearly to the Corporation, and a covenant will be contained in each lease requiring the lessees to make and deliver to the Comptroller of the City of New York, quarterly-yearly, a statement in writing verified by oath or affirmation of the lessee or of such proper officer of the lessee as may be designated by the Comptroller of the actual total gross receipts for ferriage received by such lessees during the preceding three months, and also that the lessees shall keep regular books of account showing the daily gross receipts of the ferry leased, and allow said Comptroller or any person designated by him to examine such books.

The Department of Docks of the City of New York has fixed and established the rent for which it will lease the property in wharves, piers, slips, and lands under water belonging to the Corporation, at the several ferries to be leased to the parties or persons to whom the lease of the ferry franchise shall be awarded by the Commissioners of the Sinking Fund, for the term specified for the lease of the franchise, at the rates set forth hereafter, and no deviation will be made from the same, and covenants will be contained in such leases for construction, maintenance and surrender of all necessary fixtures and appurtenances to the wharf and pier property belonging to the city used by such respective ferries.

Proposals for the lease or license to use the ferry franchise at the respective ferries, to state the maximum percentage on gross receipts which the person or parties offering to take each ferry will pay in addition to the rent fixed by the Department of Docks for the use of the pier or wharf property belonging to the city, but no lease will be given at less than the minimum rate of 2½ per cent. on the gross receipts.

Security satisfactory to the Comptroller will be required for the punctual performance by the lessees of the covenants of the lease of the franchise in their behalf.

The several ferries at which the franchise only is to be leased are as follows:

1st. The ferry from the foot of Tenth street, East river, to Greenpoint, Long Island, for the term of five years from October 1, 1875.

2d. The ferry from the foot of Barclay street, North river, to Hoboken, in the State of New Jersey, for the term of two years from October 1, 1875.

The several ferries at which the franchise is to be leased, with use of pier and wharf property belonging to the City of New York, are as follows:

3d. The ferry from the foot of Grand street, East river, to Grand street, Brooklyn, E. D., including such wharf property as shall have been heretofore used by the ferry run from these points, for the term of ten years from October 1, 1875, subject to payment of \$2,000 per annum for the first five years and \$3,000 per annum during the second five years, rent payable quarterly-yearly to the Department of Docks.

4th. The ferry from the north side of Twenty-third street, East river, as now occupied, to Greenpoint, Long Island, for the term of five years from October 1, 1875, subject to \$2,000 per annum rent, payable as last mentioned.

5th. The ferry from the foot of Desbrosses street, North river, to Jersey City, New Jersey, for the term of one year from October 1, 1875, subject to \$3,000 per annum rent, payable as last mentioned.

6th. The ferry from the foot of Chambers street, North river, to Pavonia, New Jersey, for the term of one year from May 1, 1875, subject to \$15,000 per year rent, payable as last mentioned.

All of such leases to contain, in addition to the usual covenants and agreements, a clause to the effect that the lessees will, at all times during the term of their respective leases, well and sufficiently repair, uphold, sustain, amend, maintain and keep all and singular the floats, racks, fenders, bridges, and other fixtures at each landing place of their respective ferries, and that in the event of any damage to the bulkheads and piers adjoining their respective ferries, from collision by ferryboats or otherwise, from any action or negligence on their part, that they the said lessees will immediately repair and restore said property to its former good condition, free of cost and expense to the Corporation; also, that if at any time during the continuance of the demised term the Department of Docks shall require any of the premises connected with any ferry slip or landing place so leased, upon written notice having been given for three months previously that it is the desire of the Department of Docks to progress with the improvements in that vicinity, such Department of Docks may declare the demised term to be terminated, and the lessees shall surrender up the premises and vacate the same without any claim upon the City of New York for any damages whatever.

Bids to be addressed to the undersigned, indorsed "Bids for Ferry Franchises."

The right to reject any bid, if deemed to be to the interest of the City of New York, is reserved by the Commissioners of the Sinking Fund.
