Board of Water Supply.—Turning Over by, of Certain Property in the Town of Yorktown, Westchester County, New York.

The following communication was received:

New York, March 6, 1917.

Hon. Commissioners of the Sinking Fund, Municipal Building, New York City:

Gentlemen—In connection with the construction of the Catskill aqueduct, the real estate shown on the attached map (Acc. E-700) as parcel 912B was acquired, for the disposal of spoil, as part of parcel 912, section 13, Southern Aqueduct department. This parcel is no longer required by the Board of Water Supply except, possibly, for the use of some of the spoil at the time of the construction of the additional steel pipe siphons across Hunters brook.

This Board is in receipt of a letter from Thos. W. Baker (dated Jan. 16), copy of which is hereto attached, in which he states, under paragraph 3, that the present owners of the residue of parcel 912 would be willing to purchase the land shown as parcel 912B on the above mentioned map, subject to the rights of the City to remove, during a period of five years, any of the spoil which might be used in connection with the additional steel siphons. Under date of February 13 Mr. Baker states that his clients would be willing, as part consideration, to build a fence along the line marked "A—B" on the map, when directed by the Board of Water Supply or at the termination of the period in which the City has the right to remove spoil.

This parcel can be disposed of subject to these conditions and the added requirement that, if necessary, the purchaser will extend the period in which the City could remove stone for an additional two years. The fence to be constructed along the line "A—B" to be of wire with concrete posts similar to fences constructed by the City at various points along the Catskill aqueduct.

The award on parcel 912 (comprising 11.66 acres) was \$5,000. This included consequential damage on account of dividing the property and cutting off practically all the access to the brook. Parcel 912B is now nearly covered with tunnel spoil.

This parcel is herewith turned over to your commission for disposal.

Respectfully, BOARD OF WATER SUPPLY, GEORGE FEATHERSTONE, Secretary.

In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolutions:

September 4, 1917.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Secretary of the Board of Water Supply, in a communication to the Commissioners of the Sinking Fund under date of March 6, 1917, states that in connection with the construction of the Catskill Aqueduct, certain property designated as Parcel 912B on Map made by the Board of Water Supply, entitled Acc. E. 700, Dr. 29, Case 15, was acquired for the disposal of spoil, and as it is no longer required by the Board of Water Supply, except for the possible use of some of the spoil thereon at the time of the construction of the additional steel pipe siphons across Hunter's Brook, the parcel is surrendered to the Commissioners of the Sinking Fund.

This parcel, which contains 5.16 acres, is also subject to the rights of the abutting owner in a 25-foot right of way across the entire length of the northerly side of this parcel.

Mr. Thomas W. Baker, Attorney for the owner of the adjoining property, in a communication to your Board dated March 21, 1917, offered to bid \$100 for the property in question, which offer was considered by the Division of Real Estate of this Department as below the reasonable value thereof, and efforts to have Mr. Baker's client increase his offer have been unsuccessful.

I therefore respectfully recommend that the offer of Thomas W. Baker, dated March 21, 1917, for the purchase of Parcel 912-B, Section 13, Southern Aqueduct, be denied, and that the Secretary be directed to notify him of such action.

I also recommend that the Comptroller be authorized to derive such revenue as may be had from the temporary leasing of Parcel 912-B, Section 13, Southern Aqueduct Department, Town of Yorktown, Westchester Co., State of N. Y., and shown on map made by the Board of Water Supply entitled, Acc. E. 700, Dr. 29, Case 15, until the final disposition thereof shall be determined. Respectfully,

E. D. FISHER, Deputy and Acting Comptroller.

Resolved, That the offer of Thomas W. Baker dated March 21, 1917, of One hundred dollars (\$100) for the purchase of certain property in the Town of Yorktown, Westchester County, New York, known as Parcel 912B, Section 13, Southern Aqueduct Department, be and the same is hereby rejected.

Resolved, That the Comptroller be and is hereby authorized to derive such revenue as may be had from the temporary leasing of the property in the Town of Yorktown, Westchester County, State of New York, known as Parcel 912B, Section 13, Southern Aqueduct Department, and shown on Map made by the Board of Water Supply entitled, Acc. E. 700, Dr. 29, Case 15 until the final disposition thereof is determined.

The report was accepted and the resolutions severally adopted, all the members present voting in the affirmative.

Petition of Jacob S. Becker for a Release of the City's Interest in a Portion of the old Hunterfly Road, Borough of Brooklyn.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a petition to the Commissioners of the Sinking Fund from Messrs. Graves, Miles and Yawger, Attorneys for Jacob S. Becker, Esq., requesting a release of the City's interest in certain premises contained within the lines of old Hunterfly Road in the Borough of Brooklyn.

The petitioner states that the property owned by him at this location is known on the Tax Maps of the Borough of Brooklyn, City of New York, as Lot 60, Block 1470, Section 5, and included in this lot is a portion of the old Hunterfly Road, for which a conveyance is sought. Hunterfly Road was closed, pursuant to Chapter 132 of the Laws of 1835, and the streets adjoining this block, St. John's Place, Ralph Avenue, Sterling Place and Howard Avenue, are open and in use.

The interest of the City in that part of the old Hunterfly Road for which a release is sought, has been appraised at \$1,100, which amount the petitioner agrees to pay.

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize a release to Jacob S. Becker, of the City's interest in and to the following described premises:

All that certain piece or parcel of land in the Borough of Brooklyn, Kings County, lying within the lines of the Hunterfly Road, bounded and described as follows:

—in consideration of the sum of \$1,100, plus an additional charge of \$12.50 for the preparation of the necessary papers. The release to contain the following terms and conditions:

That the grantee waive any and all claim for damages arising out of the closing of the street or road.

That the grantee is the owner of the lands fronting on the section of the street or road to be conveyed.

The deed not to be delivered until the grantee has paid whatever taxes and assessments are liens against the premises to be conveyed. Respectfully,

ALBERT E. HADLOCK, Deputy and Acting Comptroller.

Whereas, Jacob S. Becker in a petition to the Commissioners of the Sinking Fund requests a release of the City's interest in certain premises contained within the lines of the old Hunterfly Road in the Borough of Brooklyn and more particularly hereinafter described.

Resolved, That the Commissioners of the Sinking Fund hereby determine that the land described as follows is not needed for any public use.

All that certain piece or parcel of land in the Borough of Brooklyn, Kings County, lying within the lines of the Hunterfly Road, bounded and described as follows:

Beginning at a point on the northerly side of St. Johns Place, 179 feet 9 1/4 inches easterly from the corner formed by the intersection of the northerly side of St. Johns Place with the easterly side of Ralph Avenue; running thence northwesterly along the southwesterly side of what was formerly known as Hunterfly Road, 89 feet 7 1/2 inches, more or less, to land formerly of William Williamson; running thence easterly along said land formerly of William Williamson, 36 feet to the northeasterly side of what was formerly known as Hunterfly Road; running thence southeasterly along said northeasterly side of said Road 99 feet 8 1/2 inches to the northerly side of St. Johns Place, and running thence northwesterly and along said northerly side of St. Johns Place 42 feet 8 1/2 inches to the point or place of beginning.

—and be it further

Resolved, That, pursuant to the provisions of section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby authorize a release to Jacob S. Becker, of the interest of the City of New York in and to the property hereinabove in this resolution bounded and described, in consideration of the sum of eleven hundred dollars (\$1,100), plus an additional charge of twelve dollars and fifty cents (\$12.50), for the preparation of the necessary papers. The release to contain the following terms and conditions:

That the grantee waive any and all claim for damages arising out of the closing of the street or road.

That the grantee is the owner of the lands fronting on the section of the street or road to be conveyed.

The deed not to be delivered until the grantee has paid whatever taxes and assessments are liens against the premises to be conveyed.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

New York University—Petition of, for the Cancellation of Certain Assessments.

The Deputy and Acting Comptroller presented a report recommending approval of an application of the New York University for the cancellation of certain assessments for public improvements and water rates affecting premises in the Borough of The Bronx, which was laid over at meetings held July 26, Aug. 8 and Sept. 13, 1917.

Mr. R. L. Baldwin, representing Truman H. and W. E. Baldwin, Attorneys for the New York University, was heard in regard to the matter.

The matter requiring a unanimous vote action thereon was laid over.

The following matter not on the Calendar was considered by unanimous consent:

Dock Department—Issue of \$4,928 for Additional Corporate Stock for Paving the Marginal Street Area Between W. 44th and W. 47th Sts., Manhattan, Recommended to the Board of Estimate and Apportionment.

Mr. Charles J. Farley, Chief Clerk, Department of Docks and Ferries, was heard in regard to the matter for action in the matter at this time.

The Deputy and Acting Comptroller then presented the following report of the Corporate Stock Budget Committee and offered the following resolution:

Sept. 4, 1917.

To the Commissioners of the Sinking Fund:

Gentlemen—On August 30, 1917, you referred to the Committee on Corporate Stock Budget a communication from the Commissioner of Docks, dated August 27, 1917, requesting additional corporate stock in the sum of \$4,928 to permit the awarding of a contract for paving to the extent of about 7,200 square yards between West 44th and West 47th streets, North River, Borough of Manhattan.

The Bureau of Contract Supervision, to which the request was referred, reports thereon as follows:

"On June 29, 1917, the Board of Estimate and Apportionment, pursuant to the recommendation of the Commissioners of the Sinking Fund, authorized \$40,000 in corporate stock for paving the marginal street at the location and within the limits named.

"Bids were received for the work on August 20, 1917, as follows:

Joseph J. B. Lamarsh, Inc. \$6.24 per sq. yd.
Rosenthal Engineering and Contracting Company 6.38 per sq. yd.
M. J. O'Hara 6.48 per sq. yd.
W. J. Fitzgerald 6.52 per sq. yd.
The Asphalt Construction Company 6.92 per sq. yd.

"The area to be paved, 7,200 square yards, at the low unit price bid, \$6.24 per square yard, would amount to \$44,928, or \$4,928 more than have been provided.

"The preparation of the roadbed for the laying of this pavement includes the excavation and removal of a large quantity of earth and old masonry foundations, which account for the high prices bid.

"It is doubtful if a lower price would result if the contract were again advertised, and it is important that the work be proceeded with at an early date, as the new 1,000 foot pier is nearing completion and the paved roadway will be needed when the pier is ready for use."

We recommend the adoption of the attached resolution, which will recommend to the Board of Estimate and Apportionment the authorization of \$4,928 in addition to the amount already provided (\$40,000) for paving the marginal street between 44th and 47th streets, North River, Manhattan. Respectfully,

E. D. FISHER, Deputy and Acting Comptroller; FRANK L. DOWLING, President, Board of Aldermen; LEWIS H. POUNDS, President, Borough of Brooklyn; DOUGLAS MATHEWSON, President, Borough of The Bronx; Corporate Stock Budget Committee.

Whereas, Sections 72, 73 and 74 of the Greater New York Charter, as amended by Chapters 629 and 630 of the Laws of 1905, and Chapter 467 of the Laws of 1914, provide for the manner and procedure of making such grants; and

PUBLIC NOTICE IS HEREBY GIVEN THAT at the meeting of the Board of Estimate and Apportionment held this day the following resolutions were adopted:

Whereas, The Staten Island Rapid Transit Railway Company has, under date of April 25, 1917, made application to this Board for the grant of the right, privilege and franchise to construct, maintain and operate five standard gauge railroad tracks over and across Western Avenue, in the Third Ward, Borough of Richmond; and

Whereas, Sections 72, 73 and 74 of the Greater New York Charter, as amended by Chapters 629 and 630 of the Laws of 1905, and Chapter 467 of the Laws of 1914, provide for the manner and procedure of making such grants; and

Whereas, In pursuance of such laws, this Board adopted a resolution on June 1, 1917, fixing the date for public hearing thereon as June 29, 1917, at which citizens were entitled to appear and be heard, and publication was had for at least two (2) days in the "Brooklyn Times" and the "Evening World," newspapers designated by the Mayor, and in the City Record for ten (10) days immediately prior to the date of hearing, and the public hearing was duly held on such day; and

Whereas, This Board has made inquiry as to the money value of the franchise or right applied for and proposed to be granted to The Staten Island Rapid Transit Railway Company, and the adequacy of the compensation proposed to be paid therefor; now, therefore, it is

Resolved, That the following form of the resolution for the grant of the franchise or right applied for by The Staten Island Rapid Transit Railway Company, containing the form of proposed contract for the grant of such franchise or right, be hereby introduced and entered in the minutes of this Board, as follows, to wit:

Resolved, That the Board of Estimate and Apportionment hereby grants to The Staten Island Rapid Transit Railway Company the franchise or right fully set out and described in the following form of proposed contract for the grant thereof, embodying all of the terms and conditions, including the provisions as to rates, fares and charges upon and subject to the terms and conditions in said proposed form of contract contained, and that the Mayor of The City of New York, and he hereby is authorized to execute and deliver such contract in the name and on behalf of The City of New York, as follows, to wit:

PROPOSED FORM OF CONTRACT.

This contract, made and executed in duplicate this day of 1917, by and between THE CITY OF NEW YORK (hereinafter called the City), party of the first part, by the Mayor of said City, acting for and in the name of said City, under and in pursuance of the authority of the Board of Estimate and Apportionment of said City (hereinafter called the Board) and THE STATEN ISLAND RAPID TRANSIT RAILWAY COMPANY (hereinafter called the Company), party of the second part, witnesseseth:

In consideration of the mutual covenants and agreements herein contained, the parties hereto do hereby covenant and agree as follows:

SECTION 1. The City hereby grants to the Company, subject to the conditions and provisions hereinafter set forth, the right and privilege to construct, maintain and operate five (5) standard gauge railroad tracks over and across Western Avenue, in the Third Ward, Borough of Richmond, the center line of the northerly four of said five tracks to be approximately one thousand five hundred and thirty (1,530) feet northerly from the center line of Washington Avenue; said five tracks to connect the terminal yard of the Company, located on either side of Western Avenue.

All as shown on a map entitled: "Map showing proposed tracks across Western Ave., Third Ward, Borough of Richmond, City of New York," to accompany the petition of April 25th, 1917—The Staten Island Rapid Transit Ry. Co. to the Board of Estimate and Apportionment.

—Signed by W. H. Averell, General Manager, and Wm. B. Redgrave, District Engineer; which map is attached to and made a part of this contract.

SECTION 2. The grant of this right and privilege is subject to the following conditions, which shall be complied with by the Company.

First—The said right and privilege to construct, maintain and operate said railroad tracks shall be held and enjoyed by the Company from the date on which this contract is signed by the Mayor and until October 28, 1934, with the privilege of renewal of said contract for the further period of twenty-five (25) years, upon a fair revaluation of such right and privilege.

If the Company shall determine to exercise its privilege of renewal it shall make application to the Board at any time not earlier than two (2) years and not later than one (1) year before the expiration of the original term of this contract. The time within which such application for renewal must be made is of the essence of this contract, and a failure of the Company to present its application within the time fixed shall be considered as an election on the part of the Company not to take advantage of the renewal privilege and as a relinquishment of its right to such renewal, in which event the franchise shall terminate on the last day of the original term of this contract. The determination of the revaluation shall be sufficient if agreed to in writing by the Company and the Board, but in no case shall the annual rate of compensation to the City be fixed at a less amount than the sum required to

be paid during the last year prior to the termination of the original term of this contract.

If the Company and the Board shall not reach such agreement on or before the day nine (9) months before the expiration of the original term of this contract, then the parties hereby agree that the annual rate for the renewal term shall be determined by three disinterested persons selected in the following manner:

One disinterested person shall be chosen by the Board; one disinterested person shall be chosen by the Company; these two shall choose a third disinterested person, and the three so chosen shall act as appraisers and shall make the revaluation aforesaid. Such appraisers shall be chosen at least six (6) months prior to the expiration of the original term of this contract, and their report shall be filed with the Board within three (3) months after they are chosen. They shall act as appraisers and not as arbitrators. They may base their judgment upon their own experience and upon such information as they may obtain by inquiries and investigation, without the presence of either party. They shall have the right to examine any of the books of the Company and its officers under oath. The valuation so ascertained and agreed to by any two of such appraisers shall be conclusive upon both of such parties, but no annual sum shall in any event be less than the sum required to be paid for the last year of the original term of this contract. If in any case the annual rate shall not be fixed prior to the termination of the original term of this contract, then the Company shall pay the annual rate theretofore prevailing until the new rate shall be determined, and shall then make up to the City the amount of any excess of the annual rate then determined over the previous annual rate. The entire expense of such appraisal shall be borne jointly by the City and the Company, each paying one-half thereof.

Second—The Company shall pay to the City for this right and privilege during the original term of this contract expiring October 28, 1934, the following sums of money:

(a) The sum of one thousand dollars (\$1,000) in cash within three (3) months after the date on which this contract is signed by the Mayor and before anything is done in exercise of the privilege hereby granted.

(b) From the date when the annual charges commence as hereinafter provided until October 28, 1924, the annual sum of five hundred dollars (\$500).

During the succeeding term of five (5) years, the annual sum of seven hundred and fifty dollars (\$750).

During the last term of five (5) years the annual sum of one thousand dollars (\$1,000). The annual charges shall commence on the date upon which the Company obtains the permission and approval of the Public Service Commission, as required by Section 53 of the Public Service Commission Law. The Company hereby agrees to file its application with the Public Service Commission for such permission and approval within ten (10) days from the date upon which this contract is signed by the Mayor.

The annual charges as above shall be paid into the treasury of the City on November 1 of each year, and shall be for the amount due to September 30 next preceding; provided that the first annual payment shall be only for that proportion of the first annual charge as the time between the date when the annual charges commence as hereinabove provided and September 30 following shall bear to the whole of one year. Any and all payments to be made by the terms of this contract to the City by the Company shall not be considered in any manner in the nature of a tax, but such payments shall be made in addition to any and all taxes of whatsoever kind or description, now or hereafter required to be paid by any ordinance of the City, or resolution of the Board, or any law of the State of New York.

Third—The annual charges or payments herein provided for shall continue throughout the whole term of this contract, notwithstanding any clause in any statute or in the charter of any railroad or railway company providing for payment for railroad or railway rights or franchises at a different rate.

Fourth—The rights and privileges hereby granted shall not be assigned or transferred, either in whole or in part, whether by consolidation, merger, reorganization or otherwise, or leased or sublet in any manner, either in whole or in part, without the consent of the City, acting by the Board, evidenced by an instrument under seal, anything herein contained to the contrary thereof in any wise notwithstanding, and the granting, giving or waiving of any one or more of such consents shall not render unnecessary any subsequent consent or consents, nor shall the title thereto, or right, interest or property therein pass to or vest in any other person or corporation whatsoever, either by the act of the Company or by operation of law, whether under the provisions of the statutes relating to the consolidation, merger or reorganization of corporations or otherwise, unless, in addition to obtaining the above consent of the Board, the proposed successor in title to the rights of the Company shall file with the Board an instrument under seal, agreeing to assume and be bound by each and all of the terms and conditions of this contract and agreeing to waive any more favorable conditions created by its charter or any statute relating to the consolidation, merger, or reorganization of corporations or otherwise. The filing of such agreement shall constitute a condition precedent to the passing to or vesting in such proposed successor in title to the rights of the Company of the rights and privileges hereby granted, or of any portion thereof, or of any right, interest or property therein. In case of the failure of such proposed successor in title to the rights of the Company to file such agreement within sixty (60) days after the date on which such succession in title is to take effect, the right and privilege hereby granted may be forfeited, or the consent of the City provided for herein may be revoked by resolution of the Board.

Fifth—Upon the termination of the original term of this contract, or if the same be renewed, then at the termination of the said renewal term, or upon the termination or forfeiture of the right and privilege hereby granted for any cause, or upon the dissolution of the Company before such termination, the tracks and other property of the Company constructed or existing pursuant to this contract within the streets shall become the property of the City without cost, and the same may be used or disposed of by the City for any purpose whatsoever, or the same may be leased to any company or individual.

If, however, at any time preceding the date upon which this contract shall terminate, the Board shall so order by resolution and give notice to the Company, the Company shall, upon the termination of this contract, remove any and all of its tracks and other property constructed or existing pursuant to this contract and the said streets shall be restored to their original condition at the sole cost and expense of the Company.

Sixth—The Company shall commence and complete the construction of the tracks and appurtenances herein authorized within three (3) years from the date upon which this contract is signed by the Mayor, otherwise this right and privilege shall cease and determine.

Seventh—The tracks hereby authorized shall be constructed and maintained across Western Avenue upon a bridge or viaduct. The Company shall pay the entire cost of the construction and

maintenance of such tracks and bridge or viaduct and in addition shall pay the following:

(a) The cost of the protection of all surface and subsurface structures which shall be in any way disturbed by the construction, reconstruction, repair or removal of such tracks, and the bridge or viaduct.

(b) All changes in sewer or other subsurface structures made necessary by the construction, reconstruction, repair or removal of the said tracks and the bridge or viaduct including the laying or relaying of pipes, conduits, sewers or other structures.

(c) The replacing or restoring the pavement in said street which may be disturbed during the construction, reconstruction, repair or removal of the tracks, and the bridge or viaduct.

(d) The inspection of all work during the construction, reconstruction, repair or removal of the tracks, and the bridge or viaduct, as herein provided, which may be required by the President of the Borough of Richmond and the Commissioner of Water Supply, Gas and Electricity.

Eighth—Before the work of construction, reconstruction, repair or removal shall be begun the Company shall obtain permits to do the work from the President of the Borough of Richmond and from the Commissioner of Water Supply, Gas and Electricity. The Company shall permit all the duties which may be imposed upon it by these officials, as conditions of such permits, provided such conditions are not inconsistent with the provisions of this contract. The Company shall submit to these officials working plans, which shall include and show in detail the method of construction, reconstruction, repair or removal of said railroad tracks and the bridge or viaduct, and the mode of protection of or changes in all subsurface structures required by such construction, reconstruction, repair or removal.

Ninth—The bridge or viaduct to be constructed under this contract shall, subject to the approval of the President of the Borough of Richmond, be constructed in a single span from house-line to house-line, and there shall not be any supporting columns erected in the street. Such bridge or viaduct shall have a vertical clearance of not less than sixteen (16) feet above the surface of said street at the center line thereof and shall have drip pans placed under the same for the entire width of the street. The said tracks and bridge or viaduct shall be constructed, maintained and operated at the expense of the Company, subject to the supervision, control and inspection of the proper authorities of the City who have jurisdiction over such matters under the Charter of the City or under this contract.

Tenth—Should the grade or lines of Western avenue be changed at any time during the term of this contract, whether original or renewal, the Company shall, at its own cost and expense, change or reconstruct the said bridge or viaduct under the supervision of the proper authorities of the city so that there shall be at all times a vertical clearance of not less than sixteen (16) feet above the surface of the street at the center line thereof, and that no portion of the piers or abutments of said bridge or viaduct shall encroach within the lines of said street as changed. Should Western avenue be widened, the Company shall make no claim for, nor shall it be entitled, as against the City, to any compensation or damages by reason of the taking of any portion of the piers or abutments of the bridge or viaduct in condemnation proceedings.

Eleventh—Free and uninterrupted access to and passage over Western avenue shall be maintained at all times, both during construction and thereafter, unless otherwise directed by the President of the Borough of Richmond, and no cars shall be allowed to stand upon said railroad tracks within the limits of said street.

Twelfth—This right and privilege is granted on the further and expressed condition that all laws or ordinances now in force, or which may hereafter be adopted, shall be strictly complied with.

Thirteenth—This grant is upon the express condition that the Company, within thirty (30) days after the signing of this contract by the Mayor, and before anything is done in exercise of the rights and privileges hereby granted, shall deposit with the Comptroller of the City the sum of two thousand dollars (\$2,000), either in money or securities to be approved by the Comptroller, which fund shall be security for the performance by the Company of all the terms and conditions of this contract and for its compliance with all the orders of the Board and of the officials of the City acting under the powers herein reserved. From the said fund deductions may be made as hereinafter provided.

(a) Should the Company, within such time after notice as may be herein prescribed, or, where no time is prescribed, within such time as the Board or the proper official of the City may hereafter prescribe, fail to comply with the provisions of this contract or with the orders of the Board or of the officials of the City herein named or referred to, relating to:

Paving and repairing of the streets, protecting the City's structures during the construction, reconstruction, repair or removal of the tracks and bridge or viaduct hereby authorized.

Protecting the Company's tracks, appurtenances or other structures during the performance of any public work or as may be required on account of the changing of the lines or grades of the streets.

Or with any other provision of this contract which may affect the repair, protection and maintenance of the streets or of the City's structures within the streets, the City shall have the right to cause the work to be done or the defect remedied and to reimburse itself for the cost of such work by deducting such cost, with interest, from the security fund hereinabove provided for. Such deduction shall be made by the Comptroller upon the direction of the Board.

(b) Should the Company, within ten (10) days after the demand has been made upon it, fail to pay to the City the cost of any alterations to the sewerage or drainage systems occasioned by the construction, maintenance or operation of the tracks and bridge or viaduct hereby authorized, or fail to repay to the City any damages caused to persons or property which the City shall be compelled to pay by reason of the construction, maintenance or operation of the said tracks and bridge or viaduct, or by reason of any acts or defaults of the Company in connection therewith, the City shall have the right to collect such costs or damages, with interest, by deducting the amount of the same, with interest, from the security fund hereinabove provided for. Such deduction shall be made by the Comptroller upon the direction of the Board.

(c) Should the Company fail to pay to the City the annual charges required to be paid by this contract, within the time fixed for the payment thereof, the City shall have the right to collect the amount of such charges, with interest, by deducting the same from the security fund hereinabove provided for. Such deduction shall be made by the Comptroller without further or other direction.

(d) Should the Company fail to comply with the provisions of this contract, or with the orders of the Board or of the officials of the City herein named or referred to, then the Company may be required to pay to the City, as liquidated damages for each breach or violation, the following sums:

For failure to maintain the tracks and bridge or viaduct in good condition throughout the whole term of this contract, the sum of two

hundred and fifty dollars (\$250) for each day during which the default or defect remains.

For failure to comply with any other provision of this contract as to which liquidated damages are not fixed herein, the sum of fifty dollars (\$50) per day for each day during which such failure or default shall continue.

All of such sums may be collected by deducting the same from the security fund hereinabove provided for.

The procedure for the collection of such liquidated damages shall be as follows:

Whenever the Board shall have knowledge of any such breach or violation on the part of the Company, the Board shall give notice to the Company, specifying the nature of such breach or violation and the amount of liquidated damages which it is proposed to collect therefor, and directing its President or other officer to appear before the Board on a certain day, not less than ten (10) days after the service of such notice, to show cause why the Company should not be required to pay such liquidated damages in accordance with the foregoing provisions. If the Company fails to make an appearance, or, after a hearing, appears in the judgment of the Board to be in fault, the Board shall forthwith direct the Comptroller to collect such liquidated damages by deducting the amount of the same from the security fund hereinabove provided for.

(e) In case of any deductions from the security fund pursuant to this contract, either for the reimbursement of the City for work done by it or amounts expended by it on behalf of the Company, or amounts paid by it to any person by reason of any act or default of the Company, or for the collection by the City of the annual charges herein provided, or of liquidated damages, the Company shall, upon ten (10) days' notice by the Comptroller, deposit with the Comptroller a sum, either in money or securities, sufficient to restore such security fund to its original amount of two thousand dollars (\$2,000), and in default thereof, the right and privilege hereby granted may be forfeited by the City.

(f) Should the right and privilege hereby granted be forfeited pursuant to the provisions of this contract, or should such right and privilege be terminated upon the dissolution of the Company as herein provided, the security fund hereinabove provided for shall be forfeited to the City as liquidated damages for failure of the Company to perform this contract pursuant to the terms hereof.

(g) No action or proceeding or right under the provisions of this subdivision shall affect any other legal rights, remedies or causes of action belonging to the City.

The provisions for the reimbursement of the City for work done by it or amounts expended by it on behalf of the Company, or amounts paid by it to any person by reason of any act or default of the Company or for the collection by it of the annual charges, or of liquidated damages, are and shall be in addition to the City's right as herein reserved to forfeit the right and privilege hereby granted.

Fourteenth—In case of any violation or breach or failure to comply with any of the provisions herein contained, or with any orders of the Board or any official of the City acting under the powers herein reserved, the right and privilege hereby granted may be forfeited by resolution of the Board, which said resolution may contain a provision to the effect that the tracks and bridge or viaduct constructed and in use by virtue of this contract shall thereupon become the property of the City without proceedings at law or in equity. Provided, however, that such action by the Board shall not be taken until the Board shall give notice to the Company to appear before it on a certain day not less than ten (10) days after the date of such notice, to show cause why such resolution introducing this right and privilege forfeited should not be adopted. In case the Company fails to appear, action may be taken by the Board forthwith.

Nothing herein contained shall affect in any way the right of the Company to apply to a court of competent jurisdiction for a review of any action of the Board forfeiting the right and privilege hereby granted.

Fifteenth—The Company shall assume all liability for damages to persons or property occasioned by reason of the construction, maintenance and operation of the tracks and bridge or viaduct hereby authorized, and it is a condition of this contract that the City shall assume no liability whatsoever to either persons or property on account of the same, and the Company shall repay to the City any damage which the City shall be compelled to pay by reason of any acts or default of the Company.

Sixteenth—The words "notice" or "direction," wherever used in this contract, shall be deemed to mean a written notice or direction. Every such notice or direction to be served upon the Company shall be delivered at such office in the City as shall have been designated by the Company, or if no such office shall have been designated, or if such designation shall have for any reason become inoperative, shall be mailed in the City, postage prepaid, addressed to the Company at the City. Delivery or mailing of such notice or direction as and when above provided shall be equivalent to direct personal notice or direction, and shall be deemed to have been given at the time of delivery.

Section 3 Nothing in this contract contained shall be construed as in any way limiting the present or future jurisdiction of the Public Service Commission under the Laws of the State of New York.

Section 4 Nothing in this contract contained shall be deemed to limit in any way the police power vested in hereafter to be delegated or granted to the City by the State of New York.

Section 5 The Company promises, covenants and agrees to conform to and abide by and perform all the terms, conditions and requirements in this contract fixed and contained.

IN WITNESS WHEREOF, the party of the first part, by its Mayor, thereunto duly authorized by the Board of Estimate and Apportionment of said City, has caused the corporate name of said City to be hereunto signed and the corporate seal of said City to be hereunto affixed, and the party of the second part, by its officers, hereunto duly authorized, has caused its corporate name to be hereunto signed and its corporate seal to be hereunto affixed the day and year first above written.

TION 3 AND SUPPLEMENTARY SHEET
SECTION 3.**

In the Matter of the Application and Petition of
the Board of Water Supply of the City of New
York for the appointment of a commission under
Chapter 724 of the Laws of 1905, as amended.
PUBLIC NOTICE IS HEREBY GIVEN THAT
it is the intention of the Corporation Counsel
of the City of New York to make application to
the Supreme Court for the appointment of Com-
missioners under Chapter 724 of the Laws of 1905
as amended.

Such application is to be made at a Special
Term of the said Court to be held at the Court
House in the City of Troy, Rensselaer County,
New York, on the 20th day of October, 1917, at
10 o'clock in the forenoon of that day or as soon
thereafter as counsel can be heard.
The object of this application is to obtain an
order of the Court for the appointment of three
disinterested and competent freeholders, at least

one of whom shall reside in the County of New
York, and at least one of whom shall reside in
one of the Counties of Schoharie, Delaware or
Greene, as Commissioners of Appraisal to ascer-
tain and appraise the compensation to be made to
the owners and all persons interested in the real
estate laid down on a certain map entitled:

"Board of Water Supply of the City of
New York. Map of real estate situated in the
Town of Gilboa & Conesville, County of Schoharie,
County of Delaware, and Prattville, County of
Greene and State of New York, to be acquired by the
City of New York under the provisions of chapter
724 of the Laws of 1905 as amended for the con-
struction of Schoharie Reservoir and appur-
tenances in the vicinity of Gilboa and Pratt-
ville."

—and which map was filed as follows:
In the County Clerk's office, County of Scho-
harie, N. Y., on the 29th day of May,
1917.

In the County Clerk's office, County of Dela-
ware, N. Y., on the 28th day of May,
1917.

In the County Clerk's office, County of Greene,
at Catskill, N. Y., on the 26th day of May, 1917;
and also in the real estate laid down on a certain
supplementary map entitled:

"Board of Water Supply of the City of
New York. Map of real estate situated in the
Town of Gilboa, County of Schoharie and
State of New York, to be acquired by the
City of New York under the provisions of
chapter 724 of the Laws of 1905 as amended for
the construction of Schoharie Reservoir and appur-
tenances in the vicinity of Gilboa."

—and which map was filed in the County Clerk's
office, County of Schoharie, N. Y., on the 30th
day of July, 1917; and that said
Commissioners of Appraisal shall ascertain
and determine and state separately the items of
damage, if any, to which the owner or any person
interested in the said real estate laid down on said
maps filed at Schoharie, May 29 and July 30,
1917, Delhi, May 28, and Catskill, May 26, 1917,
may be entitled by reason of Section 42, Chapter
724 of the Laws of 1905, as amended by Section
9, Chapter 314 of the Laws of 1906, and Section
2, Chapter 527, of the Laws of 1916, provided
that an agreement cannot be had with the Board
of Water Supply, and further that said damages
arise by reason of acts of the City of New York,
its Board of Water Supply after May 12th,
1916.

Except that the Corporation Counsel of the
City of New York will make application to the
Supreme Court that all parcels of real estate
laid down on said above recited maps wholly or
in part in the fire district of Gilboa, and all
parcels of real estate laid down on said maps
above recited where the claimants allege an en-
hancement by reason of water power thereon,
including any claim the Gilboa Water Co. may
have, shall be assigned by the Court to the
present Schoharie Reservoir and Shandaken Tunnel
Commission which is now appraising real
estate in said fire district and has jurisdiction
over certain claims for water powers in con-
nection therewith.

Further, to prevent any conflict of jurisdiction
between the commission herein applied for and
the Schoharie Reservoir and Shandaken Tunnel
Commission already appointed, and to obviate, so
far as possible, disproportionate awards and in-
harmonious decisions, the Court will be asked to
assign to the Commission herein applied for, all
the telephone and telegraph companies' claims,
whether for loss of business or for rights of way
or easements, leaving to the Commission hereto-
fore appointed the determination of nothing in
connection with the telephone and telegraph claims
except the value of the Pierce and Peaslee tele-
phone building in Gilboa.

Also at the same time and place the Corpora-
tion Counsel of the City of New York will make
application to the Supreme Court to approve the
substitution for all rights of way and highways
existing within the lines of the maps filed in the
County Clerk's Office at Schoharie, on the 31st
day of January, 1917, the 19th day of March,
1917, the 29th day of May, 1917, and the 30th day
of July, 1917, in the County Clerk's Office, County
of Greene, on the 26th day of January, 1917, the
26th day of May, 1917, in the County Clerk's of-

Clerk's office in the County of Ulster on the 26th
day of January, 1917, of the highways as pre-
pared and laid down on the map prepared by
the Board of Water Supply of the City of New
York pursuant to chapter 724 of the Laws of
1905 as amended. All of which substituted high-
ways are on real estate embraced in the above
recited maps. For said substituted highways no
real estate is required in addition to the use
of certain real estate laid down on said aforesaid
maps for highway purposes.

And for such other and further relief as may
be just and proper.

The real estate laid down on said maps is
situated in the Towns of Gilboa & Conesville,
County of Schoharie, County of Delaware, and
Prattville, County of Greene, State
of New York.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES

thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale.

Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 will be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale.

The placing therein or permitting the occupancy of any such building by any tenant, lessee, or clerk, thereon, or other officer or employee of the City, or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances for the existing structures of their tenants will permit.

All the material of buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations, and the sidewalks and curbs in front of said buildings, or the structures described herein, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that this has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days

from the day of possession will work forfeiture of ownership of such buildings, appurtenances or portions as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will without notice to the purchaser, cause the same to be removed and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the date of possession, and the successful bidder will provide and furnish all materials or labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furnishings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

No buildings, parts of buildings, fixtures or machinery sold for removal under these terms and conditions shall in any case be relocated or re-erected within the lines of any proposed street or other public improvement, and if any such buildings, parts of buildings, fixtures or machinery, etc., shall be re-located or re-erected within the lines of any proposed street or other public improvement, title thereto shall thereupon be vested in The City of New York and a resale at public or private sale may be made in the same manner as if no prior sale thereof had been made.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids, and to be it further

Resolved, That while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.
