DEPARTMENT OF DOCKS AND FERRIES.

At an adjourned meeting of the Board of Docks held Fralay, June 21, 1901, at 2 o'clock P. M.

At an adjourned meeting of the Board of Docks held Fralay, June 21, 1961, at 2 o'clock P. M.
Present—The full Board.

The minutes of the meeting held June 14, 1961, were approved.

The following communications were referred to the Treasurer:
From the New York and Cuba Mail Steamship Company—Requesting a lease of the pier to be constructed on the site of the present Pier, old 15, East river.

The hard-lone-Jewell Milling Company—Requesting permission to use and occupy, when completed, a portion of the buildhead at the foot of Pike street, East river.

The following permits were granted, to continue during the pleasure of the Board.

M. Goodwin, to maintain a floating damping-board for loading cellus duty on scows at the buildhead herwisen Eighteenth and Ninetaenth streets. North river, compensation therefor to be fixed by the Treasurer. fixed by the Treasure

Culseus' Steamboat Company, to place a tally-louse, 6 by 8 feet, on Pier, ald 5015, North

The following permits were granted, the work to be done under the supervision of the Engineer-in-t linet, and to be kept within existing lines:

1 obstanting & Nestaith, to repair the full head between Sixth and Seventh streets, East

Lowell M. Palmer, to repair the piers between Dupont and Freeman streets, Greenpoint, and hou of Ninet and Tenth streets, Eurough of Brooklyn.

Brooklyn Union Gas Company, to repair the bulkhead at the fact of Kent avenue and Cross-streets, Brooklyn.

streets, Brooklyn.

Realty Trust, to repair the Pier foot of Bayway avenue, Tottenville, Staten Island, William S. Van Cliet, to repair the pier foot of Ferry street, Port Richmond, Staten Island. The following permus were granted, to continue during the pleasure of the Board, the work to be done under the supervision of the Engineer-in-Chief:

Harlem Rowing Clob, to maintain its boat-house and float at the foot of Lenox avenue, Harlem river, compensation to be fixed by the Treasurer.

William H. Zelmer, to maintain a platform float and approach on the westerly side of City Island, along 500 feet south of the new bridge approach thereat.

Morse Iron Works and Dry Dock Company, to erect and maintain a temporary shelter for the use of the New York Yacht Club, on the southerly side of the pier foot of Fifty-eighth street, Bronklyn.

The following communications were ordered on file : From the Commissioners of the Sinking Fund—Approving the plans for the improvement of the water-front between Seventy-seventh and Eighty-first streets, and between Ninety-fourth and Ninety-eighth street. North dver; approving of the purchase of the whorfage rights appurtenant to the northerly halt of Pier, old 54. East river, from Michael Halpin; and disapproving of the terms and conditions of the proposed sale of the Hamilton, South, Wall, Fulton and Catharine Ferry franchises, at the upset price of four and one-half pur cent, per annum of the gross receipts.

On motion, the matter of the proposed sale of the ferry franchises was tabled, and the Secretary directed to enter in full on the minutes the resolutions as adopted by the Commissioners of the Sinking Fund, as follows.

of the Sinking Fund, as follows :

scretary directed to enter in tall on the minutes the resolutions as adopted by the Commissioners of the Sinking Fund, as follows:

"Resolved, That the Commissioners of the Sinking Fund hereby approve of the map or plan submitted by the Department of Docks and Ferries for the improvement of the water-front on the North river, between Seventy-seventh and Eighty-first streets, in the Borough of Manhattan, as adopted by the Board of Docks on May 17, 1901.

"Resolved, That the Commissioners of the Sinking Fund hereby approve of the map or plan salmitted by the Department of Docks and Ferries for the improvement of the water-front on the North river, between Ninety-Jourth and Ninety-eighth streets, in the Borough of Manhattan, as adopted by the Board of Docks on May 24, 1901.

"Resolved, That the Commissioners of the Sinking Fund hereby approve of the purchase by the Board of Docks, from Michael Halpin, of wharfage rights, etc., appertaining to the mortherly half of Pier, uld 54. East river, Borough of Manhattan, for the sum of twenty-five thousand dollars (\$25,000), as described in an agreement entered into by the Board of Docks with said Michael Halpin, slated the 12th day of December, 1900.

"Resolved, That the Commissioners of the Sinking Fund decline to approve of the terms and conditions of the sale of the franchises of the Fulton, Wall, Catharine, South and Hamilton Avenne Ferries, as transmitted by the Department of Docks and Ferries under date of June 4, 1901, on the ground that the upset price fixed thereon is less than the rental which could be

oblasmed for the wharf property of the City if leased for other than ferry purposes, and that if a sale should be made on the terms proposed not only would the Lity receive nothing for the franchism for operating the terms but would in effect be subsidizing the terry componies to the estent of the difference between such uport price and the fair marker routal of said wharf property; and he is furthermore.

"Resolved, That in returning this advertisement of sale unapproved to the Department of Docks and Ferries the Commissioners of the Sinking Fund suggest that new terms and conditions be considered by the Board of Docks on one of the three following bases:

(1) An upset price of \$5\(\frac{1}{2}\) per cent.

(2) An upset price of totty thousand two hundred and ten dollars; any competitive bids being made by increasing such amount instead of by percentages of gross receipts; and (3) An upset price of our dollar for the function privileges, the rental for the wharf property being charged separately at facty thousand two hundred and ten dollars (\$40,216)."

On motion the following resolution was adopted:

On motion, the following resolution was adopted:

Resolved. That the contrast opened May 31, 1901, for building a new pier at the foot of West Ninety-sixth street. North river, under Contract No. 700, be and hereby is awarded to Henry L. Sprarin, be being the lowest hidder, subject to the approval of The American Bonding and Trust Company of Baltimore City and the National Surety Company as sareties, by the Company of Baltimore City and the National Surety Company as sareties, by the

Comptroller.

From the Comptroller—Approving sureties on Contract No. 705.

From the Corporation Counsel:

1st. Approving form of Contract No. 709.
2d. Approving form of Contract No. 709.
2d. Approving form of lease of Pier, new 36, North river, in William P. Clyde & Co. Commissioners authorized to execute same.
3d. Advising that the Department of Docks and Ferries has no jurisdiction over property within park limits.

From the Commissioners of the commissioners of the commissioners of the commissioners.

From the Commissioners of the Land Office—Transmitting copy of application made by Edmund C. Strong and others for a grant of land under water at Mill Creek, Jamaica Bay, Bornugh of Brooklyn.

Barnugh of Brooklyn.

On motion, the following resolution was adopted:
Resolved. That the Secretary be and hereby is directed to natify the Commissioners of the Land Office that this Department has examined into the application of Edmund C. Strong, John Keeley, Ir., and Roderick Green for a grant of land under water at Mill creek, in the Thirty-second Ward of the Borough of Brooklyn, dated May 7, 1901, and finds that the granting of same will conflict with the rights of the City under the provisions of chapter 378 of the Laws of 1897, and will be otherwise injurious to the public interests of The City of New York, and that therefore this Board protests against the granting of said applications.

From the Marltime Association of the Port of New York—Commending the action of the Department in transferring the Sound Line Steamers from the North to the East river.

From Juliu B. McDonald, contractor—Stating that he is about to commence the construction of the Rapul Transit Rathroad on Lenox avenue, One Hundred and Forty-ninth street, Third avenue and Westchester avenue, from a point 100 feet north of the centre line of One Hundred and Thirty-fifth street and Lenox avenue to the westerly building line of Brook avenue.

From the Juliu Simmons Company—Requesting permission to extend their eighty feet of builkhead between Jackson and Gouverneur stips, East river, out to the new pierbead-line.

and Thirty-lifth street and Lenox avenue to the westerly building line of Brook avenue. From the John Simmons Company—Requesting permission to extend their eighty feet of buildhead between Jackson and Gouverneur stips, East river, out to the new pierhead-line. Secretary directed to state that before permit will be granted an agreement must be filled that in the event of the City requiring the premises for the improvement of the water-front no additional item of value shall be claimed beyond the actual cost of such improvement.

From the Central Vermont Rallway Company—Requesting an extension of time in which to vacate Fier, old 36, East river, with adjoining land under water and platforms.

On motion, the time in which to vacate said premises was extended to August 1, 1901.

From the Knickerbocker Steamboat Company—Requesting that this Department drive additional mooring piles on the south side of the piers foot of West Fiftieth and West One Hundred and Twenty-ninth streets, and agreeing to pay the cost thereof. Engineer-in-Chief directed to drive the desired piles and to report the cost thereof for collection from said company.

From the Part Chester Transportation Company—Requesting that a gangway be cut in the backing leg on the north side of Fier, new 33, East river. Engineer-in-Chief directed to cut the gangway and in report the cost thereof for collection from said company.

From the Treasurer—

From the Transurer—

1st. Recommending that the action of the Board of June 14, 1901, in fixing the compensation to be charged the Knickerbocker Steamboat Company for the beth occupied by one of its steamers, on the south side of the pier foot of West Fiftieth street, North river, he amended by

Exing the rate at \$5 per day instead of \$15 per day, as the pier is not to be used for the landing of passengers. Recommendation adopted,

2d. Reporting that the Cornell Steamboar Company desire to erect a two-stary trace limiting,
50 by to feet, on the outer and of the pier toot of West Fifty-second street, and recommending that the permit granted April 19, 1907, he revoked, such structure not being in accordance with the original permit. Recommendation adopted.

3d. Recommending that the application of Frederic's Schafer for a reduction in the compensation charged him for bout-house at the foot of One Handred and Fifty-third street, North tiver, be desired. Recommendation adopted.

3d. Recommending that the application of Frederick Schafer for a reduction in the compensation charged him for bout-house at the foot of One Hundred and Filty-third street, North river, be denied. Recommendation adopted.

From the Dock Superintendent—
1st. Report for the week ending June 15, 1901.
2d. Reporting that M. C. Dexter commenced the use of the herth on the south side of the pier foot of West Thirty-fifth street for a footling hath on June 10, 1901.
3d. Recommending that the permit granted C. E. Miller for a berth between Seventy-minth and Eightieth streets, North river, he revoked, as the permittee does not sate at lo annil himself of the privilege. Recommendation adopted.

4th Repairing that E. F. Girt varieted the berth at the pier foot of Thirty-ninth street, North river, on June 8, 1901, and recommending that the permit granted said McGirt to load manure on some thereat be revoked as of that date. Recommendation adopted.
