 Railroad Passenger Stations**

- (a) In all districts, the City Planning Commission may permit the construction of railroad passenger stations, provided that the following findings are made:
- (a1) that the principal access for such #use# is not located on a local #street#;
 - (b2) that such #use# is so located as to draw a minimum of vehicular traffic to and through local #streets# in #residential# areas; and
 - (e3) that vehicular entrances and exits for such #use# are provided separately and are located not less than 50 feet apart.

The City Planning Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area, including requirements for shielding of floodlights or surfacing of access roads or driveways.

In addition, the Commission shall require the provision of adequate #accessory# off-street parking spaces necessary to prevent the creation of traffic congestion caused by the curb parking of vehicles generated by such #use#, and shall determine the required spaces in accordance with the purposes established in this Resolution with respect to other major traffic-generating facilities. The Commission shall require, in any event, not less than 20 spaces for the temporary parking of automobiles, and three spaces for buses.

(b) In Community Districts 4 and 5 in the Borough of Manhattan, the City Planning Commission may permit the construction of railroad passenger stations and ventilation facilities or other facilities or services used or required in connection with such railroad passenger station or in connection with an underground railroad right-of-way that provides access to such railroad passenger station, and may permit waivers of applicable #bulk# regulations, other than the #floor area ratio#, in connection with such ventilation facilities, or other facilities or services, provided that the following findings are made:

- (1) that the principal access for such railroad passenger station is not located on a local #street#;
- (2) that such railroad passenger station is so located as to draw a minimum of vehicular traffic to and through local #streets# in #residential# areas;
- (3) that any vehicular entrances and exits for such railroad passenger station are provided separately and are located not less than 50 feet apart;
- (4) that the locations of at-grade entrances to such railroad passenger station are well situated in relation to existing at-grade pedestrian circulation patterns;
- (5) that any below-grade pedestrian circulation elements provided in connection with the railroad passenger station are well integrated with any existing or planned below-grade pedestrian circulation networks providing connections to and from other transportation facilities; and
- (6) for ventilation facilities or other facilities or services used or required in connection with a railroad passenger station or in connection with an underground railroad right-of-way that provides access to a railroad passenger station, that:
 - (i) any #bulk# modifications are the minimum necessary for the proper operation of the facility; and
 - (ii) that the design of the facility will blend harmoniously with the surrounding area.

Railroad passenger station entrances provided pursuant to paragraph (b)(4) of this Section and railroad passenger station emergency access stairs, located within #publicly accessible open areas# of #zoning lots# subject to the provisions of Section 81-542 (Retention of floor area bonus for plazas or other public spaces), shall be permitted obstructions within such #publicly accessible open areas#, provided that the Commission finds that any encroachment within such #publicly accessible open areas# by such entrances or emergency access stairs will facilitate improved pedestrian circulation to, from and within the proposed railroad passenger station.

The special permit shall provide that such #publicly accessible open area# shall be designed and improved in connection with the installation of entrances or railroad passenger station emergency access stairs pursuant to a site plan accepted by the Chairperson of the City Planning Commission. The proposed site plan shall be referred to the affected Community Board, the local Council Member and the Borough President. The Chairperson shall not accept such site plan prior to sixty days after such referral. A #publicly accessible open area# improved pursuant to an accepted site plan shall be deemed to be certified pursuant to Section 37-625 (Design changes) and the standards set forth therein. Subsequent modifications of the site plan for such #publicly accessible open area#, including modifications involving the co-location of transportation facility entrances, shall be subject to this paragraph. An application to modify the site plan to facilitate the co-location of railroad passenger station entrances may be filed by the transportation agency seeking to co-locate a transportation facility entrance in the #publicly accessible open area# or by the property owner. Such application shall include evidence of

consultation with any transportation agency with existing or planned facilities located in the #publicly accessible open area#. The modified site plan shall also be referred to such transportation agency by the Chairperson for comment.

The City Planning Commission may prescribe appropriate conditions and safeguards to minimize pedestrian and vehicular congestion and to minimize adverse effects on the character of the surrounding area, including requirements for shielding of floodlights, surfacing of access roads or driveways, mitigation of pedestrian impacts, signage requirements, or screening or placement of the facilities or services permitted pursuant to paragraph (b) this Section.

However, Sections 23-954(b) and (c) shall apply to any permits or certificates of occupancy for #compensated developments# issued on or after (date of enactment).

The #floor area ratio# of a #compensated development# may be increased in exchange for #lower income housing#, pursuant to a #lower income housing plan#, as both terms were defined by Section 23-93 of this Resolution prior to (date of enactment), provided such #lower income housing# complies with all applicable provisions of Section 23-90 (INCLUSIONARY HOUSING) in effect prior to (date of enactment), except as provided in this Section. Where such a #compensated development# is located in an R10 district outside of #Inclusionary Housing designated areas#, the provisions of Section 23-951 (Floor area compensation in R10 districts other than Inclusionary Housing designated areas) shall not apply, and paragraph (a) of Section 23-94 (Floor Area Compensation) as such section existed prior to (date of enactment) shall apply.

Any previously approved #lower income housing plan#, as such term was defined prior to (date of enactment), and any legal document related thereto, may be modified by #HPD#.

Methods of Providing Affordable Housing

- (a) _____ #Affordable housing# shall be either #new construction affordable housing#, #substantial rehabilitation affordable housing# or #preservation affordable housing#.
- (b) _____ When determining whether #affordable housing# is #new construction affordable housing#, #substantial rehabilitation affordable housing# or #preservation affordable housing# in order to calculate #floor area compensation#, or when making a determination of which #building# or #building segment# constitutes a #generating site#, #HPD# may separately consider each #building# or #building segment# on a #zoning lot#. Where any such #building# consists of two or more contiguous sections separated by walls or other barriers, #HPD# may consider all relevant facts and circumstances when determining whether to consider the sections of such #building# separately or collectively, including, but not limited to, whether such sections share systems, utilities, entrances, common areas or other common elements and whether such sections have separate deeds, ownership, tax lots, certificates of occupancy, independent entrances, independent addresses or other evidence of independent functional use.
- (c) _____ The amount of #affordable floor area# in any #generating site# shall be determined based upon plans for such #generating site# which have been approved by the Department of Buildings and which indicate thereon the amount of #floor area# devoted to #affordable housing# and the amount of #floor area# devoted to other #residential# uses. However, for #generating sites# where the Department of Buildings does not require #floor area# calculations, the amount of #affordable floor area# shall be determined by methods specified in the guidelines.
- (d) _____ The amount of #low income#, #moderate income# and #middle income floor area# in a #generating site# shall be determined in the same manner as the calculation of #affordable floor area#.
- (e) _____ #Affordable housing units# shall be either rental #affordable housing# or #homeownership affordable housing#.

(b) Compensated Development Building Permits

(1) #HPD# may issue a #permit notice# to the Department of Buildings at any time on or after the #regulatory agreement date#. The Department of Buildings may thereafter issue building permits to a #compensated development# that utilizes #floor area compensation# based on the #affordable housing# described in such #permit notice#.

(2) If #HPD# does not receive confirmation that the #regulatory agreement# has been recorded within 45 days after the later of (i) the #regulatory agreement date#, or (ii) the date upon which #HPD# authorizes the recording of the #regulatory agreement#, #HPD# shall suspend or revoke such #permit notice#, notify the Department of Buildings of such suspension or revocation and not reinstate such #permit notice# or issue any new #permit notice# until #HPD# receives confirmation that the #regulatory agreement# has been recorded. (c) Compensated Development Certificates of Occupancy

(1) The Department of Buildings shall not issue a temporary or permanent certificate of occupancy for any portion of the #compensated development# that utilizes #floor area compensation# until #HPD# has issued a #completion notice# with respect to the #affordable housing# that generates such #floor area compensation#. However, where any #story# of a #compensated development# contains one or more #affordable housing units#, the Department of Buildings may issue any temporary or permanent certificate of occupancy for such #story# if such temporary or permanent certificate of occupancy either includes each #affordable housing unit# located in such #story# or only includes #dwelling units# or #rooming units# that are #affordable housing units#. (2) #HPD# shall not issue a #completion notice# with respect to any portion of any #generating site# unless:

(i) the Department of Buildings has issued temporary or permanent certificates of occupancy for all #affordable housing# described in such #completion notice# and such certificates of occupancy have not expired, been suspended or been revoked, or

(ii) where a #generating site# contains #affordable housing# that had a valid certificate of occupancy on the #regulatory agreement date# and no new temporary or permanent certificate of occupancy is thereafter required for the creation of such #affordable housing#, #HPD# has

determined that all renovation and repair work required by the applicable #regulatory agreement# has been completed and all obligations with respect to the creation of such #affordable housing# have been fulfilled in accordance with the applicable #regulatory agreement#.

Lower Income Housing Requirements for Generating Sites

To qualify for the increased #floor area#, #compensated developments# must provide #lower income housing# for the life of the increased #floor area# in the #compensated development# pursuant to one or more of the options listed in Sections 23-051, 23-052 and 23-053, and such #lower income housing# must meet each of the following requirements:

(a) Standards

All #lower income housing# shall be in #standard units#. Except in #buildings# in which all #standard units# are occupied by #lower income housing#, the #floor area# devoted to #lower income housing# shall be considered only the #floor area# within the perimeter walls of the #standard units# of the #lower income housing# and a pro rata share of the common areas of the #building# exclusive of those common areas for which a fee is charged to #lower income households# for its use. In #buildings# in which all of the #standard units# are occupied by #lower income housing#, all of the #residential floor area# shall be considered as devoted to #lower income housing#.

(b) Tenant selection

All incoming households of #standard units# in #lower income housing# must be #lower income households#.

Sublessees of a #lower income household# must also be #lower income households#. The #administering agent# shall verify the income of such sublessee households prior to their occupancy of the #lower income housing#, to assure that such households are #lower income households#. On and after the issuance of a certificate of occupancy for #lower income housing#, the #administering agent# shall have a duty:

(1) to maintain in a habitable condition all #lower income housing#, and

(2) to rent such housing to #lower income households#.

This duty to rent shall be satisfied by the #administering agent#, if such agent has in fact rented all such units to #lower income households# or has, in good faith, made a continuing public offer to rent such units at rents no greater than the rents authorized by this program or otherwise at law.

(c) Rent levels

All #standard units# in #lower income housing# shall be rented at #fair rents#. The total average annual rent for all #lower income housing# approved pursuant to a #lower income housing plan# shall not exceed an amount equal to the reasonable maintenance, operation, administration and contingency costs for such year as determined by the Commissioner of the Department of Housing Preservation and Development.

(d) Income verification

Prior to renting #lower income housing#, the #administering agent# shall verify the income of each household to occupy such housing, to assure that the households are #lower income households#. The #administering agent# shall submit an affidavit to the Commissioner of Housing Preservation and Development upon initial occupancy and annually thereafter attesting that all incoming occupants of #lower income housing# are #lower income households#.

(e) Lower income housing plan

A #lower income housing plan# acceptable to the Commissioner of Housing Preservation and Development shall be prepared and followed by the developer.

Such plan shall include the building plans, indicate the #floor area# devoted to #lower income housing# and shall demonstrate the feasibility of creating and maintaining the specified #lower income housing# required in accordance with the Inclusionary Housing program, including demonstrating that:

(1) the #lower income housing# will be managed and operated by a responsible #administering agent#;

(2) there will be sufficient income to provide for adequate maintenance, operation and administration of the #lower income housing#; and

(3) tenant selection will be on an equitable, non-discriminatory basis and achieves a reasonable range of tenant incomes within the permitted income levels and rent levels established pursuant to this program.

A restrictive declaration, satisfactory to the Commissioner of Housing Preservation and Development, shall be recorded against the #zoning lot# on which the #lower income housing# is

constructed and shall set forth the obligations, running with such #zoning lot#, of the owner and all its successors in interest to provide #lower income housing# in accordance with the #lower income housing plan#. The #lower income housing plan# shall be incorporated by reference into the restrictive declaration, and attached as an exhibit thereto.

No later than the date on which a #lower income housing plan# is first submitted to the Department of Housing Preservation and Development, a copy of the plan shall be submitted to the affected Community Board(s). Such Community Board(s) shall have 45 days to review said plan. No #lower income housing plan# shall be accepted by the Commissioner of Housing Preservation and Development during the Community Board review period.

A copy of any #lower income housing plan# that is accepted by the Commissioner of Housing Preservation and Development within 24 months of May 21, 1987, shall be furnished by the developer to the Department of City Planning immediately after such acceptance.

(f) Permits and certificates of occupancy

No building permit for the #compensated development# shall be issued until the Commissioner of Housing Preservation and Development certifies that an acceptable #lower income housing plan# has been filed and approved.

No temporary certificate of occupancy shall be issued for any part of the #compensated development# until a temporary certificate of occupancy for each unit of #lower income housing# has been issued or, in #R6, R7 and R8 designated areas#, if the #building# has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#.

No permanent certificate of occupancy shall be issued for any part of the #compensated development# until a permanent certificate of occupancy for each unit of the #lower income housing# has been issued or, in #R6, R7 and R8 designated areas#, if the #building# has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#. Prior to the issuance of any temporary or permanent certificate of occupancy for the #compensated development#, the Commissioner of Housing Preservation and Development shall certify that the #lower income housing# is in compliance with the #lower income housing plan#.

(g) Insurance

The #administering agent# of the #lower income housing# shall have said housing insured against any damage or destruction in an amount equal to no less than the replacement value of such housing. Any insurance proceeds received as a result of damage or destruction of all or part of such housing shall be used first for restoring such damaged or destroyed housing to #lower income housing#, free of violations under the New York City Building Code, the New York State Multiple Dwelling Law, the New York City Housing Maintenance Code and this Resolution. However, in #R6, R7 and R8 designated areas#, the Commissioner of Housing Preservation and Development may modify this requirement to provide priority for lenders participating in the financing of #lower income housing# that is assisted under City, State or Federal programs.

(h) Obligations for life of increased #floor area#

The obligation to provide a specified amount of #lower income housing# shall run with the #zoning lot# containing such #lower income housing# for the life of the increased #floor area# of the #compensated development#. In the event any portion of such housing is damaged or destroyed, no #floor area# may be replaced on said #zoning lot# unless such #floor area# contains the specified amount of #lower income housing#.

(i) Single #building# for #lower income housing#

Any #building# may contain #lower income housing# that satisfies the requirements of this program for more than one #compensated development#, provided that no #floor area# in the #lower income housing# is counted more than once in determining the amount of increased #floor area# for #compensated developments#.

(j) Subsequent compensation

The Commissioner of Housing Preservation and Development may certify that a #lower income housing plan# is in compliance with the requirements of this program and that #lower income housing# is in compliance with said plan prior to the filing of plans for a #compensated development#. #Developments# may subsequently be compensated with additional #floor area# under this program for such #lower income housing#.

(k) Applicability to rent regulation

Notwithstanding the provisions herein, no provision shall be applicable to tenants occupying

units subject to the rent stabilization law or the rent control law, if such provision would be inconsistent with the rights of such tenants.

To provide for the effective implementation of the Inclusionary Housing program, guidelines consistent with and in furtherance of the purposes and intent of such program shall be adopted, and may be modified, as follows:

The Commissioner of Housing Preservation and Development shall develop guidelines for #lower income housing plans#, in consultation with the Board of Estimate, which shall be submitted to the Board of Estimate in time for consideration by the Board at its next regular meeting following the adoption of this Section. Such guidelines shall take effect as submitted, unless modified by the Board at the next meeting following such meeting, in which case the guidelines shall take effect as modified. The guidelines may be modified from time to time by the Commissioner of Housing Preservation and Development, provided, however, that the Commissioner of Housing Preservation and Development shall, within one year of initial adoption of the guidelines, submit the then existing guidelines to the Board, and the Board may, within thirty days of the first regular meeting following submission, modify such guidelines. If the Board does not modify such guidelines as herein provided, the then existing guidelines shall continue in effect. Thereafter, the Board may, not more frequently than once a year, request the Commissioner of Housing Preservation and Development to submit the then existing guidelines to the Board.

The Board may, within thirty days of the first regular meeting following submission modify such guidelines. If the Board does not modify such guidelines as herein provided, the then existing guidelines shall continue in effect. Any plan submitted to the Commissioner of Housing Preservation and Development under the then existing guidelines shall not be affected by any subsequent modification thereto.

(b) #Dwelling units# designated as #lower income housing# shall be distributed throughout the #development#. No #story# shall contain more than two such units unless at least 80 percent of all #stories# contains two such units. under 600 net square feet
600 - 749 net square feet
750 - 949 net square feet
950 - 1149 net square feet
1150 or more net square feet

In #Inclusionary Housing designated areas#, if the #lower income housing# is subject to the requirements of City, State or Federal programs assisting the #lower income housing# that have size and distribution requirements conflicting with the size and distribution requirements of this paragraph, (b), then the size and distribution requirements of this paragraph, (b), may be waived by the Commissioner of Housing Preservation and Development to facilitate the #development# of #lower income housing#.

23-052

(b) Monthly Rent

(1) The #regulatory agreement# shall provide that each #affordable housing unit# shall be registered with the Division of Housing and Community Renewal at the initial #monthly rent# established by #HPD# within 60 days following the #rent-up date# and shall thereafter remain subject to #rent stabilization# for the entire #regulatory period# and thereafter until vacancy. (6) The #regulatory agreement# and each lease of an #affordable housing unit# shall contractually require the lessor of each #affordable housing unit# to grant all tenants the same rights that they would be entitled to under #rent stabilization# without regard to whether such #affordable housing unit# is statutorily subject to #rent stabilization#. Inclusionary Housing**

The provisions of Section 23-90 (INCLUSIONARY HOUSING), inclusive, shall apply in R7-3 Districts in Community District 1, Borough of Brooklyn, and in R6, R7D and R8 Districts within Waterfront Access Plan BK-1, as modified in this Section.

(a) Definitions

For the purposes of this Section, matter in italics is defined in Sections 12-10; or in Section 23-90 (INCLUSIONARY HOUSING), inclusive or in this Section, as modified.

Fair rent

At initial occupancy of #lower income housing# that is occupied by a #moderate income household# as defined in this Section, "fair rent" shall include an annual rent for each such housing unit equal to not more than 30 percent of the annual income of the tenant of such housing (the "30 Percent Standard").

Upon renewal of a lease for such an existing tenant in #lower income housing#, #fair rent# (the "Rent Stabilization Standard") is not more than the then-current #fair rent# for such housing plus a percentage increase equal to the percentage increase for a renewal lease of the same term permitted by the Rent Guidelines Board, or its successor, for units subject to the rent stabilization law.

After initial occupancy, upon rental of #lower income housing# to a new tenant, #fair rent# is not more than the higher of:

- (1) the then currently applicable "30 Percent Standard"; or
- (2) the Rent Stabilization Standard.

In order for rent to be #fair rent#, the following must also apply:

There shall be no additional charge to the tenant for the provision of heat and electric service, except that the Commissioner of Housing Preservation and Development may approve a #lower income housing plan# making a #lower income# or #moderate income household# responsible for the payment of utilities as long as the sum of the following do not exceed 30 percent of said #lower income# or #moderate income household's# income:

- (i) the initial #fair rent#; and
- (ii) the monthly costs of a reasonable compensation for these utilities, by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary and healthful living environment.

However, the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of a #moderate income household's# income and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then currently applicable 30 Percent Standard or the Rent Stabilization Standard.

Lower income housing

For the purposes of this Section, "lower income housing" shall include #standard units# occupied, or to be occupied, by #lower income# or #moderate income households#.

Moderate income household
For the purposes of this Section, a "moderate income household" is a #family# having an income equal to or less than the following proportion of the income limits (the "80 Percent of SMSA Limits") for New York City residents established by the U. S. Department of Housing and Urban Development pursuant to Section 3(b)(2) of the United States Housing Act of 1937, as amended, for lower income families receiving housing assistance payments: 125/80

(b) #Floor area compensation# increase

- (1) For #zoning lots# located in R8 Districts, or located partially in R8 Districts and partially in R6 Districts, the maximum permitted #floor area ratio# on such #zoning lots# may be increased in R6 Districts from 2.43 to 2.75, and in R8 Districts from 4.88 to 6.5; and for #zoning lots# located in R7-3 Districts, the maximum permitted #floor area ratio# on such #zoning lots# may be increased from 3.75 to 5.0, provided that:

- (i) the amount of #low income floor area# is equal to at least 20 percent of the total #residential floor area#, exclusive of ground-floor non-#residential floor area#, on the #zoning lot# is occupied by #lower income households#; or
- (ii) the amount of #low income floor area# is equal to at least 10 percent of the total #residential floor area#, exclusive of ground-floor non-#residential floor

area#, on the #zoning lot# is occupied by #lower income households#, and the #moderate income floor area# is equal to at least 15 percent of the total #residential floor area#, exclusive of ground-floor non-#residential floor area#, on the #zoning lot# is occupied by #moderate income households#.

- (2) For #zoning lots# located entirely within R6 Districts, the maximum permitted #floor area ratio# may be increased from 2.43 to 2.75, provided that:

- (i) the amount of #low income floor area# is equal to at least 7.5 percent of the total #residential floor area#, exclusive of ground-floor non-#residential floor area#, on the #zoning lot# is occupied by #lower income households#; or
- (ii) the amount of #low income floor area# is equal to at least five percent of the total #residential floor area#, exclusive of ground-floor non-#residential floor area#, on the #zoning lot# is occupied by #moderate income households#.

Where #lower# or moderate #income housing# is provided on a #zoning lot# other than the #zoning lot# occupied by the #compensated development#, the percentage of #residential floor area# required to be occupied by such households, pursuant to this Section, shall be determined as a percentage of the #residential floor area# on the #zoning lot# of such #compensated development#, inclusive of #floor area# bonused pursuant to this Section.

For the purposes of determining the amount of #lower income housing# required to increase the maximum permitted #floor area# pursuant to this paragraph, (b), community facility #floor area# used as a philanthropic or not-for-profit institution with sleeping accommodations shall be considered #residential floor area#.

For the purposes of this paragraph (b), inclusive, #low income floor area# may be considered #moderate income floor area#, and #moderate income floor area# may be considered #middle income floor area#.

Any #zoning lot# located entirely within an R6 District that, in conjunction with a #zoning lot# located partially or entirely within an R8 District, utilizes a distribution of #floor area#, #lot coverage# or #residential# density without regard to #zoning lot lines# or district boundaries pursuant to Section 62-353 (Special floor area, lot coverage and residential density distribution regulations), shall comply with the provisions of paragraph (b)(1) of this Section.

(c) #Lower Income Housing# Requirements

#Developments# that increase #floor area# in accordance with the provisions of this Section shall comply with the #lower income housing# requirements of Section 23-95, except as modified in this paragraph, (c).

- (1) The provisions of Section 23-95, paragraph (b), shall apply, except that in addition, incoming households of #standard units# in #lower income housing# may be #moderate income households#, and subclasses of a #moderate income household# may also be a #moderate income household#.

Furthermore, on and after the issuance of a certificate of occupancy for #lower income housing#, the #administering agent# shall have a duty to rent such housing to lower or #moderate income households#, as provided in this Section and in the approved #lower income housing plan#.

This duty to rent shall be satisfied by the #administering agent#, if such agent has in fact rented all such units to #lower# or #moderate income households#, as provided in this Section or has, in good faith, made a continuing public offer to rent such units at rents no greater than the rents authorized by this program or otherwise at law.

- (2) The provisions of Section 23-95, paragraph (d), shall apply, except that prior to renting #lower income housing#, the #administering agent# shall verify the income of each household to occupy such

housing, to assure that the households are #lower# or #moderate income households# as provided by this Section. The #administering agent# shall submit an affidavit to the Commissioner of Housing Preservation and Development upon initial occupancy and annually thereafter attesting that all incoming occupants of #lower income housing# are lower or #moderate income households# as required by the provisions of this Section and in the approved #lower income housing# plan.

(2) The provisions of Sections 23-051, 23-052 and 23-053 shall apply, except that with respect to Sections 23-051, paragraph (a), 23-052, paragraph (b) and 23-053, paragraph (a), #lower income housing# shall be maintained and leased to #lower# or #moderate income households#, as provided in this Section, for the life of the increased #floor area#, and in accordance with the approved #lower income housing# plan#. Furthermore, Section 23-053, paragraph (a), shall be modified to provide that the #administering agent# shall not be required to verify the income of households in tenancy as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing# plan#.

(d) Permits and certificate of occupancy

The requirements of paragraphs (b) and (c) of Section 23-954 shall not apply. In lieu thereof, the provisions of this paragraph (d), shall apply be modified as follows:

No building permit for any portion of the #compensated development# that utilizes #floor area compensation# bonused pursuant to paragraph (b) of this Section, or is located on any #story# that utilizes the increased height for #developments# that provide Inclusionary Housing as set forth in paragraph (b)(2) of Section 62-354 (Special height and setback regulations) shall be issued until the #HPD Commissioner# of Housing Preservation and Development certifies that an acceptable #lower income housing plan# has been filed and approved has issued a #permit notice# with respect to the #affordable housing# that generates such #floor area compensation#.

No temporary or permanent certificate of occupancy shall be issued for any portion of the #compensated development# that utilizes #floor area compensation# bonused pursuant to paragraph (b) of this Section, or is located on any #story# that utilizes the increased height for #developments# that provide Inclusionary Housing as set forth in paragraph (b)(2) of Section 62-354, until a temporary certificate of occupancy for each unit of #lower income housing# that is the subject of the #lower income housing plan regulatory agreement# accepted by the Commissioner of Housing Preservation and Development has been issued or, if the building has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the #HPD Commissioner# has certified to the Department of Buildings that the applicant has fulfilled its obligations has issued a #completion notice# with respect to the #lower income affordable housing#. No permanent certificate of occupancy shall be issued for any portion of the #compensated development# that utilizes #floor area# bonused pursuant to paragraph (b) of this Section, or is located on any #story# which utilizes the increased height for #developments# that provide Inclusionary Housing as set forth in paragraph (b)(2) of Section 62-354, until a permanent certificate of occupancy for each unit of #lower income housing# that is the subject of the #lower income housing plan# accepted by the Commissioner of Housing Preservation and Development has been issued or, if the building has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the #Commissioner# has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#.

Prior to the issuance of any temporary or permanent certificate of occupancy for any portion of the #compensated development# that utilizes #floor area# bonused pursuant to paragraph (b) of this Section, or is located on any #story# that utilizes the increased height for #developments# that provide Inclusionary Housing as set forth in paragraph (b)(2) of Section 62-354, the #Commissioner# of Housing Preservation and Development shall certify that the #lower income housing# is in compliance with the #lower income housing plan#.

ARTICLE IX SPECIAL PURPOSE DISTRICTS

Chapter 3 Special Hudson Yards District

93-23 Modifications of Inclusionary Housing Program The provisions of Section 23-90 (INCLUSIONARY HOUSING), inclusive, shall be applicable within Subdistrict C (34th Street Corridor) and Subareas D1 and D2 of Subdistrict D (Hell's Kitchen) of the #Special Hudson Yards District# and Area P2 of the #Special Garment Center District#, except as modified in this Section. However, the modifications set forth in this Section shall not be applicable in the area bounded by West 35th Street, Eighth Avenue, West 32nd Street, and a line 100 feet east of and parallel to Ninth Avenue, where the underlying provisions of Section 23-90, (INCLUSIONARY HOUSING), inclusive, shall apply shall be #Inclusionary Housing designated areas# pursuant to Section 12-10 (DEFINITIONS) for the purpose of making the Inclusionary Housing Program regulations of Section 23-90 (INCLUSIONARY HOUSING), inclusive, applicable as modified within the Special Districts.

93-231 Definitions For the purposes of this Chapter, matter in italics is defined in Sections 12-10; or in Section 23-90 (INCLUSIONARY HOUSING), inclusive. the following definitions in Section 23-93 shall be modified:

Administering agent

The "administering agent" is the entity or entities identified in the #lower income housing plan# as responsible for ensuring compliance with such plan.

The #administering agent# shall be a not for profit organization, unless the Commissioner of Housing Preservation and Development finds that a good faith effort by the developer of the #compensated development# to secure a qualified not for profit organization as the #administering agent# was unsuccessful. However, the Commissioner may approve an entity that is responsible for compliance monitoring pursuant to City, State or Federal funding sources, to serve as the #administering agent# during such compliance period.

If an entity other than a not for profit organization is proposed to serve as the #administering agent#, and the affected Community Board objects during its review period to the approval of the proposed entity, the Commissioner shall respond in writing to the Community Board's objections prior to approving the proposed entity to serve as #administering agent#.

Fair rent

"Fair rent" shall be as defined in Section 23-93 with respect to #standard units# occupied by #lower income households#, except that the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered "fair rent," provided that such rents do not exceed 30 percent of a #lower income household#'s income, and provided further that upon expiration or termination of the requirements of the city, state or federal program, rent increases and re-rentals shall be subject to the higher of the then currently applicable Section 8 Standard or the Rent Stabilization Standard.

The following definition of "fair rent" shall apply to #moderate income households# and #middle income households#. At initial occupancy of #lower income housing# that is occupied by a #moderate income household# or a #middle income household# as defined in this Section, #fair rent# shall include an annual rent for each such housing unit equal to not more than 30 percent of the annual income of the tenant of such housing (the "30 Percent Standard").

Upon renewal of a lease for such an existing tenant in #lower income housing#, #fair rent# (the "Rent Stabilization Standard") is not more than the then current #fair rent# for such housing plus a percentage increase equal to the percentage increase for a renewal lease of the same term permitted by the Rent Guidelines Board for units subject to the rent stabilization law.

After initial occupancy, upon rental of #lower income housing# to a new tenant, #fair rent# is not more than the higher of:

- (a) the then currently applicable "30 Percent Standard"; or
(b) the Rent Stabilization Standard.

In order for rent to be #fair rent#, the following must also apply:

There shall be no additional charge to the tenant for the provision of heat and electric service, except that the Commissioner of Housing Preservation and Development may approve a #lower income housing plan# making a #lower income#, #moderate income# or #middle income household# responsible for the payment of utilities as long as the sum of the following does not exceed 30 percent of said #lower income#, #moderate income# or #middle income household#'s income:

- (1) the initial #fair rent#, and
(2) the monthly costs of a reasonable compensation for these utilities, by an energy conservative household of modest circumstances consistent with the requirements of a safe, sanitary and healthful living environment.

The Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal

programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of a #moderate income# or #middle income household#'s income, as applicable, and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then currently applicable 30 Percent Standard or the Rent Stabilization Standard.

At initial occupancy of any #lower income housing# occupied by a #moderate income# or #middle income household#, a portion of the #fair rents# may be for the payment of the principal or interest on debt, and such housing may secure debt, provided that, as of the date of the approval of the #lower income housing plan#, the Commissioner of Housing Preservation and Development finds that the total annual rent, when such interest and principal payments are deducted, is in compliance with the requirements of paragraph (e) of Section 23-05 (Lower Income Housing Requirements), and provided that the lender agrees to enter into a written agreement which subordinates such debt to the provisions of the #lower income housing plan#.

Lower income household

#Lower income households# shall also include all existing households in tenancy, provided such households occupy units that are within a #building# in which rents for all occupied units are regulated by City or State law, and the aggregate maximum permitted annual rent roll for such occupied units, divided by the number of occupied units, is less than 30 percent of the applicable income limit for a #lower income household# as provided in this Section. In determining the applicable income limit for such #lower income households#, the Commissioner of Housing Preservation and Development may make adjustments, consistent with the U.S. Department of Housing and Urban Development regulations, for the number of persons residing in each unit.

Middle income household

For the purposes of Section 93-23, inclusive, a "middle income household" is a #family# having an income equal to or less than the following proportion of the income limits (the "80 Percent of SMSA Limits") for New York City residents established by the U.S. Department of Housing and Urban Development pursuant to Section 3(b)(2) of the United States Housing Act of 1937, as amended, for lower income families receiving housing assistance payments: 175/80.

93-232 Floor area increase

The provisions of Section 23-9452 (Floor Area Compensation in Inclusionary Housing designated areas) shall not apply. In accordance with the provisions set forth in Section 93-22 (Floor Area Regulations in Subdistricts B, C, D and E) or 121-31 (Maximum Permitted Floor Area), the maximum permitted #residential floor area ratio# for #developments# or #enlargements# that provide #affordable housing# pursuant to the Inclusionary Housing program may be increased, as follows:

- (a) The permitted #floor area ratio# may be increased from 6.5, or as otherwise specified in Section 93-22, to a maximum of 9.0, provided that:

(3) the amount of #low income floor area# is equal to at least five percent of the total #residential floor area# on the #zoning lot#, inclusive of #floor area# bonused pursuant to this Section, shall be occupied by #lower income households#, and the amount of #middle income floor area# is

equal to at least 10 percent of the total #residential floor area# on the #zoning lot#, inclusive of #floor area# bonused pursuant to this Section, shall be occupied by #middle income households#.

- (b) The permitted #floor area ratio# may be increased from 9.0 to a maximum of 12.0, provided that:
(1) the amount of #low income floor area# is equal to at least 20 percent of the total #residential floor area# on the #zoning lot#, inclusive of #floor area# bonused pursuant to this Section, shall be occupied by #lower income households#; or
(2) the amount of #low income floor area# is equal to at least 10 percent of the total #residential floor area# on the #zoning lot#, inclusive of #floor area# bonused pursuant to this Section, shall be occupied by #lower income households#, and the amount of #moderate income floor area# is equal to at least 15 percent of the total #residential floor area# on the #zoning lot#, inclusive of #floor area# bonused pursuant to this Section, shall be occupied by #moderate income households#; or
(3) the amount of #low income floor area# is equal to at least 10 percent of the total #residential floor area# on the #zoning lot#, inclusive of #floor area# bonused pursuant to this Section, shall be occupied by #lower income households#, and the amount of #middle income floor area# is equal to at least 20 percent of the total #residential floor area# on the #zoning lot#, inclusive of #floor area# bonused pursuant to this Section, shall be occupied by #middle income households#.

For the purposes of this Section 93-232, inclusive, #low income floor area# may be considered #moderate income floor area# or #middle income floor area#, and #moderate income floor area# may be considered #middle income floor area#. Where #lower#, #moderate# or #middle income housing# is provided on a #zoning lot# other than the #zoning lot# occupied by the compensated #development#, the percentage of #residential floor area# required to be occupied by such households pursuant to this Section shall be determined as a percentage of the #residential floor area# on the #zoning lot# of such compensated #development#, inclusive of #floor area# bonused pursuant to this Section.

Lower income housing requirements

#Developments# that increase #floor area# in accordance with the provisions of this Section shall comply with the lower income housing requirements of Section 23-95, except as modified in this Section.

- (a) The provisions of paragraph (b) (Tenant selection) of Section 23-95 shall apply, except that, in addition, incoming households of #standard units# in #lower income housing# may be #moderate# and #middle income households#, and sublessees of a #moderate# or #middle income household# may also be a #moderate# or #middle income household#. Furthermore, on and after the issuance of a certificate of occupancy for #lower income housing#, the #administering agent# shall have a duty to rent such housing to #lower#, #moderate# or #middle income households#, as provided in this Section and in the approved #lower income housing plan#.

This duty to rent shall be satisfied by the #administering agent# if such agent has in fact rented all such units to #lower#, #moderate# or #middle income households#, as provided in this Section and in the approved #lower income housing plan#, or has, in good faith, made a continuing public offer to rent such units at rents no greater than the rents authorized by this program or otherwise at law.

- (b) The provisions of paragraph (d) (Income verification) of Section 23-95 shall apply, except that prior to renting #lower income housing#, the #administering agent# shall verify the income of each household to occupy such housing to assure that the households are #lower#, #moderate# or #middle income households# as provided by this Section and in the approved #lower income housing plan#. The #administering agent# shall submit an affidavit to the Commissioner of Housing Preservation and Development upon initial occupancy and annually thereafter attesting that all incoming occupants of #lower income housing# are #lower#, #moderate# or #middle income households# as required by the provisions of this Section and in the approved #lower income housing plan#.

- (c) The provisions of paragraph (g) (Insurance) of Section 23-95 may be modified by the Commissioner of Housing Preservation and Development to provide priority for lenders participating in the financing of #lower income housing# that is assisted under City, State or Federal programs.

- (d) Permits and certificate of occupancy

The requirements of paragraph (f) of Section 23-95 shall not apply. In lieu thereof, the provisions of this paragraph, (d), shall apply.

No building permit for any portion of the #compensated development# that utilizes #floor area# bonused pursuant to Section 93-232 (Floor area increase) shall be issued until the Commissioner of Housing Preservation and Development certifies that an acceptable #lower income housing plan# has been filed and approved.

No temporary certificate of occupancy shall be issued for any portion of the #compensated development# that utilizes #floor area# bonused pursuant to Section 93-232 until a temporary certificate of occupancy for each unit of #lower income housing# that is the subject of the #lower income housing plan# accepted by the Commissioner of Housing Preservation and Development has been issued, or, if the building has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#. No permanent certificate of occupancy shall be issued for any portion of the #compensated development# that utilizes #floor area# bonused pursuant to Section 93-232 until a permanent certificate of occupancy for each unit of #lower income housing# that is the subject of the #lower income housing plan# accepted by the Commissioner of Housing Preservation and Development has been issued or, if the building has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#.

Prior to the issuance of any temporary or permanent certificate of occupancy for any portion of the #compensated development# that utilizes #floor area# bonused pursuant to Section 93-232 the Commissioner of Housing Preservation and Development shall certify that the #lower income housing# is in compliance with the #lower income housing plan#.

- (e) The provisions of Sections 23-951 (On site new construction option), 23-952 (Substantial rehabilitation and off site new construction option) and 23-953 (Preservation option) shall apply, except as follows:

Chapter 8 Special West Chelsea District

98-26 Modifications of Inclusionary Housing Program

The provisions of Section 23-90 (INCLUSIONARY HOUSING), inclusive are incorporated and modified wWithin the #Special West Chelsea District#, C6-3 and C6-4 Districts within Subareas A through D, and I, shall be #Inclusionary Housing designated areas#, pursuant to Section 12-10 (DEFINITIONS), for the purpose of making the Inclusionary Housing program regulations of Section 23-90, inclusive, applicable as modified within the Special District, as set forth in this Section, inclusive.

98-261 Definitions

For the purposes of this Chapter, matter in italics is defined in Sections 12-10 or in Section 23-90 (INCLUSIONARY HOUSING), inclusive. The following definitions in Section 23-93 shall be modified:

Administering agent

The "administering agent" is not required to be a not-for-profit organization if the #floor area# of the #standard units# comprising the #lower income housing# constitutes less than half of the total #residential floor area# or community facility #floor area used# as a not-for-profit institution with sleeping accommodations in the #building#.

Fair rent

At initial occupancy of #lower income housing# that is occupied by a #moderate income household# or a #middle income household# as defined in this Section, "fair rent" shall include an annual rent for each such housing unit equal to not more than 30 percent of the annual income of the tenant of such housing (the "30 Percent Standard").

Upon renewal of a lease for such an existing tenant in #lower income housing#, #fair rent# (the "Rent Stabilization Standard") shall be not more than the then current #fair rent# for such housing plus a percentage increase equal to the percentage increase for a renewal lease of the same term permitted by the Rent Guidelines Board, or its successor, for units subject to the rent stabilization law.

After initial occupancy, upon rental of #lower income housing# to a new tenant, #fair rent# shall be not more than the higher of:

- (a) the then currently applicable "30 Percent Standard"; or
(b) the Rent Stabilization Standard.

In order for rent to be #fair rent#, the following must also apply:

There shall be no additional charge to the tenant for the provision of heat and electric service, except that the Commissioner of Housing Preservation and Development may approve a #lower income housing plan# making a #lower income#, #moderate income# or #middle income household# responsible for the payment of utilities as long as the sum of the following do not exceed 30 percent of said #lower income#, #moderate income# or #middle income household#'s income:

- (1) the initial #fair rent#; and
(2) the monthly costs of a reasonable compensation for these utilities, by an energy conservative household of modest circumstances consistent with the requirements of a safe, sanitary and healthful living environment.

However, the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of a #moderate income# or #middle income household#'s income, as applicable, and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then currently applicable 30 Percent Standard or the Rent Stabilization Standard.

#Fair rent# shall include, in addition to that rent permitted pursuant to Section 23-93, the payment of principal and interest on mortgage debt, and #lower income#, #moderate income# or #middle income housing# may secure such debt, provided that, as of the date of the approval of the #lower income housing plan#, the Commissioner of Housing Preservation and Development finds that the total annual rent, when such interest and principal payments are deducted, is in compliance with the requirements of paragraph (e) (Rent levels) of Section 23-95 (Lower Income Housing Requirements), and provided that the lender agrees to enter into a written agreement which subordinates such debt to the provisions of the #lower income housing plan#.

Lower income household

"Lower income households" shall also include all existing households in tenancy, provided such households occupy units that are within a #building# in which rents for all occupied units are regulated by City or State law, and the aggregate maximum permitted annual rent roll for such occupied units, divided by the number of occupied units, is less than 30 percent of the applicable income limit for a #lower income household# as provided in this Section. In

determining the applicable income limit for such #lower income households#, the Commissioner of Housing Preservation and Development may make adjustments, consistent with the U.S. Department of Housing and Urban Development regulations, for the number of persons residing in each unit.

Lower income housing

For the purposes of this Section, "lower income housing" shall include #standard units# assisted under City, State or Federal programs, where such housing is occupied, or to be occupied, by #lower income#, #moderate income# or #middle income households#.

Moderate income household

For the purposes of this Section, a "moderate income household" is a #family# having an income equal to or less than the following proportion of the income limits (the "80 Percent of SMSA Limits") for New York City residents established by the U.S. Department of Housing and Urban Development pursuant to Section 3(b)(2) of the United States Housing Act of 1937, as amended, for lower income families receiving housing assistance payments: 125/80.

Middle income household

For the purposes of this Section, a "middle income household" is a #family# having an income equal to or less than the following proportion of the income limits (the "80 Percent of SMSA Limits") for New York City residents established by the U.S. Department of Housing and Urban Development pursuant to Section 3(b)(2) of the United States Housing Act of 1937, as amended, for lower income families receiving housing assistance payments: 175/80.

(a) In C6-4 Districts:

- (1) the amount of #low income floor area# is equal to at least 20 percent of the total #residential floor area# on the #zoning lot# is occupied by #lower income households#;
(2) the amount of #low income floor area# is equal to at least 10 percent of the total #residential floor area# on the #zoning lot#, is occupied by #lower income households# and the amount of #moderate income floor area# is equal to at least 15 percent of the total #residential floor area# on the #zoning lot# is occupied by #moderate income households#; or

(b) In C6-3 Districts:

- (1) the amount of #low income floor area# is equal to at least 10 percent of the total #residential floor area# on the #zoning lot# is occupied by #lower income households#;
(2) the amount of #low income floor area# is equal to at least 5 five percent of the total #residential floor area# on the #zoning lot#, is occupied by #lower income households# and the amount of #moderate income floor area# is equal to at least 7.5 percent of the total #residential floor area# on the #zoning lot# is occupied by #moderate income households#; or
(3) the amount of #low income floor area# is equal to at least 5 five percent of the total #residential floor area# on the #zoning lot#, is occupied by #lower income households# and the amount of #middle income floor area# is equal to at least 10 percent of the total #residential floor area# on the #zoning lot# is occupied by #middle income households#.

Where #lower#, #moderate# or #middle income housing# is provided on a #zoning lot# other than the #zoning lot# occupied by the #compensated development#, the percentage of #residential floor area# required to be occupied by such households pursuant to this Section shall be determined as a percentage of the #residential floor area# on the #zoning lot#

of such #compensated development#, inclusive of #floor area# bonused pursuant to this Section.

For the purposes of this Section 98-262, inclusive, #low income floor area# may be considered #moderate income floor area# or #middle income floor area#, and #moderate income floor area# may be considered #middle income floor area#.

However, in those subareas, or portions thereof, where the Inclusionary Housing Program is applicable, and where the Chairperson of the Department of City Planning has certified that at least 90 percent of the total development rights within the #High Line Transfer Corridor# have been transferred pursuant to Section 98-30, no transfer of #floor area# pursuant to Section 98-30 shall be required, and the basic maximum #floor area ratio# of the #development# or #enlargement# may be increased by up to 2.5 in Subareas B, C and D and on any #zoning lot# located in Subarea I over which the #High Line# does not pass, and up to 5.5 in Subarea A, in accordance with the provisions of paragraph (c) of this Section.

(c) Affordable Housing Fund

Where the Chairperson of the City Planning Commission determines that more than 90 percent of the #floor area# eligible for transfer through the provisions of Section 98-30 have been transferred in accordance with such provisions, the Chairperson shall allow, by certification, an increase in #floor area# on any receiving site as specified in Section 98-33 (Transfer of Development Rights From the High Line Transfer Corridor), up to the amount that otherwise would have been permitted for such receiving site pursuant to Section 98-30, provided that instruments in a form acceptable to the City are executed ensuring that a contribution be deposited in the West Chelsea Affordable Housing Fund. Such fund shall be administered by the Department of Housing Preservation and Development and all contributions to such fund shall be used for the #development#, acquisition or rehabilitation of #lower#, #moderate# or #middle income housing# located in Community District 4 in the Borough of Manhattan. The execution of such instruments shall be a precondition to the filing for or issuing of any building permit for any #development# or #enlargement# utilizing such #floor area# increase. Such contribution amount, by square foot of #floor area# increase, shall be determined, at the time of such Chairperson's certification, by the Commission by rule, and may be adjusted by rule not more than once a year.

Lower income housing requirements

#Developments# that increase #floor area# in accordance with the provisions of Section 98-262 shall comply with the #lower income housing# requirements of Section 23-05, except as modified in this Section.

Furthermore, on and after the issuance of a certificate of occupancy for #lower income housing#, the #administering agent# shall have a duty to rent such housing to #lower#, #moderate# or #middle income households#, as provided in this Section and in the approved #lower income housing plan#.

This duty to rent shall be satisfied by the #administering agent#, if such agent has in fact rented all such units to #lower#, #moderate# or #middle income households#, as provided in this Section, or has, in good faith, made a continuing public offer to rent such units at rents no greater than the rents authorized by this program or otherwise at law.

(b) The provisions of Section 23-05, paragraph (d) (Income verification), shall apply, except that prior to renting #lower income housing#, the #administering agent# shall verify the income of each household to occupy such housing, to assure that the households are #lower#, #moderate# or #middle income households# as provided by this Section. The #administering agent# shall submit an affidavit to the Commissioner of Housing Preservation and Development upon initial occupancy and annually thereafter attesting that all incoming occupants of #lower income housing# are #lower#, #moderate# or #middle income households# as required by the provisions of this Section and in the approved #lower income housing plan#.

(c) The provisions of Section 23-05, paragraph (g) (Insurance), may be modified by the Commissioner of Housing Preservation and Development to provide priority for lenders participating in the financing of #lower income housing# that is assisted under City, State or Federal programs.

(d) Permits and certificate of occupancy

The requirements of Section 23-05, paragraph (f), shall not apply. In lieu thereof, the provisions of this paragraph, (d), shall apply.

No building permit for any portion of the #compensated development# that utilizes #floor area# bonused pursuant to Section 98-262 (Floor

area increase) shall be issued until the Commissioner of Housing Preservation and Development certifies that an acceptable #lower income housing plan# has been filed and approved.

No temporary certificate of occupancy shall be issued for any portion of the #compensated development# that utilizes #floor area# bonused pursuant to Section 98-262 until a temporary certificate of occupancy for each unit of #lower income housing# that is the subject of the #lower income housing plan# accepted by the Commissioner of Housing Preservation and Development has been issued. No permanent certificate of occupancy shall be issued for any portion of the #compensated development# that utilizes #floor area# bonused pursuant to Section 98-262 until a permanent certificate of occupancy for each unit of #lower income housing# that is the subject of the #lower income housing plan# accepted by the Commissioner of Housing Preservation and Development has been issued.

Prior to the issuance of any temporary or permanent certificate of occupancy for any portion of the #compensated development# that utilizes #floor area# bonused pursuant to Section 98-262, the Commissioner of Housing Preservation and Development shall certify that the #lower income housing# is in compliance with the #lower income housing plan#.

(e) The provisions of Sections 23-051, 23-052 and 23-053 shall apply, except that with respect to Sections 23-051, paragraph (a), 23-052, paragraph (b) and 23-053, paragraph (a), #lower income housing# shall be maintained and leased to #lower#, #moderate# or #middle income households#, as provided in this Section, for the life of the increased #floor area#, and in accordance with the approved #lower income housing plan#. STRUCTURED JUDGMENT/SETTLEMENT CONSULTANT SERVICES – Request for Qualifications – PIN# 02509X100023 – DUE 06-04-09 AT 5:00 P.M. – The New York City Law Department ("Department") seeks Expressions of Interest ("EOI") from qualified structured judgment and settlement brokers and/or firms to assist the City of New York ("City") with structured judgments and/or settlements in cases brought against: (1) the City, its agencies and/or employees; and (2) the NYC Department of Education and/or its employees. The intention is to create a panel of approximately five firms to assist the Department's Tort Division with structured judgments and/or settlements. It is anticipated that assignments will be made to firms on the panel on a rotating and case-by-case basis and that this panel will be in place for a period of approximately five years from the date it is established. Consultation services will include the following: (1) providing annuity quotes and settlement illustrations; (2) reviewing and pricing life care plans; (3) attending court hearings, mediations and settlement conferences; (4) preparing court documents, such as infant compromise orders, settlement agreements, judgments, Medicare Set Asides, Special and/or Supplemental Needs Trusts and other trust agreements; and (5) periodic counseling and training of Law Department staff on the use of structured settlements and on the case law, mechanics and calculations required on periodic judgments. Firms will be selected for inclusion on the panel on the basis of the Department's evaluation of the EOIs submitted in response to this notice. The EOI should document and demonstrate that the interested firm has (1) substantial experience in the structuring of judgments and settlements in personal injury cases; (2) the ability to draft legal forms including settlement and trust agreements, infant compromise orders and judgments

in accordance with CPLR Articles 50-A and B and applicable case law; and
(3) sufficient personnel and other resources to enable the firm to handle in a timely manner a significant volume of structured judgments and/or settlements and to provide related services.

Structured Judgment and Settlement brokers and/or firms wishing to be considered for inclusion on the Department's panel must submit one original and three copies of a written EOI to the contact person identified in this notice at the address and by the time stated in this notice. The EOI should be organized under the three above-specified criteria and should describe, demonstrate and document in detail and with specificity that the firm has the above-specified experience, ability and resources and meets the above-specified minimum requirements. Firms should document that they meet the above-stated minimum requirements by including in their EOIs

(1) proof of membership in the National Structured Settlements Trade Association and
(2) a written statement with respect to the firm's readiness, willingness and ability to issue a Certificate of Reliability and Assurances ("CORA") for each Annuity Contract and Settlement Agreement the firm may prepare at the Department's request. The package containing the EOI should be marked prominently with the above-referenced Procurement Identification Number (PIN 02509X100023) and should otherwise identify the submission as an EOI submitted in response to this notice. Firms whose EOIs are determined to be within a competitive range of technical merit will receive one or more hypothetical cases for which the firm will prepare structured settlements. The written responses to the hypothetical cases will be among the factors considered by the Department in its decision making with respect to placement on the panel. Interested parties can view a copy of the written notice of solicitation by visiting the City Record on Line: http://a856-internet.nyc.gov/nyc_vendoronline/VendorShort/asp/VendorMenu.asp

The following minimum qualification requirements apply to this solicitation:

(1) all structured settlement and judgment brokers and/or firms on the Department's panel must be members of the National Structured Settlements Trade Association; and
(2) all panel members must agree to execute, under oath, a Certificate of Reliability and Assurances ("CORA") which must accompany each Annuity Contract and Settlement Agreement.

STATEMENT OF BASIS AND PURPOSE

The City Planning Commission is proposing to amend its rules pursuant to its authority under Sections 192 and 1043 of the New York City Charter.

Amendments to Chapter 3 of Title 62 of the Rules of the City of New York would increase fees for the processing and review of City Environmental Quality Review (CEQR) applications and of land use applications by 8% to reflect increased labor costs. Supplemental land use application fees would be established for large projects of over of 500,000 square feet of floor area. A supplemental CEQR fee would also be required for projects for which a restrictive declaration to ensure compliance with project components related to the environment and/or mitigation of significant adverse impacts will be executed. The supplemental fees would capture the costs of the additional work that is required of Department staff in connection with large projects, and projects for which a restrictive declaration to ensure compliance with project components related to the environment and mitigation measures will be executed.

In addition to the changes described above, Section 3-07 of the land use fee rule has been clarified to establish that for certain authorizations, the fee for a project with non-residential uses is the same as the fee for a project with open uses. The lower fee for certain residential uses is not applicable if the project also contains a commercial or community facility use.
