## HIV/AIDS Services Administration

### Quarterly Performance Report

October—December 2021

The HIV/AIDS Services Administration (HASA) is the primary entity within the Human Resources Administration (HRA) to expedite access to essential benefits and social services needed by persons diagnosed with HIV or AIDS and their families. HASA provides:

- Specialized intake and needs assessment;
- Direct linkages to SNAP, Cash Assistance, Medicaid, Home Care, and Homemaking;
- Ongoing intensive case management services;
- Emergency and non-emergency housing services and placements;
- Voluntary vocational counseling/rehabilitation, job training and placement;
- Assistance with clients' applications for Supplemental Security Income (SSI) and Social Security Disability (SSDI); and,
- Referrals to community-based resources for a variety of additional supportive services.

HASA is committed to service provision that is client-centered, efficient, effective and of high quality. The work that HASA performs with its clients is based on the notion that all sectors of the community must work together to ensure that people living with HIV have adequate housing, financial security, medical care and other services necessary to allow them to manage the virus and to live their lives with the highest level of self-reliance and dignity.

Local Law 32 of 2005 requires HASA to submit Quarterly Performance Reports (QPRs) to the City Council. The law also requires the QPR to include descriptive statistics, by field operations location, on: the size and demographics of the client population; levels at which financial assistance and social services are requested and granted; time frames for the provision of services; and data on case closings and re-openings. The legislation also requires HASA to report on client utilization of the appeals process, as well as the number of field operations staff, by job title, who directly provide services to clients.

Please note that the period covered in FY 22, July through December 2021, includes the ongoing COVID-19 emergency in New York City. HASA has continued to provide critical benefits and services to clients despite the implementation of necessary operational changes in response to the pandemic.
