Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic HHS Accelerator Prequalification
Application using the City's PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.

Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport. cityofnewyork.us/page.aspx/en/rfp/request_browse_public. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit https://www1.nyc.gov/site/mocs/systems/ about-go-to-passport.page.

Software upgrade for the existing security system.

Because OATH has an existing maintenance contract with SecureWatch24 LLC, for its Genetec Security System, it is neither practical nor advantageous to seek the software upgrade via a competitive sealed bid, or competitive sealed proposal. The upgrade services naturally fall within the duties of the maintenance contract vendor. The advantages of negotiating with SecureWatch24 LLC, clearly outweigh the disadvantages of a lack of competition.

STATION PLAZA RFP FOR THE PROVISION OF BUSINESS RELOCATION SERVICES - Request for Proposals - PIN#5435 - Due 1-31-23 at 11:59 P.M.

New York City Economic Development Corporation ("NYCEDC") invites consultants to submit proposals for the provision of relocation services for sub-tenants and/or occupants currently located at Station Plaza in Downtown Jamaica, Queens. NYCEDC anticipates that the services will include development of a business outreach strategy, identification of potential relocation sites for impacted tenants, and

provision of direct relocation assistance on behalf of NYCEDC and/or any applicable Agencies.

Station Plaza is an infrastructure project identified in the Jamaica 2007 Rezoning Plan and the 2015 Jamaica Now Action Plan as a priority to improve pedestrian safety and traffic circulation, improve open space and roadways, and support significant private investments in the downtown core. It is one of three infrastructure projects to increase pedestrian safety and improve circulation at key intersections in Downtown Jamaica. With the Sutphin Underpass (complete) and Atlantic Avenue Extension (near completion), Station Plaza is the third and final component. The development of a pedestrian plaza will require the identified buildings to be vacated in order for the design to be realized. Accordingly, NYCEDC will coordinate relocation assistance efforts for these in-place tenants and is seeking a consultant to support these efforts.

NYCEDC plans to select a consultant on the basis of factors stated in the RFP which include, but are not limited to: experience of key staff identified in the proposal, demonstrated successful experience in performing services similar to those encompassed in the RFP, the quality of the proposal, quality of the respondent's reputation and references, and the proposed fee and schedule. These services are expected to be funded by the Federal Transit Administration ("FTA").

It is the policy of NYCEDC to comply with all federal, state and City laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category and to take affirmative action in working with contracting parties to ensure certified Minority and Womenowned Business Enterprises (MWBEs) share in the economic opportunities generated by NYCEDC's projects and initiatives. Please refer to the Equal Employment and Affirmative Compliance for Non-Construction Contracts Addendum in the RFP.

Companies who have been certified with the New York City Department of Small Business Services as Minority and Women Owned Business Enterprises ("M/WBE") are strongly encouraged to apply. To learn more about M/WBE certification and NYCEDC's M/WBE program, please visit https://sbsconnect.nyc.gov/certification-directory-search/.

An optional pre-proposal session will be held on Tuesday, January 10, 2023, at 12:00 P.M. online. Those who wish to attend should RSVP by email to StationPlazaRelocation@edc.nyc on or before January 9, 2023. Instructions for accessing the session will be emailed to those who RSVP.

Respondents may submit questions and/or request clarifications from NYCEDC by Tuesday, January 17, 2023. Questions regarding the subject matter of this RFP should be directed to StationPlazaRelocation@edc.nyc. Answers to all questions will be posted by Tuesday, January 24, 2023, to https://edc.nyc/rfps. Questions regarding the subject matter of this RFP will not be accepted after 5:00 P.M., on Tuesday, January 17, 2023, however, technical questions pertaining to downloading and submitting proposals to this RFP may be directed to RFPrequest@edc.nyc on or before Tuesday, January 31, 2023.

What laws govern the rulemaking process? DOT must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043(b) of the City Charter.

Statement of Basis and Purpose of Proposed Rule

The Commissioner of the New York City Department of Transportation (DOT) is authorized to promulgate rules regarding highway operations in the City pursuant to Section 2903(b) of the City Charter. The rules that DOT is seeking to amend are contained within Chapter 2 of Title 34 of the Rules of the City of New York (the "Highway Rules").

The purpose of the proposed rule is to update section 2-02 of the Highway Rules to resolve a potential ambiguity and make clear that for DOT permits, including street opening permits, the insurance policy or self-insurance provided by the permittee must provide coverage for damage arising from the permitted operations, whether at, below or above the street surface. Thus, for street opening permits, the insurance or self-insurance must provide coverage for the opening of the street itself, as well as for any street-level, above-ground or underground work performed pursuant to the permit.

More specifically, the following changes are being proposed:

- Amendments to sections 2-02(a)(1) and 2-02(a)(2) to provide that insurance information must be included in the initial application to register an authorized DOT permittee and must be maintained to apply for individual permits.
- Amendments to section 2-02(a)(3) to make clear that the Commercial General Liability insurance policy obtained in advance of applying for a street opening permit, or coverage by self-insured or uninsured entities, must provide coverage for all damage arising from all work done pursuant to that permit, above and below ground, not only damage to the street surface arising from the opening of the street.
- Changes to sections 2-02(a)(3) to make clear that City officials and employees are named as Additional Insureds with respect to the insurance coverage obtained.
- The proposed rule also provides for a broader range of accepted ratings agencies consistent with current City practice.
