NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1875.

APPLICATIONS FOR EXEMPTIONS WILL BE
heard here, from 9 to 4 daily, from all persons hitherto
liable or recently serving who have become exempt, and
all needed information will be given.

Those who have not answered as to their liability, or
proved permanent exemption, will receive a "jury enroll-
ment notice," requiring them to appear before me this
year. Whether liable or not, such notices must be an-
swered (in person, if possible, and at this office only) under
severe penalties. If exempt, the party must bring proof of
exemption; if liable, he must also answer in person, giving
full and correct name, residence, etc., etc. No attention
paid to letters.

When possible and legal, serving jurors will be allowed
to select a convenient season—if application be made in
time.

Persons "enrolled" as liable must serve when called
or pay their fines. No mere excuse will be allowed or
interference permitted. The fines, received from those
who, for business or other reasons, are unable to serve at
the time selected, pay the expenses of this office, and it
unpaid will be entered as judgments upon the property of
delinquents.

The Commissioner will receive applications for relief
from those jurors who have served continuously and
promptly for several years, or have done excessive jury
service in the State Courts.

All good citizens will aid the course of justice, and
secure reliable and respectable juries, and equalize their
duty by serving promptly when summoned, allowing their
clerks or subordinates to serve, reporting to me any attempt
at bribery or evasion, and suggesting names for enrollment.
Persons between sixty and seventy years of age, summer
absentees, persons temporarily ill, and United States and
District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-
demeanor to give any jury paper to another to answer.
It is also punishable by fine or imprisonment to give or
receive any present or bribe, directly or indirectly, in re-
lation to a jury service, or to withhold any paper or make
any false statement, and every case will be fully prose-
cuted. No fees of any kind exist or are allowed in re-
gard to jury notices, and any one asking, receiving, or
giving any such "fee" or "present" will be arrested, and,
if possible, punished to the full extent of the law.

CORPORATION SALE OF FERRY FRANCHISES.

SEALED BIDS WILL BE RECEIVED AND publicly opened at the Comptroller's office, on Thursday, October 28, 1875, at 2 o'clock P. M., for Leases of Franchise or right to maintain and operate several ferries around the City of New York for the terms and on the conditions hereafter set forth.

The leases will be made to conform to the requirements of the laws relative to ferries, and subject to such regulations, ordinances, or by-laws, as now are or hereafter may be made or passed by the Common Council or State Legislature, and the leases will also provide that the lessees shall take and assume at their own costs and charges all or any responsibilities and liabilities of the Corporation of the City of New York to the present lessees of ferries in relation to boats, fixtures, etc., belonging to such lessees at the respective ferries.

The minimum rate for which the ferry franchise or license to operate ferries shall be used or enjoyed, has been appraised and set by the Commissioners of the Sinking Fund at two and one-half per centum of the gross receipts for ferriage that shall hereafter accrue at each separate ferry, to be paid quarterly-yearly to the Corporation, and a covenant will be contained in each lease requiring the lessees to make and deliver to the Comptroller of the City of New York, quarterly-yearly, a statement in writing verified by oath or affirmation of the lessee or of such proper officer of the lessee as may be designated by the Comptroller of the actual total gross receipts for ferriage received by such lessee during the preceding three months, and also that the lessees shall keep regular books of account showing the daily gross receipts of the ferry leased, and allow said Comptroller or any person designated by him to examine such books.

The Department of Docks of the City of New York has fixed and established the rent for which it will lease the property in wharves, piers, slips, and lands under water belonging to the Corporation, at the several ferries to be leased to the parties or persons to whom the lease of the ferry franchise shall be awarded by the Commissioners of the Sinking Fund, for the term specified for the lease of the franchise, at the rates set forth hereafter, and no deviation will be made from the same, and covenants will be contained in such leases for compensation, maintenance and surrender of all necessary fixtures and appurtenances to the wharf and pier property belonging to the city used by such respective ferries.

Proposals for the lease or license to use the ferry franchise at the respective ferries, to state the maximum percentage on gross receipts which the person or parties offering to take each ferry will pay in addition to the rent fixed by the Department of Docks for the use of the pier or wharf property belonging to the city, but no lease will be given at less than the minimum rate of 2½ per cent. on the gross receipts.

Security satisfactory to the Comptroller will be required for the punctual performance by the lessees of the covenants of the lease of the franchise in their behalf.

The several ferries at which the franchise only is to be leased are as follows:

1st. The ferry from the foot of Tenth street, East river, to Greenpoint, Long Island, for the term of five years from November 1, 1875.

The several ferries at which the franchise is to be leased, with use of pier and wharf property belonging to the City of New York, are as follows:

2d. The ferry from the north side of Twenty-third street, East river, as now occupied, to Greenpoint, Long Island, for the term of five years from November 1, 1875, subject to \$2,000 per annum rent, payable as last mentioned.

3d. The ferry from the foot of Grand street, East river, to Grand street, Brooklyn, E. D., including such wharf property as shall have been heretofore used by the ferry run from these points, for the term of ten years from November 1, 1875, subject to payment of \$2,000 per annum for the first five years and \$3,000 per annum during the second five years, rent payable quarterly-yearly to the Department of Docks.

4th. The ferry from the foot of Desbrosses street, North river, to Jersey City, New Jersey, for the term of one year from November 1, 1875, subject to \$3,000 per annum rent, payable as last mentioned.

All of such leases to contain, in addition to the usual covenants and agreements, a clause to the effect that the lessees will, at all times during the term of their respective leases, well and sufficiently repair, uphold, sustain, amend, maintain and keep all and singular the floats, racks, fenders, bridges, and other fixtures at each landing place of their respective ferries, and that in the event of any damage to the bulkheads and piers adjoining their respective ferries, from collision by ferryboats or otherwise, if the lessees will immediately repair and restore said property to its former good condition, free of cost and expense to the Corporation; also, that if at any time during the continuance of the demised term the Department of Docks shall require any of the premises connected with any ferry slip or landing place so leased, upon written notice having been given for three months previously that it is the desire of the Department of Docks to progress with the improvements in that vicinity, such Department of Docks may declare the demised term to be terminated, and the lessees shall surrender upon the premises and vacate the same without any claim upon the City of New York for any damages whatever.

Bids to be addressed to the undersigned, indorsed "Bids for Ferry Franchises."

The right to reject any bid, if deemed to be to the interest of the City of New York, is reserved by the Commissioners of the Sinking Fund.
