The City’s Annual Disclosure Law requires all candidates for City elective office to file an annual disclosure report with the Board. The Annual Disclosure Law further requires the Board to publish a list of those candidates who did not file within 10 days of the filing deadline. See New York City Administrative Code Section 12-110(b)(2). Independent party candidates were required to file an annual disclosure report with the Board by June 23, 2025. The following independent party candidates did not file a 2024 annual disclosure report with the Board within 10 days of that filing deadline\*:

ELECTIVE OFFICE	PARTY	CANDIDATE NAME
Borough President, Manhattan	The Unity	Rolando Gomez
City Council Member, District 18	United Alliance	Wilfredo Hierrezuelo
City Council Member, District 25	Asians United	Shah Haque
City Council Member, District 42	Freedom	Davon Phillips

\* Candidates may still file their 2024 annual disclosure report with the Board.
