A report dated May 9 was presented from the Acting Chief Examiner, submitting a statement of examinations held during the month of April. The report was ordered filed.

Upon the recommendation of the Acting Chief Examiner in a report dated May 11, it was

Resolved, That Robert Archibald Lambert, 934 Madison ave., New York City, be and he hereby is appointed an Expert Examiner in the office of the Commission under the provisions of clause 8 of Rule XII in connection with the examination for Laboratory Assistant (Pathology).

A report dated May 1 was presented from the Acting Chief Examiner, forwarding a communication dated April 27 from Terence J. Reilly, a candidate in the examination for promotion to General Superintendent, Department of Street Cleaning, stating that as he was the senior in point of service of Edward P. Greene and James C. Doyle, candidates who had received the same percentage in the examination as he, his name should have been placed before the others. The Acting Chief Examiner stated that the appointment of Terence J. Reilly as Section Foreman had not been given on the seniority record memorandum, but that it appeared from the records of the Department of Street Cleaning that he had been appointed Section Foreman on Aug. 8, 1892, while Edward P. Greene had been appointed originally on July 25, 1895, and James C. Doyle, on Sept. 1, 1899. The Acting Chief Examiner recommended that the Commissioner of Street Cleaning be requested to furnish the Commission with a transcript of the records of the department in the matter and that thereafter the promotion list be amended accordingly. The recommendation was approved.

A report dated May 14 was presented from the Acting Chief Examiner, forwarding a report dated May 12 from Examiner Merrill relative to his investigation of why only one candidate had filed an application for promotion to the position of Librarian in the City Court, and recommending that the examination proceed as ordered. The recommendation was adopted.

A report dated May 14 was presented from the Acting Chief Examiner, forwarding a communication from Alan P. Munro to the effect that he would be unable to attend the oral examination for Probation Officer on May 15 for the reason that he had received orders to report at Plattsburg for military training on May 12. The

Secretary was instructed to inform the candidate that the oral examination for Probation Officer would be continued on May 21, 22, 23, 28 and 29 and that he could appear for examination on any of those dates, but that a special examination could not be allowed.

The following reports were presented from the Acting Chief Examiner:

#### CONDITIONS OF SALE.

#### As Provided for by the Greater New York Charter.

1. Separate proposals must be made for each class of Corporate Stock.  
2. Proposals containing conditions other than those herein set forth will not be received or considered.

3. No proposal for stock shall be accepted for less than the par value of the same.  
4. Every bidder, as a condition precedent to the reception or consideration of his proposal, shall deposit with the Comptroller in money, or by a certified check drawn to the order of said Comptroller upon a trust company or a State bank incorporated and doing business under the laws of the State of New York, or upon a National bank, Two per cent. of the par value of the stock bid for in each proposal.

No proposal will be received or considered which is not accompanied by such deposit. All such deposits shall be returned by the Comptroller to the persons making the same within three days after the decision has been rendered as to who is or are the highest bidder or bidders, except the deposit made by the highest bidder or bidders.

5. If said highest bidder or bidders shall refuse or neglect, within five days after service of written notice of the award to him or them, to pay to the City Chamberlain the amount of the stock awarded to him or them at its par value, together with the premium thereon, less the amount deposited by him or them, the amount or amounts of deposit thus made shall be forfeited to and retained by said City as liquidated damages for such neglect or refusal, and shall thereafter be paid into the Sinking Fund of The City of New York for the Redemption of the City Debt.

6. Upon the payment into the City Treasury by the persons whose bids are accepted, of the amounts due for the stock awarded to them respectively, including accrued interest from July 1, 1917, certificates thereof shall be issued to them in such denominations provided for by the Charter as they may desire.

7. It is required by the Charter of the City that in making proposals "every bidder may be required to accept a portion of the whole amount thereof bid for by him at the same rate or proportional price as may be specified in his bid; and any bid which conflicts with this condition shall be rejected, provided, however, that any bidder offering to purchase all or any part of the bonds offered for sale at a price at par or higher may also offer to purchase all or none of said bonds at a different price, and if the Comptroller deems it to be in the interests of the City so to do, he may award the bonds to the bidder offering the highest price for all or none of said bonds, provided, however, that if the Comptroller deems it to be in the interests of the City so to do, he may reject all bids." Under this provision, the condition that the bidder will accept only the whole amount of stock bid for by him, and not any part thereof, cannot be inserted in any bids, except those for "all or none" offered by bidders who have also bid for "all or any part" of the stock offered for sale.

8. The proposals for each class, together with the security deposits, should be inclosed in separate sealed envelopes, indorsed "Proposals for Corporate Stock" or Corporate Stock (Serial), and said envelope inclosed in another sealed envelope, addressed to Comptroller of The City of New York. PUBLIC NOTICE IS HEREBY GIVEN THAT a public hearing will be allowed at the office of the Municipal Civil Service Commission on

Whereas, clause 11 of Rule VII, prohibits the holding of a special examination for any candidate "unless it be shown to the satisfaction of the Commission that his failure to appear for or gain admission to or complete such examination or test was due to a manifest error or mistake for which the Commission is responsible, the nature of which shall be set forth in its minutes, or that such failure was due to compulsory attendance before any court or other public authority having the power to compel such attendance," and

Whereas, the above-mentioned examination was held in order to permit the adjustment of assignments of employees of the Department of Correction and resulted in the appointment of all candidates who passed therein and would have resulted in the appointments of Mrs. Margaret Ryan, Mrs. Susan Green and Mrs. Margaret McCormack, had they completed in and passed such examination, and

Whereas, the conditions in the cases of Mrs. Margaret Ryan, Mrs. Susan Green and Mrs. Margaret J. McCormack are not covered by clause 11 of Rule VII.

Therefore be it resolved, that, with the approval of the Mayor and the State Civil Service Commission, the provisions of clause 11 of Rule VII, be and are hereby waived so that the Municipal Civil Service Commission may grant a special examination to the above-named employees of the Department of Correction for promotion to the position of Matron in said department, such action, however, not to be regarded as any precedent for waiving the requirements of clause 11 of Rule VII.
