HRA is entering into a negotiated acquisition with the vendor who has performed a large portion of the customization and implementation for DHS CARES System. The application and the associated technical infrastructure was largely designed, developed and deployed by ACCENTURE. While the application is hosted by DOITT, ACCENTURE retains default responsibility for all substantive development, operations support, and troubleshooting. The proper working of this software application is critical to the operation of ACS. This negotiated acquisition allows the vendor to provide continuous maintenance services until the project is more fully complete and maintenance requirements can be completed.

Proposed Rule Amendment

In accordance with section 1043(b) of the Charter of the City of New York ("Charter"), the Civilian Complaint Review Board ("CCRB") proposes the adoption of revised rules governing the administrative prosecution of certain cases substantiated by the Board, jurisdiction, filing of complaints, recording of interviews, communications with complainants, mediation and the re-opening of cases.

These rules are proposed pursuant to sections 440(c)(2) and 1043 and of the Charter of the City of New York. These proposed rules were not included in a regulatory agenda for the CCRB for Fiscal Year 2013 because, with the exception of the changes to the rules governing the administrative prosecution of certain cases substantiated by the Board, they were not anticipated when such agenda was under consideration.

Instructions

- Prior to the hearing, you may submit written comments about the proposed amendment to the Civilian Complaint Review Board by mail or electronically through NYC RULES at www.nyc.gov/nycrules by November 26, 2012.
- To request a sign language interpreter or other reasonable accommodation for a disability at the hearing, please contact the Civilian Complaint Review Board by November 20, 2012.

Written comments and a summary of oral comments received at the hearing will be available after the hearing at the offices of the CCRB at 40 Rector Street, 2nd Floor, New York, NY 10006 from 9:00 A.M. through 5:00 P.M. on business days.

Statement of Basis and Purpose of Proposed Rules

Overview

The existing Subchapter E of Title 38-A, the Rules of the CCRB, took effect on June 25, 2001. It was adopted pursuant to a memorandum of understanding ("MOU") made between the then-Chair and Police Commissioner on April 27, 2001 and provided for the administrative prosecution by the Board of civilian complaints substantiated by the Board, before the New York City Office of Administrative Trials and Hearings ("OATH").

The 2001 MOU was not implemented, because a panel of the First Department of the Appellate Division of the New York State Supreme Court held that state law requires that such administrative prosecutions take place before a person employed by the Police Commissioner and OATH judges are not employed by the Police Commissioner.

Because the 2001 MOU could not be implemented, since June 25, 2001, administrative prosecutions of civilian complaints substantiated by the Board have continued to be handled by attorneys employed by the Police Department. They are heard by the Trial Commissioner of the Police Department as required by state law.

A new Subchapter E of the Rules of the CCRB is now proposed pursuant to an MOU made between the current Chair and Police Commissioner on April 2, 2012. The new Subchapter E would replace the existing Subchapter E and implement the terms of the new MOU which provides for the Board to conduct the administrative prosecution of certain of the Board's substantiated cases, before the Trial Commissioner of the Police Department.

In the course of undertaking the necessary rule changes, the Board conducted a review of its other rules. The Board determined that those sections dealing with jurisdiction, filing complaints, recording investigative interviews, letters to complainants, mediation and re-opening closed cases, should be revised to provide greater clarity and consistency.

The New Subchapter E

Rule § 1-41 explains the purpose of Subchapter E and contains a definition of terms.

Rule § 1-42 sets out the procedure to be followed when the Board substantiates an allegation against an officer and recommends that charges and specifications be brought against such officer. In limited cases where, in the view of the Police Commissioner, the interests of justice would not be served by the bringing of charges against an officer, the

Police Commissioner may request in writing that the Board refrain from prosecuting such charges.

Rule § 1-43 sets out the procedure to be followed when a prosecution ought to be expedited.

Rule § 1-44 sets out the procedure to be followed when during the course of a prosecution the Board identifies possible misconduct falling outside its jurisdiction.

Rule § 1-45 restates the principle that the Police Commissioner retains in all respects the authority and discretion to make final disciplinary determinations; and requires that there be co-operation between the Board and the Police Department Advocate.

Rule § 1-46 sets out certain other matters relating to administrative prosecution, including several procedures to be followed.

Other Changes

Rule § 1-02 conforms the jurisdictional language in the Rules with the jurisdictional language in the New York City Charter, which provides that the Board has the power to receive, investigate, hear, make findings and recommend action upon complaints by members of the public against members of the Police Department that allege misconduct involving excessive use of force, abuse of authority, discourtesy, or use of offensive language including, but not limited to, slurs relating to race, ethnicity, religion, gender, sexual orientation and disability. Such change, involving the addition of the words "have the power to" to the language currently contained in Rule §1-02, would bring consistency to the language contained in the Rules and in the City Charter. It would also reflect that under the City Charter the Board is not required to receive, investigate, hear, make findings and recommend action upon all such complaints.

Rule § 1-11 codifies the Board's current practice of accepting complaints received by email or through the Board's website, and makes clear that the Board may decide to accept complaints submitted by other means.

Rule § 1-24(i) codifies the Board's current practice of prohibiting interviewees and others from recording the Board's investigative interviews. To permit the recording of interviews would increase the risk that future evidence might be tailored to conform to statements made in an interview, and so threaten the integrity of the Board's investigations. The reference to recordings' being made either mechanically or by means of stenographer is deleted as it is archaic and redundant.

Rules § 1-46 through 50 are renumbered §1-51 through 56 to accommodate proposed Subchapter E and maintain consistency with the current numbering system. The succeeding paragraphs of this Statement of Basis and Purpose use the proposed new numberings for easier reference. Rules § 1-53 (b) and (c) are deleted because to write to a complainant after forty-five and ninety days of the receipt of a complaint serves no useful purpose, as few investigations are completed within those periods and those time frames do not correspond to any meaningful stages or benchmarks in the investigative process.

Rule § 1-53 (b) (as renumbered) is split to make it easier to read. The second part of what was in Rule § 1-53 (b) (as renumbered) thus becomes § 1-53 (c).

Rule § 1-53 (c) (as renumbered) is amended to take account of the fact that not all allegations substantiated by the Board will be administratively prosecuted by the Board.

Rule § 1-53 (d) (as renumbered) is amended so that the term "Police Commissioner" is used consistently throughout the Rules and to reflect the new procedures introduced by the new Subchapter E of the Rules.

Rule § 1-53 (f) is deleted as §§ 1-53 (b) and (c) will be deleted and § 1-53 (d) (to be renumbered as § 1-53 (b)) could not apply to a case resolved through mediation.

Rule § 1-54 is amended to correct typographical errors and to reflect the original intent of the respective rules.

Rule § 1-55 is amended to make it easier to read and to permit police officers to request the re-opening of cases closed without a full investigation.

Section 5. Subchapter E of Title 38A of the Rules of the City of New York, relating to administrative prosecution, is hereby REPEALED, and a new Subchapter E is added, to read as follows:

Subchapter E - Administrative Prosecution

§1-41 Introduction.

(a) This Subchapter E is adopted pursuant to a Memorandum of Understanding (the "MOU") dated April 2, 2012 and made between the Police Commissioner and the Chair, concerning the administrative prosecution by the Board of cases in which it finds that an allegation falling within its jurisdiction has been substantiated against an officer and recommends that formal charges and specifications be brought against such officer. The MOU takes effect on the date on which this Subchapter E takes effect and applies to allegations substantiated by the Board and in which the Board has recommended that charges and specifications be preferred on or after such date. This Subchapter E shall not create any rights or benefits in any third parties.

(b) In this subchapter:

"Case" means in relation to any Prosecution, the subject matter of such Prosecution.

"Charges" means charges and specifications brought by the Board against an officer in respect of an allegation falling within the jurisdiction of the Board and substantiated by the Board with the recommendation that charges and specifications be preferred.

"Police Department Advocate" means the department advocate, and includes any assistant department advocate, of the Police Department.

"Prosecution" means the administrative prosecution of Charges by the Board before a Trial Commissioner and includes all matters ancillary to or undertaken in anticipation of or in preparation for such prosecution.

"Trial Commissioner" means in relation to any Prosecution, the deputy commissioner of trials or assistant deputy commissioner of trials of the Police Department, having jurisdiction over such Prosecution.

§1-42 Prosecution of Charges.

(a) Where the Board finds an allegation falling within its jurisdiction to have been substantiated against an officer and recommends that Charges be brought against such officer the Board shall promptly notify the Police Commissioner of its finding and recommendation.

(b) In those limited circumstances where the Police Commissioner determines that the Board's prosecution of the Charges would be detrimental to the Police Department's disciplinary process, the Police Commissioner shall so notify the CCRB. Such instances shall be limited to cases in which there are parallel or related criminal investigations, or when, in the case of an officer with no disciplinary history or prior substantiated CCRB complaints, based on such officer's record and disciplinary history the interests of justice would not be served.

(c) Any request by the Police Commissioner for the Board to refrain from prosecution of Charges shall be made in writing to the CCRB and shall include a detailed explanation for such request and a statement detailing what discipline if any the Police Commissioner would pursue on such officer.

(d) The CCRB may reject such request to refrain from prosecution within five business days of receipt of such request. Such rejection shall be made in writing and shall include a statement rebutting the Police Commissioner's explanation for his or her request.

(e) The Police Commissioner may deny such rejection within five business days of receipt of such rejection. Such denial shall be made in writing to the CCRB and shall include a detailed response to the CCRB's rebuttal. Upon receipt of such denial the Board shall refrain from further prosecution of the case.

(f) In all cases other than those which the Board is to refrain from prosecuting, the CCRB shall promptly draft, and request that the Police Department Advocate serve on behalf of the Board, Charges against the subject officer.

(g) If the CCRB believes that suspension or modified assignment of a subject officer would be prudent while a Prosecution is pending, the CCRB shall make such recommendation to the Police Commissioner, who shall determine whether to suspend or modify the assignment of such officer.

§1-43 Expedited Cases

If the CCRB receives notice from the Police Department, or it becomes clear to the CCRB, that a Case requires expedited prosecution, the CCRB shall make every reasonable effort to conclude such prosecution within the required time frame. If the CCRB determines that it will not be able to conclude such prosecution within such time frame the CCRB shall decline to prosecute such case and shall request that the Police Department Advocate undertake such prosecution.

§1-44 Other Misconduct

If during the course of a Prosecution the CCRB becomes aware of possible misconduct falling outside its jurisdiction, such as the making of a false statement by an officer, the Board shall not itself prosecute such possible misconduct but shall instead immediately refer such possible misconduct to the Police Department for investigation and possible prosecution by the Police Department. The CCRB shall provide to the Police Department such assistance as may be requested, in the investigation or prosecution by the Police Department of such possible misconduct and shall, if necessary, coordinate its Prosecution with that of the Police Department.

§1-45 Police Department Procedures and Disciplinary Practices

(a) The Police Commissioner shall retain in all respects the authority and discretion to make final disciplinary determinations.

(b) The Board shall establish and maintain a unit of appropriately qualified and experienced attorneys and support staff of sufficient number to undertake in a timely and effective manner the responsibility for the administrative prosecution of substantiated civilian complaints.

(c) The Board's attorneys and support staff shall be trained in all aspects of the Police Department's procedures and policies as they affect the administrative prosecution of its cases.

(d) The Board's attorneys and support staff shall, to the extent practicable and relevant, familiarize themselves with and apply in relation to Prosecutions, Police Department disciplinary policies and standards.

(e) The Police Department shall provide all reasonable assistance requested by the CCRB in the creation and maintenance of this unit, including training and guidance in both legal and administrative matters.

(f) The CCRB may during the course of a Prosecution contact the Police Department Advocate to request the assistance of employees of the Police Department in the evaluation, preparation and prosecution of the Case. In such instances, the Police Department Advocate shall arrange for the Police Department to provide reasonable assistance to the CCRB.

§1-46 Other Matters Relating to Administrative Prosecutions

(a) The Police Department shall upon receipt send to the CCRB a copy of each report and recommendation issued by the Trial Commissioner in respect of a Prosecution. The CCRB may provide to the Trial Commissioner a letter commenting on such report and recommendation, commonly referred to as a "Fogel" letter.

(b) In all cases in which a Prosecution ends without the issuance by the Trial Commissioner of a report and recommendation, the CCRB shall forward to the Police Commissioner a final recommendation of the CCRB reflecting the results of its Prosecution of the Case. The CCRB shall include all relevant forms, memoranda and background information to assist the Police Commissioner in making a final disciplinary determination.

(c) The Police Commissioner may accept, reject, or modify the recommendation presented by the CCRB, or may ask the CCRB for additional investigative or background information in its possession. The Police Commissioner may also request further investigation or development of the record to enable him or her to make a final disciplinary determination. If the CCRB's recommendation is rejected or modified, the CCRB will be responsible for taking any appropriate follow-up action, such as proceeding with the Prosecution, engaging in additional investigation, or further developing the record.

(d) The CCRB may conduct plea negotiations with subject officers and their attorneys, to be heard by a Trial Commissioner and presented to the Police Commissioner for final determination. In all cases in which the Police Commissioner rejects a negotiated plea, the CCRB shall be responsible for implementing the Police Commissioner's decision, including negotiating the Case in a manner consistent with the Police Commissioner's determination or proceeding with the Prosecution.

(e) The CCRB shall provide to the Police Department status reports on its Prosecutions quarterly and as otherwise requested by the Police Department.

(f) In any case substantiated by the Board in which the Police Commissioner intends to impose discipline that is of a lower level than that recommended by the Board or by the Trial Commissioner, the Police Commissioner shall notify the CCRB, with notice to the subject officer, at least ten business days prior to the imposition of such discipline. Such notification shall be in writing and shall include a detailed explanation of the reasons for deviating from the Board's or, as the case may be, the Trial Commissioner's, recommendation, including but not limited to each factor the Police Commissioner considered in making his or her decision. The CCRB and the subject officer may respond to such notification within five business days of its receipt, after which the Police Commissioner shall make a final determination.

(g) The Police Department Advocate shall ensure that the CCRB is notified of the final disciplinary result and specific penalty in each case prosecuted by the Board within thirty calendar days of the Police Commissioner's final determination.

Section 6. Sections 1-46, 1-47, and 1-51 of Title 38A of the Rules of the City of New York are renumbered sections 1-51, 1-52, and 1-56.

Statement of Basis and Purpose

Section 1403(c) of the New York City Charter and Section 24-105 of the Administrative Code authorize the Commissioner to regulate and control the emission of harmful air pollutants into the open air.

Dry cleaners use chemicals, including those that may be hazardous. Existing Department of Environmental Protection (DEP) rules set forth the primary permits and other compliance requirements for existing and new dry cleaners. DEP currently requires dry cleaners to post a notice that informs the public of the use of the chemical perchloroethylene (perc) in the dry cleaning process.

The proposed rule requires an additional notice for perc that would inform the public how to access Material Safety Data Sheets from DEP's website. These Material Safety Data Sheets provide more detailed information about the chemicals used in dry cleaning. In addition, the proposed rule requires that the notice include the dry cleaner's DEP permit number and inform the public that it can call 311 to report chemical odors or leaks.

The proposed rule also requires dry cleaners that use chemicals other than perc to post a notice that would identify the primary non-perc chemical used. Recently, dry cleaners have been promoting the use of non-perc solvents as environmentally green solvents, but customers typically are not informed about what chemical the dry cleaner uses. The notice would also contain the information about the Material Safety Data Sheets, the dry cleaner's DEP permit number, and the phone number for reporting chemical odors or leaks.

The new notices, which must be posted where they can be easily seen, will keep the public informed of perc and the primary non-perc chemical used in the dry cleaning process. A dry cleaner that uses both perc and non-perc chemicals would have to post separate notices informing the public about the use of perc and the primary non-perc chemical.

Section one. **Section 12-01 of Chapter 12 of Title 15 of the Rules of the City of New York is amended to read as follows:**

§12-01 **Applicability.**

This Rule applies to all new and existing [perchloroethylene (perc)] dry cleaning facilities in the City of New York.

§2. **Paragraph 20 of subdivision b of section 12-02 of Chapter 12 of Title 15 of the Rules of the City of New York is amended to read as follows:**

(20) *Dry cleaning.* The process used to remove soil, greases, paints and other unwanted substances from articles with the use of perc or non perc.

§3. **Subdivision b of section 12-02 of Chapter 12 of Title 15 of the Rules of the City of New York is amended by adding new paragraphs 44-a, 47-a, and 57(a) to read as follows:**

(44-a) *Material safety data sheet.* The material safety data sheet as defined in section 24-702 of the Administrative Code of the City of New York.

...

(47-a) *Non perc.* Any chemical substance used in the dry cleaning process other than perc.

...

(54-a) *Primary chemical.* The chemical that is used in the greatest concentration in the dry cleaning process.

§4. **Section 12-18 of Chapter 12 of Title 15 of the Rules of the City of New York is amended to read as follows:**

§12-18 **Posting Notice.**

(a) The facility owner must post the notice required by §232.18 of Title 6 of the Official Compilation of Codes, Rules, and Regulations of the State of New York in a conspicuous location in the dry cleaning facility to inform building tenants and/or customers of the substances (perc) used in the dry cleaning system and potential health effects associated with exposure to them.

(b) In addition to the notice required by subdivision (a), the owner of a dry cleaning facility that uses perc in the cleaning process must post in a conspicuous location in the facility a notice, on a form to be provided by the Department and with dimensions of 8 ½ x 11 inches, that contains the following statements:

(i) “Information about the hazardous chemical substance (perc) used at this dry cleaning facility can be found on the Material Safety Data Sheet, which may be read at www.nyc.gov/dep/drycleanermstds.”

(ii) “You may call 311 or contact nyc.gov/311 if you smell chemical odors or see liquid leaking from the dry cleaning facility.”

(iii) “This facility is inspected and permitted by the Department of Environmental Protection. The Department of Environmental Protection permit number is _____. The RTK ID # is _____.”

(c) The owner of a dry cleaning facility that uses non-perc in the cleaning process must post in a conspicuous location in the facility a notice, on a form to be provided by the Department and with dimensions of 8 ½ x 11 inches, that contains the following statements:

(i) “The primary non-perc chemical substance used at this dry cleaning facility is _____.”

(ii) “Detailed information about the primary non-perc chemical substance can be found on the Material Safety Data Sheet, which may be read at www.nyc.gov/dep/drycleanermstds.”

(iii) “You may call 311 or contact nyc.gov/311 if you smell chemical odors or see liquid leaking from this facility.”

(iv) “This facility is inspected and permitted by the Department of Environmental Protection. The Department of Environmental Protection permit number is _____. The RTK ID # where applicable is _____.”

(d) The owner of a dry cleaning facility that uses both perc and non-perc in the cleaning process must post the notice required by subdivision (c) of this section, in addition to the notices required by subdivisions (a) and (b) of this section.

§5. This rule shall take effect twelve months after its final publication in the city record.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
