HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City's PASSPort system. New York City Economic Development Corporation (NYCEDC) invites architecture and design firms to submit proposals for the provision of services to design 30,000 square feet of public gathering and event space on the ground floor of Building A at MADE Bush Terminal (formerly the "Made in New York Campus") in Sunset Park, Brooklyn.

Bush Terminal is a historic 36-acre waterfront, City-Owned property that is a key component to the larger Sunset Park portfolio managed by the NYCEDC. The NYCEDC is leading an ongoing investment and

repositioning strategy at the site to deliver new leasable space for growing industries, a dynamic employment hub, and resilient public realm space.

The first phase of development will be complete in Q3 2024 with the delivery of Building A and 5 acres of landscaped public realm space ("Campus"). Building A's delivery will include 140,000 square feet for innovative manufacturing and 30,000 square feet of public gathering and event space.

In preparation for Campus and Building A opening, NYCEDC is seeking design proposals from qualified Architectural Firms ("Design Team" and/or "Consultant") to implement a comprehensive ground floor activation and public gathering plan in Building A.

NYCEDC plans to select a consultant on the basis of factors stated in the RFP which include, but are not limited to: the quality of the proposal, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, ability to meet M/WBE Participation Goals, and favorable history, if any, in contracting or doing business with government agencies.

It is the policy of NYCEDC to comply with all Federal, State and City laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category and to take affirmative action in working with contracting parties to ensure certified Minority and Women-Owned Business Enterprises (MWBEs) share in the economic opportunities generated by NYCEDC's projects and initiatives. Please refer to the Equal Employment and Affirmative Compliance for Construction Contracts Addendum in the RFP.

This project has Minority and Women Owned Business Enterprise ("M/WBE") participation goals, and all respondents will be required to submit a M/WBE Narrative Form with their response. To learn more about NYCEDC's M/WBE program, visit http://edc.nyc/opportunity-mwdbe. For the list of companies who have been certified with the New York City Department of Small Business Services as M/WBE, please go to the https://sbsconnect.nyc.gov/certification-directory-search/.

NYCEDC established the Contract Financing Loan Fund programs for Minority, Women and Disadvantaged Business Enterprise (M/W/DBE) interested in working on public construction projects. Contract Financing Loan Fund facilitates financing for short-term mobilization needs such as insurance, labor, supplies and equipment. Bidders/subcontractors are strongly encouraged to visit the NYCEDC website at http://edc.nyc/opportunity-mwdbe to learn more about the program.

What authorizes DCWP to make this rule? Sections 1043 and 2203(c) of the New York City Charter and section 20-104(b) of the New York City Administrative Code authorize the Department of Consumer and Worker Protection to make these proposed rules. This proposed rule was not included in the Department's regulatory agenda for this Fiscal Year.

Where can I find DCWP's rules? The Department's rules are in title 6 of the Rules of the City of New York.

What laws govern the rulemaking process? DCWP must meet the requirements of section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of section 1043 of the City Charter.

Statement of Basis and Purpose of Proposed Rule

The Department of Consumer and Worker Protection ("DCWP" or "Department") is proposing to amend its rules to repeal section 2-313 of subchapter AA of chapter 2 of Title 6 of the Rules of the City of New York, which requires that vendors at street fairs obtain a temporary general vending license. Oversight and coordination of vendors at street fairs are handled by the Mayor's Office of Citywide Event Coordination and Management's Street Activity Permit Office ("SAPO"). SAPO coordinates applications for street fair permits from the sponsoring organization and manages street fair requirements across various City agencies and entities.

The Department's temporary vending license represents an unnecessary step for street fair vendors because it does not add any new requirements for vendors at street fairs that are already overseen by SAPO. Additionally, this license can create confusion for vendors who otherwise require a regular general vendor license to vend in public outside of the street fair context. Repeal of the Department's temporary general vendor license requirement will streamline the street fair application process and remove an extra administrative step.

The Department is also proposing to amend section 2-305, which includes exemptions from both the general vendor license requirement and certain siting restrictions for qualifying vendors. The proposed rule specifies that all vendors at street fairs held by a non-profit association are now exempt from the general vendor license requirement. The proposed rule also removes the requirement that the non-profit association sponsoring the street fair certify that certain

persons vending at the fair are exempt from siting requirements and provides, instead, that the association must submit a list of all persons authorized to vend at the fair to SAPO.

Sections 1043 and 2203(c) of the New York City Charter and 20-104(b) of the New York City Administrative Code authorize the Department of Consumer and Worker Protection to make these proposed rules.

New material is underlined.

[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Proposed Rule Amendments

Section 1. Section 2-305 of subchapter AA of chapter 2 of Title 6 of the Rules of the City of New York is amended to read as follows:

§ 2-305 Street Fairs; Street Fair and Non-Profit Association Exception.

(a) Definitions

Bona fide affiliation. A "bona fide" affiliation shall be deemed to mean:

residence on the block on which the fair is taking place, in the case of a fair sponsored by a block association; or

(ii) membership in the association, where the association does

not have as its sole function the sponsorship of street fairs.

Non-profit associations. For purposes of this section, a "non-profit

association" shall be deemed to be:

(i) any governmental agency;(ii) any charitable, educational, religious or political organization, or any association incorporated in accordance with or subject to the provisions of the New York Not-For-Profit Corporation Law; or

Statement of Basis and Purpose of Proposed Rules

Background

In 1982, the New York State legislature enacted Article 7-C of the Multiple Dwelling Law (MDL), also known as the Loft Law. The Loft Law created a new class of buildings in New York City called interim multiple dwellings (IMD). Initially, the Loft Law allowed the conversion to residential space of former commercial and manufacturing spaces that were used as residences by at least three or more families living independently from April 1, 1980, through December 1, 1981 in zoning districts that permitted residential use. The Loft Law was subsequently amended to allow for the conversion of commercial or manufacturing space in additional districts and for the conversion of spaces used as a residence during additional time periods. In the most recent amendment, in June 2019, the Legislature expanded the scope of the law to include spaces used as residences for twelve consecutive months between 2015 and 2016.

The Loft Law also established the Loft Board, which is charged with overseeing the legal conversion of IMD buildings from commercial and manufacturing spaces to residences, including requirements that landlords of IMD buildings provide basic housing maintenance services during the conversion period.

These proposed rule amendments would expand the requirements for basic housing maintenance services set forth in section 2-04 of Title 29 of the Rules of the City of New York to include requirements to maintain the existing fire egress systems and add provisions for enforcement of these requirements. The objective of these proposed rule amendments is to promote public safety in IMD buildings. These rules apply to IMD buildings until the building is removed from the Loft Board's jurisdiction.

Summary of the Proposed Amendments

Section 1 would amend 29 RCNY \S 2-04(a) to add definitions of fire escape and fire stairway.

Section 2 would amend the requirements for basic services set forth in 29 RCNY \S 2-04(b) to require that fire egress components and pathways be maintained in proper condition.

Section 3 would amend 29 RCNY § 2-04(e)(2) to authorize the Loft Board to issue additional violations if conditions related to fire egress are not corrected within fifteen (15) days after the mailing date of a violation.

Section 4 would amend the enforcement and penalty schedule set forth in 29 RCNY § 2-04(e)(8) to provide for the assessment of penalties against owners who fail to comply with the obligations regarding maintenance of fire egress components and pathways.

Section 5 would amend the annual registration requirements in 29 RCNY \S 2-05 to include a requirement that owners file a certification that fire escapes and/or fire stairways have been inspected within the fourteen (14) days prior to annual registration.

Section 6 would amend the penalty schedule in 29 RCNY § 2-11.1 to include a penalty for the failure to file an annual certification of inspection of fire escapes and/or fire stairways.

On April 18, 2024, the Loft Board voted to initiate the rulemaking process under the Citywide Administrative Procedure Act for this proposed rule amendment.
