The following communications were received, action being taken thereon as noted, to wit:

From the Corporation Counsel (68050)—Stating that the Fulton Market Fishmongers' Association has offered to settle the Department's claim of \$3,130.27 against them, covering rental of crib bulkhead and platform easterly of Pier (old) 23, East river, for the sum of \$656.77, without interest, and asking whether such a settlement would, in the opinion of this Department, be to the advantage of the City. Notified that the Commissioner will agree to any settlement recommended by the Law Department.

From the Municipal Civil Service Commission—  
 1 (68095). Stating that the names of Mrs. Mary Blessing and Ferdinand Remelman, Attendants, have been deducted from the pay roll of this Department on the ground that the persons appointed were not the ones entitled to the position. Names dropped from the list of employees of this Department.

Beard Dredging Company, doing dredging work thereat for R. P. Coen, under permit from this Department, and asking whether this Department can aid in forcing these parties to take the necessary steps at once to repair the main. Notified that neither the Department nor the contractor was aware of the existence of the water main at the locality; advised to communicate with the parties, fixing a date on which a survey of the damage can be made, the communication to contain a statement that in the event of no attention being paid to same repairs will be made to the water main by the Department of Water Supply, Gas and Electricity, and that a bill will be rendered for the cost of the work; if payment is refused the matter can be taken up with the Corporation Counsel.

From H. M. Susswein & Co. (67687)—Requesting that additional wharfage facilities be provided at the foot of One Hundred and Sixth street, Harlem river. Advised that under the existing plan for the improvement of the water front at the foot of One Hundred and Sixth street, Harlem river, the construction of a pier is contemplated, but that a pier has recently been constructed at the foot of One Hundred and Eighth street, and one is now in course of construction at One Hundred and Seventh street, Harlem river, which are sufficiently accessible for all practical purposes; the construction of a pier at the foot of One Hundred and Sixth street will receive consideration as soon as possible.

From E. C. Bridgman (68057)—Complaining of the inconvenience to passengers at the St. George terminal of the Municipal Ferry, caused by the necessity of using the stairs from the dock to the steam car platforms and the loss of time incurred in reaching these stairs from the boats, and asking whether this can be remedied. Notified that the arrangements at the terminal are only temporary; that it is impracticable to have any other method than the one now in use for the handling of the passengers, and that the work of building the new terminal is being pushed to completion as rapidly as possible, when it is hoped there will be no further cause for complaint.

From William M. Ivins, Special Counsel for the Board of Aldermen (68096)—Asking for the revenue from piers at West Seventy-ninth, Ninety-sixth and Ninety-seventh streets, North river, for the years 1904, 1905 and 1906. Information furnished.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done.
