NOTICE

IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, July 1, 1880.

APPLICATIONS FOR EXEMPTIONS WILL BE
heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give (or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

POLICE DEPARTMENT.

POLICE DEPARTMENT OF THE CITY OF NEW YORK,
300 MULBERRY STREET,
NEW YORK, December 29, 1880.

PUBLIC NOTICE.

SEALED ESTIMATES FOR BUILDING A
Station-house, Lodging-house, and Prison on Elizabeth street, in the City of New York, will be received at the Central Office of the Department of Police, in the City of New York, until ten o'clock A. M., of Tuesday, the 11th day of January, 1881.

The person or persons making an estimate shall furnish the same in a sealed envelope, indorsed "Estimate for building a Station-house, Lodging-house, and Prison," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the estimates received will be publicly opened by the head of said Department and read.

The nature and extent of the work to be done, as near as it can be stated, is as follows: The building of a Station-house, Lodging-house, and Prison on the lot belonging to the Corporation of the City of New York, on the west side of Elizabeth street, 100 feet south of Canal street, New York City, to consist of two buildings, one 50 feet by 62 feet 4 inches, of brick, with granite and marble trimmings, four stories and basement high, and covered with a flat roof and galvanized iron cornice, and the other 50 feet by 21 feet 8 inches, of brick, blue stone, and iron, two stories and basement high, and covered with a flat tin roof.

All the old buildings, walls, and other materials now on the lot are to be removed by the Contractor, and shall be his property. And bidders, in making their estimates, will consider the value of such materials.

For further particulars reference must be made to the plans and specifications on file in the office of the Chief Clerk of the Department.

The Police Department reserves the right to reject any or all estimates not deemed beneficial or satisfactory.

No estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal sum of twenty thousand dollars.

Each estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, and herein stated, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and let as provided by law.

Plans may be examined and specifications and blank proposals obtained by application to the undersigned, at his office in the Central Department.

By order of the Board,
S. C. HAWLEY,
Chief Clerk.

DEPARTMENT OF DOCKS.

DEPARTMENT OF DOCKS,
117 AND 119 DUANE STREET,
NEW YORK, December 20, 1880.

TO CONTRACTORS.

(No. 125.)

PROPOSALS FOR ESTIMATES FOR FURNISHING
GRANITE STONES FOR BULKHEAD OR
RIVER WALL.

ESTIMATES FOR FURNISHING THIS MATE-
rial will be received by the Board of Commis-
sioners at the head of the Department of Docks, at the
office of said Department, Nos. 117 and 119 Duane street,
in the City of New York, until 12 o'clock M. of

WEDNESDAY, JANUARY 5, 1881.

at which time and place the bids will be publicly opened
by the head of said Department and read. The award of
the contract, if awarded, will be made as soon as practi-
cable after the opening of the bids.

Any person making an estimate for the work shall
furnish the same in a sealed envelope to said Board, at
said office, on or before the day and hour above named,
which envelope shall be indorsed with the name or names
of the person or persons presenting the same, the date of
its presentation, and a statement of the work to which it
relates.

The bidder to whom the award is made shall give
security for the faithful performance of the contract, in the
manner prescribed and required by ordinance, in the sum
of eight thousand dollars.

The Engineer's estimate of the work to be done is as
follows:

To be furnished, cut in accordance with specifications,
1,872 pieces of granite, consisting of—
(1.) 853 Headers and 538 Stretchers, containing about
35,400 cubic feet; and
(2.) 161 Coping Stones, containing about 12,880 cubic
feet.

For further particulars, see the drawings referred to in
the Specifications forming part of the contract.

N. B.—As the above-mentioned quantity of cubic feet,
though stated with as much accuracy as is possible, in
advance, is approximate only, bidders are required to
submit their estimates upon the following express con-
ditions, which shall apply to and become part of every
estimate received:

1st. Bidders must satisfy themselves, by personal ex-
amination of similar stones now owned by the Department
of Docks, and of the plans, and by such other means as
they may prefer, as to the accuracy of the foregoing
Engineer's estimate, and shall not, at any time after the
submission of their estimates, dispute or complain of such
Engineer's estimate or statement nor assert that there was
any misunderstanding in regard to the nature or amount
of the work to be done.

2nd. Bidders will be required to complete the entire
work to the satisfaction of the Department of Docks, and
in substantial accordance with the specifications
of the contract and the plans therein referred to. No
extra compensation beyond the amount payable for the
work before mentioned, which shall be actually per-
formed, at the price therefor per cubic foot, to be speci-
fied by the lowest bidder, shall be due or payable for the
entire work.

The contract is to be fully completed on or before the
thirty-first day of August, 1881.

On or before the fifteenth day of April, 1881, about 2,000
cubic feet of Headers and Stretchers, and on or before the
first day of May, 1881, an additional amount of about 2,000
cubic feet of Headers and Stretchers, both amounts to be
divided between the several classes, as ordered by the
Engineer-in-Chief, are to be completed and delivered in
accordance with the terms of the contract. The damages
to be paid by the contractor for each day that the contract,
or any part thereof, may be unfulfilled, after the respective
times specified for the fulfillment thereof may have ex-
pired, Sundays and holidays not to be excepted, are, by a
clause in the contract, fixed and liquidated at fifty dollars
per day.

Bidders will state in their estimates the price per cubic
foot for the stones to be furnished. By that price the bids
will be tested. This price is to cover the expenses of fur-
nishing all the necessary materials and labor and the per-
formance of all the work set forth in the approved form of
contract and the specifications therein contained, including
any claim that may arise through delay, from any cause,
in the receiving of the material by the Department of
Docks.

Bidders will distinctly write out in their bids, both in
figures and in words, the amount of their estimates for
doing this work.

Should the lowest bidder or bidders neglect or refuse to
accept to contract within forty-eight (48) hours after written
notice that the same has been awarded to his or their bid or
estimate, or if, after acceptance, he or they shall refuse or
neglect to execute the contract and give the proper secu-
rity for forty-eight (48) hours after notice that the same is
ready for execution, he or they will be considered as hav-
ing abandoned it, and as in default to the Corporation; and
the contract will be re-advertised and re-let, and so on
until it be accepted and executed.

Bidders are required to state in their estimates their
names and places of residence; the names of all persons
interested with them therein; and if no other person be so
interested, the estimate shall distinctly state the fact; also
that the estimate is made without any connection with any
other person making an estimate for the same purpose, and
is in all respects fair, and without collusion or fraud;
and also that no member of the Common Council, Deputy
thereof, or Clerk thereof, or other officer of the Corporation,
is directly or indirectly interested therein, or in the supplies
or work to which it relates, or in any portion of the profits
thereof; which estimate must be verified by the oath, in
writing, of the party making the estimate, that the several
matters stated therein are in all respects true. Where
more than one person is interested, it is requisite that the
verification be made and subscribed by all the parties
interested.

Each estimate shall be accompanied by the consent, in
writing, of two householders or freeholders of the City of
New York, with their respective places of business or resi-
dence, to the effect that if the contract be awarded to the
person or persons making the estimate, they will, on its
being so awarded, become bound as his or their sureties for
its faithful performance; and that if said person or persons
shall omit or refuse to execute the contract, they will pay to
the Corporation any difference between the sum to which
said person or persons would be entitled on its completion,
and that which the Corporation may be obliged to pay to
the person to whom the contract shall be awarded at any
subsequent letting; the amount in each case to be calcu-
lated upon the estimated amount of the work by which
the bids are tested; the consent above mentioned shall
be accompanied by the oath or affirmation, in writing,
of each of the persons signing the same, that he is a
householder or freeholder in the City of New York, and
is worth the amount of the security required for the com-
pletion of the contract, over and above all his debts of every
nature, and over and above his liabilities as bail, surety,
and otherwise; and that he has offered himself as surety
in good faith, and with the intention to execute the bond
required by section 5 of chapter 574, of the Laws of 1872,
and by section 27 of chapter VIII, of the Revised Ordin-
ances of the City of New York, if the contract shall be

awarded to the person or persons for whom he consents to
become surety. The adequacy and sufficiency of the
security offered is to be approved by the Comptroller of
the City of New York, after the award is made and prior
to the signing of the contract.

Bidders are informed that no deviation from the speci-
fications will be allowed, unless under the written instruc-
tions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded
to, any person who is in arrears to the Corporation, upon
debt or contract, or who is a defaulter, as surety or other-
wise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, if
deemed for the interest of the Corporation.

Bidders are requested, in making their bids or estimates,
to use the blank paper for that purpose, by the De-
partment, a copy of which, together with the form of the
agreement, including specifications, and showing the
manner of payment for the work, can be obtained upon
application therefor at the office of the Department.

—or any part thereof, will be received at the office of the
Department of Public Charities and Correction, in the
City of New York, until 9.30 o'clock A. M., of Tuesday,
the 4th day of January. The person or persons making
any bid or estimate shall furnish the same in a sealed
envelope, indorsed "Bid or Estimate for Dry Goods,
Groceries, etc.," and with his or their name or names,
and the date of presentation, to the head of said Depart-
ment, at the said office, on or before the day and hour
above named, at which time and place the bids or esti-
mates received will be publicly opened by the head of
said Department and read.

The Department of Public Charities and Correction re-
serves the right to decline any and all bids or estimates if
deemed to be for the public interest, and to accept any
bid or estimate as a whole, or for any one or more articles
included therein. No bid or estimate will be accepted
from, or a contract awarded to, any person who is in arrears
to the Corporation upon debt or contract, or who is a
defaulter, as surety or otherwise, upon any obligation
to the Corporation.

The award of the contract will be made as soon as prac-
ticable after the opening of the bids.

Delivery will be required to be made from time to time,
at such times and in such quantities as may be directed by
the said Department; but the entire quantity will be re-
quired to be delivered on or before thirty (30) days after
the date of the contract.

Any bidder for this contract must be known to be en-
gaged in and well prepared for the business, and must
have satisfactory testimonials to that effect; and the per-
son or persons to whom the contract may be awarded will
be required to give security for the performance of the
contract by his or their bond, with two sufficient sureties,
in the penal amount of fifty (50) per cent. of the estimated
amount of the contract.

Each bid or estimate shall contain and state the name
and place of residence of each of the persons making the
same; the names of all persons interested with him or them
therein; and if no other person be so interested, it shall
distinctly state that fact; that it is made without any
connection with any other person making an estimate for
the same purpose, and is in all respects fair and without
collusion or fraud; and that no member of the Common
Council, head of a Department, Chief of a Bureau,
Deputy thereof or Clerk thereof, or other officer of the
Corporation, is directly or indirectly interested therein, or
in the supplies or work to which it relates, or in any por-
tion of the profits thereof. The bid or estimate must be
verified by the oath, in writing, of the party or parties
making the estimate, that the several matters stated
therein are in all respects true. Where more than one
person is interested, it is requisite that the verification be
made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in the
City of New York, with their respective places of
business or residence, to the effect that if the contract be
awarded to the person making the estimate, they will, on
its being so awarded, become bound as his or their sureties for
its faithful performance; and that if he shall omit or refuse
to execute the same, they will pay to the Corporation any
difference between the sum to which he would be entitled
on its completion and that which the Corporation may be
obliged to pay to the person or persons to whom the con-
tract may be awarded at any subsequent letting; the amount
in each case to be calculated upon the estimated
amount of the work by which the bids are tested. The
consent above mentioned shall be accompanied by the
oath or affirmation, in writing, of each of the persons sign-
ing the same, that he is a householder or freeholder in the
City of New York, and is worth the amount of the security
required for the completion of this contract over and
above all his debts of every nature, and over and above
his liabilities, as bail, surety, or otherwise; and that he
has offered himself as a surety in good faith and with the
intention to execute the bond required by section 27 of
chapter 8 of the Revised Ordinances of the City of New
York, if the contract shall be awarded to the person or
persons for whom he consents to become surety. The
adequacy and sufficiency of the security offered to be ap-
proved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may
be awarded neglect or refuse to accept to contract within
forty-eight (48) hours after written notice that the same
has been awarded to his or their bid or proposal, or if he
or they accept but do not execute the contract and give
the proper security, he or they shall be considered as
having abandoned it and as in default to the Corporation,
and the contract will be re-advertised and relet as pro-
vided by law.

The quality of the articles, supplies, goods, wares, and
merchandise must conform in every respect to the samples
of the same respectively at the office of the said Depart-
ment. Bidders are cautioned to examine the specifica-
tions for particulars of the articles, etc., required, before
making their estimates.

Bidders will state the price for each article, by which
the bids will be tested.

Bidders will write out the amount of their estimate in
addition to inserting the same in figures.

Payment will be made by a requisition on the Compt-
roller, issued on the completion of the contract, or from
time to time as the Commissioners may determine.

Bidders are informed that no deviation from the speci-
fications will be allowed, unless under the written instruc-
tion of the Commissioners of Public Charities and Correc-
tion.

The Department of Public Charities and Correction re-
serves the right to decline any and all bids or estimates if
deemed to be for the public interest, and to accept any
bid or estimate as a whole, or for any one or more arti-
cles included therein. No bid or estimate will be accepted
from, or a contract awarded to, any person who is in arrears
to the Corporation upon debt or contract, or who is a
defaulter, as surety or otherwise, upon any obligation to
the Corporation.
