Received from his Honor the Mayor, February 15, 1878, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

Whereas, It being necessary that the shipping interests of the city be encouraged, especially those of the east side thereof, and that the desire of many of the merchants and shippers of the same be fostered and maintained, those who previously have been in the habit of shipping their goods from the Brooklyn shore; but they, having become discouraged at the bad condition of the several streets of the same leading to the several piers thereof, will if certain streets in this city leading to the piers on the East river be repaired, will resume at once their traffic with the vessels landing on this side of the East river; therefore, be it

Resolved, That the Commissioner of Public Works be and he is hereby requested to pave with Belgian or trap-block pavement, the following-named streets: Madison street, from New Chambers street to Grand street; Market street, from Division street to the East river; Jefferson street, from Division street to the East river; Clinton street, from Division street to the East river; Montgomery street, from Division street to the East river.

Resolved, That the following-named persons be and they are hereby appointed Commissioners of Deeds in and for the City and County of New York, in place respectively of the persons whose names appear opposite, whose terms of office have expired:

James C. Hawley, in place of Abraham L. Davis.

Wm. Alt, in place of Anthony T. Gallagher.

Leonard Gattman, in place of John Kennedy.

Benjamin F. Russell, in place of Francis Kennay.

Adopted by the Board of Aldermen, February 5, 1878.

Approved by the Mayor, February 11, 1878.

Whereas, It is alleged that the rooms over Essex Market, occupied as an armory by the Sixty-ninth Regiment, N. G. S. N. Y., are in an unsafe and dilapidated condition and unfit for the uses for which they were intended; therefore be it

Resolved, That the Superintendent of Buildings be and he is hereby authorized and directed to cause the inspection of the walls and foundation of the above-named building, and report to this Board as to the condition of the same.

Adopted by the Board of Aldermen, February 5, 1878.

Approved by the Mayor, February 14, 1878.

Whereas, This city was mulcted a few weeks ago about \$7,000 in costs and damages in a suit by one of its citizens having fallen because the owner or occupant failed to have some ice cleaned off of the sidewalk in front of his premises; and

Whereas, The police on this case had reported the owner several times for neglect, and have also reported within the last four days several thousand of our citizens for failing to remove snow and ice, or to ash or sand the same; and

Whereas, The Commissioners of the Park Department have neglected to clean the walks around, through, and across the parks in this city, in violation of the city ordinance, thereby showing their incompetency for the position, and a disregard for their oath of office, and also laying the city liable to be mulcted in damages for accidents to its citizens and others; and further showing the incompetency by having the snow where shoveled, thrown into the streets, causing the Street Cleaning Bureau to cart it away, at the cost of several hundred dollars, when it is a well-known fact that snow shoveled on the grass would be of great benefit to the same; such facts clearly showing that the Commissioners have no knowledge of agriculture, horticulture, or economy in looking after the city's interest; and

Whereas, The department at this time has a full year's appropriation for the care and maintenance of the parks, and thousands of laborers are now out of employment and would be glad to get work for a single day, and the ordinance for cleaning snow and ice away applies to the city in the care of its parks, just as much as it does to the citizens for the care of their sidewalks, and section 23, subdivision 4, of the Charter of 1873, defines the duty of the Mayor, as follows: "To be vigilant and active in causing the ordinances of the City and laws of the State to be executed and enforced;" and,

Whereas, Section 25 of the Charter gives his Honor full power to remove, and sections 94 and 95 define the duty and oath of every Commissioner; therefore be it

Resolved, That hereafter all snow and ice be removed by the Park Department, the same as by the citizens, and the snow from the park walks be shoveled on to the grass plots, not only as a benefit to the same, but as a matter of economy to the tax-payer.

Adopted by the Board of Aldermen, February 5, 1878.

Approved by the Mayor, February 15, 1878.

Resolved, That permission be and the same is hereby given to Jacob Kriesch to place and keep a barber's pole on the sidewalk, near the curbstone, in front of No. 127 Grand Street, the work to be done at his own expense; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, February 5, 1878.

Approved by the Mayor, February 15, 1878.

Resolved, That permission be and is hereby given to George W. Walker to retain the sign now on the awning in front of his premises No. 478 Ninth avenue; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, February 5, 1878.

Approved by the Mayor, February 15, 1878.

Resolved, That permission be and the same is hereby given to Richard Roach to place and keep two posts in front of his premises No. 1646½ Second avenue, for the purpose of hanging meat thereon, the hooks to be not less than seven feet above the level of the sidewalk, the work to be done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, February 5, 1878.

Received from his Honor the Mayor, February 15, 1878, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

Resolved, That permission be and the same is hereby given to Louis Johns to erect a portico over the main entrance to premises No. 7 East Eighth street, as shown on the accompanying diagram, the work to be done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, February 12, 1878.

Approved by the Mayor, February 15, 1878.

Whereas, A bill to repeal the "Act establishing the College of the City of New York" has been presented to the Legislature of the State of New York by Hon. Thomas F. Grady, member of Assembly; and,

Whereas, Said college was established in the year 1847 by an overwhelming popular vote, and the continued popularity of the college is seen by the increased number of applicants for admission therein every year, and by the advantages of free education which it supplies to the rich and poor alike, and as a matter of right, cannot be procured by pupils of public schools of the city through any other channel than by this or a similar institution; and,

Whereas, The said college is a natural outgrowth of our free common school system, and, together with the Normal College for females, completes the education of both sexes of our city; and to take away from this city by a simple vote of the Legislature this right confirmed by the direct vote of the people is a measure fraught with the utmost danger to free education, not only in this city, but throughout the entire State; now therefore be it

Resolved, by the Board of Aldermen of the City of New York, That we disapprove of said contemplated repeal, and hereby urge upon his Honor the Mayor of the City of New York to respectfully notify the Legislature of said disapproval.

Adopted by the Board of Aldermen, February 12, 1878.

Approved by the Mayor, February 15, 1878.

Resolution and Memorial to Congress in regard to an appropriation for Harlem River and Spuyten Duyvil Creek.

Resolved, That the memorial hereto annexed be adopted, and the Clerk of this Board be directed to transmit properly certified copies thereof to the Senators and Representatives of this State in Congress.

To the Honorable the Senate and House of Representatives of the United States of America in Congress assembled:

MAY IT PLEASE YOUR HONORABLE BODIES:

The Common Council of the City of New York would most respectfully ask that your Honorable Bodies will pass the act now pending, making an appropriation of a sum sufficient to commence and carry on during the ensuing year the work of improving the navigation of the Harlem river and Spuyten Duyvil Creek on the plans and specifications prepared by General John Newton, United States Engineer, as set forth in his report to the Secretary of War, July 14, 1876.

This work would be of great benefit to the City of New York in affording increased convenience for the handling of coal, grain, building materials, and other commodities which reach this city by water transportation, and considering the great proportion of the Federal revenue contributed by New York, it seems but proper that this work, which will be of great importance, should be at once commenced.

Adopted by the Board of Aldermen, February 12, 1878.

Approved by the Mayor, February 15, 1878.

Resolved, That the Comptroller be and he is hereby authorized and directed to draw a warrant in favor of George O'Doherty for the sum of three hundred and fifty-nine dollars and twenty-five cents, to be in full for annexed bill for services as Stenographer for the Special Committee on investigating the "ring frauds," to and including December 24, 1877, and charge the amount to the appropriation for "City Contingencies," for the year 1878.

Adopted by the Board of Aldermen, February 12, 1878.

Approved by the Mayor, February 15, 1878.

Resolved, That permission be and the same is hereby given to Henry Roeder to retain a barber's pole in front of his place of business, No. 114 Bleecker street; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, February 12, 1878.

Approved by the Mayor, February 15, 1878.

Clerk Common Council.

NOTICE
IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1877.

APPLICATIONS FOR EXEMPTIONS WILL BE
heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

THOMAS DUNLAP, Commissioner,
County Court-house (Chambers street entrance)

WILLIAM KENNELLY, AUCTIONEER.

SALE OF FERRY FRANCHISES.

THE FRANCHISES TO RUN THE FOLLOWING ferries and a lease of the wharf property belonging to the city, if any, set apart for ferry purposes at each of said ferries, will be sold at public auction to the highest bidder, at the office of the Comptroller of the City of New York, on Thursday, November 8, 1877, at 12 o'clock, noon, for the period of five years from November 1, 1877, except as otherwise stated:

Ferry from Peck Slip, New York City, to the foot of One Hundred and Thirtieth street at Third avenue, Harlem, with an intermediate landing at or near Eighty-fourth street, East river.

Ferry from Fulton Market slip, New York City, to Mott Haven, with an intermediate landing at or near Eighty-fourth street, East river, until May 1, 1879.

Ferry as now established from foot of Roosevelt street, in the City of New York, East river, to South Seventh street, Brooklyn, Eastern District, together with the bulkheads and slips adjacent to and east of the wharf property at foot of Roosevelt street, East river, owned by the Bridge Company, and now occupied for said ferry.

Bidders must bid for the franchise and lease of wharf property of each ferry separately, but no bid will be received unless it includes an offer for both the ferry franchise and wharf property.

The form of the lease required to be executed by the highest bidder can be seen at the office of the Comptroller.

All bids will be regarded as made with reference to said form of lease, and in case the highest bidder shall neglect to execute a lease according to said form, for ten days after said sale, his bid will, at the option of the Comptroller and the Board of the Department of Docks, be rejected.

The leases will contain a covenant requiring the lessees to pay rent quarterly to the Comptroller.

The minimum rate for which the ferry franchise or license to operate such ferries shall be used or enjoyed has been appraised and set by the Commissioners of the Sinking Fund at five per cent. per annum upon the gross receipts for ferriage collected at the New York landing-place for the ferry as now established from the foot of Roosevelt street, New York, to South Seventh street, Brooklyn, and at two and one-half per cent. per annum upon the gross receipts collected for ferriage for the ferries from Peck slip, New York, to the foot of One Hundred and Thirtieth street, Third avenue, Harlem; and from Fulton Market slip, New York, to Mott Haven, such percentage to be paid quarterly to the Corporation, and a covenant will be contained in each lease requiring the lessees to make and deliver to the Comptroller of the City of New York, quarterly, a statement in writing, verified by oath or affirmation of the lessee, or of such proper officer of the lessee as may be designated by the Comptroller, of the actual total gross receipts for ferriage received by such lessee during the preceding three months, and also, that the lessee shall keep regular books of account, showing the daily gross receipts of the ferry leased, and allow said Comptroller, or any person designated by him, to examine such books.

The franchise will be put up and knocked down to the person offering to pay the largest percentage.

All moneys received for the conveyance of passengers, animals, vehicles, or freight from New York to be collected at the landing place in New York, or, if collected elsewhere, to be included in the receipts upon which such percentage is to be calculated and paid.

No bid less than such percentage on such gross receipts will be entertained.

The successful bidder will be required to pay to the Collector of City Revenue the sum of fifteen hundred dollars immediately after the franchise shall have been

struck down to him, as security for the execution and performance of the lease, such amount to be credited on the rent when the same becomes due.

Security, satisfactory to the Comptroller, will be required for the punctual performance by the lessees of the covenants of the lease of the franchise in their behalf.

Each purchaser of a lease will be required, at the time of the sale, and in addition to the auctioneer's fees, to pay to the Department of Docks twenty-five per cent. of the amount of the annual rent bid for the wharf property, as security for the execution of the lease, and which twenty-five per cent. will be applied to the payment of the rent for such property first accruing under the lease, when executed, or forfeited if the lessee neglects or refuses to execute the lease and bond after being duly notified that the lease is prepared and ready for signature, or, in case the bid be finally rejected, will be returned to the bidder.

Lessees will be required to pay their rent for the wharf property quarterly in advance, in compliance with a stipulation therefor in the form of the lease adopted.

The franchise and the lease of the wharf property, if any, of each ferry will be put up and sold together to the highest bidder, subject to the condition hereinafter expressed, and subject also to the right of the Comptroller and the Board of the Department of Docks to reject any or all bids, if deemed to be for the interest of the city.

The right to reject any bid, if deemed to be to the interest of the City of New York, is reserved by the Commissioners of the Sinking Fund.

By order of the Commissioners of the Sinking Fund.

Comptroller.

WILLIAM KENNELLY, AUCTIONEER.

SALE OF FERRY FRANCHISE.

PURSUANT TO ADJOURNMENT.

THE FRANCHISE TO RUN THE FOLLOWING ferry and a lease of the wharf property belonging to the city, set apart for ferry purposes at said ferry, will be sold at public auction to the highest bidder, at the office of the Comptroller of the City of New York, on Thursday, October 25, 1877, at 12 o'clock, noon, for the period of five years from November 1, 1877, namely:

Ferry from Ninety-second street, East river, to Astoria, Queens County, Long Island.

Bidders must bid for the franchise and lease of wharf property of said ferry separately, but no bid will be received unless it includes an offer for both the ferry franchise and wharf property.

The form of the lease required to be executed by the highest bidder can be seen at the office of the Comptroller.

All bids will be regarded as made with reference to said form of lease, and in case the highest bidder shall neglect to execute a lease according to said form for ten days after said sale, his bid will, at the option of the Comptroller and the Board of the Department of Docks, be rejected.

The leases will contain a covenant requiring the lessees to pay rent quarterly to the Comptroller.

The successful bidder will be required to pay to the Collector of City Revenue the sum of fifteen hundred dollars immediately after the franchise shall have been struck down to him, as security for the execution and performance of the lease, such amount to be credited on the rent when the same becomes due.

Security, satisfactory to the Comptroller, will be required for the punctual performance by the lessees of the covenants of the lease of the franchise in their behalf.

The minimum price for which the lease of said wharf property connected with the ferry from Ninety-second street, East river, to Astoria, Long Island, will be sold, has been fixed by the Board of the Department of Docks at the following sum, namely:

For bulkhead at foot of Ninety-second street, East river, and for premises at foot of Fulton street, Astoria, as now occupied for ferry purposes, at \$250 per annum.

The premises connected with the said ferry, to be taken in the condition in which they were in on the 1st day of August, 1877, and all repairs and rebuilding thereof, and dredging at said ferry during the term leased, to be done at the expense and cost of the lessees.

The purchase of the lease will be required, at the time of the sale, and in addition to the auctioneer's fees, to pay to the Department of Docks twenty-five per cent. of the amount of the annual rent bid for the wharf property, as security for the execution of the lease, and which twenty-five per cent. will be applied to the payment of the rent for such property first accruing under the lease, when executed, or forfeited if the lessee neglects or refuses to execute the lease and bond after being duly notified that

the lease is prepared and ready for signature, or, in case the bid be finally rejected, will be returned to the bidder.

Lessees will be required to pay their rent for the wharf property quarterly, in advance, in compliance with a stipulation therefor in the form of the lease adopted.

The franchise and the lease of the wharf property, of said ferry will be put up and sold together to the highest bidder, subject to the condition hereinafter expressed, and subject also to the right of the Comptroller and the Board of the Department of Docks to reject any or all bids, if deemed to be for the interest of the city.

The right to reject any bid, if deemed to be to the interest of the City of New York, is reserved by the Commissioners of the Sinking Fund.

TO CONTRACTORS.

PROPOSALS FOR FURNISHING GRANITE STONES FOR BULKHEAD OR RIVER WALL.

SEALED PROPOSALS FOR FURNISHING THIS material, indorsed as above, and with the name or names of the person or persons presenting the same and the date of presentation, and addressed to "The President of the Department of Docks," will be received at this office until 12 o'clock M. of

TUESDAY, 26th FEBRUARY, 1878,

at which time and place the bids will be publicly opened by the head of said Department and read. The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in, and well prepared for the business, and shall give security for the faithful performance of his contract, in the manner prescribed and required by ordinance, in the sum of four thousand dollars.

The Engineer's estimate of the work to be done is as follows:

To be furnished cut in accordance with specifications—580 pieces of granite, consisting of

"A." { 255 Headers and } containing about 11,200 cubic
feet; and

"B." { 264 Stretchers, }
61 Coping Stones, containing about 5,033 cubic feet.

For further particulars, see drawings annexed to the specifications.

The time allowed for the completion of the contract is to the 15th day of August, 1878, and the damages to be paid by the contractor for each day that the contract may be unfulfilled, after the said time has expired, Sundays and holidays not to be excepted, are, by a clause in the contract, fixed and liquidated at fifty dollars per day.

Bidders will state in their proposals the price per cubic foot of the stone to be furnished in conformity with the annexed specifications, by which the bids will be tested. This price is to cover the expenses of freight, loading and unloading, and all other expenses necessary for the complete performance and fulfillment of the contract.

Bidders will write out the amount of their estimate for doing this work, in addition to inserting the same in figures.

Should the lowest bidder or bidders neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been made to his or their bid or proposal, or if, after acceptance, he or they should refuse or neglect to execute the contract for forty-eight hours after notice that the same is ready for execution, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be re-advertised and re-let, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the proposal shall distinctly state the fact; also that the bid is made without any connection with any other person making any estimate for the same material, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk thereon, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or reholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person or persons would be entitled on its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above his liabilities as bail, surety, and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by section 6 of chapter 574, Laws of 1871, and by section 27 of chapter VIII, of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, after the award is made, and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer in-Chief.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the proposals is reserved, if deemed for the interest of the Corporation.

Bidders are requested, in making their bids, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the material, can be obtained upon application at the office of the Department, Room No. 6.
