No. 64.

Whereas, Repeated efforts have been made in recent years, through bills and riders on bills in Congress, and by other means, to secure the transfer of the United States Indian Warehouse from New York City to Chicago, the object being to secure for the latter city undue and undeserved commercial prestige, and to make it appear that New York is no longer the primary market for the goods purchased; and

Whereas, The supplying of the Indian Department has thus been largely transferred to Western dealers, and it is now proposed to close the Indian Warehouse at New York City; be it

Resolved, That we, the Board of Aldermen of The City of New York, respectfully request that the Legislature of the State of New York respectfully appeal to the President of the United States and the Senators and Representatives in Congress from this State to take such steps as will protect the prestige and interests of New York State in the premises, and to prevent the closing of the Indian Warehouse at New York, and restore to the New York Warehouse the opening of bids on all goods for which New York is the primary market.
