This Department has, year in and year out, from time immemorial, been urging the rights of this City as against the unjust attacks made by the State Board of Equalization, based upon such tables as this, and notwithstanding we have now one representative out of three on the State Board of Tax Commissioners, the same condition continues, and we can only point, without hope of redress, to the facts presented in our July report, showing the great injustice constantly being perpetrated against our City in matters of taxation.

We have deemed it our duty to call the attention of your Honor to the great inequalities that have existed in the taxation of corporations, and have hoped that an improved system might be devised that would tend to solidify and enlarge rather than curtail the power of the local assessor in this direction, but the action of the last Legislature, in divesting the City of the power of assessing the real estate of corporations in the streets, such as structures, substructures and superstructures, and conferring this power upon the State Board of Tax Commissioners, evidences a determination to wrest from the local assessor all power of assessing corporations at all.

We further unhesitatingly express the belief that every recommendation for a change in the system, as well as the system itself, because of its laxity, through the loopholes created by the Legislature, will be advanced as arguments in favor of concentrating all power to assess corporations in the State Board of Tax Commissioners or an equivalent executive body; and against such action we have heretofore and do now again enter our protest, in behalf of the rights of our City, which are being steadily encroached upon.

Respectfully submitted,

THOS. L. FEITNER, President, EDWARD C. SHEEHY, WM. F. GRELL, TH. J. PATTERSON, ARTHUR C. SALMON, Commissioners of Taxes and Assessments.

Resolved, That we, the members of the Local Boards, express on this occasion our deep-felt sorrow for the death of Commissioner James McCartney, a man who through indomitable energy and industry reached a high station in public life, to which he brought credit and distinction,

Resolved, That as a mark of respect to his memory we do now adjourn, postponing the consideration of all public business for one week.
