The Secretary was instructed to communicate the substance of the report to the Health Commissioner.

A report dated Jan. 30 was presented from the Acting Chief Examiner, recommending that the Commission deny the request of the Commissioner of Correction that an examination be held for promotion to the position of Mate in his Department for the reason that as the position of Deckhand (the next lower position) was only eliminated from the Non-Competitive Class on Dec. 29, 1914, there would be no persons serving the required three years in the Labor Class, also recommending that an open competitive examination be ordered for the position. The request for the promotion examination was denied, and, on motion, it was

Resolved, That the Secretary be and he hereby is instructed to proceed with an open competitive examination for the position of Mate.

Rowan, the only guard in that division, might qualify for promotion to the position of Messenger, Grade 2. A report, dated Jan. 30, was presented from the Acting Chief Examiner, forwarding a communication from the Board of Education relative to the salary of Mary Anglin, a Stenographer and Typewriter in that department. The Acting Chief Examiner stated that if Miss Anglin was to be considered a Fourth Grade Stenographer and Typewriter in the Department of Education it would be necessary for her to qualify in an examination for promotion to that grade, but that the fact that she had received some compensation for acting occasionally as Stenographer and Typewriter in Hunter College had no bearing upon her status as a stenographer and typewriter in the Department of Education. The matter was laid over.

Ihlseng, Engineering Examiner, relative to the experience statements of Fritz Indemann, a candidate in the examination for Stationary Engineer, whose case had been referred to the Examining Division at a previous meeting. BOARD OF REVISION OF ASSESSMENTS.

Proceedings of the Board of Revision of Assessments at a Meeting Held in Room 737, Municipal Building, at 3 o'Clock P. M., on Monday, March 19, 1917.

Present—Albert E. Hadlock, Deputy and Acting Comptroller; Louis H. Hahlo, Assistant and Acting Corporation Counsel, and Lawson Purdy, President, Department of Taxes and Assessments.

The Minutes of the meeting held March 13, 1917, were approved as printed.

Borough of Manhattan.
Regulating, Grading, Curbing, Flagging, Etc., Service St. on the East Side of Riverside Drive, Etc.

The Deputy and Acting Comptroller brought up the matter of assessment list No. 5266 for regulating, grading, curbing, flagging, etc., Service Street, on the east side of Riverside Drive, from a point about 585 feet north of W. 181st st. to W. 177th st.; W. 181st st., from Northern ave. to Riverside Drive; Haven ave., from W. 180th st. to W. 181st st., and Northern ave., from a point about 100 feet south to a point about 84 feet north of W. 181st st., the hearing in regard to which was held at meeting held March 13, 1917, and decision reserved.

Memoranda and briefs in support of objections filed were received from Counsel and considered.

Mr. Joseph P. Hennessy, attorney for Charles Baier and Louisa Baier, owners of lots 5 and 8 in block 2179 (assessment Nos. 65 and 66), raised the point that his clients were deprived of their constitutional right to be heard before the Board of Assessors in regard to their claim for damages caused by a change of grade.

The Board of Revision of Assessments considered the elements of damages which

counsel claims were not considered by the Board of Assessors, and were of the opinion that the award made and confirmed by the Supreme Court to the owners of lots 5 and 8, in block 2179, in the matter of acquiring title to Service st., etc., covers all such elements of damages.

On motion of the President of the Department of Taxes and Assessments the objections filed against the assessment were overruled and the assessment list confirmed, all the members voting in the affirmative.

At 4.10 p. m. the Board adjourned. JOHN KORB, Jr., Chief Clerk.

DEPARTMENT OF FINANCE.

WARRANTS MADE READY FOR PAYMENT IN DEPARTMENT OF FINANCE FRIDAY, MARCH 30, 1917.

Below is a statement of warrants made ready for payment on the above date, showing therein the Department of Finance voucher number, the dates of the invoices or the registered number of the contract, the date the voucher was filed in the Department of Finance, the name of the payee and the amount of the warrant.

Where two or more bills are embraced in the warrant, the dates of the earliest and latest are given, excepting that, when such payments are made under a contract, the registered number of the contract is shown in the place of the second invoice date. Where the word "final" is shown after the name of the payee, payment will not

be made until thirty days after the completion and acceptance of the work, but all of the other warrants mentioned will be forwarded through the mail unless some reason exists why payment is to be made in person, in which event written notice will be promptly given to the claimant.

In making a written or verbal inquiry at this office for any of the above mentioned warrants, it is requested that reference be made by the Department of Finance voucher number.

WILLIAM A. PRENDERGAST, Comptroller.

NOTICES OF PUBLIC HEARINGS.

FRANCHISE MATTERS.

PUBLIC NOTICE IS HEREBY GIVEN THAT at the meeting of the Board of Estimate and Apportionment held this day, the following resolutions were adopted:

Whereas, The Automatic Scoreboard Company, Inc., has, by a petition dated April 24, 1916, applied to this Board for the right, privilege and franchise to construct, maintain and operate electrical conductors in, through and

under the streets and avenues in the Borough of Manhattan, for the purpose of operating automatic baseball scoreboards to be located on the premises of subscribers; and

Whereas, Sections 72, 73 and 74 of the Greater New York Charter, as amended by Chapters 629 and 630 of the Laws of 1905, and Chapter 467 of the Laws of 1914, provide for the manner and procedure of making such grants; and

Whereas, In pursuance of such laws this Board adopted a resolution on May 5, 1916, fixing the date for public hearing thereon as June 2, 1916, at which citizens were entitled to appear and be heard, and publication was had for at least two (2) days in the "New York Press" and "The Evening World," newspapers designated by the Mayor, and in the "City Record" for ten (10) days immediately prior to the date of hearing, and the public hearing was duly held on such day; and

Whereas, This Board has made inquiry as to the money value of the franchise or right applied for and proposed to be granted to The Automatic Scoreboard Company, Inc., and the adequacy of the compensation to be paid therefor; now, therefore, it is

Resolved, That the following form of the resolution for the grant of the franchise or right applied for by The Automatic Scoreboard Company, Inc., containing the form of proposed contract for the grant of such franchise or right, be hereby introduced and entered in the minutes of this Board as follows, to wit:

Resolved, That the Board of Estimate and Apportionment hereby grants to The Automatic Scoreboard Company, Inc., the franchise or right fully set out and described in the following form of proposed contract for the grant thereof, embodying all of the terms and conditions, including the provisions as to rates and charges upon and subject to the terms and conditions in said proposed form of contract contained, and that the Mayor of The City of New York be and he hereby is authorized to execute and deliver such contract in the name and on behalf of The City of New York, as follows, to wit:

PROPOSED FORM OF CONTRACT.

This contract, made and executed in duplicate this day of , 19 , by and between The City of New York (hereinafter called the City), party of the first part, by the Mayor of said City, acting for and in the name of said City, under and in pursuance of the authority of the Board of Estimate and Apportionment of said City (hereinafter called the Board), and The Automatic Scoreboard Company, Inc., (hereinafter called the Company), party of the second part, witnesseth:

In consideration of the mutual covenants and agreements herein contained the parties hereto do hereby covenant and agree as follows:

Section 1. The City hereby grants to the Company, subject to the conditions and provisions hereinafter set forth, the right and privilege to lay, construct, maintain and operate suitable wires or other electrical conductors in, through and under the streets and highways in the Borough of Manhattan, in the City of New York, for the purpose of operating automatic baseball scoreboards, to be located on the premises of subscribers. It is expressly provided that the right and privilege hereby granted shall not include the right or privilege to construct, maintain or operate ducts, conduits or subways in any street or highway.

In lieu of laying or constructing its own wires or other electrical conductors, the Company is hereby authorized to rent or lease from any corporation, firm or other electrical conductors which may have been lawfully constructed within the streets and highways.

Sec. 2. The grant of this right and privilege is subject to the following conditions:

1. The said right and privilege to lay, construct, maintain and operate wires or other electrical conductors shall be held and enjoyed by the Company from the date upon which this contract is signed by the Mayor to and until December 31, 1921, with the privilege of renewal of said contract for the further period of five (5) years upon a fair revaluation of said right and privilege.

If the Company shall determine to exercise its privilege of renewal, it shall make application to the Board, at any time not earlier than two (2) years and not later than one (1) year before the expiration of the original term of this contract. The time within which such application for renewal must be made is of the essence of this contract, and a failure of the Company to present its application within the time fixed shall be considered as an election on the part of the Company not to take advantage of the renewal privilege, and as a relinquishment of its right to such renewal, in which event the franchise shall terminate on the last day of the original term of this contract. The determination of the revaluation shall be sufficient if agreed to in writing by the Company and the Board, but in no case shall the annual rate of compensation to the City be fixed at a less amount than the sum required to be paid during the last year prior to the termination of the original term of this contract.

If the Company and the Board shall not reach such agreement on or before the day nine (9) months before the expiration of the original term of this contract, then the parties hereby agree that the annual rate for the renewal term shall be determined by three disinterested persons selected in the following manner:

One disinterested person shall be chosen by the Board; one disinterested person shall be chosen by the Company; these two shall choose a third disinterested person, and the three so chosen shall act as appraisers and shall make the revaluation aforesaid. Such appraisers shall be chosen at least six (6) months prior to the expiration of the original term of this contract, and their report shall be filed with the Board within three (3) months after they are chosen. They shall act as appraisers and not as arbitrators. They may base their judgment upon their own experience and upon such information as they may obtain by inquiries and investigations without the presence of either party. They shall have the right to examine any of the books of the Company and its officers under oath. The valuations so ascertained, fixed and agreed to by any two of such appraisers shall be conclusive upon both parties, but no annual sum shall in any event be less than the sum required to be paid for the last year of the original term of this contract. If in any case the annual rate shall not be fixed prior to the termination of the original term of this contract, then the Company shall pay the annual rate theretofore prevailing until the new rate shall be determined, and shall then make up to the City the amount of any excess of the annual rate then determined over the previous annual rate. The entire expense of such appraisal shall be borne jointly by the City and the Company, each paying one-half thereof.

Second—The Company shall pay to the City for this right and privilege, during the original term of this contract, expiring December 31, 1921, the following sum of money:

(a) The sum of one thousand dollars (\$1,000) in cash within thirty (30) days after the date upon which this contract is signed by the Mayor and before anything is done in exercise of the right and privilege hereby granted, and a further sum of one thousand dollars (\$1,000) in cash on or before April 1, 1918.

The sums herein named are in addition to the annual sums required to be paid under paragraph (b) following.

(b) During the first year, or portion thereof, expiring December 31, 1917, a sum which shall be equal to three (3) per cent. of its gross receipts for such year or portion thereof, but which sum shall not be less than four hundred dollars (\$400).

During the second year, expiring December 31, 1918, a sum which shall be equal to four (4) per cent of its gross receipts for such year, but which shall not be less than eight hundred dollars (\$800).

During the last three years, expiring December 31, 1921, an annual sum which shall be equal to five (5) per cent of its gross annual receipts, but which shall not be less than one thousand five hundred dollars (\$1,500).

The gross annual receipts mentioned above shall be the gross annual receipts of the Company from whatever source derived, either directly or indirectly, in any manner, out of or in connection with the operation of automatic baseball scoreboards.

The annual charges shall commence from the date upon which this contract is signed by the Mayor.

The annual charges as above shall be paid into the treasury of the City on February 1 of each year and shall be for the amount due to December 31 next preceding.

Any and all payments to be made by the terms of this contract to the City by the Company shall not be considered in any manner in the nature of a tax, but such payments shall be made in addition to any and all other taxes, levies or assessments, now or hereafter required to be paid by any ordinance of the City, or resolution of the Board, or any law of the State of New York.

Third—The right and privilege hereby granted shall not be assigned or transferred, either in whole or in part, whether by consolidation, merger, reorganization or otherwise, or leased or sublet in any manner, either in whole or in part, without the consent of the City, acting by its Board of Estimate and Apportionment.

Nothing herein contained to the contrary thereof in any wise notwithstanding, and the granting, giving or waiving of any one or more of such consents shall not render unnecessary any subsequent consent or consents, nor shall the title therein, right, interest or property therein pass to or vest in any other person or corporation whatsoever, either by the act of the Company or by operation of law, whether under the provisions of the statutes relating to the consolidation, merger or reorganization of corporations, or otherwise, unless the proposed successor in title to the rights of the Company shall file with the Board an instrument under seal, agreeing to assume and be bound by each and all of the terms and conditions of this contract and agreeing to waive any more favorable conditions created by its charter or any statute relating to the consolidation, merger or reorganization of corporations or otherwise. The filing of such agreement shall constitute a condition precedent to the passing to, or vesting in, such proposed successor in title to the rights of the Company, of the right and privilege hereby granted, or of any portion thereof, or of any right, interest or property therein. In case of failure of such proposed successor in title to the rights of the Company to file such agreement within sixty (60) days after the date on which such succession in title is to take effect, the right and privilege hereby granted may be forfeited, or the consent of the City provided for herein may be revoked by resolution of the Board.

Fourth—Nothing in this contract shall be deemed to affect in any way the right of the City to grant to any individual or other corporation a similar right or privilege upon the same or other terms and conditions.

Fifth—The wires or other electrical conductors and equipment, whether constructed by the Company or rented or leased from any corporation, shall not be used or employed for any other purpose than the operation of automatic baseball scoreboards, and the Company binds itself not to lay, use, lease or operate wires for illegal purposes, nor to furnish service to premises used for illegal purposes.

Sixth—Should the Company lay or construct its own wires or other electrical conductors, the same shall be placed in ducts, conduits or subways maintained by the company or corporation having control of the electrical subway system under the provisions of law, or in ducts, conduits or subways maintained by the City. Should the City hereafter construct its own subway system or succeed to the rights of any company or corporation maintaining any such system.

No cables, wires or other electrical conductors shall be strung by the Company above the surface of any street or highway.

Seventh—The wires or other electrical conductors hereby authorized shall be constructed, maintained and operated subject to the supervision and control of all the authorities of the City who have jurisdiction in such matters, as provided by the Charter of the City, and in strict compliance with all laws or ordinances or departmental rules or regulations now in force or hereafter enacted or adopted affecting the construction, maintenance or operation of wires or other electrical conductors.

No construction, reconstruction or repair of said wires or other electrical conductors or equipment within the streets shall be commenced until written permits have been obtained from the proper City officials. In any permit so issued, such officials may impose such conditions as are necessary for the purpose of protecting any structures in the streets and avenues and for the proper restoration of such streets and avenues over which such officials have jurisdiction, and the Company shall comply with such directions.

Eighth—During any work of construction, reconstruction or repair of the wires or other electrical conductors or equipment hereby authorized, the Company shall also, at its own cost and expense, protect any and all existing structures belonging to the City. All such work of construction, reconstruction or repair shall be done in the manner prescribed by the proper City officials.

The right and privilege hereby granted to construct, maintain and operate wires or other electrical conductors shall not be in preference or in hindrance to the right of the City to perform or carry on any public works, and should the said wires or other electrical conductors or equipment of the Company in any way interfere with the construction or maintenance of such public works, whether the same be done by the City directly or by a contractor for the City, the Company shall, at its own cost and expense, protect or move its wires or other electrical conductors or equipment in the manner directed by the City officials having jurisdiction over such public works.

Ninth—The wires or other electrical conductors and equipment to be installed by the Company, whether the same be under streets and avenues or in and upon private property, shall be constructed and maintained subject to the approval and under the supervision and control of the Commissioner of Water Supply, Gas and Electricity.

Tenth—It is a condition of this contract that the Company shall bear the entire expense of all work undertaken by reason of this grant.

Eleventh—Upon the termination of the original term of this contract, or, if the contract be renewed, then at the termination of the said renewal term, or upon the termination of the rights hereby granted for any cause, or upon the

dissolution of the company before such termination, any wires or other electrical conductors and equipment of the Company constructed pursuant to this contract within the streets and avenues shall become the property of the City without cost, and the same may be used or disposed of by the City for any purpose whatsoever, or the same may be leased to any company or individual.

If, however, at any time preceding the date upon which this contract shall terminate, the Board shall so order, by resolution, and give notice to the Company, the Company shall, upon the termination of this contract, remove from the streets any and all of its wires or other electrical conductors and equipment constructed pursuant to this contract.

Twelfth—The plant, wires or other electrical conductors, connections, instruments and all appurtenances thereto shall be constructed, maintained and operated in the latest approved manner, and with the most modern and improved appliances, and it is hereby agreed that the Board may require the Company to improve or add to such plant, wires or other electrical conductors, connections, instruments and appurtenances from time to time as such additions or improvements are determined by the Board, after a hearing, to be reasonable and necessary. Upon failure on the part of the Company to comply with the direction of the Board within a reasonable time, the rights hereby granted shall cease and determine.

Nineteenth—In case of any violation or breach of this contract, or with any orders of the Board or of any official of the City acting under the powers herein reserved, the right and privilege hereby granted may be forfeited by resolution of the Board, which said resolution may contain a provision to the effect that the wires or other electrical conductors and equipment constructed by the Company under and pursuant to this contract shall become the property of the City without proceedings at law or in equity; provided, however, that such action by the Board shall not be taken until the Board shall give notice to the Company to appear before it on a certain day, not less than ten (10) days after the date of such notice, to show cause why such resolution declaring this right and privilege forfeited should not be adopted. In case the Company fails to appear, action may be taken by the Board forthwith.

Any false entry in the books of the Company or false statement in its reports to the Comptroller as to a material fact, knowingly made by the Company, shall constitute such a violation or breach of this contract as to warrant the forfeiture of the right and privilege hereby granted.

Nothing herein contained shall affect in any way the right of the Company to apply to a court of competent jurisdiction for a review of any action of the Board forfeiting the right and privilege hereby granted.

Twentieth—This grant is upon the express condition that the Company, within thirty (30) days after the signing of this contract by the Mayor, and before anything is done in exercise of the right and privilege hereby granted, shall deposit with the Comptroller of the City the sum of three thousand dollars (\$3,000), either in money or securities to be approved by the Comptroller, which fund shall be security for the performance by the Company of all the terms and conditions of this contract, and for its compliance with all the orders of the Board and of the officials of the City acting under the powers herein reserved. From the said fund deductions may be made as hereinafter provided.

(a) Should the Company, within such time after notice as may be herein prescribed, or where no time is prescribed, within such time as the Board or the proper official of the City may hereafter prescribe, fail to comply with the provisions of this contract or with the orders of the Board or of the officials of the City herein named or referred to, relating to:

Protecting the City's structures during the construction, reconstruction or repair of the wires or other electrical conductors hereby authorized.

Moving and protecting the Company's wires or other electrical conductors during the performance of any public work or as may be required on account of the changing of the lines or grades of the streets.

Or with any other provision of this contract which may affect the repair, protection and maintenance of the streets or of the City's structures within the streets,

the City shall have the right to cause the work to be done or the defect remedied and to reimburse itself for the cost of such work, by deducting such cost, with interest, from the security fund hereinabove provided for. Such deduction shall be made by the Comptroller upon the direction of the Board.

(b) Should the Company, within ten (10) days after demand has been made upon it, fail to repay to the City any damages caused to persons or property which the City shall be compelled to pay by reason of the construction, maintenance or operation of the wires or other electrical conductors hereby authorized, or by reason of any acts or defaults of the Company in connection therewith, the City shall have the right to deduct such damages, with interest, by deducting the amount of the same from the security fund hereinabove provided for. Such deduction shall be made by the Comptroller upon the direction of the Board.

(c) Should the Company fail to pay to the City the annual charges required to be paid by this contract within the time fixed for the payment thereof, the City shall have the right to collect the amount of such charges, with interest, by deducting the same from the security fund hereinabove provided for. Such deduction shall be made by the Comptroller without further or other direction.

(d) Should the Company fail to comply with the provisions of this contract, or with the orders of the Board or of the officials of the City herein named or referred to, then the Company may be required to pay to the City, as liquidated damages for each breach or violation, the following sums:

For failure to give efficient public service at rates not exceeding those herein fixed, or to maintain its structures and equipment in good condition throughout the whole term of this contract, the sum of two hundred and fifty dollars (\$250) for each day during which the default or defect remains.

For failure to comply with any other provision of this contract as to which liquidated damages are not fixed herein, the sum of fifty dollars (\$50) per day for each day during which such failure or default shall continue.

All of such sums may be collected by deducting the same from the security fund hereinabove provided for.

The procedure for the collection of such liquidated damages shall be as follows:

Whenever the Board shall have knowledge of any such breach or violation on the part of the Company, the Board shall give notice to the Company, specifying the nature of such breach or violation and the amount of liquidated damages which it is proposed to collect therefor, and directing its President or other officer to appear before the Board on a certain day, not less than ten (10) days after the service of such notice, to show cause why the Company should not be required to pay such liquidated damages in accordance with the foregoing provisions. If the Company fails to make an appearance, or, after a hearing, appears in the judgment of the Board to be in fault, the Board shall forthwith direct

the Comptroller to collect such liquidated damages by deducting the amount of the same from the security fund hereinabove provided for.

(e) In case of any deductions from the security fund pursuant to this contract, either for the reimbursement of the City for work done by it or amounts expended by it on behalf of the Company, or amounts paid by it to any person by reason of any act or default of the Company, or for the collection by the City of the annual charges herein provided, or of liquidated damages, the Company shall, upon ten (10) days notice by the Comptroller, deposit with the Comptroller a sum, either in money or securities, sufficient to restore such security fund to its original amount of three thousand dollars (\$3,000), and in default thereof, the right and privilege hereby granted may be forfeited by the City as herein provided.

(f) Should the right and privilege hereby granted be forfeited pursuant to the provisions of this contract, or should such right and privilege be terminated upon the dissolution of the Company as herein provided, the security fund hereinabove provided for shall be forfeited to the City as liquidated damages for failure of the Company to perform this contract pursuant to the terms hereof.

No action or proceeding or right under the provisions of this subdivision shall affect any other legal rights, remedies or causes of action belonging to the City.

The provisions for the reimbursement of the City for work done by it or amounts expended by it on behalf of the Company, or amounts paid by it to any person by reason of any act or default of the Company, or for the collection by it of the annual charges, or of liquidated damages, are and shall be in addition to the City's right, as herein reserved, to forfeit the right and privilege hereby granted.

Twenty-first—The Company shall assume all liability to persons or property by reason of the construction, maintenance or operation of the wires or other electrical conductors and equipment hereby authorized, and it is a condition of this contract that the City shall assume no liability whatsoever to either persons or property on account of the same, and the Company shall repay to the City the amount of any damages which the City shall be compelled to pay by reason of any acts or defaults of the Company.

Twenty-second—This right and privilege is granted subject to whatever right, title or interest the owners of abutting property or others may have in or to the streets and highways in which the Company is authorized to lay, construct, maintain or operate its wires or other electrical conductors.

Twenty-third—The words "notice" or "direction" wherever used in this contract, shall be deemed to mean a written notice or direction. Every such notice or direction to be served upon the Company shall be delivered at such office in the City as shall have been designated, or if no such office shall have been designated, or if such designation shall have for any reason become inoperative, shall be mailed in the City, postage prepaid, addressed to the Company at the City. Delivery or mailing of such notice or direction as and when above provided shall be equivalent to direct personal notice or direction, and shall be deemed to have been given at the time of delivery or mailing.

Twenty-fourth—The words "streets or avenues" and "streets and avenues" wherever used in this contract, shall be deemed to mean streets, avenues, highways, parkways, driveways, crossings, boulevards, bridges, viaducts, tunnels, public places, or any other property to which the City has title or over which the public has an easement, in, along or under which the Company is hereby authorized to construct, maintain or use wires or other electrical conductors.

Twenty-fifth—If at any time the powers of the Board or any other of the authorities herein mentioned or intended to be mentioned, shall be transferred by law to any other board, authority, officer or officers, then and in such case such board, authority, officer or officers, shall have all the powers, rights and duties herein reserved to or prescribed for the Board or other authorities, officer or officers.

Section 3. Nothing in this contract shall be construed as in any way limiting the present or future jurisdiction of the Public Service Commission under the laws of the State of New York.

Section 4. The Company promises, covenants and agrees on its part and behalf, during the term of this contract, whether original or renewal, to conform to and abide by and perform all the terms, conditions and requirements in this contract fixed and contained.

In witness whereof, the party of the first part, by its Mayor, thereunto duly authorized by the Board of Estimate and Apportionment of said City, has caused the corporate name of said City to be hereunto signed and the corporate seal of said City to be hereunto affixed; and the party of the second part, by its officers, thereunto duly authorized, has caused its corporate name to be hereunto signed and its corporate seal to be hereunto affixed, the day and year first above written.

Court Work.

Actions tried in Supreme Court, including inquests, 2; motions made for reduction or cancellation of assessments where the defendants were represented by attorneys (under section 934 of the Charter; 259a of the Tax Law or chapter 374 of the Laws of 1909), 65; of which 63 were granted and 2 are pending; motions to vacate judgments, 67, of which 56 were granted, 4 denied, 4 are pending and 3 were withdrawn; motions to reduce where supplementary proceedings were commenced, 10; total number of motions, 142.

Following the practice heretofore referred to in cases where the defendants were not represented by counsel and an examination of the defendants clearly showed inability for want of property to pay the amount of the tax, the original deposition of the defendant, together with the original summons and complaint in the action, and a form of order of dismissal were presented to the court, under the provisions of chapter 374 of the Laws of 1909, for such action as appeared just.

During the year 1916 a most important change was made in the attitude and policy of this Bureau with respect to the collection of personal taxes from non-resident individuals and corporations. Since 1907 it had been assumed that there was no method by which personal taxes might be collected from foreign corporations and non-residents. Holding that there was ample provision in the law for the collection of personal taxes when properly and legally assessed, supplementary proceedings are instituted to examine the Degnon Contracting Company, The General Equipment Company, The Coca-Cola Company and other non-resident corporations as to the amount of their capital invested in this State in certain years. The Supreme Court through Mr. Justice Gavegan upheld the City's contentions in the Degnon Contracting Company case and held that the City had the right to examine said company in supplementary proceedings, as to their capital invested in this State. After this decision the company paid the amount of the tax which was the basis of the proceeding. A test case was then made by the Coca-Cola Company in a similar proceeding. This resulted in a decision by Mr. Justice Bijur upholding the City's contentions. His position in the matter was affirmed by the Appellate Division, unanimously. The Coca-Cola Company made application for leave to appeal to the Court of Appeals. The Appellate Division granted leave to appeal to the Court of Appeals, but the Coca-Cola Company abandoned its appeal and made an offer of settlement which is now pending. During the pendency of these proceedings in court a large number of corporations, having learned of the position of the court upon the endeavor to examine in supplementary proceedings, voluntarily paid the taxes assessed against them. These payments amount to \$3,270.53 and were paid by forty-eight corporations.

The above decisions have been so effective that it is now quite generally conceded that the City's position is well grounded and after a few months it may be expected that foreign corporations generally will pay the taxes upon the assessments made against them.

This change in the policy of the Law Department will probably result in a great increase in the revenues of the City. It is also possible that a means may be devised of collecting the old assessments made against foreign corporations and non-residents over an extended period. Respectfully submitted,

JOHN P. O'BRIEN, Assistant Corporation Counsel-in-Charge.

Report of Special Counsel in Water Supply Proceedings.

Kingston, N. Y., January 16, 1917.

Hon. LAMAR HARDY, Corporation Counsel:

Sir—Following is the report of the Kingston Office of the Water Supply Bureau for the year 1916:

Appeals argued, 1; appeals taken, 1; actions tried, 3; criminal proceedings tried, 1; motions argued, 30; certiorari proceedings brought, 1; re-assessment proceedings before Board of Supervisors, 2; fee parcels and claims tried, 1; business claims tried, 90; indirect damage claims tried, 67; business and indirect damage claims tried, 6; sessions of commissions, 115; folios of testimony taken, 28,482; opinions drafted, 31; briefs drafted, 12; pleadings drafted, 12; requests for findings drafted, 4; exceptions filed, 9.

Claims Tried and Reported on.

Business Damage Commission No. 3 completed its work with its report on the claim of the E. I. duPont de Nemours Powder Company, filed June 17, 1916. This was one of the largest claims tried in Ulster County and was the first for damages caused by the closing of the Ashokan dam and the diversion of the water below the dam. This claim was \$300,000 for the decrease in value of the water power and wood pulp mill owned by the duPont Company, and \$100,000 for the decrease in value of the business there carried on. The majority report of the commission, signed by two members, awarded \$90,000 for the decrease in value of the real property, and \$24,000 business damages. The minority report, signed by one commissioner, was \$17,500 for the decrease in value of the real property and nothing for business damage. It appeared in the testimony that while the business of the duPont Company had been profitably conducted near Brown's Station, similar wood pulp for dynamite and linoleum is now manufactured at another mill of the duPont Company situated in Maine. There has been as yet no confirmation by the Court of the report of the Commission.

The Commission appointed to re-try the farm claim of Augustus Green made its report on May 26, 1916. The question involved in this claim was the proper method of computing the value of a farming business. The claim had been previously tried by Business Damage Commission No. 2, which made an award to Augustus Green which was set aside on the city's motion for failure to charge the farm business with the years use of the farm instead of regarding farming as a seasonal business. On the second trial the claim was dismissed.

The Commission appointed to try the Coykendall claim (Parcel 801) completed the

REPORT OF SPECIAL COUNSEL IN WATER SUPPLY PROCEEDINGS—(Continued).

taking of testimony and closed the case. An award on this case has not yet been made, through the enforced absence of the chairman in Texas as an officer of the National Guard.

Damage Commission No. 4, which was appointed as the successor to Commissions Nos. 1, 2 and 3 sat throughout the year. This Commission made two reports, the first of which was filed on Nov. 13, 1916, and the second of which covered cases tried during 1916 and was filed on Jan. 5, 1917.

The first report contained 48 awards on 53 claims, the amount of the awards being \$31,383.32. There were 55 claims dismissed and 1 withdrawn, making a total of 109 claims disposed of by the first report. Of the 48 awards amounting to \$31,383.32, 42 awards amounting to \$13,911.72 have been confirmed, leaving pending 6 awards amounting to \$17,471.60. The second report makes 30 awards covering 34 claims and 14 dismissals. The amount of the 30 awards is \$31,458.50. None of these awards has as yet been presented to the Court for confirmation. The amount claimed in the 157 claims disposed of in these two reports, as filed with the Board of Water Supply was \$790,867, \$537,697, covering the claims in the first report, and \$253,170, covering claims in the second report. The amounts as claimed at the trials were, respectively, \$530,697 in the first report, and \$257,670 in the second report, a total of \$788,367.

There are now 102 claims pending before Damage Commission No. 4, the amount claimed being \$3,056,780.

Claims Remaining.

Section 42 of Chapter 724 of the Laws of 1905, as amended by section 9, chapter 314 of the Laws of 1906, provides that the owner of any real estate not taken or of any established business on the 1st day of June, 1905, and situate in the counties of Ulster, Albany or Greene, which has been directly or indirectly decreased in value by the acts of The City of New York, pursuant to the Water Supply Act, shall have a right to recover damages therefor. The same section also provides that anyone employed in a manufacturing establishment or established business or upon lands which were taken by The City of New York, may recover damages not exceeding his six months wages from July 1, 1905, to January 1, 1906, provided he continued his employment until the taking of the lands or the injury to the manufacturing establishment or established business by The City of New York, pursuant to the Water Supply Act.

With the exception of four parcels and the Coykendall quarry not yet reported on, the fee condemnation proceedings were completed in Ulster County years ago. These four parcels have come up for trial several times, but have been delayed by the claimants' attorneys, and the long drawn out litigation which went to the United States Supreme Court twice in the McGovern and Sage cases.

The claims now being tried and which have occupied Business Damage Commissions Nos. 1, 2, 3 and 4, since January, 1911, consist of the claims arising under section 42 of which 1,127 have been filed with the Board of Water Supply, the amounts claimed aggregating \$8,435,800. During the past year 100 claims were filed, amounting to \$2,050,580. The number disposed of by Damage Commission No. 4, was 157, showing that the claims are disposed of more rapidly than they are filed.

These claims are classified under four headings: Business claims, indirect real estate, riparian rights, wage claims.

While the Water Supply Act makes no distinction between indirect real estate claims and riparian right claims, for purposes of geographical classification, the claims below the dam bordering on the Esopus Creek are called riparian right claims, while the claims for decrease in value of real estate not bordering on the Esopus Creek below the dam are called indirect real estate claims. The total number of claims under these four headings which have been filed with the Board of Water Supply is 1,127, of which 683 are business claims, 248 indirect real estate claims, 92 riparian right claims, and 104 wage claims.

Wage Claims.

Of the 104 wage claims 36 have been disposed of by trial or settlement. The remaining 68 are awaiting the decision of the Court in the test wage case of Willis Burhans against The City of New York, tried at the December, 1916, Trial Term in Kingston. Decision on the City's motions to dismiss the Burhans claim and the City's plea of the statute of limitations was reserved. If the City's defense is sustained in this test case it should dispose of the remaining wage claims.

Business Claims.

A tabular statement of the business claims is as follows:

Of the 182 business claims which have not been disposed of, many of the claimants have died. Others have moved away and are not prosecuting their claims. The City noticed for trial before Damage Commission No. 4 last September all of these business damage claims remaining undisposed of, and has been endeavoring to have them tried or dismissed for failure of prosecution.

Indirect Damage Claims.

Of the 248 indirect real estate claims 66 have been disposed of. These claims cover a wide area, some of them being miles away from the Esopus creek and in a different watershed. Some of the remote claims have been dismissed and it is not likely that others will be pressed for trial. Since the attorneys for the claimants

in almost all cases have these claims on a contingent fee, they push for trial the claims where, in their opinion, they are more likely to recover. When it is probable that the claim will be dismissed it is difficult to have the claimant's attorney proceed and produce his client and attempt to make out a case.

Riparian Rights and Water Powers.

The riparian rights claims are the last ones filed, since the acts of The City of New York in removing former residents in the Ashokan reservoir region preceded by several years the closing of the Ashokan dam and the diversion of the water. These riparian rights claims are the largest in amount of any of the claims filed in Ulster County.

The first of them tried was that of the mill used by the E. I. duPont de Nemours Powder Company to manufacture wood pulp as a raw material in making dynamite and linoleum. The Commission by a majority vote awarded \$114,000, and the minority report favored an award of \$17,500. These awards are still in litigation.

Damage Commission No. 4 has been trying the \$1,500,000 claim of James H. Sands for the decrease in value of his hypothetical hydro-electric plant at Glenelg. Mr. Sands in 1904 bought the abandoned plant of the National Lead Co. at Glenelg and also other properties on both sides of the Esopus creek, for which he paid in the aggregate about \$60,000. He has been endeavoring by a volume of engineering and expert testimony to induce the Commission to make an award of \$1,500,000. The trial of this claim has been going on, off and on, for more than a year, and the claimant has not yet completed putting in his case.

The trial has also begun of the Saugerties water power claims, of which there are 3. Two other water power claims have been filed, making, including the duPont and Sands claims, 7 in all, of which the only one where an award has been made is the duPont claim. Four are now being tried and 2 remain to be tried.

Certiorari Proceedings.

The decision of the Court of Appeals that the aqueduct was exempt from taxation (213 N. Y. 706) resulted in setting aside as illegal and void the assessments of the City's property of \$61,000 in the town of Gardiner and \$75,000 in the town of Shawangunk. Pursuant to section 57 of the Tax Law the supervisors of Gardiner and Shawangunk offered resolutions in the Board of Supervisors of Ulster County, assessing the lands of the City in these towns, exclusive of the aqueduct, at \$61,000 and \$75,000, respectively. That is, the same assessment without as with the aqueduct. This was equivalent to an assessment of more than \$300 an acre in the town of Gardiner and \$700 an acre in the town of Shawangunk. In the meantime the certiorari proceedings in the town of New Paltz had been settled on the basis of an \$11,000 assessment.

Argument was had before the Ulster County Board of Supervisors, sitting as a Board of Re-assessment under the Tax Law, and a committee was appointed which examined the property of the City of New York in the towns of Gardiner and Shawangunk and heard the assessors, supervisors, counsel for the towns and counsel for the City of New York. By a vote of 21 to 2 all the supervisors except those in the towns of Gardiner and Shawangunk voting in the majority, the assessment in the town of Gardiner was fixed at \$18,900 and in the town of Shawangunk at \$14,715.

At the last Grievance Day in August, 1916, the assessors of the town of Gardiner reduced the assessment of the City's real property in that town and made it proportionate to the assessment in the town of New Paltz, and at the sum of \$18,900, the acreage in Gardiner being more and of a higher acreage value than in New Paltz. This assessment was in effect accepted by the Board of Supervisors. The reduced Gardiner and Shawangunk assessments were fixed after hearing the supervisors from the towns of Olive and Hurley, Marletown and New Paltz, where the City is a large tax-payer, and were made proportionate to the assessments in those towns. The supervisors and assessors of the town of Shawangunk are dissatisfied with the reduction in the assessment, and during the current year (1916) reassessed the City's property in Shawangunk at \$75,000. Certiorari proceedings to review and reduce the assessment are now pending before a referee. It is hoped that these proceedings, which should dispose of all the tax litigation and certiorari proceedings in Ulster County.

The assessments in Ulster County of the City of New York's property are now on a proportionate basis, one town with another. The effect of a high assessment in one town would be that the assessors in the adjoining towns would make their assessments correspondingly high until all the assessments had been excessively raised. One result of the success of the City's litigation with the towns of Gardiner and Shawangunk has been to prevent a general increase in all the towns in Ulster County where the Ashokan reservoir and Catskill aqueduct are located.

Appeals.

Only one appeal to the Appellate Division was taken during the year, and this involved the question of whether a reversionary interest in real estate abandoned by the Ulster & Delaware Railroad goes to the heirs of the original owner or to his grantees. Two cases in which appeals were taken by the City were settled and the appeals were withdrawn. The appeal in The City of New York vs. Fowler et al. was argued in the Appellate Division and the judgment dismissing the complaint was affirmed without opinion by a divided court. An appeal from this decision was taken to the Court of Appeals. In four previous appeals the papers have been printed and the appeals are awaiting argument.

Respectfully submitted,

WM. McM. SPEER, Special Counsel.
