Local Law 79 Runaway and Homeless Youth (RHY) Services Access Report
January 1, 2021 to June 30, 2021 Summary to the NYC Council

DYCD funds Runaway and Homeless Youth Services, including residential programs for youth ages 16-24. DYCD-funded Drop in Center, Crisis Services and TIL Support Program providers are required to report each young person who is unable to access an RHY bed on the date they sought services.

RHY programs remained operational and provided services to youth throughout the initial COVID-19 PAUSE period and through subsequent phases of the pandemic. RHY providers also reported daily bed availability over the six-month report period. During the period of January 1 to June 30, 2021:

- 1236 young people were placed in a crisis services or transitional independent living support program.

- No young person who sought a residential program was reported to have been declined a service referral; nor was any youth unable to be matched to a preferred provider.

DYCD will continue to monitor service referrals as public health restrictions are updated over time.
