The Mayor, Aldermen and Commonalty of the City of New York do ordain as follows:

SECTION 1. Hereafter it shall not be lawful to permit any dog to go abroad loose, or at large, in any of the streets, lanes, alleys, where not enclosed, highways, parks, piers or public places within the corporate limits of the City of New York, unless the head of every such dog shall be encased in a wire muzzle sufficiently large to cover the head entirely, but so constructed as to admit of the dog opening its mouth to the fullest extent, and in no case to permit the nose of the dog to protrude; the muzzle to be securely fastened around the throat and behind the ears of every such dog, under a penalty of three dollars for each offence, to be recovered against the owner, possessor, or person who harbored such dog within three days previous to the time of such dog being so found going abroad loose or at large.

Such dogs, when so captured and delivered as aforesaid, if not claimed by the owner thereof, or any other person, within a period of forty-eight hours thereafter, shall, within six hours after the expiration of the time, be killed and destroyed in such manner as may be determined upon by the Mayor. SECTION 3. The person authorized to pay for the capture of such dogs shall render, under oath, semi-monthly, a statement of all dogs so captured and killed, and the amount paid therefor, to the Mayor of the city, who shall thereupon certify the same to the Comptroller, when a warrant for the amount shall be drawn in favor of the said Mayor for the sum thus expended, which shall be paid, until otherwise ordered, from the appropriation for "City Contingencies."

SECTION 4. All money paid for fines for violation of section 1 of this ordinance, and for redemption of dogs as provided in section 2, shall be retained by the Mayor and applied to the payment of the expenses of enforcing the provisions of this ordinance, but a statement showing the aggregate amount thus received shall be submitted quarterly to the Comptroller of the City of New York.

SECTION 5. The provisions of this ordinance shall apply only to dogs owned or claimed by residents of this city, and any person who shall present any such dog and claim payment for the capture thereof

TO CONTRACTORS.

PROPOSALS FOR BUILDING A STEAM FIRE PROPELLOR.

SEALED PROPOSALS FOR BUILDING A STEAM FIRE Propellor, endorsed as above, will be received at the office of the Fire Department, until 11 o'clock A.M., of July 6, 1874, at which time the bids will be publicly opened and read. The award of the contract will be made as soon as practicable after the opening of the bids.

The time allowed for doing the work is ninety (90) days from the date of signing the contract.

Any bidder for this contract must be known to be well prepared for the business, and must have satisfactory testimonials to that effect, and also shall give security for the faithful performance of his contract, in the manner prescribed and required by ordinance.

Bidders are required to state in their proposals their names and places of residence; also that the bid is made without any connection with any other person making any estimate for the same work; and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the bid, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to any higher bidder to whom the contract may be awarded at any subsequent letting; the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, taken before a Judge of any Court of Record in this county, that each is a householder, or freeholder in the City of New York, and is worth the amount of the security required for the above work, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith. The adequacy and sufficiency of the sureties offered to be approved by the Comptroller of the City of New York.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

The bid will be understood to cover all expenses necessary for the complete fulfillment of the contract.

Should the lowest bidder or bidders neglect or refuse to accept this contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid, he or they shall be considered as having abandoned it, and as in default to the Corporation; and this contract will be re-advertised and re-let, and so on until it be accepted and executed.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Commissioners of the Fire Department.

The Commissioners of the Fire Department reserve the right to decline any and all proposals, if deemed to be for the public interest; and no proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as security or otherwise, upon any obligation to the Corporation.

Plans and specifications may be seen, and blank proposals furnished, upon application at the Headquarters of the Fire Department.

ROSWELL D. HATCH,
CORNELIUS VAN COTT,
Commissioners of the Fire Department.
