No. 1. FOR THE REMOVAL OF BURNED BUILDING, KNOWN AS PUBLIC SCHOOL 3. ON GROVE AND HUDSON STREETS, IN THE BOROUGH OF MANHATTAN.

The time allowed to complete the whole work will be fifteen (15) working days, as provided in the specifications.

The amount of security required will be Five Hundred Dollars, which is to be submitted in cash or by a certified check upon one of the State or National Banks of The City of New York, drawn to the order of the President of the Board of Education. The said security will be returned to the successful bidder upon the satisfactory completion of the work.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but submitted personally upon the presentation of the bid or estimate.

The bids or estimates.

The bids or estimates will be opened and the award made to the highest bidder immediately after the hour set for the receipt of same. The successful bidder must therefore forthwith make a payment in cash or a certified check drawn to the order of the President of the Board of Education for the full amount bid for said buildings and materials, in addition to submitting the bond heretofore set forth in the sum of Five Hundred Dollars (\$500). Should the successful bidder failing to remove the said building within 15 working days, the said bidder will be considered as having foreited ownership of said building and the money paid therefor, and the said building will be resold for the benefit of the City. In the event of the successful bidder failing to remove the said building within the time limited, the security above mentioned will be considered as forfeited and will be retained by The City of New York.

The contractor for the above work will, at his own cost and expense, provide and furnish any and all manner of labor, scaffolding, tools, implements and cartage of every description necessary or proper

The said materials and labor to be furnished shall in every respect conform strictly to the specifications.

The contractor shall finish and fully complete the whole of the work in a manner described and shown in said specifications and in accordance with such further details and instructions as the Superintendent of School Buildings may furnish or issue for the purpose of insuring the thorough completion of the work in the most efficient manner.

The contractor will proceed with the said work and every part and detail thereof in a prompt and diligent manner, in order to complete and finish same and every part and appurtenance thereof in a durable, workmanlike and substantial manner, within the time limited for that purpose, and without the performance of any part of the said work in weather deemed unsuitable therefor by the said Superintendent whose determination thereon shall be final and conclusive.

The contractor will begin the work agreed to be performed on such date as the Superintendent shall notify him to begin. The time fixed for the completion of the work shall begin to run on and from the date so notified. The commencement of the work by the contractor shall be deemed and taken to be a waiver of notice on his part.

The contractor will carry on the work with such force and in such manner and order and at such times as will enable him to execute all the work in every respect in a thorough and workmanlike manner, and to fully and entirely perform this contract within the time agreed upon in the accepted bid or estimate and in said specifications.

During the performance of the work the contractor will place proper and sufficient guards.

#### PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

### NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the tile of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estmate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a buteau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath. in writing, of two householders or freeholders in the contract, or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath. in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by l

of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately.

The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for-which the work is to be done. Plans and drawings of construction work may also be seen there.
