• Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.

• Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC)

Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS)

Department of Probation (DOP) Department of Small Business Services (SBS)

Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD)

Human Resources Administration (HRA)

Office of the Criminal Justice Coordinator (CJC)

ADMINISTRATIVE TRIALS AND HEARINGS

■ NOTICE

Office of Administrative Trials and Hearings Environmental Control Board

Notice of Promulgation of Rule

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Office of Administrative Trials and Hearings' Environmental Control Board (OATH ECB) in accordance with Sections 1049-a and 1043 of the New York City Charter and Section 28-202.1 of the New York City Administrative Code. OATH ECB modifies its Department of Buildings (DOB) Penalty Schedule by amending two existing infractions related to Site Safety Managers/ Coordinators and site-specific safety orientation programs, and adding five new infractions related to Construction Superintendents. This schedule is found in Section 3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. The proposed rule was published in the City Record on July 8, 2016, and a public hearing was held on August 9, 2016. Two members of the public attended the public hearing but did not provide testimony. OATH ECB did not receive any written comments concerning this rule.

Statement of Basis and Purpose

OATH ECB amends the Department of Buildings (DOB) Penalty Schedule, found in Section 3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York, to continue to promote a zero tolerance policy for safety-related violations and to ensure that penalties for safety-related infractions serve as an effective deterrent.

The amendment to the penalty schedule adds five new infractions and amends two existing infractions:

- The five new infractions reflect penalties for the broadened range of jobs that require a Construction Superintendent's supervision and the duties and responsibilities of a Construction Superintendent. The new infractions allow DOB to effectively enforce the new provisions found in Section 3301-02 of Chapter 3300 of Title 1 of the Rules of the City of New York (effective May 30, 2016), and assist DOB in meeting its mission of enhancing the quality of life for all New Yorkers and making New York City a safer place.
- The amendments to the two existing infractions increase penalty amounts and clarify the infraction descriptions. Failing to designate or provide a Site Safety Manager or Site Safety Coordinator results in unsafe jobsites that are illequipped to handle situations involving public or worker safety. In addition, site-specific safety orientation programs prepare workers to perform their jobs properly and in a safe manner, mitigating hazards related to construction work.

■ NOTICE

THE CITY OF NEW YORK THE DEPARTMENT OF CITY PLANNING THE DEPARTMENT OF HEALTH AND MENTAL HYGIENE NOTICE OF PROPOSED SUBSTANTIAL AMENDMENT TO THE 2016 CONSOLIDATED PLAN

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS, AND PERSONS:

In accordance with 24 CFR 91.505 of the U.S. Department of Housing and Urban Development (HUD) Consolidated Plan regulations regarding amendments, the City of New York announces the public comment period for the substantial amendment to the Citv's 2016 Consolidated Plan Housing Opportunities for Persons with AIDS (HOPWA) programmatic activities.

The public comment period will begin on August 30, 2016, and extend thirty (30) days to September 28, 2016.

The substantial amendment to New York City's Housing Opportunities for Persons with AIDS (HOPWA) is necessary since the City was evaluating how to minimize the impact of the 2016 funding cut across the City's service portfolio at the time the Proposed 2016 Consolidated Plan was submitted in April 2016. The Amended 2016 Consolidated Plan version will now offer the public a more detailed list of the 2016 project sponsors and respective funding allocations as outlined in previous years' Plans.

Lastly, the amended 2016 Consolidated Plan also incorporates the amended Calendar Year 2016 Community Development Block Grant (CDBG) Program, as adopted by the City Council.

Copies of the amended 2016 Consolidated Plan will be made available on August 30, 2016, and can be obtained at the Department of City Planning Bookstore, 120 Broadway, 31st Floor, New York, NY 10271 (Mondays 10:00 A.M. until 12:00 NOON with walk-ins from 10:00 A.M. until 11:00 A.M., and Wednesdays from 1:00 P.M. until 3:00 P.M. with walk ins from 2:00 P.M. until 3:00 P.M.). In addition, the amended Plan can be downloaded through the internet via the Department's website at www.nyc.gov/planning.

Written comments should be sent by close of business September 28, 2016 to: Charles V. Sorrentino, Consolidated Plan Coordinator, 120 Broadway, 31st Floor, New York, NY 10271. email: Con-PlanNYC@planning.nyc.gov.

THE CITY OF NEW YORK THE DEPARTMENT OF CITY PLANNING PUBLIC COMMENT PERIOD FOR A SUBSTANTIAL AMENDMENT TO THE NYC CONSOLIDATED PLAN CITIZEN PARTICIPATION PLAN

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS, AND PERSONS:

Substantial Amendment to the Citizen Participation Plan Pursuant to 24 CFR 91.105(a)(3) of the United States Department of Housing and Urban Development's (HUD) Consolidated Plan Regulations regarding citizen participation, the New York City Department of City Planning (DCP) is announcing the **public comment period** for a proposed change to the City's Consolidated Plan Citizen Participation Plan (CPP) that may be incorporated into the consolidated planning process after consideration of the questions the consolidated planning process after consideration of the questions and concerns of interested agencies, Community Boards, groups and the general public.

The public comment period will begin on August 30, 2016, and extend thirty (30) days ending September 28, 2016.

The Consolidated Plan One-Year Action Plan is the City's annual application to the U.S. Department of Housing and Urban Development (HUD) for its four formula entitlement grant programs (Community Development Block Grant (CDBG), HOME Investment Partnership, Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA), respectively). The Federal funds are used to address New York City's housing, homeless, supportive housing services and community development needs.

<u>Proposed Substantial Amendment</u> The New York City Department of City Planning proposes to substantially amend the City's Consolidated Plan Citizen Participation Plan (CPP) by removing from the CCP the activity of providing Physical copies of the Proposed Consolidated Plan Five-Year Strategic Plan and/or Proposed Consolidated Plan One-Year Action Plans to each Chairperson and District Manager of the City's 59 respective Community Boards (CBs) for their review during the Proposed Plan's public comment period. The City proposes that, as an alternative, the respective Boards access the Proposed report electronically via City Planning's Consolidated Plan-Related Internet webpage when it is released for public comment.

Background Implemented in the early 1990s, HUD's Citizen Participation regulations require localities to provide a reasonable number of and access to their Proposed Consolidated Plans in order to permit citizens, public agencies, and other interested parties a reasonable opportunity to review and submit comments. At that time, the use of internet websites to provide the public access to large-sized reports and documents was not as developed or as wide-spread as it is today, thereby requiring localities to reproduce and physically distribute a large number of the Proposed Plans in order to satisfy CPP requirements. In the ensuing years the need to do so has decreased as the public's ability to access the documents in alternate, electronic formats (such as Adobe .pdf format) via the internet has increased. Therefore, providing the Community Boards a hard-copy version of the Consolidated Plan is an outmoded method of providing them access to the document. By having the Community Boards access the respective Consolidated Plan reports via the Internet the Department of City Planning will reduce the number of reports it needs to physically reproduce while still satisfying federal citizen participation requirements of providing the Boards reasonable access and opportunity to examine its contents and to submit comments.

Public Comment Requirement In accordance with Section 91.105(c), the City must provide its citizens with reasonable notice and an opportunity to comment on substantial amendments to the CPP.

<u>Comments or Objections to Substantial Amendment</u> DCP is inviting all interested agencies, Community Boards, groups and persons to provide comments on the proposed amendment to the CPP. All written comments should be directed to: Charles V. Sorrentino, New York City Consolidated Plan Coordinator, Department of City Planning, 120 Broadway, 31st Floor, New York, NY 10271, email: Con-PlanNYC@planning.nyc.gov.

DCP will consider all comments or objections regarding the subject before making a final determination as to whether it will adopt the proposed amendment. Complaints regarding the proposed amendment will receive a substantive written response within 15 working days following receipt of the complaint as required by Section 24 CFR 91.105(j)
