### BOROUGH PRESIDENT - BROOKLYN

#### PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that, pursuant to Sections 197-c and 201 of the New York City Charter, Brooklyn Borough President Eric L. Adams will hold a public hearing on the following matters in the Courtroom of Brooklyn Borough Hall, 209 Joralemon Street, Brooklyn, NY 11201, commencing at 6:00 P.M. on Thursday, March 2, 2017.

### Calendar Item 1 — 1350 Bedford Avenue (170070 ZMK and 170071 ZRK)

Applications submitted by Bedford Arms, LLC, pursuant to Section 197-c and 201 of the New York City Charter, are seeking zoning map and zoning text amendments for the property, located at 1350 Bedford Avenue, in the Crown Heights section of Brooklyn Community District 8 (CD 8). The zoning map amendment would rezone the existing R6A district to an R7D district, and the zoning text amendment would designate the property, a Mandatory Inclusionary Housing (MIH) area. Following the approval of the proposed actions, as well as the New York City Board of Standards and Appeals (BSA) special permit to waive the number of accessory parking spaces required for the existing six-story Section 8 housing building, an application for a tax lot subdivision will be submitted to subdivide Tax Lot 28 into Tax Lots 28 and 127. Such amendments and subsequent actions would facilitate the development of the existing underutilized parking area with an 80,088 square-foot, nine-story residential building, consisting of 48 units for households earning up to 80 percent of area median income (AMI) and 46 units for households earning up to 130 percent of AMI.

**HHS ACCELERATOR**

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy

by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

**CITYWIDE MULTI-DISCIPLINARY TEAM INITIATIVE -** Negotiated Acquisition - Judgment required in evaluating proposals - PIN# 12517N0001 - Due 3-3-17 at 5:00 P.M.

The NYC Department for the Aging (DFTA) intends to contract with one vendor, the Weill Cornell New York City Elder Abuse Center, to implement a Citywide Multi-Disciplinary Team (MDT) initiative to enhance services to victims of elder abuse. The term of the contract will be three years, expected to commence on July 1, 2017, with the possibility of a three-year renewal. There will be four MDTs, three of which will cover one borough, while the fourth team will cover two boroughs (including Staten Island). Each team will include a coordinator, a clinical assistant, an administrative assistant, and - working part-time - a consulting geriatrician, geriatric psychiatrist, and forensic accountant.

Elder abuse is the mistreatment of a senior in varied trusted relationships. Perpetrators may include friends or acquaintances, spouses, adult children, extended family members, or a formal or informal caregiver.

Each MDT will bring together all of the key entities in their borough(s) that work with agencies serving victims of elder abuse in an effort to coordinate services in cases of elder abuse that have a high degree of difficulty and that involve a multi-agency response. These teams comprise groups of professionals from diverse disciplines who come together to provide comprehensive assessment and consultation on abuse cases. The teams function as a problem solving group for individual cases and create a wider, community-based approach to handling elder abuse. The teams identify service gaps and breakdowns in communication and coordination among agencies or individuals and help rectify any such gaps, which leads to improved client outcomes.

The MDT coordinator overseeing each team will work with the other team members to coordinate regular meetings of key entities involved in elder abuse cases, which will include case conferences where participating organizations will jointly arrive at a plan of action for

responding to the elder abuse situation. These participating organizations will include but are not limited to legal providers, District Attorney's offices, NYPD, community-based organizations including elder abuse programs and case management agencies, Adult Protective Services of the NYC Human Resources Administration, behavioral health entities, and DFTA.

Given the experience and history of the Weill Cornell New York City Elder Abuse Center in developing and operating an existing New York City MDT network, DFTA's current plan is to contract with them to implement this Citywide MDT initiative. Before proceeding with this plan, DFTA is interested in learning whether any other organization with the necessary capacity, expertise and experience would like to be considered. Major elements that DFTA will take into account in making a final selection include the following:

- Track record in delivering a full-scale elder abuse program where the organization was/has been staffed to coordinate and facilitate frequent meetings with the types of entities listed above in order to assess the full breadth of elder abuse case circumstances, ranging from physical abuse to financial scams, arrive at a plan of action, and monitor the implementation of that plan, all in conjunction with the numerous participating partners;
- Experience in enhancing professional team skills and knowledge through learning about strategies, resources and approaches from a variety of disciplines in elder abuse;
- Preference given to organizations operating such a program in New York City, especially in multiple boroughs; however, this is not a pre-requisite;
- Experience providing training to organizations such as professional entities and community groups on recognizing and responding to elder abuse;
- Demonstrated ability to conduct formal case reviews with fully developed and executed plans of action to address issues;
- Established networks with entities including but not limited to the types of organizations listed above in order to leverage potential additional resources/supports to ensure the fullest range of services to victims; and
- Ability to tap into resources available within the proposing organization to enhance the services that can be offered by the MDT teams.

Any organization interested in this project that can demonstrate that it meets the criteria above may express their interest by emailing Betty Lee, DFTA Agency Chief Contracting Officer, at blee@aging.nyc.gov, by no later than 5:00 P.M. on March 3, 2017. All qualified organizations will be required to complete a written application that will be due no later than 5:00 P.M. on March 17, 2016. Expressions of interest will be evaluated, but please be aware that submission of an application does not guarantee consideration.

**NOTE:**

The National Oilheat Research Alliance (NORA) will resume full operations in 2015 with the fee expanding to #4 heating oil. This fee will apply to heating oil invoices only. The fee collections began January 1, 2015. All other terms and conditions of these awards remain the same. Please contact this office if you have any questions.

The Bio-Diesel Blender Tax Credit was reinstated for 2014. As of January 1, 2015, the Bio- Diesel Blender Tax Credit has been rescinded for \$1.00 per gallon on B100. Therefore, for deliveries after January 1, 2015, the contractor will be collecting additional fees which will be shown as a separate line item on the invoice. The additional fee for items will range from \$0.05 for B5 to \$0.20 for B20 per gallon, varying on the percentage of biodiesel to be used. Should the tax credit be extended, this additional fee will be discontinued and removed from the invoice.

Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.

**REMINDER FOR ALL AGENCIES:**

Please send inspection copy of receiving report for all gasoline (E85, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.
