COURT NOTICES

SUPREME COURT

RICHMOND COUNTY

■ NOTICE

RICHMOND COUNTY IAS PART 89 NOTICE OF PETITION **INDEX NUMBER CY4522/2019** CONDEMNATION PROCEEDING **IN THE MATTER OF** the Application of the CITY OF NEW YORK Relative to Acquiring Title in Fee Simple to Certain Real Property, where not heretofore acquired, for

MID-ISLAND BLUEBELT PHASE 1—SOUTH BEACH

In the area generally bounded by Quintard Street on the South, Oceanside Avenue on the East, Lava Street and Lansing Street on the West, Wills Place on the North, in the Borough of Staten Island, City and State of New York.

PLEASE TAKE NOTICE that the City of New York ("City"), intends to make an application to the Supreme Court of the State of New York, Richmond County, IAS Part 89, for certain relief. The application will be made at the following time and place: 360 Adams Street, Room 724 in the Borough of Brooklyn, City and State of New York, on May 30, 2019, at 2:30 P.M., or as soon thereafter as counsel can be heard.

The application is for an order:

- a. authorizing the City to file an acquisition map in the Office of the Richmond County Clerk;
- b. directing that, upon the filing of the order granting the relief sought in this petition, together with the filing of the acquisition map in the Office of Richmond County Clerk, title to the property shown on said map and sought to be acquired and more particularly described in this petition shall vest in the City in fee simple absolute;
- c. providing that the compensation that should be made to the owners of the interests in real property sought to be acquired and described in this petition be ascertained and determined by the Court without a jury;
- d. directing that within thirty days of the entry of the order granting the relief sought in this petition, the City shall cause a Notice of Acquisition to be published in at least ten successive issues of The City Record, an official newspaper published in the City of New York, and shall serve a copy of such notice by first class mail on each condemnee or his, her, or its attorney of record; and
- e. directing that each condemnee shall have a period of two calendar years from the vesting date for this proceeding in which to file a written claim, demand or notice of appearance with the Clerk of this Court and to serve a copy of the same upon the Corporation Counsel of the City of New York, 100 Church Street, New York, NY 10007.

The City, in this proceeding, intends to acquire title in fee simple absolute to real property where not heretofore acquired, namely for the **Mid-Island Bluebelt, Phase 1** — **South Beach** in the Borough of Staten Island, City and State of New York. The City's DEP Bluebelt Program ("Program") is a multi-purpose program that provides comprehensive stormwater management and reduces chronic street and property flooding while preserving and enhancing wetlands. This comprehensive Program will be implemented with multi-phase capital projects over several decades. This Program will, amongst other things, implement amended drainage plans that provide a stormwater management network that includes storm sewers, best management practices, Bluebelt wetlands, and ocean outfalls; preserve and enhance wetlands to provide pollutant filtration and flood control; and provide for construction and upgrades of the sanitary sewer system, where needed. All sewer installation would involve street reconstruction once the sewers are installed.

In this phase, approximately 13.6 acres in the South Beach watershed area comprised of full tax lots and unlotted street beds will be acquired for this Program. The real property to be acquired in this proceeding in fee simple absolute is set forth in detail in the annexed Verified Petition. In addition, surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, NY 10007.

PLEASE TAKE FURTHER NOTICE that, pursuant to Eminent Domain Procedure Law 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

Dated: New York, NY May 8, 2019

AGENCY RULES

CONFLICTS OF INTEREST BOARD

■ NOTICE

Notice of Adoption of Final Rules

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE NEW YORK CITY CONFLICTS OF INTEREST BOARD by Section 1043 of the City Charter that the Conflicts of Interest Board has adopted Board Rules that codify the circumstances under which public servants may use City Time, City resources, and their City positions to fundraise to benefit the City or not-for-profit organizations.

The proposed Rules were published in the <u>City Record</u> on March 20, 2019, and a public hearing was held on April 24, 2019. No testimony or comments were received. The Conflicts of Interest Board now adopts the following Rules.

Statement of Basis and Purpose

Board Rules § 1-14 reflects and reaffirms a principle the Board has long held: the City benefits from private donations to City agencies or to not-for-profit organizations serving the City. The Board seeks to encourage this philanthropy because it is beneficial to the City and its residents, particularly at times when City government faces budget challenges that affect its ability to provide programs and services to its residents. Thus, when public servants request the Board's advice regarding whether Chapter 68 permits them to solicit contributions from private donors, the Board has consistently recognized the City purpose in a public servant using City time, City resources, and his or her City position to solicit contributions for programs and services that benefit New Yorkers.

This City purpose must, however, be weighed against the potentially coercive effect of a public servant's solicitations, as well as any private interests that a public servant may have in making such solicitations. Setting this balance is essential to the Board's mission, articulated in Charter § 2600, "to preserve the trust placed in the public servants of the city, to promote public confidence in government, to protect the integrity of government decision-making and to enhance government efficiency."

This rule represents the synthesis of decades of advice the Board has provided to public servants regarding the solicitation of donations to fund programs and services of City government or of not-for-profit organizations that serve New Yorkers. The Board's numerous advisory opinions on this topic include Advisory Opinion Nos. 1991-10, 1992-15, 1992-21, 1992-27, 1993-15, 1993-26, 1994-29, 1995-5, 1995-7, 1995-27, 1998-14, 2003-4, and 2008-6. Most notably among these prior advisory opinions, the Board in Advisory Opinion No. 2003-4 articulated a comprehensive framework to permit a City agency's employees to solicit funds for the City and for not-for-profit organizations closely affiliated with the agency.

Since then, the New York City Council enacted Local Law No. 181 of 2016, codified in Chapter 9 of Title 3 of the New York City Administrative Code ("Chapter 9"). Among other things, Chapter 9 requires a not-for-profit organization affiliated with elected officials, either directly or through their agents (such as commissioners of City agencies with respect to the Mayor), to report certain of its donations to the Board on an annual basis.

This rule interprets the "catch-all" provision of Charter § 2604(b)(2), which states that "[n]o public servant shall engage in any business, transaction, or private employment, or have any financial or other private interest, direct or indirect, which is in conflict with the proper discharge of his or her official duties." This provision was included by the drafters of the comprehensively amended Chapter 68 "in recognition of the fact that the specific prohibitions set forth in [Chapter 68] cannot address all conflict of interest situations which may arise in the future and that the [Conflicts of Interest] Board must retain the flexibility to handle new situations as they arise." Volume II, Report of the New York City Charter Revision Commission, December 1986 – November 1988, at 175.

This rule codifies the conditions under which a public servant may solicit donations. Specifically, it identifies: (1) the entities for which a public servant may solicit donations; (2) the persons or entities from whom a public servant may solicit donations; (3) the disclaimer a public servant must make in connection with the solicitation; and

(4) the disclosures a City agency must make about its fundraising activities

For Whom a Public Servant May Solicit Donations Paragraph (a)(1) of Board Rules § 1-14 identifies potential 1) beneficiaries of a public servant's solicitations. Because "[i]t is of course clear that the City itself is a permissible beneficiary," A.O. No. 2003-4 at 2, a public servant could solicit donations for his or her City agency or office, as well as for any other City agency or office the public servant's agency head designates after obtaining the written approval of the head of the other agency or office. Some not-for-profit organizations are closely affiliated with an agency or office by virtue of an agency head exercising control over the organization as part of his or her City position. These organizations, which include entities such as the Fund for Public Schools (affiliated with the New York City Department of Education) and the Fund for Public Health in New York City (affiliated with the New York City Department of Health and Mental Hygiene), are regulated by Chapter 9 precisely because they are affiliated with elected officials or their agents. Thus, this rule recognizes that, where an agency head exercises control over an organization subject to Chapter 9 as part of his or her City job, fundraising for the organization by that office or agency's employees may occur as if such fundraising were for the City itself

Finally, a public servant may solicit donations for the benefit of any other not-for-profit organization designated by the public servant's agency head pursuant to Paragraph (b), that is, not-for-profit organizations that have a clear and direct nexus with the City and its residents and with the mission or duties of the City agency or office. As the Board has previously observed in Advisory Opinion No. 2008-6 in the context of solicitations for unaffiliated not-for-profit organizations, an arts organization in California or an affordable housing provider in Buffalo would not be permissible beneficiaries pursuant to paragraph (b). <u>See</u> A.O. No. 2008-6 at 7. Similarly, a not-for-profit organization dedicated to increasing affordable housing in the City might well be an appropriate beneficiary of fundraising by some agencies, such as the New York City Department of Housing Preservation and Development, but not by other agencies, such as the New York City Department of Cultural Affairs. Id.

Subparagraph (a)(1)(iv) and Subdivision (b) reflect the prohibition set forth in Charter § 2604(b)(3) that a public servant may not "use or attempt to use his or her position as a public servant to obtain any financial gain, contract, license, privilege or other private or personal advantage, direct or indirect, for the public servant or any person or firm associated with the public servant." Thus, Paragraph (b) states that an agency head may not designate an organization as an appropriate beneficiary of agency solicitations if the agency head is "associated," within the meaning of Charter § 2601(5), with the organization or an employee of the organization. Similarly, even if a public servant's agency head has designated an organization as the appropriate beneficiary of agency solicitations, Subparagraph (a) (1)(iv) prohibits a public servant from soliciting donations to that organization if the public servant is associated, within the meaning of Charter § 2601(5), with the organization or an employee of the organization.

2) From Whom a Public Servant May Solicit Donations

Paragraph (a)(2) permits a public servant to solicit donations when such solicitations are directed to the general public, such as in a public service advertisement, a speech, a flyer, a robo-call, or a mass mailing. As the Board has previously observed, when solicitations are directed to the general public, "there is less danger that any particular person or entity will receive, or be perceived to receive, preferential treatment as a result of a donation," and "since [the solicitation] is not directed at any particular individual or entity, the danger of coercion is virtually nil." A.O. No. 2003-4 at 17-18. Indeed, Paragraph (a)(2) recognizes that this slight risk of coercion "is outweighed by the public benefit derived from permitting such solicitations." Id. at 19.

Solicitations directed toward a specific individual or firm-such as one-on-one phone calls, meetings, and personal letters—"are effective precisely *because* they are inherently coercive." A.O. No. 2003-4 at 19. In recognition of this, paragraph (a)(2) permits a public servant to direct a solicitation to an individual or firm provided that the individual or firm does not have a "particular matter" pending before the public servant, as defined in Charter § 2601(17). By prohibiting solicitations to those individuals who or firms that have a particular matter pending before the soliciting public servant, the rule balances the benefit to the City of the solicitations while "minimiz[ing] the likelihood of coercion and the appearance that the donor may receive inappropriate access or other preferential treatment as a result of the donation." A.O. No. 2003-4 at 20. This prohibition on solicitations is limited to the soliciting official; thus, an agency could erect firewalls that prevent a soliciting official from having any involvement in making, affecting, or directing the particular matter.

3) What Disclaimer a Public Servant Must Make in **Connection with the Solicitation**

Paragraph (a)(3) requires a public servant to accompany any solicitation with a disclaimer that a contribution will not affect the disposition of any business dealings with the City or provide special access to City officials. This requirement mitigates the likelihood of coercion and the appearance that a donor may receive preferential treatment.

What Disclosures a City Agency Must Make about its **Fundraising Activities**

Subdivision (c) codifies reporting requirements for an agency's fundraising activities, which provide an additional safeguard to ensure that City agencies' fundraising activities are legally compliant. The agency head is required to report information to the Board regarding donations of \$5,000 or more received by the agency during the previous calendar year, as well as the name of any not-for-profit organization, designated pursuant to Paragraph (b), for which agency employees solicited donations.

A City agency is required to report donations of \$5,000 or more the agency received. In selecting this threshold, the Board codifies the threshold articulated in A.O. No. 2003-4. As with the disclosures required by Chapter 9, the agency's disclosures are to be made publicly available by the Board. The deadline for reporting donations received during the previous calendar year is February 28, the same deadline for agencies to report to the Board, pursuant to Board Rules § 1-02(a) (2), the titles and names of public servants who have substantial policy discretion. Because Subdivision (c) makes this reporting a requirement of Charter § 2604(b)(2), non-compliance would be a violation punishable by fine, pursuant to Charter § 2606(d)

Subdivision (d) permits an agency head to make a written request to the Board that disclosure of a donor's name and/or amount of donation not be made public and permits the Board, in response to such a request or on its own initiative, to determine that disclosure of a donor's name and/or amount of donation not be made public. The standard for such privacy determinations is the same standard the Board adopted in implementing Chapter 9. See Board Rules § 3-04(c). The deadline for an agency head to make a written request pursuant to subdivision (d) is January 31, midway between the end of the reporting year (December 31) and the deadline for reporting donations (February 28).

Notice of Adoption of Final Rules

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE NEW YORK CITY CONFLICTS OF INTEREST BOARD by Section 1043 of the City Charter and Section 3-907 of the New York City Administrative Code that the Conflicts of Interest Board has adopted Board Rules that clarify the factors by which the Board determines whether an organization is affiliated with an elected official and simplify the reporting process for affiliated organizations.

The proposed Rules were published in the <u>City Record</u> on March 20, 2019, and a public hearing was held on April 24, 2019. After consideration of the testimony and written comments received, the Conflicts of Interest Board now adopts the following Rules.

Statement of Basis and Purpose

After the enactment of Local Law 181 of 2016, the Conflicts of Interest Board adopted Board Rules to implement the new Chapter 9 of Title 3 of the Administrative Code ("Chapter 9"), which regulates not-for-profit organizations affiliated with elected officials by, among other things, requiring an affiliated organization to report certain of its donations. The Board has since received substantial feedback about these Rules. First, some not-for-profit organizations have expressed uncertainty about how the Board determines whether an organization is "affiliated with an elected official" and therefore subject to Chapter 9. Second, some affiliated organizations have suggested that the donation reporting process is needlessly complicated. This feedback, as well as the Board's experience in implementing Chapter 9, has led to the decision to clarify and simplify these two aspects of the Board Rules.

The Board therefore amends Board Rules § 3-03 to clarify the factors by which the Board determines whether an organization is affiliated with an elected official. Because the determination is made based on the totality of the circumstances, this amendment makes clear that the Board must consider each of the individual factors listed in that section. The amendment also clarifies the meaning of two of the existing seven factors and adds an eighth factor, as follows:

- Amended factor (a) clarifies that the Board will look to whether the organization was founded by the person *currently* holding office as Mayor, Comptroller, Public Advocate, Borough President, or member of the Council, or that elected official's agent. An organization founded by a former elected official, or by the agent of a former elected official, does not, without more, suggest control by a *current* elected official or agent of a current elected official.
- Amended factor (g) clarifies that the organization's purpose is relevant to the Board's review insofar as an organization whose purpose advances either the mission of a City agency under the control of the elected official or the elected official's political or policy interests makes it more likely that the elected official or his or her agent controls the organization.
- The addition of factor (h) permits the Board to consider whether multiple elected officials serve on the board of the organization. Where multiple elected officials serve on the board of an organization, it is less likely that any one elected official exercises control over that organization.

The Board amends Board Rules § 3-04(b) to simplify the reporting process for unrestricted organizations. Prior to this amendment, an unrestricted organization (as defined in Board Rules § 3-01(k)) was required both to review its records and to consult with its controlling elected official or agent, board members, and principal officers to determine whether any of its donors is the household member defined as the spouse, domestic partner, or unemancipated child of the donor—of a person listed in the City's doing business database. In listening to the unrestricted organizations, the Board has learned that this requirement, as a day-to-day matter, would have been unduly burdensome. In order to create a regulatory regime that balances the need for transparency with the need for practical administration, the Board now views the unrestricted organization's records as containing information sufficient to make this determination without consulting these organizational leaders.

For purposes of Administrative Code § 3-901, in determining whether a person holding office as Mayor, Comptroller, Public Advocate, Borough President or member of the Council, or an agent or appointee of such a person, exercises control over a non-profit entity, the Board will consider the totality of the circumstances[, including] <u>by weighing</u> each of the following individual factors:

- (a) whether the organization was created by [such an elected official] <u>a person currently holding office as Mayor,</u> <u>Comptroller, Public Advocate, Borough President, or member</u> <u>of the Council</u>, or [the official's] <u>an agent of such official</u>, or by an individual who was previously employed by, or was a paid political consultant of, the elected official, and, if so, how recently such organization was created;

 - (i) check the name of the donor against the City's Doing Business Database both at the time of the donation and as of 180 days after the date of the donation;

the organization's affiliated elected official who exercises control over the organization; (b) each board member of the organization; and (c) each principal officer of the organization. The Board will review the submission and determine whether the donation may be accepted pursuant to Administrative Code §§ 3-903(a) or 3-903(b) and if it must be reported pursuant to Administrative Code § 3-902(a)(6).

(b) Reporting Requirements for Unrestricted Organizations

- (2) To comply with the reporting requirement of Administrative Code § 3-902(a)(6), an unrestricted organization must take the following steps to determine whether a donor was listed in the City's Doing Business Database or was a household member of a person listed in the City's Doing Business Database, either on the date of the donation or within 180 days after the date of the donation:
 - check the name of the donor against the City's Doing Business Database both at the time of the donation and as of 180 days after the date of the donation;
 - (ii) consult the organization's records, including but not limited to donors' written submissions collected pursuant to Administrative Code § 3-903(d), to determine whether the donor was a household member of a person listed in the City's Doing Business Database; and

The organization must request that each person consulted pursuant to this subparagraph review a list of the organization's most recent donors and inform the organization if such person believes that a donor is listed in the Doing Business Database, or is the domestic partner, spouse, or unemancipated child of a person listed in the Doing Business Database. The organization must obtain the names of the spouse or domestic partner of any such donor (or, if the donor is an unemancipated child, his or her parent) and check those names against the Doing Business Database; and

The Board will review the submission and determine whether the donation must be reported pursuant to Administrative Code § 3-902(a)(6).

NOTICE OF ADOPTION

NOTICE OF ADOPTION relating to the establishment of curb regulations regarding electric vehicle (EV) charging stations.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the New York City Department of Transportation (DOT) by Sections 1043 and 2903 of the New York City Charter and in accordance with the requirements of Section 1043 of the New York City Charter, that DOT hereby amends Sections 4-01 and 4-08 of Chapter 4 of Title 34 of the Rules of the City of New York.

This rule was first published on March 15, 2019 and a public hearing was held on April 16, 2019. Written comments were received.

Statement of Basis and Purpose of Adopted Rule

The Commissioner of the New York City Department of Transportation (DOT) is authorized to issue rules regarding parking and traffic operations in the City pursuant to Section 2903(a) of the New York City Charter. The rules that DOT is seeking to amend are contained within Chapter 4 of Title 34 of the Rules of the City of New York, relating to its "Traffic Rules."

Reducing greenhouse gas (GHG) emissions from the transportation sector is a core component of the City of New York's climate policy. In 2014, the City of New York committed to reducing GHG emissions 80 percent by 2050, compared to 2005 levels (80 x 50). The City's 2016 plan, *New York City's Roadmap to 80 x 50*, identified a broad range of strategies to reach this goal, including accelerating the adoption of electric vehicles by the City, private fleets, and individual vehicle owners.

As part of the City's ongoing commitment to promoting the adoption of electric vehicles, Local Law 160 of 2016 was enacted on December 6, 2016 and required the City to establish a pilot program to install electric vehicle charging stations at DOT parking facilities throughout the five boroughs. As of 2018, 39 level 2 electric vehicle chargers have been installed.

On June 2, 2017, Mayor Bill de Blasio signed Executive Order 26 promising that New York City would commit to the principles enshrined in the Paris Climate Agreement and would develop a pathway to advance the Paris Agreement goal of limiting global temperature rise to 1.5 degrees Celsius. The City's then released its plan, 1.5°C: Aligning New York City with the Paris Climate Agreement that commits the City to expanding access to electric vehicle charging.

In September 2017, the Mayor set a target for 20 percent of the motor vehicle registrations in New York City to be electric by 2025. To support this goal, the Mayor announced a multi-year pilot program partnering with Consolidated Edison to install 120 level 2 electric vehicle charging ports at curbside locations across the five boroughs. The program is scheduled to launch in the summer of 2019. The mayor also announced a companion effort to create a network of 50 level 3 electric vehicle fast charging stations. In order to facilitate access to electric vehicle chargers at curbside locations and in City-Owned parking facilities, DOT is seeking to limit the use of such spaces to electric vehicles that are charging.

The purpose of this rule is to establish an electric vehicle charging station pilot program at designated on-street and off-street locations pursuant to Local Law 160 of 2016.

Specifically, the amendments to the Traffic Rules are as follows:

- Section 4-01 adds new definitions for "electric vehicle" and "electric vehicle charging station".
- Section 4-08 is amended to include various amendments that outline the parking restrictions associated with authorized vehicles, including electric vehicle charging stations.

<u>New material is underlined.</u> [Deleted material is in brackets.]

OF THE CITY OF NEW YORK

Summary of Determinations and Certifications of Amount of Bonds to be issued by The City of New York

Pursuant to the New York Local Finance Law (the "Law") and Sections 8 and 219 of the New York City Charter, the Mayor of the City of New York (the "City"), acting as the Finance Board of the City, has determined in Capital Proceed Directive Bond Resolutions 190000026, 190000027, 190000028, 190000029, 190000030, 190000031, 190000032, 190000033, 190000034, 190000035, 190000036, 190000037, 190000038 and 190000039 (the "Resolutions") that obligations shall be issued to finance the specific objects or purposes identified as budget codes ("Budget Codes") in the Resolutions, to the extent and in the amounts set forth in Capital Budget Code modifications ("BCMs"), attached to such Resolutions, and has certified by the Resolutions to the Comptroller of the City the amounts of obligations to be issued for financing the Budget Codes. Said amounts have been duly appropriated for the Budget Codes in appropriations for capital projects to which the Budget Codes relate.

The Resolutions request that the Comptroller determine the nature and terms of the obligations thereby authorized and that the Comptroller arrange for the issuance of such obligations.

The period of probable usefulness for each Budget Code is set forth in the description of such Budget Code in the financial management system reports of the City and is incorporated in the Resolutions by reference. The estimated maximum cost of each Budget Code is its proportionate share of the estimated maximum cost of the capital project of which such Budget Code is a part. The estimated maximum costs of each such project and the plan for financing the total costs of all of the Budget Codes comprising such project, are contained in the most recent Capital Budget in which the funds for such capital project were appropriated. Such total costs will be financed by the issuance of obligations of the City to the extent such costs are not financed by funds of the New York City Transitional Finance Authority (the "TFA") or the New York City Municipal Water Finance Authority ("NYW") or as otherwise indicated in such Capital Budget.

The Resolutions also authorize the temporary use of certain funds of the City for the purpose or purposes for which the issuance of obligations has been authorized by the Resolutions, and provide that suitable records are to be kept of such temporary diversion of funds, and that the City obtain reimbursement of such funds from the proceeds of the bonds authorized by the Resolutions, or from the sale of bond anticipation notes issued in anticipation of the sale of such obligations.

The validity of the obligations authorized by the Resolutions may be contested only if (1) such obligations are authorized for an object or purpose for which the City is not authorized to spend money, or the provisions of law which should have been complied with as of this date of publication have not been substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of this publication or (2) such obligations are authorized in violation of the provisions of the New York State Constitution.

THE FOLLOWING IS A LISTING OF THE CLASSES OF OBJECTS OR PURPOSES FOR WHICH THE OBLIGATIONS AUTHORIZED BY THE RESOLUTIONS SUMMARIZED HEREIN ARE TO BE ISSUED, TOGETHER WITH THE PERIODS OF PROBABLE USEFULNESS AND THE AMOUNTS OF OBLIGATIONS AUTHORIZED TO BE ISSUED FOR EACH SUCH CLASS OF OBJECTS OR PURPOSES. A COPY OF THE RESOLUTIONS SUMMARIZED HEREIN, WITH THE FULL TEXT AND A DESCRIPTION OF ALL BUDGET CODES FOR WHICH OBLIGATIONS ARE BEING AUTHORIZED TO BE ISSUED BY SUCH RESOLUTIONS, WILL BE AVAILABLE FOR PUBLIC INSPECTION DURING NORMAL BUSINESS HOURS, AT THE OFFICE OF THE CHIEF ACCOUNTANT, OFFICE OF THE COMPTROLLER, MUNICIPAL BUILDING, 1 CENTRE STREET, NEW YORK, FOR TWENTY (20) DAYS FOLLOWING THE PUBLICATION OF THIS SUMMARY.

Floodplain Management, and by Section 2(b) of EO 11990 for the Protection of Wetlands and is implemented by HUD Regulations found, at 24 CFR 55.20(b) for the HUD action that is within and/or affects a floodplain and/or wetland.

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and / or wetlands, and those who have an interest in the protection of the natural environment, should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. Commenters are encouraged to offer alternate methods to serve the same project purpose and methods to minimize and mitigate impacts. The dissemination of information and request for public comment about floodplains and wetlands can facilitate and enhance federal efforts to reduce the risks associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the federal government determines it will participate in actions taking place in floodplains and wetlands, it must inform those who may be put, at greater or continued risk.

Project Description

The proposed project consists of the installation of up to six sustainable technologies, at 27 small businesses in 15 project locations in floodprone neighborhoods in Queens. These sustainable technologies include the following:

- Photovoltaic (PV) panel modules (rooftop or canopy);
- $\overline{2}$ Battery Backup systems (building and UPS scale);
- 3. Rooftop wind turbines;
- Geothermal heating/cooling; 4.
- Electric tankless water heaters; and 5.
- 6. Communications boosters.

Some of these technologies would involve ground disturbance. Ground disturbance may include the sawcutting of pavement and curbs; excavation, formwork and cast-in-place concrete for footers and foundations (maximum 6 feet in depth); drilling and/or trenching to groundwater depth (maximum 10 feet in deep); and trenching to connect conduit from site systems to in-building systems. Site work is not anticipated to extend beyond property boundaries, but may occur in the shared easements between street rights-of-way and private property.

Each of these technologies would be provided by Local Office Landscape and Urban Design. Each of the 27 small businesses would utilize a variety of the proposed technologies.

All interested persons, groups and agencies are invited to submit written comments regarding the proposed use of federal funds to support a project located in a floodplain or wetland. The City is interested in alternatives and public perceptions of possible adverse impacts that could result from the project as well as potential mitigation measures. A list of the proposed action sites and maps of the proposed location of activities within a 100 year floodplain and /or wetland are available, at:

http://www1.nyc.gov/site/cdbgdr/documents/environmental-records.page.

Written comments should be sent to OMB, at 255 Greenwich Street, Bth Floor, New York, NY 10007, Attention: Calvin Johnson, Assistant Director CDBG-DR or via email, at CDBGDR-Enviro@omb.nyc.gov. The minimum 15 calendar day comment period will begin the day after the publication and end on the 16th day after the publication. Such comments should be received by OMB on or before June 3, 2019.

CIVIC ENGAGEMENT COMMISSION

■ PUBLIC HEARINGS

The Civic Engagement Commission will hold a public meeting, at 3:00 P.M., on Monday, May 20, 2019, at The David N. Dinkins Municipal Building, 1 Centre Street, 9th Floor, New York, NY 10007.

In November 2018, New York City voters approved Charter revisions that established the New York City Civic Engagement Commission, which can be found in <u>Chapter 76 of the New York City Charter</u>. The Commission's purpose is to enhance civic participation through a variety of initiatives, including participatory budgeting, expanded poll site interpretation and assistance to community boards.

This will be the first meeting of the Commission. For more information about the Commission, please visit the Commission's <u>website</u>.

The meeting is open to the public. Because this is a public meeting, and not a public hearing, the public will have the opportunity to observe the Commission's discussions, but not testify before it.

What if I need assistance to participate in the meeting? The meeting location is accessible to individuals using wheelchairs or other mobility devices. Free induction loop systems and ASL interpreters will be available upon request. Free interpretation services will be available in Spanish and other languages upon request. Please make any such requests or other accessibility requests by 2:00 P.M., no later than Thursday, May 16, 2019, by emailing civicengagement@cityhall.nyc.gov or calling (212) 676-4939.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agenci Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
