## **New Service Added: Presidents Day Service Update from NYC Sanitation**

### *There WILL BE Collection on February 20, 2023*

The New York City Department of Sanitation has announced that there WILL BE collection service on Presidents Day, Monday, February 20, 2023.

- Residents who normally receive **Monday trash, curbside composting or recycling collection** should place their material at the curb between 4 p.m. and midnight Sunday, February 19 for collection starting Monday, February 20.

While the Department strives to offer this service, please note that delays may occur after holidays as we work to collect the material. We appreciate your patience and understanding.

For questions about Sanitation services and holiday schedules contact 311 or visit [nyc.gov/sanitation](http://nyc.gov/sanitation).

### **About the New York City Department of Sanitation**

The Department of Sanitation (DSNY) keeps New York City clean, safe, and healthy by collecting, recycling, and disposing of waste, cleaning streets, attacking the scourge of illegal dumping, and clearing snow and ice. The Department operates 59 district garages and manages a fleet of more than 2,000 rear-loading collection trucks, 450 mechanical brooms, 705 salt spreaders, and several dozen bike lane operations machines. Under the Adams Administration, the Department is aggressively cleaning more parts of the City than ever before, including over 1,000 long-ignored areas spread across every neighborhood. With the highest wintertime uniformed headcount in 20 years, DSNY is more equipped than ever to remove snow and ice from the approximately 19,000 lane-miles of City streets.
