On reading communication from his Honor Mayor Ely, the following letter was approved, and ordered to be transmitted to him:

January 9, 1877.

Hon. SMITH ELY, JR., Mayor of New York:

SIR—Your letter of the 5th instant is received, requesting me to inform you "why the removal of ashes has been suspended," and "whether it is practicable to have snow removed from at least one or two of the principal streets."

To the first inquiry I beg to reply, that ashes and garbage have not been collected and removed with the usual promptitude and regularity, because: First—The snow and ice in the streets have rendered it impossible, with the ash-cart force at the command of the Street Cleaning Bureau, to perform the work of collection with the accustomed regularity. Second—By reason of the obstacles of ice in the bays and storms on the coast, the tugs and scows cannot go to sea to waste the material, producing an objectionable if not an illegal accumulation at the Dumps. Third—Because the laws and the constituted authorities do not allow the material (ashes and garbage) to be disposed of within the city limits.

In answer to the second inquiry, allow me to say, that it "would be practicable to remove the snow from one or two (or more) principal streets," if the Board possessed the money and the lawful authority to expend it for the purpose. But if the Board is authorized to remove snow from any street, it is by chapter 677 of the Laws of 1872, and would by that act be required to remove the snow from all the streets, which would exhaust the whole appropriation for street cleaning for the year 1877.

Inasmuch as the Board of Apportionment have recently disallowed and struck out from our Departmental Estimate the item for removing snow, and since that refused to transfer for that purpose any part of the unexpended balance of 1875, having in view the consequences of expending public money for purposes for which appropriations have been refused, the Board, as at present advised, are not willing to spend public money where there is well-founded doubt as to the legality of the proceeding.

They beg to state that if the Board of Apportionment will, by resolution, appropriate or devote any part of the appropriation for 1877; or if they will transfer to the year 1877 any part of the unexpended balance of 1875, for the purpose of removing snow and ice; or if the Board will state by resolution what portion of the appropriation of 1877 may be expended for removing snow and ice, and designate the streets and parts of streets which shall be cleaned, the Board will be most happy to apply it promptly to the purpose for which it is appropriated.

Very respectfully,

WM. F. SMITH, President Board of Police.

Resolved, That requisition be and is hereby made upon the Comptroller, in pursuance of section 7, chapter 755 of the Laws of 1873, for the sum of \$60,416.66, being one-twelfth part of the amount estimated, levied, raised and appropriated for the Bureau of Street Cleaning of the Police Department for the year 1877.

Resolved, That the following pay-rolls of the Bureau of Street Cleaning be and are hereby ordered to be paid by the Treasurer—all voting aye:
