<u>Address</u>	<u>Block/Lot(s)</u>
266 West 96th Street	Block 1243, Lot 57

Under HPD's Mixed Income Program: M<sup>2</sup>, sponsors purchase City-owned or privately owned land or vacant buildings and construct multifamily buildings in order to create affordable rental housing units, with a range of affordability in which up to 25% of the units are affordable to low income households earning up to 60% of the Area Median Income ("AMI") and the remaining units are affordable to moderate and/or middle income households. Under the proposed project, the City will sell the Disposition Area, to 270 West 96th Street Housing Development Fund Corporation ("Sponsor"), for the nominal price of one dollar per tax lot. The Sponsor

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."*

**HHS ACCELERATOR**

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)  
 Department for the Aging (DFTA)  
 Department of Consumer Affairs (DCA)  
 Department of Corrections (DOC)

**PREQUALIFIED VENDOR LIST: GENERAL CONSTRUCTION, NON-COMPLEX GENERAL CONSTRUCTION SITE WORK ASSOCIATED WITH NEW YORK CITY DEPARTMENT OF PARKS AND RECREATION ("DPR") AND/OR ("PARKS") PARKS AND PLAYGROUNDS CONSTRUCTION AND RECONSTRUCTION PROJECTS.**

NYC DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of NYC DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, NYC DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construct its parks, playgrounds, beaches, gardens and green-streets. NYC DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL, will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

NYC DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

## AGENCY RULES

## HUMAN RESOURCES ADMINISTRATION

### ■ NOTICE

#### Notice of Opportunity to Comment on Proposed Rule

**What are we proposing?** The New York City Human Resources Administration (HRA) proposes to amend the CityFHEPS rule in Chapter 10 of Title 68 of the Rules of the City of New York to: (1) make permanent the provisions of an emergency rule issued January 30, 2020 that authorizes additional payments in limited circumstances in certain rent-regulated units; and (2) provide that the agency, on request, will recalculate a household's CityFHEPS rental assistance amount midyear if there has been a change in income that would decrease the household's client contribution.

**When and where is the hearing?** The New York City Human Resources Administration has determined, pursuant to Section 1043(e) of the New York City Charter, that in light of the current public health emergency, a public hearing would serve no public purpose.

**How do I comment on the proposed rules?** Anyone can comment on the proposed rules by:

- **Website.** You can submit comments to HRA through the NYC rules website at <http://rules.cityofnewyork.us>.
- **Email.** You can email comments to [NYCRules@hra.nyc.gov](mailto:NYCRules@hra.nyc.gov). Please include "CITYFHEPS" in the subject line.
- **Fax.** You can fax comments to 917-639-0413. Please include "CITYFHEPS" in the subject line.

- **Phone.** You can provide your comments by phone by calling 929-221-7220 and leaving a message.

**Is there a deadline to submit comments?** The deadline to submit comments is April 21, 2020.

**Can I review the comments made on the proposed rules?** You can review the comments made online on the proposed rules by going to the website at <http://rules.cityofnewyork.us/>. Shortly after the public comment period ends on April 21, copies of all comments submitted online and received by fax and email and a summary of comments left by telephone concerning the proposed rule will be available to the public on HRA's website.

**What authorizes HRA to make this rule?** Sections 603 and 1043 of the City Charter, Sections 34, 56, 61, 62, 77, and 131-a of the New York Social Services Law authorize HRA to make this proposed rule.

**Where can I find HRA's rules?** HRA's rules are in title 68 of the Rules of the City of New York.

**Was the proposed rule included in HRA's regulatory agenda?** This rule was not contemplated when HRA issued its most recent regulatory agenda.

**What laws govern the rulemaking process?** HRA must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

#### Notice of Extension of Emergency Rule

Notice is further given, pursuant to New York City Charter Section 1043(i)(2), that the emergency rule issued on January 30, 2020 authorizing additional CityFHEPS rental assistance payments in connection with certain regulated units is hereby extended an additional sixty (60) days, to May 29, 2020. The additional sixty (60) days are needed for HRA to adopt a final rule concerning these payments after completing the public comment process set forth in New York City Charter Section 1043(e).

#### Statement of Basis and Purpose of Proposed Rule

In order to implement the Mayor's priority of preventing homelessness and moving households into stable housing, the Commissioner of the New York City Department of Social Services / Human Resources Administration (DSS/HRA) issued an emergency rule January 30, 2020 concerning the CityFHEPS rental assistance program. Specifically, the emergency rule authorizes DSS/HRA, to make additional payments, over and above the regular CityFHEPS rental assistance amounts, to landlords of units that are subject to the New York City Department of Housing Preservation & Development ("HPD") / New York City Housing Development Corporation ("HDC") Marketing Handbook pursuant to a regulatory agreement or similar instrument for which HPD and/or HDC is requiring or approving that such units be filled by homeless individuals or families instead of or subsequent to a lottery, where such payments are needed to make up the difference between the CityFHEPS maximum rent and the regulatory rent. The emergency rule was prompted by the availability of more than 150 rent-regulated units, many under the State's 421-a Affordability Option C program. The additional payments authorized under the emergency rule have already enabled individuals to exit shelter and move into these units.

HRA now proposes making the provisions of the emergency rule permanent so that these payments can continue.

Additionally, HRA also proposes revising section 10-09(a) concerning midyear recalculations of the CityFHEPS rental assistance amount. That provision currently provides that the agency will recalculate the CityFHEPS rental assistance amount, at the household's request, only where the household's income has decreased prior to renewal. However, there are instances, including when a smaller household who was previously on cash assistance receives disability benefits, where a household may potentially benefit from a midyear recalculation when their income has increased midyear. Therefore, HRA proposes amending the provision to provide that, upon request, the agency will recalculate the CityFHEPS rental assistance payment prior to renewal whenever there is a change in income that would decrease the household's client contribution.

HRA's authority for this rule may be found in sections 34, 56, 61, 62, 77, and 131 of the New York Social Services Law and sections 603 and 1043 of the New York City Charter.

New material is underlined. Deleted text is [bracketed].

**Section 1. Subdivision a of section 10-09 of Chapter 10 of Title 68 of the Rules of the City of New York is amended to read as follows:**

...

(a) At the household's request, [where the household's income has decreased prior to renewal] when the household's income has changed in such a manner that would decrease the household's base client contribution, the Commissioner will recalculate the CityFHEPS rental

assistance payment amount in accordance with section 10-06 or 10-07 of this chapter, as applicable.

...

**§ 2. Section 10-15 of Chapter 10 of Title 68 of the Rules of the City of New York is amended by adding a new subdivision (h), to read as follows:**

...

(h) Notwithstanding any provisions in this chapter to the contrary, HRA in its discretion may offer payments to landlords of units that are subject to the New York City Department of Housing Preservation and Development ("HPD") / New York City Housing Development Corporation (HDC) Marketing Handbook pursuant to a regulatory agreement or similar instrument, for which HPD or HDC is requiring or approving such units to be filled by homeless individuals or families instead of or subsequent to a lottery, where such payments are needed to make up the difference between the CityFHEPS maximum rent under section 10-05 and the regulatory rent. In such instances, the rent for the unit may exceed the maximum rent levels set forth in 10-05, including at the time of initial approval of the CityFHEPS application, but may not exceed the regulatory rent.

#### **Statement of Basis and Purpose of Proposed Rule**

The Department of Consumer Affairs ("DCA" or "Department") is proposing to amend the rules governing general vendors to clarify that, in addition to general vendor licensees, qualifying Department of Health and Mental Hygiene ("DOHMH") mobile food vending licensees also may apply for a DCA specialized vending license. A specialized vending license is required to vend in certain restricted areas of New York City. Currently, the Department's rules require an applicant for a specialized vending license to have a valid general vendor's license. However, qualifying holders of a mobile food vendor license issued by DOHMH are also eligible to apply for a specialized vending license. These amendments will ease the burden for mobile food vendors by reducing the permit requirements.

Sections 1043 and 2203(f) of the New York City Charter and Sections 20-104(e) and 20-471 of the New York City Administrative Code authorize the Department to make these proposed amendments.

New material is underlined.  
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of the Department, unless otherwise specified or unless the context clearly indicates otherwise.

(b) Applications for and the reissuance of specialized vending licenses issued prior to March 1, 2003 shall be governed by the following procedures:

(1) All persons who hold current specialized vending licenses that were issued pursuant to the provisions of § 35-a of the General Business Law prior to March 1, 2003, [shall] must apply for the reissuance of such specialized vending licenses with new priority ranks that shall be accorded and assigned in accordance with subdivision (c) of this section.

(2) Applications for the reissuance of such currently valid specialized vending licenses issued prior to March 1, 2003, shall be made so they are received by the department during the period commencing on August 23, 2004 and ending no later than 5 p.m. on September 22, 2004.

(3) Such applications shall include the following information and documentation:

(i) The applicant's name, home address and home telephone number; and

(ii) Whether the applicant is seeking a midtown- or a city-specialized vending license as his or her first choice. An applicant who fails to indicate whether he or she seeks a midtown- or a city-specialized vending license shall be deemed to have elected a midtown-specialized vending license; and

(iii) Proof that the applicant holds a currently valid general vendor's license and a currently valid specialized vending license issued prior to March 1, 2003; and

(iv) In the case of a licensee who exchanged a midtown-specialized vending license for a city-specialized vending license, or vice versa, and who has continuously held a specialized vending license since the date on which the first such license was issued, a description of the specialized vending license with such earlier date of issuance.

(c) Each eligible applicant for the reissuance of specialized vending licenses issued before March 1, 2003, shall be reissued such license with a new priority rank, which shall be determined and assigned in accordance with this subdivision.

(1) All eligible applications for the reissuance of such specialized vending licenses that are received on or before 5 p.m. of September 22, 2004 shall be sequentially assigned a priority rank based on the earlier of (A) the date of issuance of the applicant's currently valid specialized vending license that was issued prior to March 1, 2003, or, (B) in the case of a licensee who exchanged, prior to March 1, 2003, a midtown-specialized vending license for a city-specialized vending license, or vice versa, and who has continuously held a specialized vending license since the date on which the first such license was issued, the date of issuance of such first license. Number one shall be the rank assigned to the applicant whose specialized vending license has the earliest date of issuance, determined in accordance with this paragraph, and who is therefore entitled to the highest priority rank.

(2) Any specialized vending license issued prior to March 1, 2003, shall be deemed to have been surrendered as of 5 p.m. on September 22, 2004 unless such application for the reissuance of such license is received by the Department on or before such date and time.

(3) If more than one qualified applicant holds a specialized vending license with the same date of issuance determined in accordance with paragraph one of this subdivision, all such applicants shall be ranked sequentially in reverse order according to the number of their general vendor's licenses, with the highest priority ranking being assigned to the applicant within such group who holds the lowest numbered general vendor's license.

(d) [Midtown specialized] Midtown-specialized vending licenses shall first be issued to the holders of specialized vending licenses who have filed applications in accordance with subdivision (b) of this section and who hold currently valid midtown-specialized vendor's licenses issued prior to March 1, 2003. Such licenses shall be issued with a priority rank assigned to such [midtown specialized] midtown-specialized vending licenses, which shall be in the order in which such applicants are ranked pursuant to subdivision (c) of this section.

(1) If not all of the 60 holders of midtown-specialized vending licenses that are issued and outstanding as of March 1, 2003, have filed applications that request the reissuance of, or are deemed to request the reissuance of, a midtown-specialized vending license in accordance with such subdivision (b), the remaining midtown-specialized vending licenses shall be issued to eligible applicants who request the issuance of, or who are deemed to request the issuance of midtown-specialized vending licenses and who have been assigned the highest priority ranks established in accordance with such subdivision (c).

(2) Any qualified applicants for the issuance of midtown-specialized vending licenses remaining after the maximum of 60 authorized for issuance pursuant to § 35-a of the General Business Law as of March 5, 2004, have been issued shall be included on the waiting list maintained pursuant to subdivision (e) of this section for midtown-specialized vending licenses that become available at any time.

(e) The Department shall maintain a waiting list of applicants for midtown-specialized vending licenses that become available.

(1) The applicants placed on the waiting list for midtown-specialized vending licenses pursuant to paragraph two of subdivision (d) of this section shall be ranked in the order of the priority rank assigned pursuant to subdivision (c) of this section.

(2) Any other city-specialized vending licensee may request the Department to add his or her name to such waiting list by filing an application with the Department. The names of applicants shall be entered on such waiting list in the order that such applications are received[, except that the names of applicants whose applications are received on the same day shall be included on such waiting list according to the priority rank that has been assigned to such applicants for their specialized vending license in accordance with paragraph four of subdivision (i) or paragraph four of subdivision (j), as applicable].

(3) Any midtown-specialized vending licenses that become available after March 5, 2004, shall be offered by the Commissioner to persons included on such waiting list in the order in which they are ranked on such list. Any applicant on such list who fails to notify the Commissioner within the time provided in the Commissioner's offer that such applicant requests that such license be issued to him or her shall be deemed to have refused such license and to have surrendered his or her place on such waiting list as of 5 p.m. on the last date by which the applicant was required to so notify the Commissioner.

(f) No more than 105 midtown-specialized vending licenses shall be issued at any single time on or after January 31, 2007. Such licenses shall be issued according to the following schedule:

(1) A maximum of sixty such licenses on or after March 5, 2004.

(2) A maximum of an additional 15 such licenses commencing June 7, 2004.

(3) A maximum of an additional ten such licenses in each of the succeeding three years commencing on January 31 of 2005, 2006 and 2007.

(4) Only holders of city-specialized vending licenses that are in effect at the time such additional midtown-specialized vending license become available are eligible to be issued such additional midtown-specialized vending licenses.

(g) The Department shall publish a notice in the City Record requesting applications for midtown-specialized vending licenses whenever the Department ascertains that a midtown-specialized vending license is available for issuance and there are no applicants on the waiting list maintained by the Department in accordance with subdivision (e).

(1) Applicants shall have 14 days from the date of publication of such notice to submit an application containing the information and documentation specified in such notice.

(2) Applicants responding to the notice for the issuance of available midtown-specialized vending licenses shall include the following information and [docu- mentation] documentation:

(i) the applicant's name, home address and home telephone number;

(ii) proof that the applicant holds a currently valid general vendor's license or a currently valid mobile food vending license; and

(iii) proof that the applicant holds a currently valid city-specialized vending license issued after August 23, 2004.

(3) Midtown-specialized vending licenses shall be issued sequentially to qualified applicants in the order of the priority ranks assigned to their currently held valid specialized vending licenses until the number of midtown-specialized vending licenses that are then available as specified in such notice have been issued.

(4) Any applicant who is issued such additional midtown-specialized vending license [shall be required to] must surrender his or her city-specialized vending license upon the issuance of the midtown-specialized vending license, and such midtown-specialized vending license shall be assigned the same priority rank as had been assigned to the surrendered city-specialized vending license.

(h) Any applicant who, pursuant to subdivision (b) of this section, makes a timely application for the issuance of a midtown-specialized vending license but who is not issued such license shall be reissued such city-specialized vending license with the priority rank as provided in subdivision (c) of this section.

(i) Applicants who apply on or after August 23, 2004 for the issuance of [city specialized] city-specialized vending licenses, [shall] must provide the following information in, and attach the following documentation to, the application for such license:

(1) The applicant's name, home address and home telephone number; and

(2) Proof that the applicant:

(i) has been honorably discharged from the armed forces of the United States;

(ii) has sustained a service-related physical disability that is verified in a letter to the veteran/applicant on original letterhead with an original signature from the United States Department of Veterans Affairs or the United States Veterans Administration; and

(iii) holds a currently valid general vendor's license or a currently valid mobile food vending license.

(3) Notwithstanding subparagraph (ii) of paragraph two of this subdivision, an applicant whose currently valid general vendor's license designates such applicant as a disabled veteran is not required to submit with his or her application for a city-specialized vending license a letter from the United States Department of Veterans Affairs or the United States Veterans Administration verifying that such veteran/applicant has sustained a service-related physical disability.

(4) Such applications for a specialized vending license shall be assigned priority ranks in the order in which the applications are received[, provided, however, that if more than one application for a city specialized vending license is received on the same day, the priority rank for such licenses shall be assigned first in reverse order of the applicants' general vendor's license numbers, with the applicant holding the lowest numbered general vendor's license being assigned the highest priority rank among the applicants within such group].

(j) (1) All persons who hold current specialized vending licenses that were issued pursuant to the provisions of § 35-a of the General Business Law after February 28, 2003, and before August 23, 2004, shall apply for the reissuance of such specialized vending licenses with a new priority rank that shall be accorded and assigned in accordance with paragraph four of this subdivision.

(2) Such applications shall include the following information and documentation:

(i) The applicant's name, home address and home telephone number; and

(ii) Proof that the applicant holds a currently valid general vendor's license and a currently valid specialized vending license issued after February 28, 2003.

(3) Individuals holding city-specialized vending licenses issued after February 28, 2003, and before August 23, 2004 who do not apply by September 22, 2004 shall be deemed to have surrendered such license as of 5 p.m. on September 22, 2004 unless such application for the reissuance of such license is received by the Department on or before such date and time.

(4) Such applications for a specialized vending license shall be assigned the priority ranks based on the date of issuance of the applicant's currently valid specialized vending license. A specialized vending license shall not have a term and shall be valid until the date on which such specialized vending license is surrendered to the Department, or until the specialized vending licensee ceases to hold a currently valid general vendor's license or currently valid mobile food vending license, or until otherwise provided by law.

(l) Any eligible disabled veteran may apply to exchange his or her specialized vending license for a different type of specialized vending license issued by the Department by making an application for the type of license he or she seeks in accordance with the application procedures specified in this section.

Each such specialized vending license also shall contain a photograph of the disabled veteran to whom such license is assigned as well as his or her name, home address, specialized vending license number, and such licensee's assigned priority rank.

(n) Upon the death of a holder of a specialized vending license, the surviving spouse or, if there is no surviving spouse or the surviving spouse elects not to use such license, the guardian of a minor child or children of such holder, to whom such license is transferred by operation of law in accordance with § 35-a of the General Business Law, [shall] must notify the Department of the death of such holder and, upon submitting proof of the conditions upon which such transfer is based, shall be issued a license in his or her name with the same priority rank as that assigned to such holder.

(o) A holder who becomes totally or permanently disabled and wishes to transfer his or her specialized vending license to his or her spouse or to an adult child who assumes the duty to support such holder [shall] must notify the Department. Such license shall be issued in his or her name, upon his or her submitting proof of the conditions upon which such transfer is based, with the same priority rank as that assigned to such holder.
