AN ACT to amend chapter one hundred and forty of the laws of eighteen hundred and fifty, entitled "An act entitled 'An act to authorize the formation of railroad corporations, and to regulate the same.'"

Passed June 25, 1880; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Paragraph six of section twenty-eight of chapter one hundred and forty of the laws of eighteen hundred and fifty, entitled "An act to authorize the formation of railroad corporations, and to regulate the same," is hereby amended so as to read as follows:

6. To cross, intersect, join, and unite its railroad with any other railroad before constructed, at any point on its route and upon the ground of such other railroad company with the necessary turn-outs, sidings, and switches, and other conveniences in furtherance of the objects of its connection. And every company whose railroad is or shall be hereafter intersected by any new railroad shall unite with the owners of such new railroad in forming such intersections and connections and grant the facilities aforesaid; and if the two corporations cannot agree upon the amount of compensation to be made therefor, or the line or lines, the grade or grades, points, and manner of such crossing and connections, the same shall be ascertained and determined by commissioners, one of whom must be a practical civil engineer, to be appointed by the courts, as is provided in this act in respect to acquiring title to real estate; and said commissioners shall have full power to determine whether the crossing or crossings of any railroad before constructed shall be beneath, at, or above the existing grade of any such railroad, and upon the route designated on the map of the company seeking the crossing, required to be filed by section twenty-two of this act, or otherwise. And all companies whose railroads are or shall hereafter be crossed, intersected, or joined as aforesaid, shall receive from each other and forward to their destination all goods, merchandise, and other property intended for points on their respective roads, with the same despatch and at a rate of freight not exceeding the local tariff rate charged for similar goods, merchandise, and other property received at and forwarded from the same point for individuals and other corporations.

Sec. 2. Nothing in this act contained shall apply to any street surface railroad in the city of New York.

Sec. 3. This act shall take effect immediately.

CHAPTER 585.

AN ACT for the prevention of accidents to children.

Passed June 25, 1880; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. No minor child within this state not being a passenger shall be allowed upon the platform or steps of any railroad car drawn by steam, or of any omnibus, street car, or other vehicle drawn by horses, and the parents or guardians of any child who shall permit such child to ride or play upon the steps or platform of any such railroad car, omnibus, street car, or other vehicle, shall be punished on conviction by a fine not less than five nor more than ten dollars.

Sec. 2. It shall be the duty of all constables and policemen within this state to arrest any child or children violating the provisions of this act, and any such child or children shall likewise, on conviction, be punished by a fine not exceeding five dollars for each offense.

Sec. 3. This act shall take effect immediately.

CHAPTER 588.

AN ACT to organize a night medical service in the city of New York, and to provide medical assistance in cases of sudden sickness or accident during the night time.

Passed June 26, 1880; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. On and after the passage of this act, and upon receipt of a copy thereof duly signed and certified, it shall be the duty of the captain of each police precinct in the city of New York to register, in a book provided for that purpose, the names and addresses of all physicians in good and regular standing within said precinct who shall make application for such registry and shall thereby pledge themselves to respond to any call for medical attendance, made as hereinafter described. Each name thus registered shall be submitted to the registrar of vital statistics of the board of health in the city of New York, whose duty it shall be to ascertain and report whether said physician is in good and regular standing, and to transmit a certificate to such effect to the captain of said precinct, and only upon receipt of such certificate shall it be lawful for the captain of the said precinct to employ such physician as hereinafter named. The names and addresses of such physicians as have been duly certified by the registrar of vital statistics shall be plainly and legibly written or printed on a bulletin provided for that purpose; which bulletin shall be placed at a convenient point near the captain's desk, and kept open to the inspection of all persons within the precinct desiring to see the same.

Sec. 2. Upon the application of any person residing within the said precinct, whose name and address, together with the name and address of the said person desiring or needing such attendance, and the date of the application be duly registered in a book kept open for that purpose. It shall be the duty of the captain or other officer at the desk, in the absence of any expressed preference by the applicant, to select from the list of physicians thus registered, the name of the physician residing

nearest to the residence of the said patient in whose behalf application is made, and to notify him without delay of the existence of such application.

Sec. 3. It shall be the duty of the captain, sergeant or other officer at the desk, in such police precinct as before specified, upon registry of any application as described in the preceding section, immediately to detail an officer whose duty it shall be to call upon such physician without delay, and to conduct him to the residence of the patient, also to verify by personal inspection or inquiry the name and address of such patient as registered by his superior officer. Every officer thus detailed as messenger shall be furnished with a blank certificate, upon which the name and address of the physician responding to the call, the name and address of the patient attended, and the date and hour of the visit shall be written by him after he has conducted the physician to the patient's residence and verified the genuineness of the application. Such certificate shall be signed by him and given to the physician, and shall specify upon its face that the physician therein named is entitled to the sum of three dollars from the public funds, upon presentation thereof to the proper officer, and indorsement thereof in writing with the name of the captain of the precinct. But it shall be the duty of the physician making such visit to present such certificate to the patient or his or her agent or attendant, and to request payment of the said sum specified; and in case of such payment being made, said physician shall surrender such certificate to the person or persons making it, and it shall cease to be a claim upon the public treasury. In default of the immediate payment of the said fee specified in the said certificate, by the patient or his or her attendant, it shall be the duty of the captain of the police precinct in which the visit was made to indorse it with his name; and thus indorsed it shall be the duty of the cashier of the Board of Health to pay at sight the fee aforesaid, and to enter the payment in a book provided for that purpose and take up the certificate. And all certificates thus redeemed shall be valid debts to the amount therein named, against the patients therein named, or their guardians, which the said board may order collected by due process of law, provided that no prosecution shall be instituted in cases where it is satisfactorily shown that the patient is without sufficient means for the payment thereof.

Sec. 4. It shall be the duty of every physician thus called to the medical assistance of any person within the police precinct in which he is registered to transmit to the registrar of the board of health, of the city of New York, within twenty-four hours after the call shall have been answered, a full and accurate statistical exhibit of the case, specifying therein the age and sex and the employment, profession, or business of the patient, the nature of the disease, the hour of the attack, when practicable, the date, and the police precinct and ward in which the case occurred; the same shall be signed with the full name and address of the physician rendering it, but the name and address of the patient shall always be omitted. And it shall be the duty of the board of health, of the city of New York, to provide all physicians thus registered for night medical service with appropriate blanks for the said purpose, upon their application therefor.

Sec. 5. Any policeman who shall be detailed as messenger according to the provisions hereinbefore specified shall, in the absence of preference expressed in the application, call the physician nearest and most convenient to the patient's residence, or, in the absence or refusal from any cause of the latter, the physician next nearest, and so on. And there shall be no delay or waiting for such physician to return; and any member of the force neglecting to comply with this provision shall be subject to trial and fine or dismissal from the service, by the board of police commissioners, in the same manner as for other offenses cognizable by the said body. And any physician thus registering, who shall twice refuse or neglect, without reasonable excuse, to answer a call made according to the provisions of this act, shall be subject to have his name erased from the list, upon proper evidence thereof submitted to an executive officer who shall be appointed by the registrar of vital statistics of the board of health, and shall be under his immediate supervision.

Sec. 6. The captains of the several police precincts, if in their judgment it shall be necessary to the public convenience, may cause the bulletins of physicians herein specified to be posted in the hotels and district telegraph offices within their respective precincts, but any applicant applying at such hotels or telegraph offices, or desiring the services of any messenger other than a member of the police force detailed for the purpose, shall employ such messenger at his own expense, and shall be liable for any expenses incurred in communicating with the police precinct.

Sec. 7. The period during which the aforesaid physicians shall be held to be subject to call shall be between the hours of ten in the evening and seven in the morning, from October first to March thirty-first, inclusive, and between the hours of eleven in the evening and six in the morning, from April first to September thirtieth, inclusive.

Sec. 8. The board of estimate and apportionment of the city of New York are hereby authorized and directed to appropriate an amount necessary for the support of the aforesaid night medical service, when its organization shall have been established by the board of health of said city; but in no case shall the sum so appropriated exceed three thousand dollars for any one year.

Sec. 9. This act shall take effect immediately.

CHAPTER 590.

AN ACT supplementary to chapter eight hundred and thirty-six of the laws of eighteen hundred and seventy-two, entitled "An act to regulate places of public amusement in the city of New York."

Passed June 26, 1880; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Chapter eight hundred and thirty-six of the laws of eighteen hundred and seventy-two, entitled "An act to regulate places of public amusement in the city of New York," is hereby amended by making a new section to be numbered and to read as follows:

§ 11. The provisions and requirements of chapter eight hundred and thirty-six of the laws of eighteen hundred and seventy-two, entitled "An act to regulate places of public amusement in the city of New York," shall not be held to apply to Young Men's Hebrew Association of Harlem, or to the directors or officers of said association as such, with respect to any building, not more than one, which shall in whole or in part be owned or leased by said association, while so owned or leased, so long as the revenue thereof shall continue to be applied to the support of said association, and to the religious, charitable, social, educational, or literary purposes of said association.

Sec. 2. This act shall take effect immediately.

CHAPTER 594.

AN ACT to provide for the revision of the special and local laws affecting public interests in the city of New York.

Passed June 26, 1880; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Within twenty days after the passage of this act the counsel to the corporation of the city of New York shall appoint two persons, who together with himself shall constitute and form a commission to revise all the special and local laws affecting public interests in the city of New York which shall be in force at the time such commissioners shall make their final report, or at such time prior thereto as said commissioners shall find advisable. In making such revision the said commissioners shall not make any change in the meaning of existing laws, but shall seek to simplify and to mould into consistent acts all existing statutes upon matters embraced in such special and local laws. They shall not include in such revision any special acts relating to corporations or societies except such as are entitled to receive money from the city, or those to whose care children or criminals are under existing laws, committed.

Sec. 2. When the said commissioners shall have completed said revision, or any portion thereof, the same shall be printed in the same manner as printing is now done for the mayor, aldermen and commonalty of the city of New York, and shall be distributed by said commissioners to those whose advice is desirable, and thereafter they shall complete their revision and submit the same to the legislature.

Sec. 3. Each of said commissioners, except the counsel to the corporation, shall receive for his services herein the sum of five thousand dollars, to be paid by the comptroller of said city in three equal payments, on the first day of October and the first day of December in the year eighteen hundred and eighty, and on the submission of their report to the legislature; the said commissioners shall be allowed for expenses of clerical services and incidental expenses, a sum not to exceed five thousand dollars, to be paid from time to time upon their requisition therefor upon the comptroller of said city. And to provide for the compensation and expenses herein mentioned, the comptroller shall issue revenue bonds payable from the taxes for the year eighteen hundred and eighty-one, and an amount sufficient to redeem said revenue bonds shall be included by the board of estimate and apportionment in the final estimate for the year eighteen hundred and eighty-one.

Sec. 4. Any vacancy occurring in such commission shall be filled by the said counsel to the corporation.

Sec. 5. This act shall take effect immediately.

CHAPTER 595.

Section 1. The volume entitled "The special and local laws affecting public interests in the city of New York," and printed by order of the legislature of eighteen hundred and eighty, may be read

in evidence and cited in any court or proceeding. Said volume shall be considered as containing presumptively all special or local laws affecting public interests in force in the city of New York, on the first day of January, eighteen hundred and eighty, but this presumption shall not be considered as extending to special laws relating to any corporation (other than the mayor, aldermen and commonalty), or to any association or society, nor shall the insertion or omission of any law relating to any such corporation be construed as in any manner affecting the corporate existence of any such corporation or its possession of its franchises.

the provisions of chapter 606 of the Laws of 1875, public notice
is hereby given that the said Commissioners will cause a

visions of said act, and to be known as The Suburban

subscriptions thereto which are not in compliance with
the conditions to the granting of said franchise, imposed
by their resolutions passed June 8, 1880.

JURORS.

NOTICE

IN RELATION TO JURORS FOR
STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, July 1, 1880.

APPLICATIONS FOR EXEMPTIONS WILL BE
heard here, from 9 to 4 daily, from all persons hitherto
liable or recently serving who have become exempt, and
all needed information will be given.

Those who have not answered as to their liability, or
proved permanent exemption, will receive a "jury enroll-
ment notice," requiring them to appear before me this
week. Whether liable or not, such notices must be an-
swered (in person, if possible, and at this office only) under

severe penalties. If exempt, the party must bring proof of
exemption; if liable, he must also answer in person, giving
full and correct name, residence, etc., etc. No attention
paid to letters.

Persons "enrolled" as liable must serve when called
or pay their fines. No mere excuse will be allowed or
interference permitted. The fines, received from those
who, for business or other reasons, are unable to serve at
the time selected, pay the expenses of this office, and if
unpaid will be entered as judgments upon the property of
the delinquents.

All good citizens will aid the course of justice, and
secure reliable and respectable juries, and equalize their
duty by serving promptly when summoned, allowing their
clerks or subordinates to serve, reporting to me any attempt
at bribery or evasion, and suggesting names for enrollment.
Persons between sixty and seventy years of age, summer
absentees, persons temporarily ill, and United States and
District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-
demeanor to give any jury paper to another to answer.
It is also punishable by fine or imprisonment to give or
receive any present or bribe, directly or indirectly, in re-
lation to a jury service, or to withhold any paper or make
any false statement, and every case will be fully prose-
cuted.

N. B.—As the above mentioned quantities, though
stated with as much accuracy as is possible, in advance,
are approximate, only, bidders are required to submit
their proposals upon the following express conditions,
which shall apply to and become part of every proposal
received:

(1.) Bidders must satisfy themselves, by personal ex-
amination of the location of the proposed work, and by
such other means as they may prefer, as to the accuracy
of the foregoing estimate, and shall not at any time after
the submission of a proposal, dispute or complain of such
statement nor assert that there was any misunderstanding
in regard to the nature or amount of the work to be
done.

(2.) Bidders will be required to complete the entire
work to the satisfaction of the Department of Docks, and
in substantial accordance with the specifications of the
contract and the plans therein referred to. No extra com-
pensation beyond the amount payable for the several
classes of work before enumerated which shall be actually
performed, at the prices therefor to be specified by the
lowest bidder, shall be due or payable for the entire
work.

The work to be done under the contract is to be com-

work to be done under the contract is to be fully completed
on or before the 1st day of December, 1880; and the dam-
ages to be paid by the contractor for each day that the
contract or any part thereof may be unfulfilled after the
time fixed for the fulfillment thereof has expired, Sundays
and holidays not to be excepted, are, by a clause in the
contract, fixed and liquidated at fifty dollars per day.

Bidders will state in their proposals the price for each
separate class above specified of the work to be done, in
conformity with the approved form of contract and specifi-
cations therein set forth, by which the bids will be tested.
These prices are to cover the expenses of furnishing all

the necessary materials and labor, and the performance of
all the work set forth in the annexed agreement.

Bidders will write out the amount of their estimate for
doing the work, in addition to inserting the same in
figures.

Should the lowest bidder or bidders neglect or refuse to
accept to contract within forty-eight (48) hours after written
notice that the same has been awarded to his or their bid or
proposal, or if, after acceptance, he or they should refuse or
neglect to execute the contract and give the proper secu-
rity for forty-eight hours after notice that the same is
ready for execution, he or they will be considered as hav-
ing abandoned it, and as in default to the Corporation; and
the contract will be re-advertised and re-let, and so on
until it be accepted and executed.

Bidders are required to state in their proposals their
names and places of residence; the names of all persons
interested with them therein; and if no other person be so
interested, the proposal shall distinctly state the fact; also
that the bid is made without any connection with any
other person making any estimate for the same work, and
that it is in all respects fair, and without collusion or
fraud; and also that no member of the Common Council,
Head of a Department, Chief of a Bureau, Deputy thereof,
or Clerk therein, or other officer of the Corporation, is
directly or indirectly interested therein, or in the supplies
or work to which it relates, or in any portion of the profits
thereof; which proposals must be verified by the oath, in
writing, of the party making the estimate, that the several
matters stated therein are in accordance with the truth. Where
more than one person is interested, it is requisite that the
verification be made and subscribed by all the parties
interested.

Each proposal shall be accompanied by the consent, in
writing, of two householders or freeholders of the City of
New York, with their respective places of business or resi-
dence, to the effect that if the contract be awarded to the
person or persons making the bid, they will, on its being
so awarded, become bound as his or their sureties for
its faithful performance; and that if said person or persons
shall omit or refuse to execute the contract, they will pay to
the Corporation any difference between the sum to which
said person or persons would be entitled on its completion,
and that which the Corporation may be obliged to pay to
the person to whom the contract may be awarded at any
subsequent letting; the amount in each case to be calcu-
lated upon the estimated amount of the work by which
the bids are tested; the consent above mentioned shall
be accompanied by the oath or affirmation, in writing,
of each of the persons signing the same, that he is a
householder or freeholder in the City of New York, and
is worth the amount of the security required for the com-
pletion of the contract, over and above all his debts of every
nature, and over and above his liabilities as bail, surety,
and otherwise; and that he has offered himself as surety
in good faith, and with the intention to execute the bond
required by section 6 of chapter 574, of the Laws of 1871,
and by section 27 of chapter VIII. of the Revised Ordin-
ances of the City of New York, if the contract shall be
awarded to the person or persons for whom he consents to
become surety. The adequacy and sufficiency of the
security offered is to be approved by the Comptroller of the
City of New York, after the award is made and prior
to the signing of the contract.

Bidders are informed that no deviation from the specifi-
cations will be allowed, unless under the written instruc-
tions of the Engineer-in-Chief.

No proposal will be accepted from, or contract awarded to,
any person who is in arrears to the Corporation, upon
debt or contract, or who is a defaulter, as surety or other-
wise, upon any obligation to the Corporation.

The right to decline all the proposals is reserved, if
deemed for the interest of the Corporation.

The form of the agreement, including specifications, and
showing the manner of payment for the work, is annexed.
Bidders are requested, in making their bids, to use the
blank prepared for that purpose by the Department, a
copy of which, together with the form of the agreement,
including specifications, and showing the manner of pay-
ment for the work, can be obtained upon application
therefor at the office of the Department.
