The President laid before the Board the following message from his Honor the Mayor :

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted April 19, 1887 that permission be given to John Ungro to place and keep a stand for the sale of fruit on the side-walk near the curb on the southeast corner of First avenue and Tenth street, for the reason that the Commissioner of Public Works reports that such a stand would be an illegal obstruction of the free Commissioner of Fubic Work (1998) and the Common Council has no power to authorize incum-The courts have repeatedly held that the Common Council has no power to authorize incum-brances of this character, and I cannot, therefore, approve this resolution. ABRAM S. HEWITT, Mayor.

ABRAM S. HEWITT, Mayor. Resolved, That permission be and the same is hereby given to John Ungro to place and keep a stand for the sale of fruit on the sidewalk near the curb, on the southeast corner of First avenue and Tenth street, provided such stand shall not be an obstruction to the free use of the street by the public, nor exceed five feet long by two feet wide; such permission to continue only during the pleasure of the Common Council. Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, April 29, 1887

Konorable the Board of Aldermen:

L'onorable the Board of Aldermen: I return herewith, without my approval, a resolution permitting F. P. Lutz to keep a covered stand under the stairs leading to the station of the elevated railroad, at the corner of Sixth avenue and Fifty-eighth street. Under the decisions of the courts, it has been held lawful for the Common Council to authorize the sale of newspapers at stands upon the sidewalks, and I have invariably approved resolutions of that kind when presented to me. The only reason for disapproving the resolution herewith returned is that it authorizes the erection of a permanent building of such dimensions as undoubtedly would produce an obstruction to the highway. The size of the covered stand authorized is seven feet long by four feet wide and eight feet high, a structure so large as to interfere very decidely with the passage of pedestrians, and with the transmission of light, very essential at the stairs of the elevated railway. If your Honorable Body should see fit to modify the resolution so as to provide for an ordinary stand for the sale of newspapers at the place indicated, it would receive my approval. ABRAM S. HEWITT, Mavor.

ABRAM S. HEWITT, Mayor,

ABRAM 5. REVNIT, Mayor. Resolved, That permission be and the same is hereby given to Frederick P. Lutz to place and keep a covered stand for the sale of newspapers, periodicals, etc., on the sidewalk near the curb, beneath the staits leading to the station of the elevated railroad, at northeast corner Sixth avenue and Fifty-eighth street, provided such stand shall not be an obstruction to the free use of the street by the public, nor exceed seven feet long by four wide and eight feet high; such permission to continue only during the pleasure of the Common Council. Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD. RECORD.

MAYOR'S OFFICE, NEW YORK, May 3, 1887. To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted April 19, 1887, that two lamp-posts be erected and street-lamps lighted at the foot of East Ninety-second street, at the entrance to the ferry building. The Commissioner of Public Works reports that there is now a public lamp at the northerly entrance to the ferry, and one additional lamp at the southerly entrance, to be maintained at the public expense, would be sufficient. If the Ferry Company desires additional lamps and lights it should provide them at its own expense, and not at the expense of the City. ABRAM S. HEWITT, Mayor.

Resolved, That two lamp-posts be erected and street-lamps placed thereon and lighted at the foot of East Ninety-second street, at the entrances to the ferry building, under the direction of the Commissioner of Public Works. I return, without my approval, the resolution of the Board of Aldermen, adopted April 19, 1887, that gas-mains be laid, lamp-posts erected and street-lamps placed thereon and lighted on One Hundred and Thirty-seventh street, from Seventh to Eighth avenue. There are no houses fronting on the street, and the resolution is therefore premature. ABRAM S. HEWITT. Mayor. ABRAM S. HEWITT, Mayor.
