From the Deputy Commissioner, as follows:

FIRE DEPARTMENT, CITY OF NEW YORK,
 BOROUGH OF BROOKLYN AND QUEENS,
 BROOKLYN, July 3, 1901.

Hon. JOHN J. SCANNELL, Fire Commissioner:

Sir—I wish to call your attention to the necessity of providing some suitable vehicle, capable of carrying three or four persons, to be used by myself in connection with departmental inspections, including the different volunteer departments in the Borough of Queens. It would also be of much official convenience in other respects.

The absence of a vehicle of this character in the past has caused considerable inconvenience, at times necessitating the use of two or three buggies in lieu thereof.

I have nothing to suggest as to the cost of such a purchase, deeming it best to leave that to your own more experienced judgment.

Respectfully,

JAMES H. TULLY.

Deputy Fire Commissioner, Boroughs of Brooklyn and Queens.

The Fire Commissioner, upon said request, this day presented to the boroughs of Brooklyn and Queens a heavy vehicle to carry four persons, with the use of a set of double harness, until they obtain one for themselves.

The person or persons making an estimate shall furnish the same in a sealed envelope, indorsed with the title given above, of the work for which the estimate is made, with his or their name or names and the date of preparation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the estimates received will be publicly opened by the head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects true and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the success or work to which it relates, or in any portion of the profits therefrom. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, or of a guaranty or surety, contract duly authorized by law to act as a guaranty, and shall contain the names and birth in the blank form of bid mentioned below.

The estimate will be received or considered unless accompanied by a certified check or money to the amount of five per centum of the amount of the bid required, as provided in section 420 of the Greater New York Charter.

For particulars as to the quantity and quality of the supplies or of the nature and extent of the work required or of the materials to be furnished, bidders are referred to the printed specifications.

The board reserves the right to reject all bids if it deems it for the interest of the City so to do.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Commissioner, a copy of which, and also the proper envelope in which to inclose the same, together with the form of agreement, including specifications, in the accompanying form, for the work, can be obtained upon application to the office of the Department of Public Charities.
