#### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

*Construction Related Services*

**PREQUALIFIED VENDOR LIST: GENERAL CONSTRUCTION, NON-COMPLEX GENERAL CONSTRUCTION SITE WORK ASSOCIATED WITH NEW YORK CITY DEPARTMENT OF PARKS AND RECREATION ("DPR" AND/OR "PARKS") PARKS AND PLAYGROUNDS CONSTRUCTION AND RECONSTRUCTION PROJECTS.**

DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construct its parks, playgrounds, beaches, gardens and green-streets. DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the

opportunity to take management classes and receive on-the-job training provided by a construction management firm.

DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- 1) The submitting entity must be a Certified Minority/Woman Business enterprise (M/WBE)\*;
- 2) The submitting entity must be a registered joint venture or have a valid legal agreement as a joint venture, with at least one of the entities in the joint venture being a certified M/WBE\*;
- 3) The submitting entity must indicate a commitment to sub-contract no less than 50 percent of any awarded job to a certified M/WBE for every work order awarded.

\* Firms that are in the process of becoming a New York City-Certified M/WBE, may submit a PQL application and submit a M/WBE Acknowledgement Letter, which states the Department of Small Business Services has begun the Certification process.

##### Construction/Construction Services

**NYC HEALTH AND HOSPITALS FEMA PROGRAM - CONEY ISLAND HOSPITAL RFQ FOR THE PROVISION OF CONSTRUCTION CONTRACTOR SERVICES** - Request for Qualifications - PIN#6162-00004 - Due 12-6-18 at 4:00 P.M.

NYCEDC, on behalf of the projects' construction manager ("CM"), is seeking qualified firms for the construction of the Major Work project at Coney Island Hospital ("CIH"), 2601 Ocean Parkway, Brooklyn, NY 11235.

Due its location, CIH is vulnerable to extreme coastal storms and in October 2012, the facility suffered extensive flood damage because of Superstorm Sandy. Since then, the hospital has temporarily restored the damaged areas and, working with the Federal Emergency Management Agency ("FEMA"), have developed plans to mitigate damage from future storms and flooding.

NYCEDC, as the lead of an interagency team, is now focused on the Major Work project. The construction of the CIH campus project includes the following components:

- Build a new resilient acute care hospital tower to be known as the Critical Services Structure ("CSS");
- Provide on-site parking;
- Demolition of existing buildings, including Hammett Pavilion, Building 6, and various existing site improvements;
- Renovation and selective demolition of 60,000 gross sq. feet including portions of the existing Main Building and Tower Building; and
- Build a new permanent flood mitigation structure (s) (e.g. flood wall) around the campus.

NYCEDC has contracted with NBBJ to lead the design effort for all contract documents associated with the Services.

Turner/McKissack, a JV has been selected as the CM, and will provide construction management services for the Project, including holding all construction subcontracts.

NYCEDC is seeking qualifications for the following types of construction contractors: Concrete Contractors, Abatement Contractors, Demolition Contractors, Masonry, Site/Civil Work, Painting, Carpentry, General Contractors, Roofing and Waterproofing, Windows

The purpose of this RFQ advertisement is specifically to request additional qualified firms for the following bid packages of the project:

- Canopies, Soffits, Storefronts, Metal Panels
- Drywall/Ceilings (Levels 1 through 5), MRI Shielding, Fire Shutters, Security Vault

- Drywall/Ceilings (levels 6 through 10), Fire Shutters, Doors and Hardware, Toilet Partitions and Accessories
- Precast Concrete
- Masonry
- Waterproofing and Roofing
- Miscellaneous Metals
- Window Washing Davit System

Those interested in these packages along with the other trades listed above are required to respond to the RFQ as per the schedule noted below. Respondents who do not submit within the outlined timeframe may not be included in the initial packages.

Responses due to be pre-qualified for the bid packages: Thursday, December 6, 2018.

Note: The RFQ will remain open for submissions during the multiple procurement phases of the CIH Major Work Project. NYCEDC will advertise in the City Record when qualifications for a specific sub-project included in the Project is due to ensure that firms have adequate time to respond to the RFQ and have those responses reviewed by the CM to create the pre-qualified list of firms to receive the RFP for the specific sub-project.

If a firm has already submitted qualifications in response to a prior RFQ advertisement and been prequalified, the firm should not resubmit its qualifications; any firms successfully pre-qualified will remain pre-qualified for all subsequent projects released under the CIH Major Work Project, assuming the firm's compliance with all contract requirements. Similarly, any firms successfully pre-qualified under this RFQ will remain pre-qualified for all subsequent projects released under the CIH Major Work project, assuming contract compliance is maintained.

NYCEDC plans to prequalify firms on the basis of factors stated in the RFQ which include, but are not limited to: the firm's demonstrated experience and expertise in the particular trade for which the firm is submitting its qualifications; the firm's record regarding accidents and lost work days on construction projects; and the firm's resources available for the Projects.

The Services described above will require extensive coordination and collaboration among the CM firm hired by NYCEDC, the other construction trades working within the Project Site and the Project Team.

It is the policy of NYCEDC to comply with all Federal, State and City laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category and to take affirmative action in working with contracting parties to ensure certified Minority and Women-Owned Business Enterprises (MWBES) share in the economic opportunities generated by NYCEDC's projects and initiatives.

The H plus H Coney Island Hospital Major Work has a Minority and Women-Owned Business Enterprises ("M/WBE") participation goal of 35 percent. Companies who have been certified with the Empire State Development's Division of Minority and Women's-Owned Business Development as M/WBE are strongly encouraged to apply to this RFQ. To learn more about M/WBE certification and NYCEDC's M/WBE program, please visit <http://www.nycedc.com/opportunitymwdbe>.

Respondents may submit questions and/or request clarifications regarding the RFQ in writing to NYCEDC on an ongoing basis. Questions should be directed to [CIHRFQ@edc.nyc](mailto:CIHRFQ@edc.nyc). If NYCEDC determines that answers will provide material clarification to the RFQ, questions will be answered within two (2) weeks of receipt and NYCEDC shall post such answers on the RFQ website, available through [www.nycedc.com/RFP](http://www.nycedc.com/RFP), so as to be available to all respondents. Note that the CM will separately manage the Question and Answer process for each bid package.

Firms responding to multiple trades may submit one comprehensive SOQ for all trades. Four (4) hard copies of the SOQ and attachments as well as four (4) jump drives must be submitted.

Detailed submission guidelines and requirements are outlined in the RFQ, available as of Tuesday, November 15, 2016. The RFQ is available for in-person pick-up between 9:30 A.M. and 4:30 P.M., Monday through Friday, from NYCEDC.

#### Statement of Basis and Purpose of Proposed Rule

The Office of Citywide Events Coordination and Management (OCECM), Street Activity Permit Office (SAPO) administers New York City's permit system for street activities, block parties and fairs.

Each year SAPO issues permits to over 200 street fairs and over 5,000 other events, most of which include the use of multiple blocks over several days, the erection of structures, the vending of food, apparel and other goods and the use of amplified sound and the performance of music. Events like these require additional police officers which increases overtime costs to the City. These events also divert police officers from core crime fighting, public safety and counter terrorism duties.

To more effectively deploy police resources and control overtime costs, the New York City Police Department has requested that SAPO exercise its discretion temporarily to deny permits for additional events scheduled for calendar year 2019. The proposed rules will authorize SAPO to deny permits to these events only if the event was not held in
