TO CONTRACTORS.

PROPOSALS FOR FURNISHING SAND, BROKEN STONE AND RIP-RAP STONE.

SEALED PROPOSALS FOR FURNISHING THESE materials, addressed to "Jacob A. Westervelt, President of the Department of Docks," will be received at this office until 11 o'clock A. M., of Friday, November 13, 1874, at which time the bids will be publicly opened and read.

The award of the contracts will be made as soon as practicable thereafter.

Any bidder must be well prepared for the business, and shall give security for the faithful performance of his contract, in the manner prescribed and required by ordinance.

The quantity to be delivered under the contract is estimated at about 8,000 cubic yards of sand, and about 20,000 cubic yards of broken stone, and 10,000 cubic yards of rip-rap stone, and the material must be delivered as called for by the requisitions issued by the Department. The contract is to cease and terminate twelve months from the date of the signing thereof.

Separate proposals will be received, and contracts awarded for the material, as follows: One contract for sand, and one contract for broken and rip-rap stone.

All the material will be measured in bulk on board the vessels at the place of delivery, by such person or persons as may be appointed for the purpose by the Department.

NOTE.—Samples of the sand and stone proposed to be furnished must be deposited in the office of the Department of Docks, by each bidder, on or before the delivery of his proposal, and must be labeled with his name or other mark.

Bidders will state in the following proposals the price for each separate item of the material to be furnished, by which the bids will be tested. The price is to cover all expenses necessary for the complete fulfillment of the contract.

No proposals will be considered unless accompanied by the consent, in writing, of two householders or freeholders of the City of New York, to the effect that, if the contract be awarded under that proposal, they will, on its being so awarded, become bound as sureties for its faithful performance, which consent must be verified by the justification of each of the persons signing the same for double the amount of security required.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as security or otherwise, upon any obligation to the Corporation.

Blank forms of proposals can be obtained by application at the office of the Department, and the form of the agreement, including specifications, and showing the manner of payment for the material, is annexed thereto.

WILLIAM GARDNER,
WILLIAM BUDD,
Commissioners of the Department of Docks.
