NOTICE

On Wednesday, August 13, 2025, a public hearing is being held by the City Planning Commission (CPC), accessible in-person and remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the following co-Applicants: the New York City Economic Development Corporation (NYCEDC), 8th Regiment Partners, LLC, and the New York City Department of Citywide Administrative Services (DCAS). The Mayor's Office of Environmental Coordination (MOEC) is acting as the CEQR Lead Agency for the environmental review. The Applicants are seeking a series of land use actions including a disposition of City-owned land (Block 3247, Lots 2 and 10) pursuant to New York City Charter Section 197-c; zoning map amendment to rezone the project block from C4-4 to M1-4A/R7-2 (MX) to allow manufacturing uses; zoning text amendment to Zoning Resolution (ZR) Section 123-90 to establish the proposed MX district; zoning text amendment to ZR Section 74-182(b) to increase permitted indoor arena capacity from 6,000 to 17,000 persons and remove specific reference to zoning sections for the modifications of signage and parking and loading provisions permitted in conjunction with such arena; special permit pursuant to ZR Section 74-182(b) to allow an indoor arena with a capacity of up to 17,000 persons and permit modification of signage requirements; special permit pursuant to ZR Section 74-195 to allow a public parking garage with a capacity of greater than 150 parking spaces; public financing by the New York City Department of Housing Preservation and Development (HPD) to facilitate the proposed permanently affordable housing units on the National Guard Site in the Kingsbridge Heights neighborhood of Bronx Community District 7 (the "Proposed Actions"). The Proposed Actions would facilitate the Proposed Project which includes up to approximately 1,230,300 gsf of new development at the Project Site, including up to 735,800 gsf on the Armory Site and the National Guard Site would be redeveloped with a new 16-story, approximately 494,500-gsf residential building including approximately 500 permanently affordable dwelling units and approximately 14,400 gsf of local retail. The Armory would be adaptively reused and reprogrammed with approximately 735,800 gsf of new uses, including approximately 84,400 gsf of community facility and cultural uses, approximately 87,800 gsf of light manufacturing space, approximately 73,000 gsf of commercial office space, a 17,000-person live event venue, and approximately 65,500 gsf of other entertainment uses. Approximately 248 public parking

spaces and new loading docks would be provided in the Armory's cellar level.

The Project Site includes the "Armory Site" at 1 West Kingsbridge Road (Block 3247, Lot 10), and the "National Guard Site" at 10 West 195th Street (Block 3247, Lot 2). The Project Site occupies the portion of Block 3247 that is bounded by West 195th Street, Reservoir Avenue, West Kingsbridge Road, and Jerome Avenue.

The proposed project would also require other coordination and discretionary approvals from City agencies such as the NYC Landmarks Preservation Commission (LPC); since the Armory is a designated New York City Landmark, the proposed changes to the exterior of the Armory and the landmark site require a Binding Report from LPC pursuant to the New York City Charter and the New York City Landmarks Law. In addition, the Proposed Project will be receiving State funding which requires review by New York State Office of Parks, Recreation, and Historic Preservation pursuant to Section 14.09 of New York State Historic Preservation Act. The project may also seek Federal historic preservation tax credits for the proposed adaptive reuse of the Armory, which is a non-discretionary action that would require consultation with the National Park Service and in coordination with the New York State Historic Preservation Office (SHPO). The proposed alterations to the Armory would be undertaken in accordance with the Secretary of Interior's Standards for Rehabilitation. In addition, because Federally appropriated Community Project Funding administered by U.S. Department of Housing and Urban Development (HUD) is anticipated, consultation with SHPO and Federally recognized Tribal Nations would be undertaken, as warranted, in accordance with Section 106 of National Historic Preservation Act. It is anticipated that the City and State would provide an investment of up to \$200 million to facilitate the proposed adaptive reuse of the Armory; \$50 million of funds from public sources may also become available for the project which are not subject to ULURP. The Build Year is 2032.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through 11:59 P.M. on Monday, August 25, 2025.

For instructions on how to submit comments and participate, both in-person and remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 25DME006X.

AGENCY RULES

CONSUMER AND WORKER PROTECTION

■ NOTICE

Notice of Adoption

Notice of Adoption by the Department of Consumer and Worker Protection of amendments to rules relating to general vendors.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Consumer and Worker Protection by Sections 1043 and 2203(f) of the New York City Charter and Sections 20-104(e) and 20-471 of the New York City Administrative Code, and in accordance with the requirements of such Section 1043, that the Department amends and repeals provisions of chapter 2 of title 6 of the Rules of the City of New York.

This rule was proposed and published on May 1, 2025. A public hearing was held on June 2, 2025 and one comment supportive of the rule was received.

Statement of Basis and Purpose of Rule

The Department of Consumer and Worker Protection ("DCWP" or "Department") is repealing certain outdated provisions of its rules governing general vendors and amending provisions relating to the required documentation of transactions by such vendors in order to align such requirements with those that apply to other NYC businesses.

The rule clarifies that general vendors must comply with 6 RCNY § 5-32, which requires that sellers offer receipts for certain retail purchases. DCWP also repeals a section of the rules that requires general vendors to wear their identification cards since that section is duplicative of NYC Administrative Code section 20-461(b), which requires such vendors to wear a license that includes a photograph conspicuously at all times while operating as a general vendor. The rule also repeals an obsolete section governing pushcart permit exemptions.

Sections 1043 and 2203(f) of the New York City Charter and Sections 20-104(e) and 20-471 of the New York City Administrative Code authorize the Department to make these amendments.

Rule Amendment

New material is underlined.

[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of the Department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Section 2-307 of subchapter AA of Chapter 2 of Title 6 of the Rules of the City of New York is amended to read as follows:

§ 2-307 Practices.

(a) No general vendor shall make any misrepresentations concerning merchandise offered for sale. General vendors shall comply with all applicable provisions of the Consumer Protection Law (Title 20, Chapter 5, Subchapter 1 of the Administrative Code of The City of New York) and regulations promulgated under that law, including, but not limited to, 6 RCNY § 5-32, relating to documentation of transactions.

(b) All items sold or offered for sale by general vendors shall have conspicuously displayed, at the point of offering for sale, the total selling price exclusive of tax by means

(1) of a stamp, tag or label attached to the item or

(2) a sign at the point of display which indicates the item to which the price refers, provided that this information is plainly visible at the point of display for sale of the items so indicated.

[(c) Each general vendor shall offer a consumer a serially numbered receipt for any purchase. The receipt must include:

- (1) the date of the purchase;
- (2) the total amount of money and tax paid for the purchase;
- (3) a description of the item purchased; and
- (4) the license number of the vendor;
- (5) a statement that complaints can be made to the Department of Consumer Affairs, (Insert the Department's current address and telephone number).

(d) Each vendor shall retain a duplicate copy of each receipt for the day which shall be produced for inspection upon request by police or other New York City personnel. The receipts shall be presented for review to the Department by the general vendor upon request, and the previous two years' receipts shall be produced when applying for renewal of a license.]

§ 2. Section 2-309 of subchapter AA of Chapter 2 of Title 6 of the Rules of the City of New York, relating to identification cards, is REPEALED.

§ 3. Section 2-311 of subchapter AA of Chapter 2 of Title 6 of the Rules of the City of New York, relating to pushcart permit exemptions, is REPEALED.

(the "Resolutions") that obligations shall be issued to finance the specific objects or purposes identified as budget codes ("Budget Codes") in the Resolutions, to the extent and in the amounts set forth in Capital Budget Code modifications ("BCMs") attached to such Resolutions and has certified by the Resolutions to the Comptroller of the City the amounts of obligations to be issued for financing the Budget Codes. Said amounts have been duly appropriated for the Budget Codes in appropriations for capital projects to which the Budget Codes relate.

The Resolutions request that the Comptroller determine the nature and terms of the obligations thereby authorized and that the Comptroller arrange for the issuance of such obligations.

The period of probable usefulness for each Budget Code is set forth in the description of such Budget Code in the financial management system reports of the City and is incorporated in the Resolutions by reference. The estimated maximum cost of each Budget Code is its proportionate share of the estimated maximum cost of the capital project of which such Budget Code is a part. The estimated maximum costs of each such project and the plan for financing the total costs of all of the Budget Codes comprising such project, are contained in the most recent Capital Budget in which the funds for such capital project were appropriated. Such total costs will be financed by the issuance of obligations of the City to the extent such costs are not financed by funds of the New York City Transitional Finance Authority (the "TFA") or the New York City Municipal Water Finance Authority ("NYW") or as otherwise indicated in such Capital Budget.

The Resolutions also authorize the temporary use of certain funds of the City for the purpose or purposes for which the issuance of obligations has been authorized by the Resolutions, and provide that suitable records are to be kept of such temporary diversion of funds, and that the City obtain reimbursement of such funds from the proceeds of the bonds authorized by the Resolutions, or from the sale of bond anticipation notes issued in anticipation of the sale of such obligations.

The validity of the obligations authorized by the Resolutions may be contested only if (1) such obligations are authorized for an object or purpose for which the City is not authorized to spend money, or the provisions of law which should have been complied with as of this date of publication have not been substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of this publication or (2) such obligations are authorized in violation of the provisions of the New York State Constitution.
