## APPROVED PAPERS.

FOR THE WEEK ENDING JUNE 25, 1904.

No. 346.

Whereas, By the visitation of the most appalling disaster in its history The City of New York has been cast into an abyss of profound grief and sorrow by the burning and sinking of the steamer "General Slocum" on Wednesday, June 15, 1904, whereby nearly a thousand men, women and children met an untimely death; and

Whereas, Joyous hearts which gleefully started out to attend the excursion of the Sunday School of St. Mark's German Lutheran Evangelical Church were within almost a brief hour forever stilled by death in its most dreadful form; and

Whereas, Hundreds of happy homes have been desolated, thousands of friends and families bereaved, and ties of love and friendship mercilessly sundered; and

Whereas, Gloom and sadness have plunged our City into mourning for maid and matron, child and parent, husband and wife; therefore be it

Resolved, That we, the members of the Board of Aldermen of The City of New York, the direct representatives of the people, hereby and herein record our poignant sorrow at the unparalleled catastrophe to our people, and to the surviving relatives of those so incontinently done to death we offer the sincerest sympathy; further:

That the City Hall and Aldermanic Chamber be draped in mourning for thirty days;

That a special committee of fifteen members be appointed by the President to devise such measures of relief for the survivors and stricken families as may be meet and proper in the premises;

That a copy of these resolutions suitably engrossed and duly authenticated by the City Clerk be transmitted to the Trustees of St. Mark's German Lutheran Evangelical Church; and be it further

Resolved, That as an additional mark of respect this Board do now adjourn.

Adopted by the Board of Aldermen June 18, 1904.

Approved by the Mayor June 20, 1904.

No. 347.

Whereas, By resolution of the Board of Aldermen, adopted December 8, 1903, and approved by the Mayor December 18, 1903, the Commissioner of Police was authorized to accept the estimate of Thomas G. Carlin for extra work required in the construction of a station-house for the Seventy-fifth Precinct in a sum not to exceed three thousand seven hundred dollars, and to award contract for same without public letting; and

Whereas, It appears that the cost of such extra work is five thousand two hundred and sixty-five dollars and fifteen cents; therefore be it

Resolved, That the Commissioner of Police be and he is hereby authorized to pay to Thomas G. Carlin the difference between the amount authorized for such work, three thousand seven hundred dollars, and the actual cost of the same, five thousand two hundred and sixty-five dollars and fifteen cents, viz.: one thousand five hundred and sixty-five dollars and fifteen cents, and to award the contract for same without advertising for competing bids.

Adopted by the Board of Aldermen June 14, 1904.

Approved by the Mayor June 21, 1904.

#### NOTICE TO CONTRACTORS.

#### GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York, is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be enclosed in the envelope containing the bid or estimate, but should be either enclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately.

The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures. Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there
